This Book Belongs To:

In 1853 Matthew Calbraith Perry was sent on a mission to Japan to re-open trade routes. Japan was a country that had been closed to outsiders since the 17th century. On July 8th, 1853, he led a squadron of 4 ships into Tokyo Bay and presented representatives of the emperor with the text of a proposed commercial and friendship treaty. The treaty was accepted on March 31, 1854, opening the ports of Shimoda and Hakodate to U.S. trade. Matthew C Perry Elementary opened its doors to serve both children and families in 1955 with only four elementary teachers. Today, Matthew C. Perry Elementary School has 24 classroom teachers and 16 specialist teachers.
