

ILLESHEIM TIGERS
LOOKING BACK ON 1997-'98

This year's yearbook committee has been working very hard just to get this to be the best yearbook ever for you. We've all been very busy going around taking pictures and getting superlatives ready. As easy as it may seem, it definitely was not!

We all had a deadline to have the layouts and all of the pictures ready to be sent off to make the yearbook. Ms. Tague was our sponsor. We were the ones who had to determine how many pages we wanted and what page went where. We had to type up all of the class lists and make sure that everyone's name was spelled right. If it wasn't spelled right we had to give the list back to the teachers and have them correct it until it was perfect!

So, while you're looking at this yearbook and reminiscing about all of the good times you had here at Illesheim Elementary/Middle School, just remember that someone had to work very hard just to give this to you and these people are:

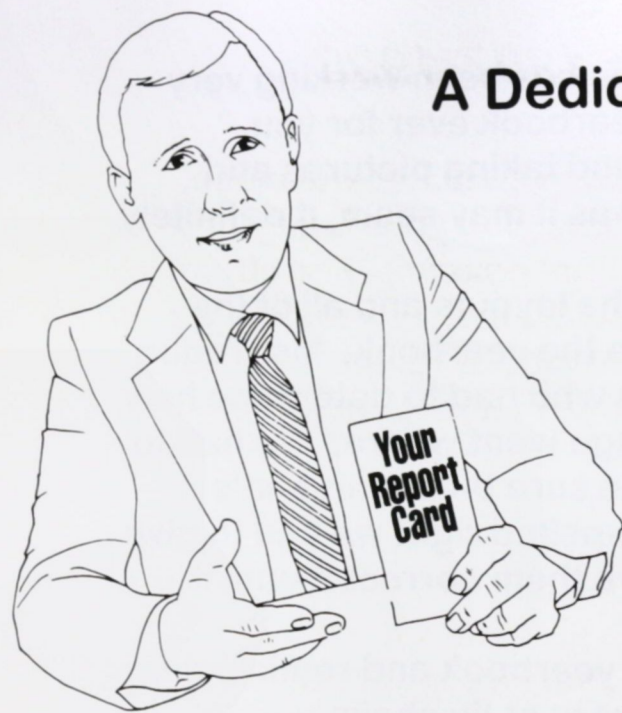

Remika Garrett, Amber Maddex, Heather Dahlin, Nicole Llorence,
Adam Barrios, Juannisha Gillespie, Dominique Wallace and Jessica Roderick

ILLESHEIM TIGERS LOOKING BACK INTO 1997-1998

A Dedication To...

Dr. Mantel, our Principal, Educator, and Friend

As most of you probably know, Dr. Ed Mantel, Illesheim Elementary/Middle School's principal for almost 10 years, has been diagnosed with a serious blood disorder. At present, he is in Salt Lake City with his wife, Mary, undergoing treatment and awaiting a bone marrow transplant. In Dr. Mantel's position at present is Mr. Don Ness who comes to us from Ansbach High School.

Dr. Mantel's untiring devotion to this school has been an inspiration to students, teachers, and parents, alike. He was always here early, and long after school was out for the day; and as busy as he was, there was always time for a student or a parent conference. His devotion to IEMS was remarkable. He was an educator, a manager, and a friend. He managed the school, supervised employees, disciplined students, reassured parents, and even watered the plants!! He will be sorely missed. Please keep him in your thoughts as he undertakes some real challenges in his recovery.

Looking Back into 1997-1998

The 1997-1998 school year has come to a successful close. For many of you it means a summer time with your family and friends, and an eventual return to school next fall. For others it is a farewell and a return to the United States. For the eighth grade, it signifies leaving the Middle School and full membership into the High School with all its responsibilities.

Whatever course your life may take, it is my sincere hope that you will look back upon your time spent in Illesheim Elementary/Middle School, as having prepared you to meet and deal successfully with the challenges that life will present. IEMS will have prepared you to take charge of yourself at all times and to be the *Very BEST* that you can be leading a good and productive life as citizens or leaders in your communities and schools.
