SCHOOL YEAR 2003-04

MARINE CORPS

IWAKUNI

AIR STATION

JAPAN

This Yearbook has been dedicated to Ms. Hope Fiorvanti

We would like to dedicate this yearbook to Ms. Hope Fiorvanti. Ms. Fiorvanti has been Perry Elementary's outstanding school secretary for four years. When Ms. Fiorvanti first arrived in Iwakuni, the elementary school did not have a yearbook. Through her efforts and dedication the Perry Elementary Yearbook became a reality during the 2000-2001 year. Every year since its inception, Ms. Fiorvanti has remained not only instrumental in the design for the yearbook, but has encouraged widespread support for it. Her efforts have given students, families, and the faculty a wonderful way to relive the experiences and memories from each year at M.C. Perry Elementary. From the entire Perry Elementary community: **Thank you Hope!**

We judge of man's wisdom by his Hope.

-Ralph Waldo Emerson

We live by admiration, Hope, and love.

-William Wordsworth

Everything that is done in the world is done by Hope.

-Rev Martin Luther King

Hope sees the invisible, feels the intangible, and achieves the impossible.

-Anonymous

The staff and students at M.C. Perry Elementary School wish our dear Hope Fiorvanti the best, and we will always keep Hope in our hearts.

Message from our Principal and Assistant Principal

Dear Samurai,

As you move from place to place, you will have this wonderful Sammy Samurai Yearbook 2004 to remind you of your school-days in Japan. It will be an exciting way to share your "old" friends with the "new" ones you will make.

In the years to come, you will likely forget about the homework you had, the many tests you took, the rules you were asked to follow. You may stare in disbelief at the photo of that "stranger" with your name. You may forget the names of your classmates or your teachers, but the memories of your friendships will stay alive in this yearbook and last forever. When the time comes for you to leave Japan, you might ask mom and dad to put it in "hold baggage" so you will have your friends close by.

Enjoy your years at Matthew C. Perry Elementary School by making each day a special one in your personal memory bank.

Your friend,
Mrs. Vicky Taylor

Dear Students,

It has been my pleasure to watch you grow and learn throughout the school year. The many beautiful and smiling faces in our yearbook remind me of how lucky we are to work at M. C. Perry Elementary.

For those of you leaving us, we wish you the best at your new schools and hope you will always have fond memories of Japan. For returning students, we look forward to another year of working with you and your families and providing the best education we can for our military and civilian families.

Mr. John Stroup

Our Mission, Vision, History and Motto

MISSION: M. C. Perry Elementary School, in partnership with the community, is committed to promoting student achievement in a positive, safe, and diverse environment while preparing students for success in society.

VISION: Unbound by traditional school concepts of time, location, and age requirements, Matthew C. Perry provides all students with the vast opportunities for learning and civic involvement. The entire Iwakuni community shares the responsibility for building the academic success of each student. Matthew C. Perry Elementary is a learner-centered educational organization characterized by, and widely recognized for, its ability to provide students with the knowledge and skills required for high levels of achievement, both in school and in the dynamic global community in which they live.

SCHOOL HISTORY: In September 1955, Matthew C. Perry School was started by the United States Army and simply was called the American Dependents School. The school continued under this name until 1957 when the United States Navy took over the administration of Iwakuni Air Station and officially gave the school its present name.

Since 1958 the Air Station has been operated by the United States Marine Corps. The school has retained its name under this command and has grown from four elementary teachers to the present 26 classroom teachers and 15 specialists. The school enrolls students in Sure Start, preschool and kindergarten through sixth grade with an approximate population of 550 students.

Perry Elementary was a test bed site for The DoD Presidential Technology Initiative. Currently, all students (K-6) are taught and involved with computers and technology.

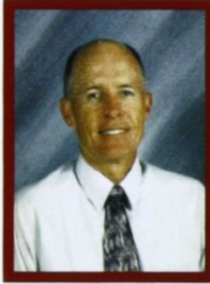

SCHOOL MOTTO: "Respect for all by all. Everyone achieves success"

Support Staff and Volunteers

I hope that this yearbook will remind you of all the happy memories of this school year. I put a lot of really hard work to create these memories for everyone. I would like to extend my thanks to Mr. Tom Gushiken and all of the teachers that gave me pictures of their events from their classrooms and fieldtrips.

M. C. Perry School Students Learning About Kimono
 On the 13th of November, eighteen 6th grade students went to a kimono school to try on kimonos and yukatas. These 6th grade students went on this field trip to understand history of Japan, tastes of Japan, and to practice Japanese. The three 6th grade classes went different routes, like going to a city office or going to factories. Some 6th graders said, "I can't walk." "I'm breathless." But they would anyway, walk towards the mirror and pose. There also was a girl who did the same. Walking downstairs with their kimonos on, they ate persimmons, mikans and had a sip of tea too. They tried new tastes. Four kimono teachers danced with music. The song was made for learning and studying on how to wrap certain kinds of Obi. When the teachers started dancing, everybody watched.

慣れない着物に「帯が苦しい」「歩きにくい」などと話す子供もいたが、着付けが終わると早速鏡の前でポーズを取る女の子の姿も見られるなど、ほとんどが気に入った様子。着物姿のまま、黒豆茶や柿、ミカンなど日本の味も楽しんだ。

子供たちを歓迎し、講師四人が「さくらさくら」に合わせて舞いながら帯を結ぶ「帯結び舞」を披露すると、全員が見入っていた。
