FPO, AP 96310 - 0019

From US: 011-81-827-3327
On Base: 253-3327

Building Lifelong Learners

This annual belongs to:

MC Perry's History

In 1853, Matthew Calbraith Perry was sent on a mission to Japan to re-open trade routes. Japan was a country that had been closed to outsiders since the 17th century. On July 8th, 1853, he led a squadron of 4 ships into Tokyo Bay and presented representatives of the emperor with the text of a proposed commercial and friendship treaty. The treaty was accepted on March 31, 1854, opening the ports of Shimoda and Hakodate to U.S. trade. Matthew C Perry Elementary opened its doors to serve both children and families in 1955 with only four classroom teachers. Today, Matthew C. Perry Elementary School has 25 classroom teachers and 17 specialist teachers.

Mission Statement

The Mission of our school community is to empower students to achieve excellence in scholarship, character, and citizenship as independent, lifelong learners.

Goal one: All students will improve in balanced literacy across the curriculum.

Goal two: All students will improve inquiry skills across the curriculum.

Motto "Building Lifelong Learners"
School Colors- Maroon and White
Mascot- Sammy Samurai

This year our yearbook cover was designed by Ashley Canonizado. Special thanks go to Mrs. Harwell, the Yearbook Club Staffers, and the entire MC Perry Elementary staff, students, families, and community partners in education. Without your daily hardwork and dedication to students, this book would not be possible.

"Math Matters"

Dear Reader,

In the years to come as you look back on 2010-11, whether you were a student, a parent, a teacher, a staff member, or just stationed at MCAS Iwakuni and a friend to MC Perry Elementary, we want you to remember what an amazing school year we have had! You've made many lifelong friends and you have made a deep impression on those who know you here.

This is the first year we were presented with mikans, those delicious Japanese tangerines, by the growers and the agricultural distributors. Yum! We started our Soroban club and were graced by demonstrations and lessons by the Masters. We know it made us want to learn and own our own soroban! Remember the Living Wax Museum in the library? We were so impressed at the wonderful presentations. Do you recall what fun it was at the Holiday Sing Along and how good the kindergarteners and the poetry readers were? What about our Spelling Bee? Do you remember how everyone was such great spellers that we almost didn't get finished before the bell rang? What about our Monster Bash and all the cool costumes? That was so much fun! How did you and your friends do on the Top Gun Math? If you didn't go, weren't you sort of jealous and determined to do better in math? Didn't you just love going on our Storybook Parade? What about the movie for Earth Day, wasn't that fabulous?

We know that our parents and adults really appreciated our Parent University and our Parent/Teacher Conferences. Kids really didn't appreciate the dental screenings, but the parents liked not having to take us to the dentist!

As you look back over the year we hope you remembered that you felt proud every day to be a part of the school. Our wishes are for you to leave this year with a sense of accomplishment and feel that you achieved success.

Keeping you in our hearts and minds,

Shella Cary, Principal

Deborah Eittrich, Asst Principal
