Welcome to your Yearbook!

The logo for Hohenfels Middle/High School (HMHS) is displayed in a white rectangular box. The letters 'H', 'M', 'H', and 'S' are in blue, while the letter 'S' is in red. The letters are bold and sans-serif.

The journey on which you are about to embark is one full of countless memories that were caught in the camera's eye by one of our yearbook staff members or many contributors. We are pleased to share these memories we have recorded over the past school year with you.

From the time Hohenfels Middle/High School opened its doors in 1995, it has been a special place for the students, and that didn't change when we moved to our beautiful new building in 2001 where we are today. This year you have shone brightly, and now you get to review your accomplishments. You have a great future ahead, and it is important to keep in mind the true reason this school has been such a success: **THE STUDENTS!** Students just like **YOU!**

Hohenfels has students who are talented in all areas: academics, art, music, athletics...the list goes on and on. HMHS is truly second to none in making memories and paving the way for success, an aspect of being a Tiger that we hope you will never forget. We are glad your eyes will be the first to see all of the wonderful memories captured in the past year. So....

ENJOY!

Homecoming Week Activities

Homecoming week has always been quite the busy time for the students of Hohenfels MHS. This year the Tigers started their week with a pajama day on Monday, which lead into twinning on Tuesday. On Wednesday, students sauntered in to school in their wacky tacky apparel. Then on Thursday, the students got a blast from the past on throwback Thursday. All these spirit week activities were leading up to the main event: spirit Friday and the Tiger Switcheroo pep rally. This year, our senior boys showed off their legs in their cheerleading uniforms and the junior and senior girls' football game ended in an uneventful tie. Later that day, our Tigers followed the seniors to the festplatz to kick off our Tiger Bonfire. During the parade there was an intense shouting match that broke out between juniors and seniors. One day later the students donned their dancing shoes at the Homecoming dance in the Great Hall.

Band and Choir

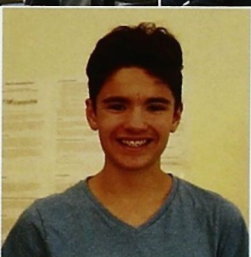

Though these students may be new to reading and playing music, they still make their presence known during our two concerts. They continually get better under the tutelage of our very enthusiastic Mr. Prielipp. He is leading these young musicians to greatness.

The advanced and intermediate band show off their knowledge of music. After years of practice they have a complete mastery of their instruments allowing them to play much harder rhythms and harmonies.

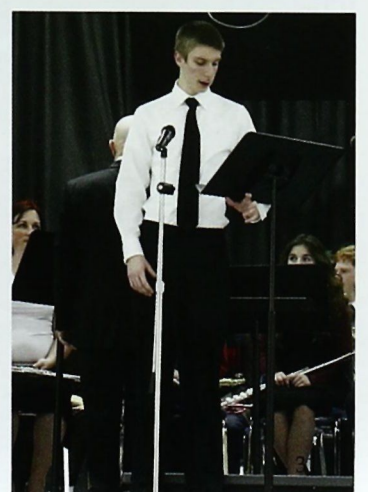

This year, three students auditioned for honors band and choir: Michelle Wall, Jacob Fisher, and Wade Cermack. Michelle and Jacob were invited to go, which makes this the first year that our little school was able to showcase the talent of two of our choir students.

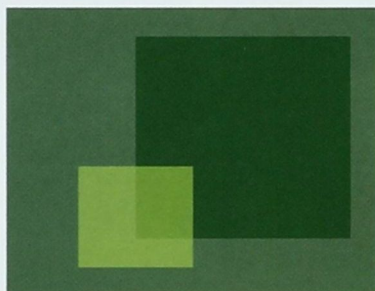

The Hohenfels Choir is always brimming with young talent. Though Mr. Prielipp's is able to lead this group of excellent middle and high school students to present an interesting performance during both the winter and spring concerts.

Drama

Zombie Run

This year for preparedness week, the drama students worked their stage magic to transform themselves into the walking dead for a zombie run held on post.

The drama class is always looking for ways to pitch in around the community. In order to fulfill this, they performed their original anti-bullying seminar at the elementary school.

Bullying Skits

For Bullying Awareness Day the drama students wrote and performed in a series of skits written to demonstrate the three separate faces of bullying—the bully, the bystander, and the voice—to the elementary school students.

DoDDS-Europe Language Institute

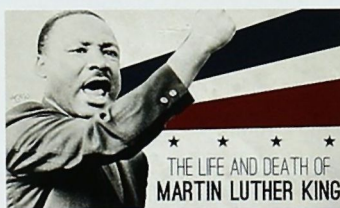

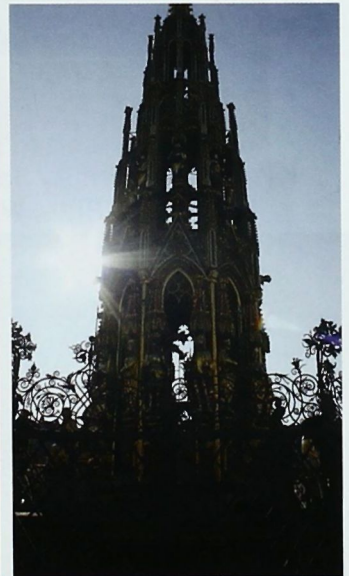

During the week of October 20-24, students from all over DoDDS Schools in Europe learned bits of Russian, Arabic, Italian, Chinese, French, and Swahili. The seminar was held in Wiesbaden, Germany. The two students from Hohenfels were Bryce Jones and Monty Schmid.

GERMAN

The German 4/5 class accompanied the 10th grade Honors class to Nürnberg where they explored the sights, participated in an underground tour of Nürnberg, and spent the rest of the day shopping and enjoying the German culture.

The German classes attended "The Dream and Nightmare of Martin Luther King" by the American Drama Group.

Jonah Stewart

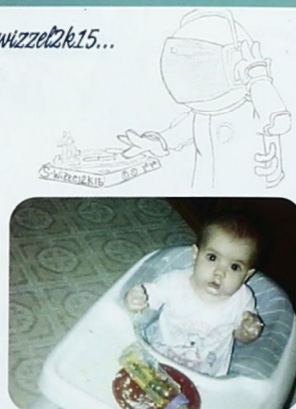

Jonah stands out among the Who's Who of HMHS because of his character. He has a multitude of leadership awards, such as, JROTC program, NHS, and Community recognition, but Jonah has declared his own standard of a leader: "One, they should care about people. And two, they should have integrity." Jonah exemplifies both of these attributes. His most stellar quality is that he quietly inspires his peers to excel and achieve beyond their limitations and to dream bigger dreams. Jonah also elicits respect from his teachers and our Principal through his outstanding character and leadership skills.

The life of the military child is one of many moves. We are expected to pick up and change homes, schools, and even countries at a moment's notice. So it is always special for a handful to be able to say they got to complete their four years of high school in one school. Here we note the longevity for those few. Some have been fortunate enough to spend even longer here.

I'm so proud of everything you've accomplished through these past years. Since you've been a little girl, I've always had to watch you a little closer because you're daring and fearless. Please be careful in the "real world," because I won't be there if you get hurt. I know that you'll reach your dreams and accomplish everything you want in life because you're smart and give 100% to everything you do. Even though you may be departing on a new journey to find out more about yourself, you will always be my baby. I love you to the moon and back forever and always.

Love, Mom

Way to Go Kiddo, So Proud!

Codex Coon

You have grown into a more amazing person than you were when you first entered our lives. Your kindness, generosity, and care for others are traits that have been a distinct part of who you are and is the reason why your family and friends think so highly of you.

The time has gone by entirely too fast, and it is hard to believe that you are graduating and going into the world to chase your dreams. We know you will be a great success and do well in the face of any challenges that confront you. As hard as it is for us to see you go forward with your life, you are as prepared as anyone, and there is no limit to your potential and where life will lead you.

We are so proud of you, and it has truly been our honor to witness you becoming the man that you are. Thank you for sharing the tight knit group of friends that you have cultivated in our little community; they have truly been a riot for us. You ROCK kiddo and we love you so much.

-Mom and Dad

Breanna Cornett

Dear Breanna, where has the time gone?
You are growing up, even though you
promised several times not to; we wish we
could freeze time. We are wishing you the
best in this new chapter of your life. Love
Always, Mom & Dad

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call upon me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart."

Jeremiah 29:11-13

Dear Breanna, you are a nice sister. This college
thing sure has you soaking up a lot of attention
from Mom and Dad. I suppose you've earned it.

I love you bunches!
Love Always,
Your Favorite Sister,
Princess Fader

Hey Breanna, you're almost in college...

I'm going to take your room!

Love Always,

Your #1 Sister, Emsy

P.S. I love you!

*P.S.S. When you leave for college, I'm going to take
your Pokemon cards, too! Moo Ha Ha!*

Our Baby Girl

Marcus Dudley

Congratulations, Marcus. We are very proud of the young man that you have become and the accomplishments that you have made so far. We wish you the very best as you conquer the next chapter in your life. There will be challenges thrown your way, but remember to always put God first, and you can **ACHIEVE the IMPOSSIBLE. DREAM IT...BELIEVE IT...AND SUCCESS IS YOURS!!!** We love you and wish you much **SUCCESS!!** Good Luck!!

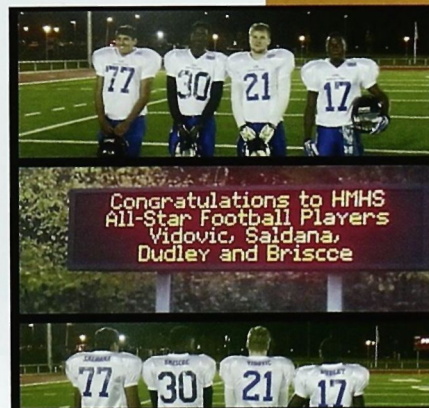

Love,

Mom, Dad & Ja'Quez

YOU DID IT!

Gregory Eaddy

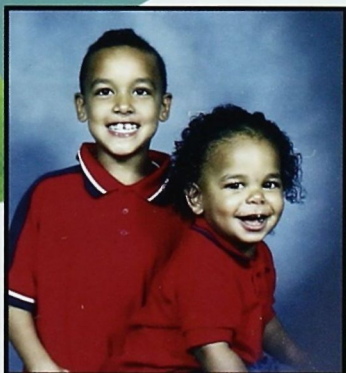

Congrats!

To Our Son Greg,

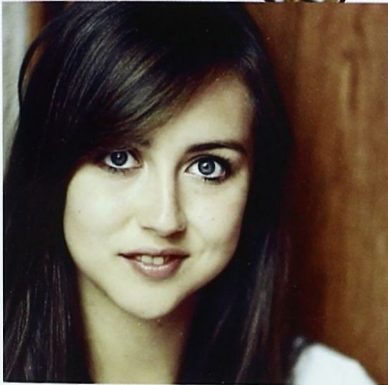

We are very proud of you. You have done very well so far in preparing for life. It seems like yesterday that you were just a kid. Now you are a man, ready to take on life. Being your prents has been the greatest blessing that God has given us. You will continue to succeed in life even though life is a long road. We are always here for you. Congradulations on your graduation! We love you very much.

Mom, Dad, and your brother Chauncey

Taylor Gamble

AYDIW!

Tay, they say a daughter is a little girl who grows up to be your best friend...thank you for being mine! I love you a million, and I'm so proud of you, my angel!
Love, Mom

Thank you, Taylor, for the best seventeen years of my life! You are incredibly funny, exceptionally intelligent, amazingly beautiful, extremely hard working, and the most driven person I have ever known.

Of course I love my children equally (I'm not very fond of Emily), but other than that, you are my favorite of all societal members.

*I love you way more than words can express, and I'm more proud of you than you'll ever know. I'm unbelievably sad that pretty soon I won't get to spend time with you every day, but I am so excited for what your future holds. Keep being the "woman in the arena."
Love, Daddy*

Chloe Holland

Chloe, we are so proud of the young woman you have become. Words can't express how much we love you. You are going to be a HUGE success!! Just don't put too much pressure on yourself and remember to keep smiling. 😊 Love, Mom & Dad

Chloe, from the teeny, tiny little preemie you were to the beautiful, smart young lady you are today, Pappy and I are so proud of you. You are strong, independent, intelligent, loving, and kind! We could ask for no better. We wish you all the best life has to offer! High school was great, college will be better. Love you!
-Grammy & Pappy

Sissy loves you and is very proud of you!

Alexander Lange

We are so proud of you and can't wait to have you closer. We love you! Nick and Melissa

Congratulations

It seems like yesterday you graduated from the coop Preschool at Lake Forest Park and started Kindergarten in Lynnwood, WA. We can't believe you are graduating from high school; time has just flown. You spent most of your school days in Germany, having been in Hohenfels since 6th grade. You have played baseball with great compassion and are an awesome soccer player where you have been playing for your high school team as well as a German team year-round.

We can't put a lifetime in a few words, but you are such a blessing in our life. We love you with all our heart and wish you all the best for your future. We know you can do anything you put your mind to. And don't forget, we are only a phone call away.

Love, Mom and Dad

Moving on is not about never looking back. It's about taking a glance at yesterday and noticing how much you've grown since then.

-Ritu Ghatourey

Delaney McKinney

Congratulations!

We are so proud of you!

It is so hard to believe that this little girl is all grown up and has grown into such a mature beautiful young lady. You continually surprise us!

Always aim high and stay in the race....

We love you so much, and we can't wait to see what the future has in store for your life.

Love always, Mom and Dad

As your parents, we want what's best for you
and want to see good in all that you do
we would like you to take this advice and
understand
that even though you are now a man
in life you have to make a plan
we would like for you to sit and decide
who you really are inside
we want you to ask yourself - "where do I plan
to be a few years from now?"
and then make that plan to do it somehow
this question you may have to toss around in
your mind
as it may take you sometime
for you to feel the answer you want to find
this answer should come from your heart
family and friends should take no part
they should not influence you in anyway
then your life as you know it will be taken away
we want you to be true to yourself
and we will be there "only to guide you" if you
need any help
always remember that life is what "you" make it
so please do not forsake it
and when the answer comes
and you know who "you" are and what person
"you" want to become
we will stand by your side
on whatever you decide
all this is important for you to understand
as your life has just began
and if you never take my advice again
let it be known.....
"life can never go wrong....when you are a man
of your own"

From before you could walk and talk, you always commanded attention. As the years went on, we could tell you were something special. An old soul, some would say; a heart of gold, said others. We are so proud of the man you have become. Times weren't always easy, yet you never gave up. We're so glad you got the chance to see more what the world has to offer and know you'll be successful in whatever you decide to do. Can't wait to see how the next chapter unfolds.

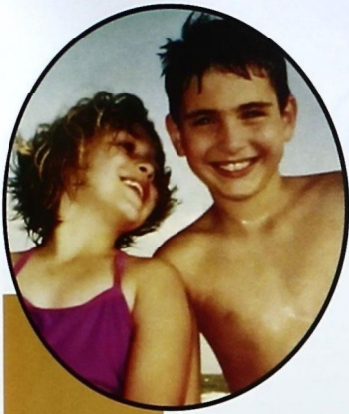

We love you to the moon and back!

Sissy, of course we knew that you would grow up to be amazing, but you are so much more than we ever expected! We know that you don't want to grow up and take on responsibilities. Believe me...we don't want you to grow up either! Proud is an understatement for how we feel, not just about you graduating high school, but about the beautiful, strong young woman that you have become. You are going to be successful in so many things!!

Ever since you were born, we noticed your careful and cautious curiosity. It has been quite delightful watching you over the years develop your interests, confidence, and talents while remaining true to your character. Congratulations on successfully "beating" this level of the game of life. We are extremely proud of the caring, smart, brave, mature, and "amazing" son and brother that you are. We are blessed beyond measure to have you in our life and family all these years and those to come. Stay true to God and yourself, and you will have a successful and "amazing" life. Remember that you will always have your family behind you every step of the way. You'll always be in our hearts! Good Luck, God Bless and ... Game On!

Three Friends

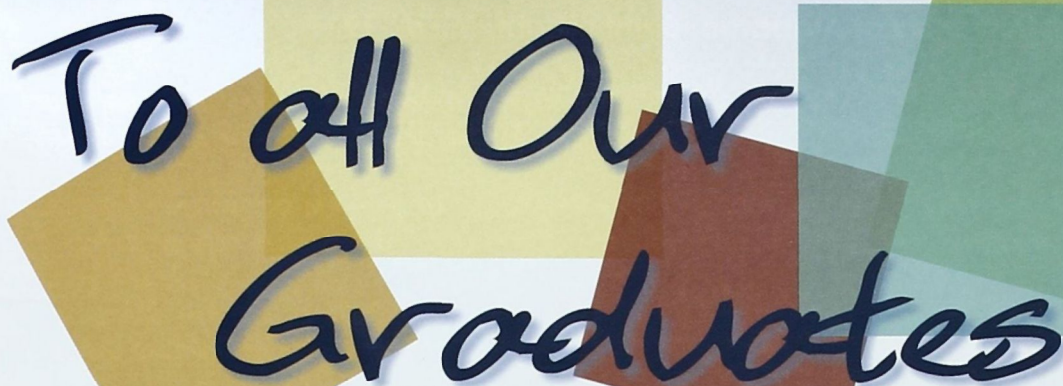

Through the Years

Nathan, Codey, and Alex,

For us mom, it has been so fun (and gone by way too fast) watching you grow up the past six years together! From school activities, sports, and computer marathons (and the endless supply of "bulking food"; our pantries won't be the same), it has been amazing to see your strong friendship. The ridiculous jokes have kept us on our toes. May you continue to keep in touch and keep us updated on each other!

Congratulations from Your Moms!

To peace and happiness.*

Mr. Randal Roberts

Auburn University, B.A., 1969 (War Eagle and thankful!)

Univeristy of Alabama, Birmingham, M.Ed., 1973

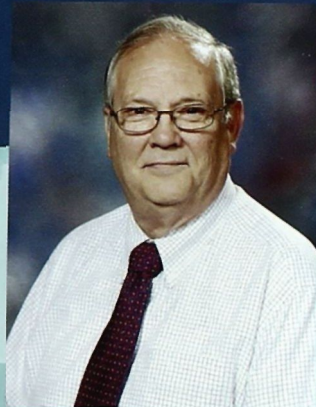

Mr. Roberts began teaching in 1970 by accident when a former teacher, who was a principal, knew he was doing nothing but waiting upon the military to call. He almost finished the year before joining the US Army. He had never had an education class, but math and chemistry were his favorite subjects.

He entered the army as an E-2 and finished as an O-5; and says, "It was a good journey." Mr. Roberts spent 15 years on Flight Status during his 35 years of service covering active duty, reserves, and National Guard. "One of my best memories was flying the world's best helicopter, the UH1H (Huey)."

In Alabama he served as a teacher, Assistant Principal, Principal, and on the Superintendent's Staff. Upon retiring from Alabama, he then worked 3 years designing academic programs (with a psychologist and psychiatrist) for troubled boys. It was the hardest and most meaningful experience of his life.

Mr. Roberts decided to return to Europe and has spent the last almost 12 years with DODEA in beautiful Bavaria. "I will never forget the wonderful soldiers, teachers and students I have worked with over the years. I am so blessed."

*Der Liebe und des Lebens Freude ist Erinnerung!
The fun of love and life is memories.*

Kathleen Hernandez

University of New Mexico, B.S.,
1980, M.A., 1992

Mrs. Hernandez retires with a total of 33 years in education as a home economics and English teacher and as a librarian. She has been the Hohenfels HS librarian for the past 7 years. Before coming to Hohenfels, she worked in Wurzburg, Germany, Lajes Field Azores, and in New Mexico and Washington state. She and her husband will move to their home in Colorado where she hopes to pursue her hobbies of sewing, gardening, reading, and traveling. Mrs. Hernandez has 2 sons and 1 granddaughter.

The nature of a military life means that we are constantly on the move. We bid a fond farewell to these faculty members who have given us years of their lives to ensure that we have a world-class education.
