

**Matthew C. Perry Elementary School**

**School Year 2005-2006**

# About Our School

**Matthew C. Perry Elementary School** was named in honor of Matthew Calbraith Perry. Matthew C. Perry was sent on a mission to Japan in 1853 to re-open trade routes. Japan was a country that had been closed to outsiders since the 17th century. On July 8, 1853, he led a squadron of 4 ships into Tokyo Bay and presented representatives of the emperor with the text of a proposed commercial and friendship treaty. The treaty was accepted on March 31, 1854, opening the ports of Shimoda and Hakodate to U.S. trade. Matthew C. Perry Elementary School was opened in 1955. It began with only four elementary teachers. Today, Matthew C. Perry Elementary school has twenty-six classroom teachers and sixteen specialist teachers.

**Vision:** Unbound by traditional school concepts of time, location, and age requirements, Matthew C. Perry provides all students with vast opportunities for learning and civic involvement. The entire Iwakuni community shares the responsibility for building the academic success of each student. Matthew C. Perry Elementary is a learner-centered educational organization characterized by, and widely recognized for, its ability to provide its students with knowledge and skills required for high levels of achievement both in school and in the dynamic global community in which they live.

**Mission:** Matthew C. Perry Elementary School, in partnership with the community, is committed to promoting student achievement in a positive, safe, and diverse environment while preparing students for success in society.

**Motto:** "Building Lifelong Learners"

**School Colors:** Maroon and White

**School Mascot:** Sammy Samurai

**Working together to build academic success.**
