Iwakuni, Japan*

## Message from our Principal and Assistant Principal

Dear Samurai,

As you move from place to place, you will have this wonderful Sammy Samurai Yearbook 2003 to remind you of your school days in Japan. It will be an exciting way to share your "old" friends with the "new" ones you will make.

In the years to come, you will likely forget about the homework you had, the many tests you took, the rules you were asked to follow. You may stare in disbelief at the photo of that "stranger" with your name. You may forget the names of your classmates or your teachers, but the memories of your friendships will stay alive in this yearbook and last forever. When the time comes for you to leave Japan, you might ask mom and dad to put it in "hold baggage" so you will have your friends close by.

Enjoy your years at Matthew C. Perry Elementary School by making each day a special one in your personal memory bank.

Your friend,

Mrs. Vicky Taylor

Dear Students,

It has been my pleasure to watch you grow and learn throughout the school year. The many beautiful and smiling faces in our yearbook remind me of how lucky we are to work at M.C. Perry Elementary.

For those of you leaving us, we wish you the best at your new schools and hope you will always have fond memories of Japan. For returning students, we look forward to another year of working with you and your families and providing the best education we can for our military and civilian families.

Mr. John Stroup

## Our Mission, Vision, History and Motto

**MISSION:** M.C. Perry Elementary School, in partnership with the community, is committed to promoting student achievement in a positive, safe, and diverse environment while preparing students for success in society.

**VISION:** Unbound by traditional school concepts of time, location, and age requirements, Matthew C. Perry provides all students with vast opportunities for learning and civic involvement. The entire Iwakuni community shares the responsibility for building the academic success of each student. Matthew C. Perry Elementary

is a learner-centered educational organization characterized by, and widely recognized for, its ability to provide its students with knowledge and skills required for high levels of achievement, both in school and in the dynamic global community in which they live.

**SCHOOL HISTORY:** In September 1955, Matthew C. Perry School was started by the United States Army and was simply called the American Dependents School. The school continued under this name until 1957 when the United States Navy took over the administration of Iwakuni Air Station and officially gave the school its present name.

Since 1958 the Air Station has been operated by the United States Marine Corps. The school has retained its name under this command and has grown from four elementary teachers to the present size with 27 classroom teachers and 15 specialists. The school enrolls students in Sure Start, preschool and kindergarten through sixth grade with an approximate population of 550 students.

Perry Elementary was a test bed site for The DoD Presidential Technology Initiative. Currently, all students (K-6) are taught and involved with computers and technology.

**SCHOOL MOTTO:** "Respect for all by all. Everyone achieves success"

PTO has been very active this year. Among the things that they have already done for us this year are:

- The welcome back breakfast for teachers
- Flowers for the beautification of the office
- National Geography Bee prizes
- Printer cartridges for our color printers (they bought the printers last year)
- Digital Cameras (we are in the process of obtaining one per grade level so you will have more access)
- Two new multimedia projectors (like the Infocus machines we already have)
- AR Quarterly events
- Individual teacher refunds up to \$100 for items purchased for classroom
- Educator's Day
- Parent library - Deb Hatter
- Book Fairs

And other things are coming up. The teacher appreciation lunches that are so awesome, the Volunteer Appreciation Tea, and Field Day to name a few that we know of. Thanks, PTO!!!

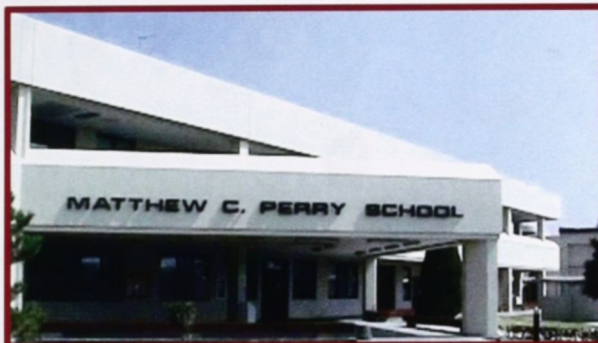

## Unity

I dreamed I stood in a studio  
And watched two sculptors there,  
The clay they used was a young  
child's mind  
And they fashioned it with care.  
One was a teacher; the tools she  
used  
Were books and music and art;  
One was a parent with a guiding  
hand  
And a gentle loving heart.  
And when at last their work was  
done  
They were proud of what they had  
wrought;  
For the things they had worked into  
the child  
Could never be sold or bought.  
And each agreed she would have  
failed  
If she had worked alone,  
For behind the parent stood the  
school  
And behind the teacher stood the  
home.

#### Language? But, soon friends

Yu Elementary School Cultural Exchange between Boys and Girls of Iwakuni Base Yu Elementary School students (442 kids) in Yu Cho held Cultural exchange between M.C. Perry Elementary School, on Jan 23rd. It was part of an International Comprehension Education program and about 140 people were invited to the school. Kids enjoyed this by singing and playing games. MC Perry School students were spread out into small groups (about 10 students per group) and visited all 13 classes of 1st through 6th Grade. The students had fun with games that were played a long time ago; an example is playing with dibs and ect. They also played card games and made bookmarks. Parents from both of the schools also visited the Yu School during the cultural exchange. The 1st graders played games such as JANKEN PON and made KENDAMA. The language dilemma was covered by using expressions and gestures. At the end, the children presented gifts to show their appreciation. Affectionate farewells were shown to MC Perry School students. Misaki Oishi (11years old), a sixth grader, said "I talked to the American school students in English and was surprised at how well they understood what I said, and enjoyed this cultural exchange!"

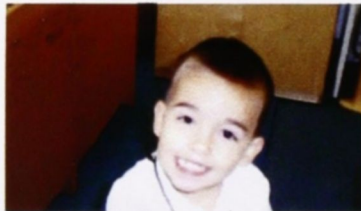

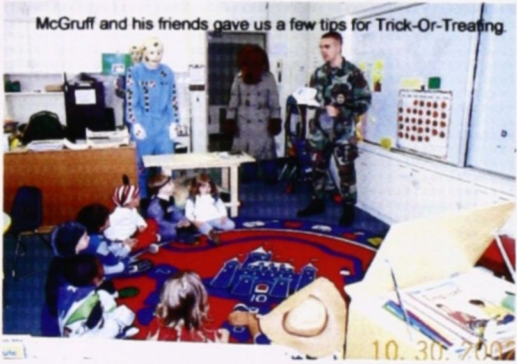

一年生は、ジャンケンゲームや手作りのけん玉など、簡単なゲームで触れ合った。言葉の壁は、表情や身振り手振りでカバー。最後に、手作りの折り鶴や英語の歌をプレゼントした」と、話していた。

セント。名残惜しそつに見送った。六年大石美沙喜さん（こは「知っている単語で話してみたら、意外に通じた。楽しく交流できた」と、話していた。

To My Sixth (almost 7th) Graders,

Attentive listening works, studying your brains out works, and being nice to others is the only way to go. I wish you all the very best in life and I'm sure we'll see each other again somewhere in this world. You will be in my thoughts and in my heart.

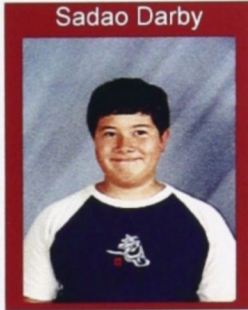

Sincerely,  
Mrs. Ballard, Zheng Qi, and my husband, John

# Our Classroom Activities and Fieldtrips

To My Sixth Graders,  
 Congratulations! I'm very proud of all of you! It only seems like a short time ago that we began this year together! I pushed you pretty hard because I knew you could do it, but mostly because I wanted you to be ready for the "real world" that you are entering (i.e. Middle School). Remember that you will need to work very hard to accomplish your goals and make your dreams for the future come true! You can do it! All of you have great strengths that I hope you will focus on as you continue to mature and begin your future responsibilities. We have shared many unique opportunities throughout the school year here in Japan. I hope at least one will become a favorite memory of your elementary school years. I know several will be added to mine! Thank you for sharing a bit of yourselves with me, as I hope you feel I have with you. Each of you will be remembered by the unique qualities you possess. Remember... Think Positive thoughts, make wise choices that will allow you to live proudly, and know that I care a great deal for you as do many others.  
 I will miss you, and I send you off wishing you happiness and great success...  
 Most Sincerely,  
 Ms. C. Whitney
