THE GOOD TIMES

Seems like only yesterday,
when you first came my way.
Since then we've become,
the best of friends.
Though I may seldom see you,
you'll stay in my mind.
Friends that mean as much as you,
are pretty hard to find.
Thinking now of the good times that we had,
When all our days were good and none were bad.
Reflecting on the memories, I'm feeling sort of sad.
Thinking of the good times that we had.
