has shown an increasing interest in the ancient study of the stars: astrology and the signs of the zodiac.

Aquarius...the water bearer, the eleventh constellation in the zodiac has become more than an astrological symbol. Today's youth has been consumed by the qualities of Aquarian philosophy. They have transformed these qualities into a spirit and the spirit into an age.

This is an age in which a spirit of water-like ease prevails. An age in which an earnest desire for peace, goodwill and brotherhood has been expressed. It is a time of questioning, adventure and advancement.

It is in a spirit of hopefulness that we dedicate the 1970 SULTAN to the

## *An Aquarian Spirit Visits Izmir*

The Aquarian Age thus far has been marked by an outflow of spectacular advances in the fields of space, medicine and human relations. Although medicine and human relations are no less important, it has been the conquest of space that has captured the interest and imagination of the whole world during this age.

Commander Scott Carpenter, one of the first astronauts to actually walk in space, was a houseguest last November of Dale Owens, SULTAN editor. Dale has a chance to get some first-hand information regarding the exploration of space. Commander Carpenter reflected that, even though his own walk in space would be the highlight of his life, he was almost equally excited by the moonwalk of the members of the Apollo 11 crew last July and the Apollo 12 team in November.

This excitement was shared by all the students of Izmir High School. Even though it was not directly a part of our school year, it was one of the major events of our lifetime. As a permanent reminder of man's first moments on the moon, we have included in the 1970 SULTAN a record in color of one of the major achievements of the Age of Aquarius.

The top left photo shows Dale getting in her snaps as Commander Carpenter arrives at the airport. Shown in the picture is an official of THY, Com. Carpenter and Dale's Mother. The center photo shows Mr. and Mrs. Owens discussing the ruins of Ephesus with Com. Carpenter and Umran, a close friend of Com. Carpenter. In the bottom photo, Glenn Moses, SULTAN Advertising Manager, and Dale chat with Commander Carpenter about the space accomplishments.

The date was July 20, 1969 — the historical moment when man from planet Earth reached the first stepping stone in his exploration of space. In a spectacular climax to its Apollo space program, the United States had landed two astronauts on the surface of the Moon.

**“one small step for man.  
one giant leap  
for mankind.”** —Neil Armstrong

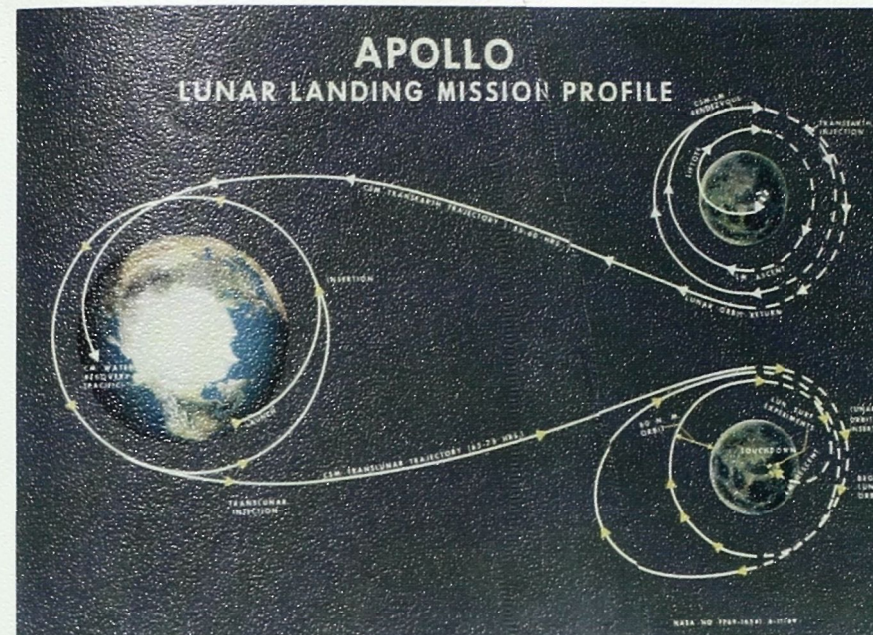

1/ Flight crew of *Apollo 11*: Commander Neil A. Armstrong, Command Module Pilot Michael Collins, Lunar Module Pilot Edwin E. Aldrin Jr.

2/ Neil Armstrong waves as the astronauts board a van that will take them to the launch complex.

3/ Lift-off! The *Apollo/Saturn V* spacecraft is on its way at 9:32 EDT the morning of July 16, 1969. A half-million spectators watched from the perimeter of Cape Kennedy Launch Complex 39A.

4/ Flight Plan: Leave Earth Wednesday morning, July 16. Arrive in lunar orbit Saturday. Touchdown and walk on Moon Sunday. Leave Monday for return flight. Splashdown Thursday in Pacific Ocean.

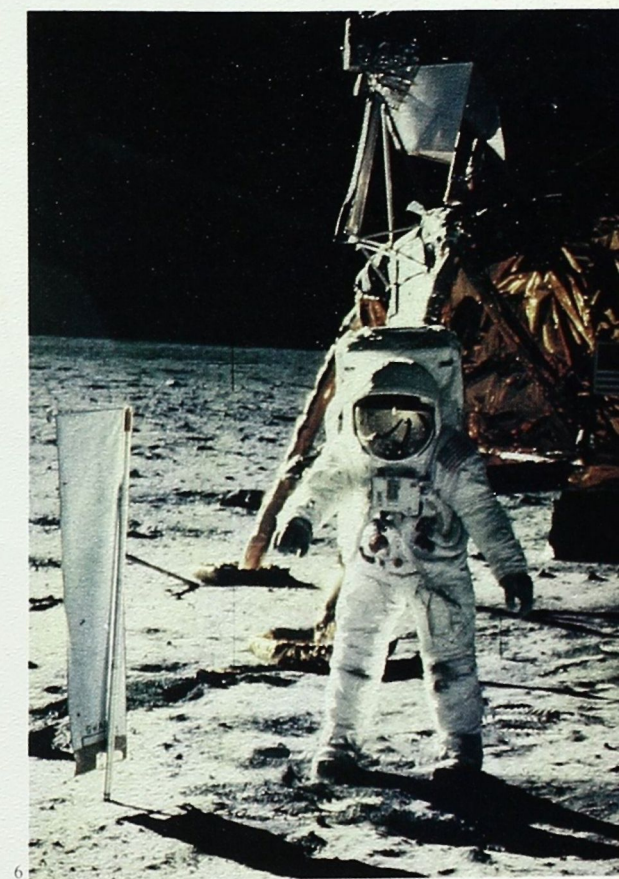

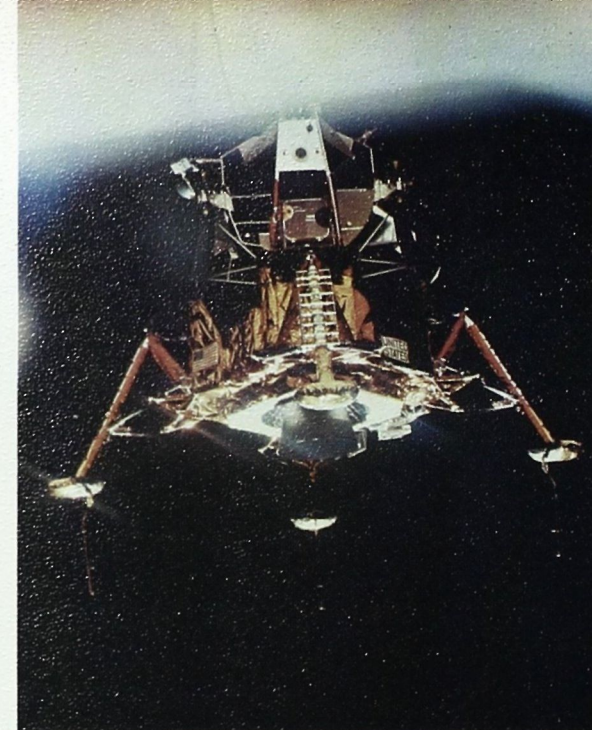

5/ The 363-foot high space vehicle generates a thrust of 7½ million pounds at lift-off.

6/ *Apollo 11* thunders toward orbit. In 2½ minutes, the craft was 38/55 miles high and downrange.

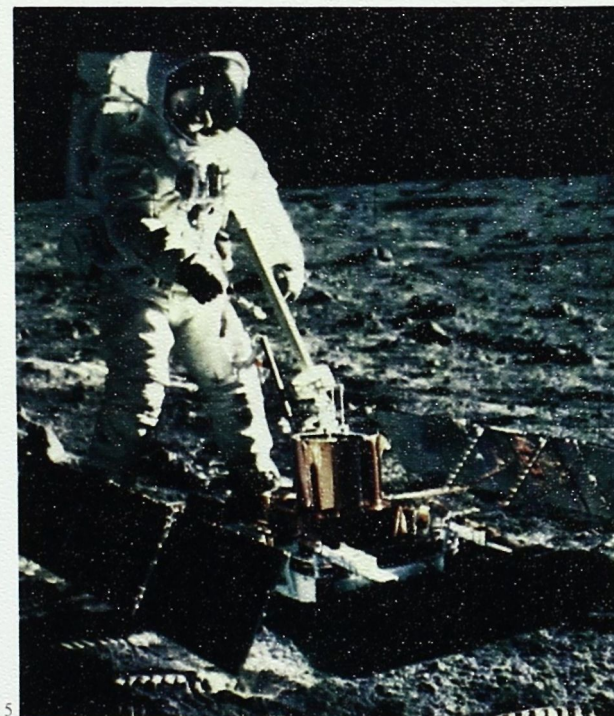

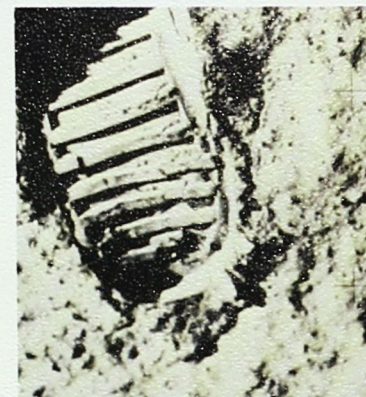

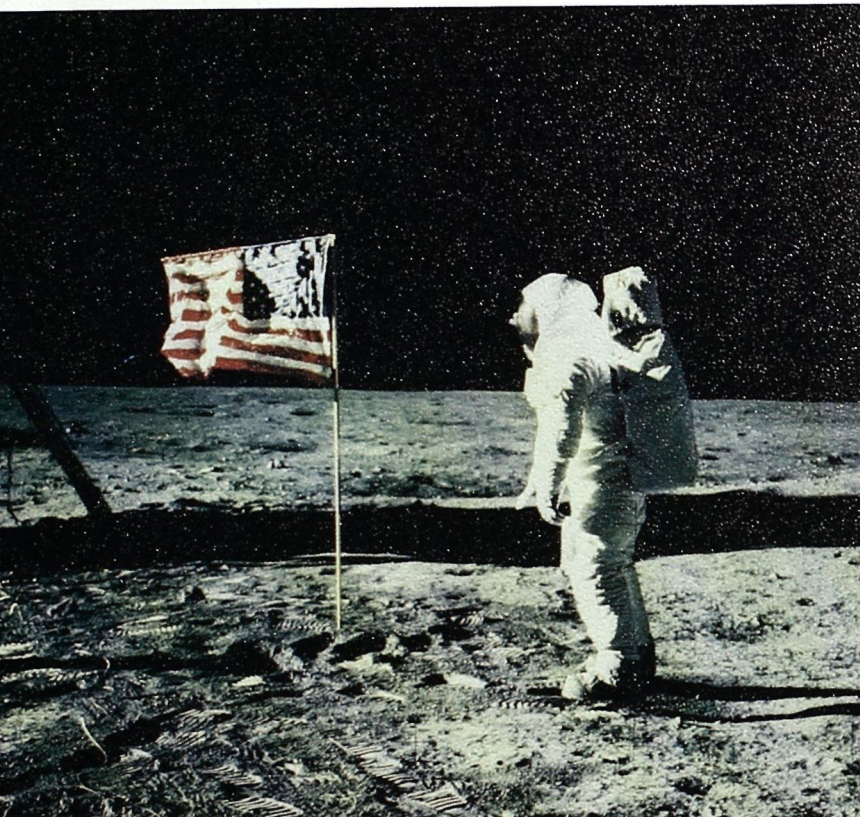

7/ Sunflare in camera lens seems to brighten the dark sky as *Apollo 11* orbits the Earth before translunar injection.

- 1/ The rising Earth greets *Apollo 11* as the astronauts come from behind the Moon after lunar insertion burn.
- 2/ Astronaut Collins took this picture from the command module *Columbia* as *Eagle* separated for descent to the Moon with Armstrong and Aldrin aboard.
- 3/ Large central crater is identified as International Astronomical Union 308, on the far side of the Moon.
- 4/ Crater and terrain features photographed near the landing site on the Sea of Tranquility.
- 5/ Aldrin descends ladder of the LM to join Armstrong for a walk on the Moon. Here their weight was only a sixth of what it is on Earth.
- 6/ Television viewers on Earth were enthralled as the astronauts went through a checklist of lunar chores. Armstrong and Aldrin spent 22 hours on the Moon, including 2½ hours outside the LM.

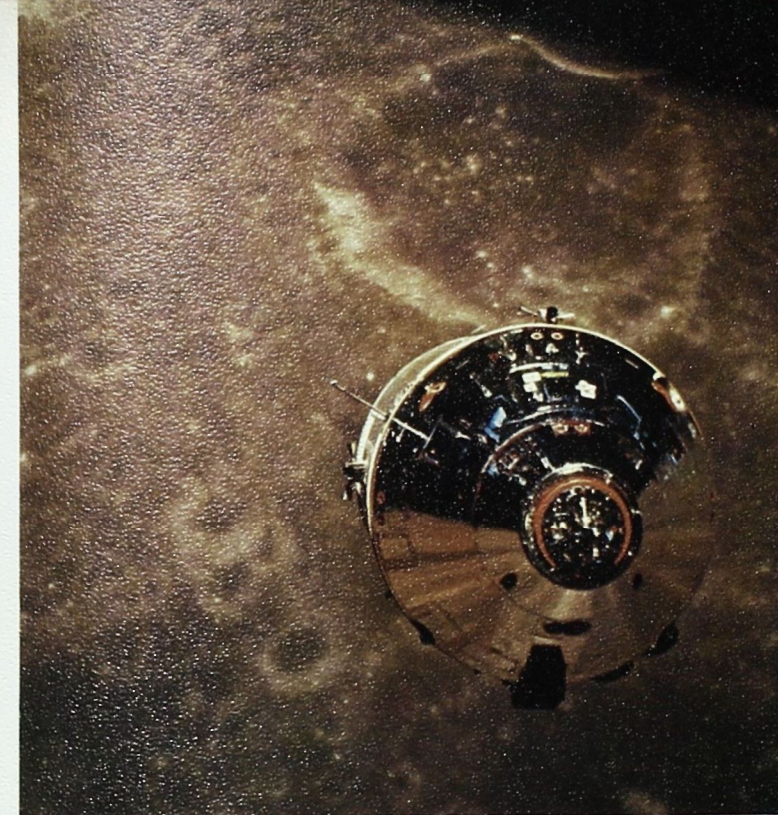

1/ Salute to the American Flag by Edwin Aldrin. Because there is no atmosphere, the flag is unfurled by an L-staff.

2-3/ Now there are footprints in the powdery crust where no man ever had walked before.

4/ Close-up of a 3-inch area of the surface shows a clump of lunar powder and shiny spherical particles. 5/ Devices will transmit data on seismic activity and solar winds. A laser reflector has given scientists the first accurate distance to the Moon.

6/ A look back as the astronauts lift off from the Moon aboard *Eagle* to rendezvous with the command module.

7-8/ Inside the command module *Columbia*, Astronaut Michael Collins prepares to dock with *Eagle*. After Armstrong and Aldrin are aboard, the LM is jettisoned and transearth injection is made for the return voyage.

9/ Ablative material burns from *Apollo 11* as it plunges back into the Earth's atmosphere over the Pacific Ocean.

10/ A recovery helicopter hovers to pick up the astronauts. Splashdown was July 24.

1/ President Richard Nixon and the astronauts in their quarantine capsule listen to prayer by the *USS Hornet* chaplain.

2/ New York showers welcome to the three astronauts in what was the city's largest parade in history.

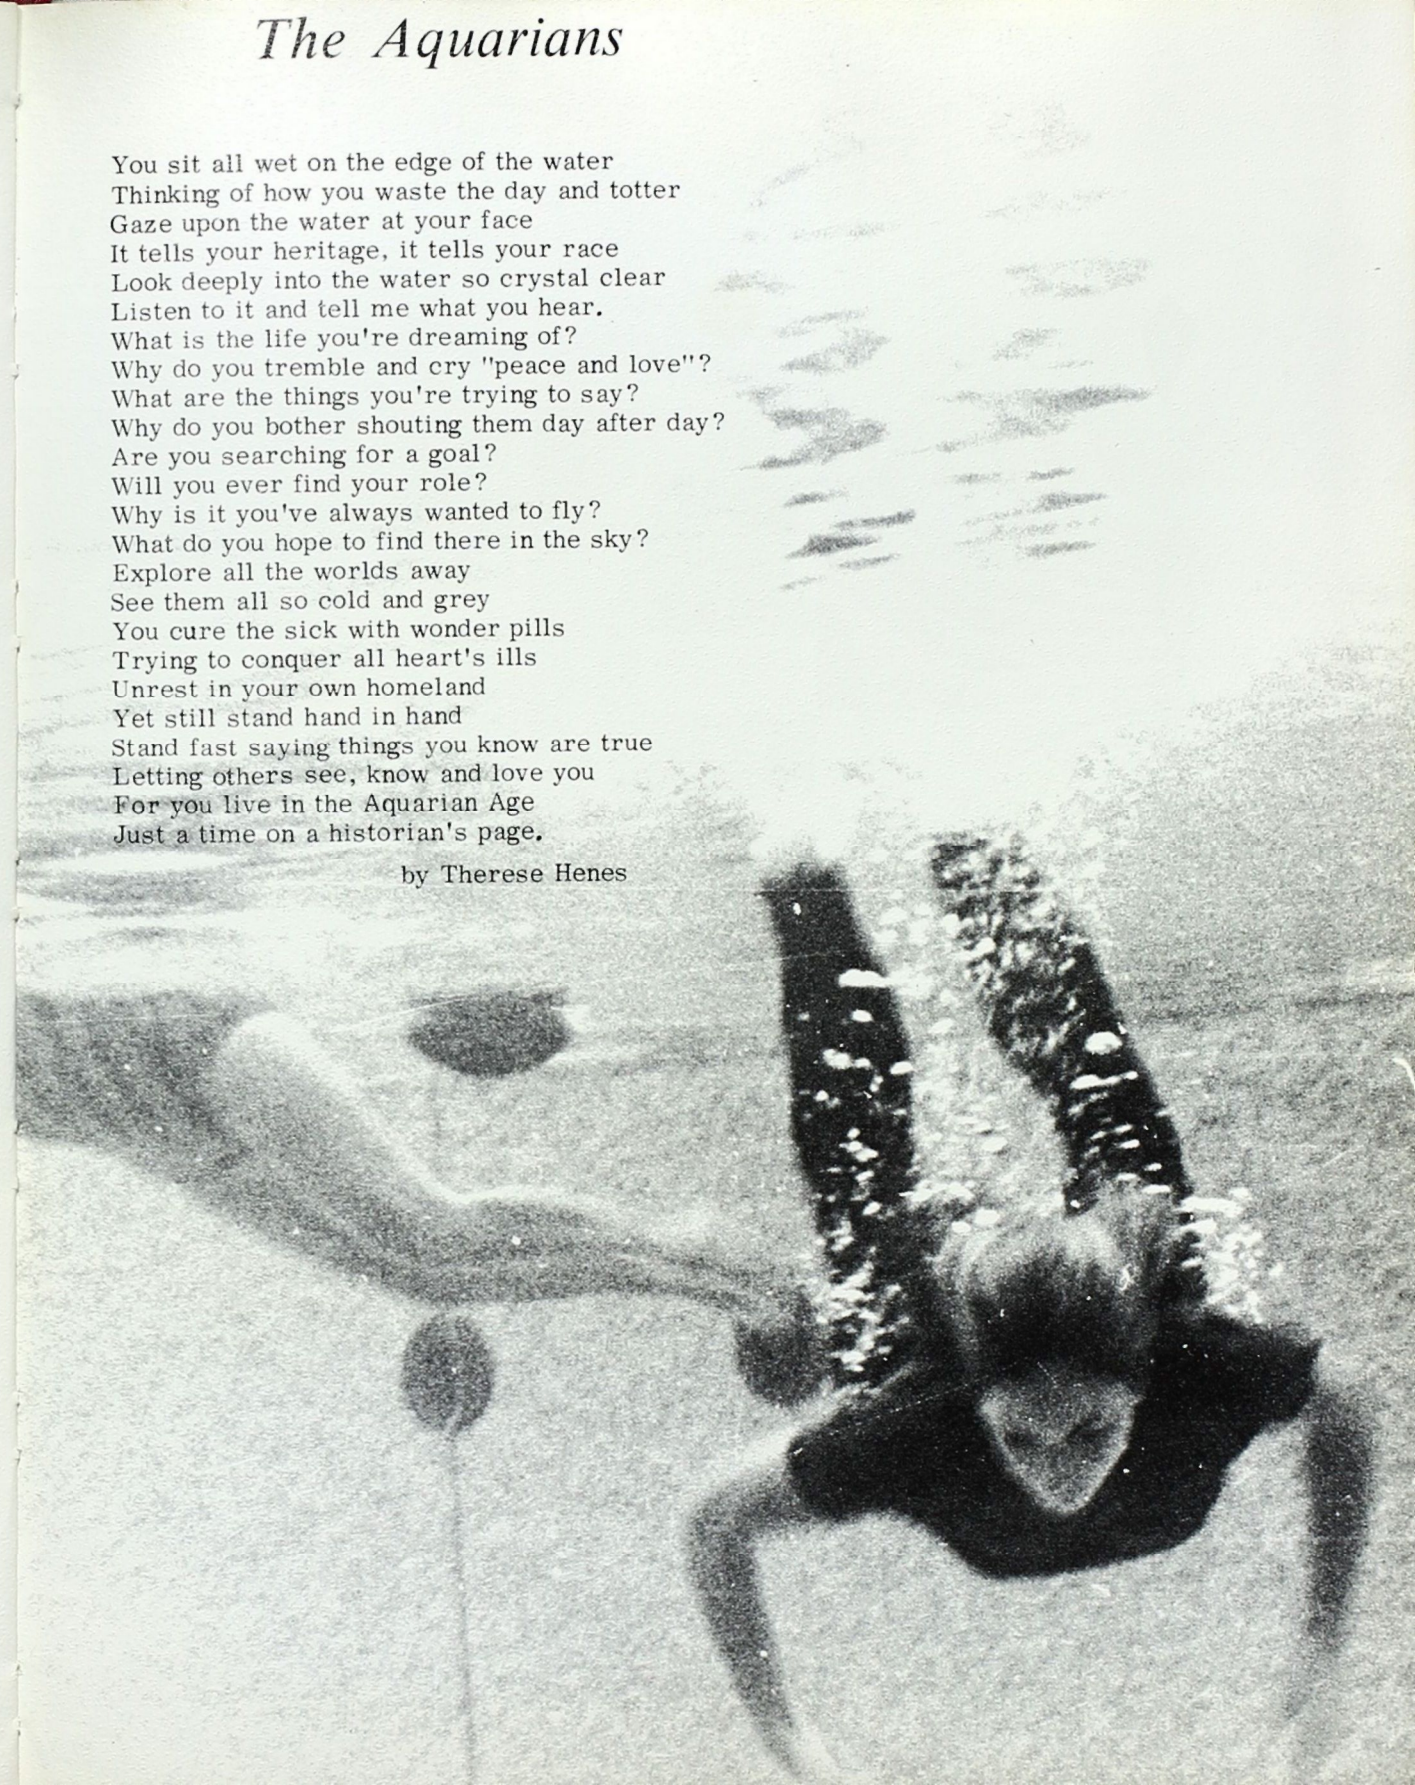

... A journey of a thousand miles begins with one step.

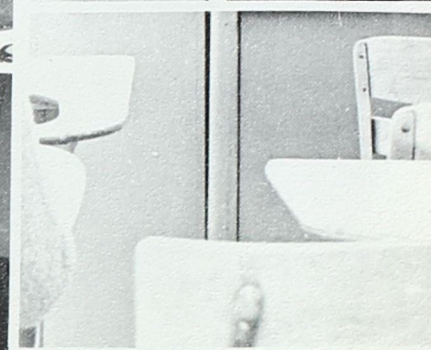

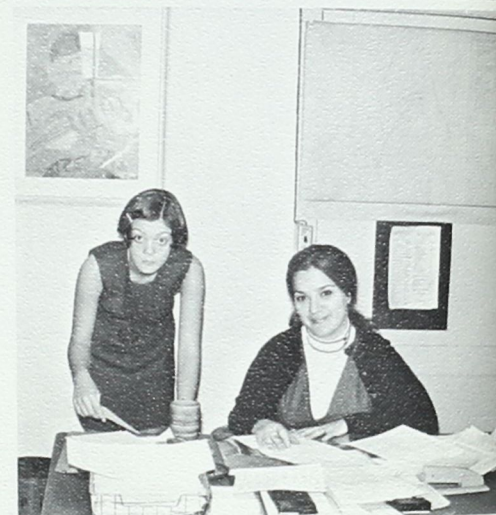

## The Aquarians

You sit all wet on the edge of the water  
Thinking of how you waste the day and totter  
Gaze upon the water at your face  
It tells your heritage, it tells your race  
Look deeply into the water so crystal clear  
Listen to it and tell me what you hear,  
What is the life you're dreaming of?  
Why do you tremble and cry "peace and love"?  
What are the things you're trying to say?  
Why do you bother shouting them day after day?  
Are you searching for a goal?  
Will you ever find your role?  
Why is it you've always wanted to fly?  
What do you hope to find there in the sky?  
Explore all the worlds away  
See them all so cold and grey  
You cure the sick with wonder pills  
Trying to conquer all heart's ills  
Unrest in your own homeland  
Yet still stand hand in hand  
Stand fast saying things you know are true  
Letting others see, know and love you  
For you live in the Aquarian Age  
Just a time on a historian's page.

## *Freshmen Overcome Dubious Label*

Frosh and punks are the names to which we've grown accustomed. Nevertheless we're struggling on. Other problems have confronted us such as the Seniors giving us lice, Juniors monopolizing the money and the Sophomores picking on us in general. Our first year has been a new and different experience but we're looking forward to next year when we'll know the tricks of the game and we'll have our own to pick on.

Gemini crosses the path of mortal man  
Determined to do twice as much as he can

Above are the champion Cigli Panthers. Team members pictured are (Front row) Ken Wiley, Brad Toney, Gary Shumaker, Graham Turner, Pat Foley, Woody Woodfin, Rich Rayner, Rick Stewart; 2nd row: Dave Betts, Tony Ornellas, Bruce O'Leary, Tom Riley, Leonard Jones, James McFarland, Rod Zich, Kennon Johnston; 3rd row: Alan Smith, Wayne Betts, Max Craft, Jim Trude, Duncan McDonald, Oscar Blazio and Mike Scott.

## *The Panthers*

### *Pummel and Paw Opponents*

The three-game intramural football season saw the Panthers come through with a clean slate of victories. The Panthers, made up of IHS students from the Cigli area, stalked and pounced their Crusader opponents each Sunday afternoon at the Bayrakli Park Football field. The warm, sunny weather combined with the spirit and enthusiasm of the Panthers each Sunday afternoon to provide the ultimate in sports enjoyment for both the athletes and the spectators.

In a post-season interview with Sgt. Hopkins, the Panther's young coach, the successful season of the Panthers was attributed to their long, grueling practice sessions and a determined spirit. The backfield of the Panther team always seemed to be in the middle of the action. The cool and adept quarterbacking of Rod Zich, the power of fighting Irishman Bruce O'Leary and the speed of halfback Leonard Jones sparked the Panthers to all their victories.

Panther back Woody Woodfin deftly sidesteps would-be Crusader tackler.

In the second row are Pete Ferraro, Earl Harcrow, David Miller, Mark Gardner, Ricky Erlandson, Tom Livernash, Don Black, James Adair, John Dardis, Don Kyle and Larry Barton. In the back row are Jack Kyle, Erland Jones, Ken Pratt, Rick LaHayne, Wayne English, Jim Roemmer, Bill Scott, Norman Bell and Perry D'Amico, Bill Shelton. At each side are the two coaches.

## The Crusaders

*Characterized By Enthusiasm And Endurance*

"You gotta hand it to those guys--out there getting their heads knocked in, but they don't let up; just keep right on plugging away." Comments similar to these were heard quite often this season regarding the Crusaders. The never-say-die Crusader team's season couldn't be considered successful when it comes to the record books, but the gridders showed an amazing ability to bounce back after many discouraging upsets. Their spirits remained high until the end of every game. The team was made up of IHS students from the Izmir area and was under the tutelage of Coach Douglas Lane.

## *Sultan Spirit Sparkles*

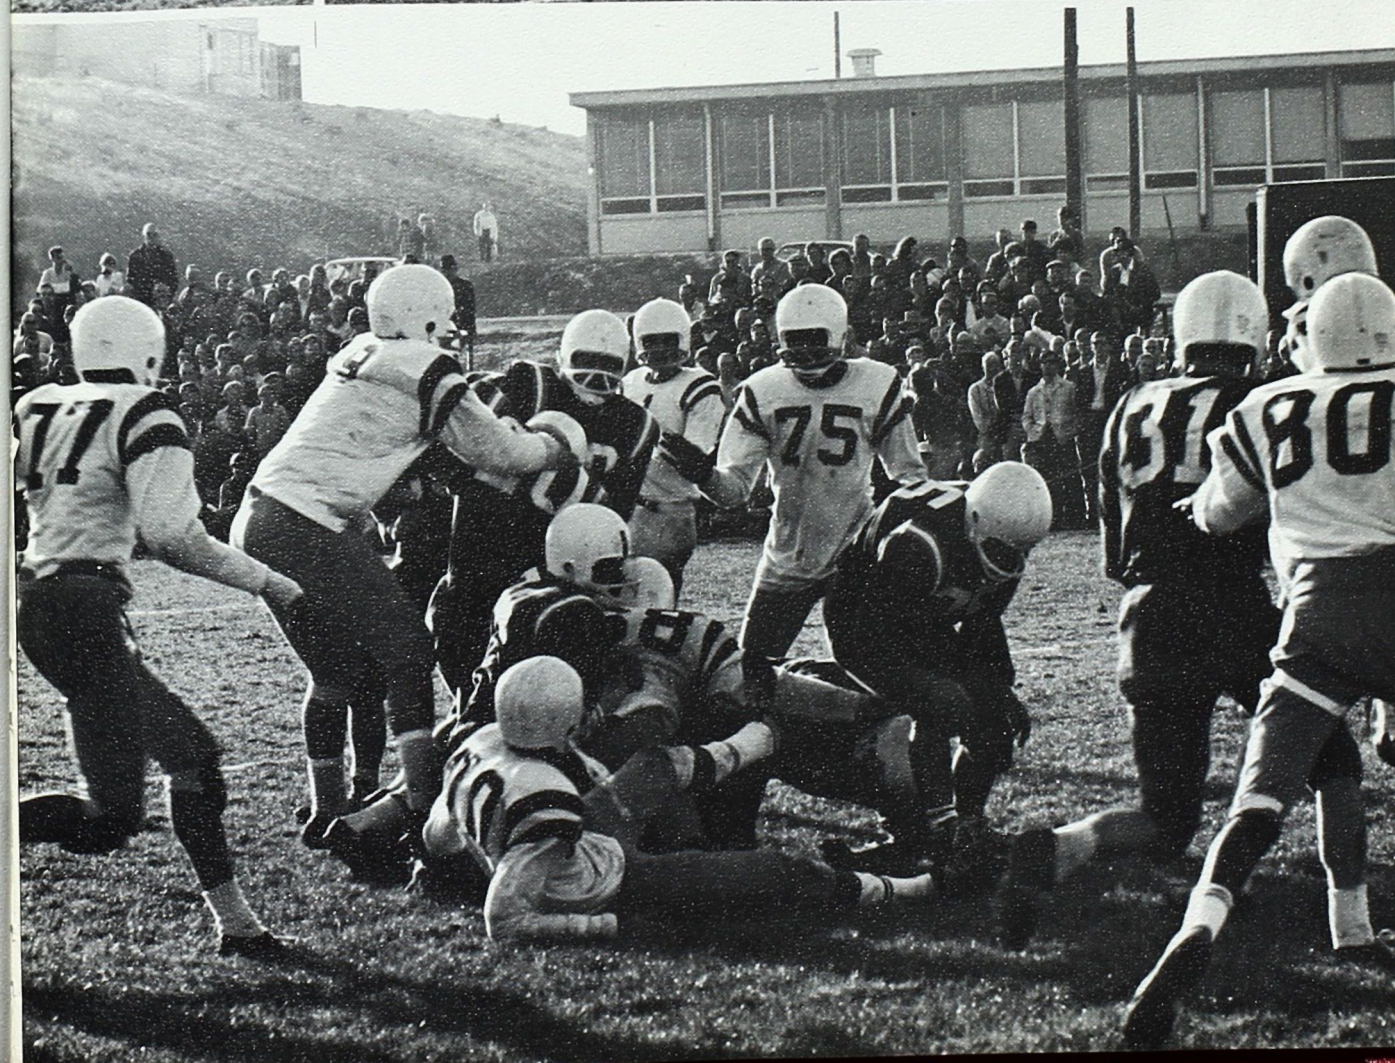

"THE SULTANS ---", last Fall for the first time at IHS a name was mentioned with a feeling of pride and school identity. It was the first time in many years that IHS had a chance to challenge another American high school on the gridiron.

Ankara High's Trojans accepted the challenge; and the Sultans were off to Trojan territory for the first round. Even though the game turned into a grinding disaster for the Sultans, they returned home in high spirits and a determination to "lay it on them" when the Trojans came to Izmir for the return match.

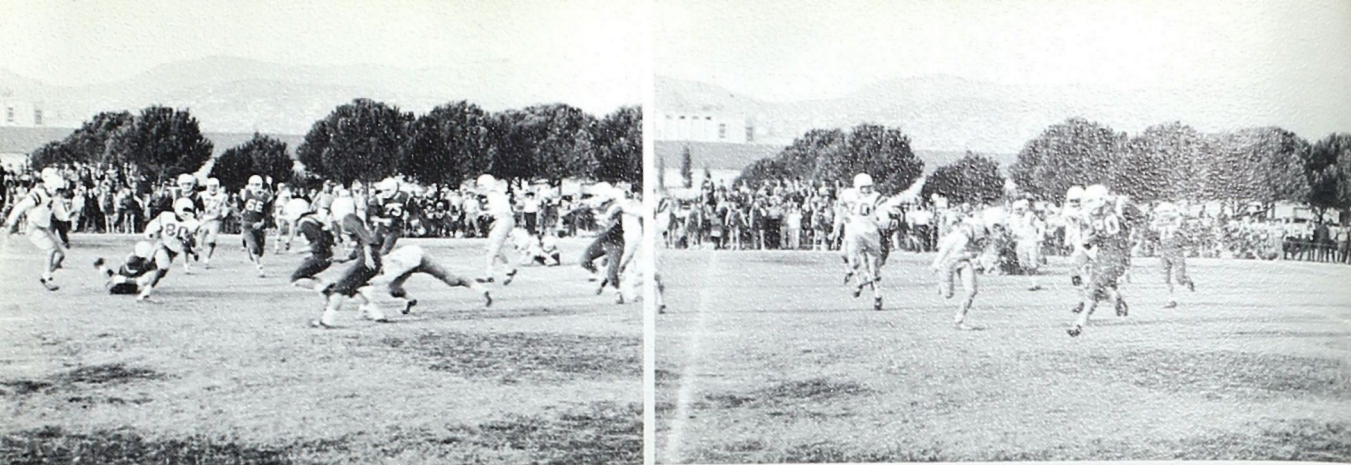

The Sultans, under the iron hand of Coach Doug Lane, really dug in. Practice sessions were long and grueling. As the time drew near for the Trojans to put in their appearance, the Sultans were charged with a feeling of readiness and optimism.

The game was played on a crisp Saturday afternoon following Thanksgiving. For two hours the Sultans fought on doggedly and determined, only to find victory had eluded them at the end of the game. No spectator left the hard-fought game until it was over; they left with the satisfaction of having seen a fine football game and proud of the team that had represented them.

The Sultan team was composed of the All Star players from the Panther and Crusader teams.

## Homecoming Highlights

## Mat Men Mangle Challengers

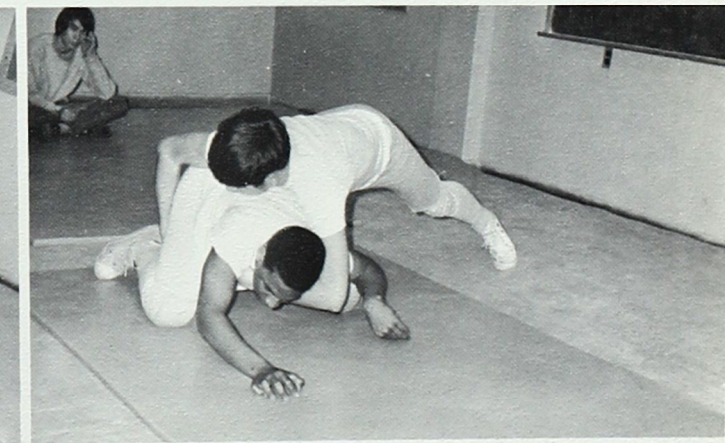

Izmir High's wrestling fans and enthusiasts had something to appease their appetites this year. Under the direction of Mr. George Houma a solid wrestling team shaped up on the mats. The mat men tangled with the Karamursel wrestling team during the Aegean Sports Tournament.

During the Winter a SULTAN reporter visited a wrestling practice for interviews and pictures. Mr. Houma welcomed him warmly and mentioned that the windows were kept closed and the room warm so the boys could lose excess weight. He also said the air wouldn't be Spring-fresh by the end of the session. After taking team pictures and action shots during the practice session, the reporter left; noting as he left that Mr. Houma had been right about the smell.

Pictured above are the wrestlers of Izmir High. In front are John Black, Bill Scott; second row: Kelly Lyons, Reggie Jones, Ricky Erlandson, Mike Burns; top row: wrestling assistant Mr. Shomes, Bob McQuade, Erland Jones and wrestling coach Mr. George Houma.

Showing their style on the mats are (left) Reggie Jones and John Black; (right) Erland Jones and Bill Scott.

## Spirit Pushers . . . . . Doing Their Thing

The Cheerleaders.....often taken for granted, but they're always there and doing their job: pushing spirits and pulling for their team. Through football, basketball, track and the whole sports spectrum, the Cheerleaders can be counted on to be on the scream scene.

The Cheerleaders pictured above are from the top clockwise: Maria Saiz, head cheerleader; Rhonda Richardson, Kathy Shay, Lisa Matthews, Lynn Moore, mascot; Shirlee Winder, Marion Watson, Sheryl Scott and Carol Moore in the center. The cheerleaders' sponsor is Miss Rebecca Gaiser.

## *The Sultans!*

"Even though many of these guys are rookies, they're really getting to be good! They've got a lot of drive and spirit. Man, they bounce right along with that ball! Some of those underclassmen are going to be great ballplayers by the time they finish school." With these words Coach Doug Lane summed up the Sultan Basketball Team this year.

Due to the great distances involved, it was impossible to take part in interschool basketball competition. The Sultans turned instead for their challenge to local military unit teams. The Sultans won a majority of their games and the sports fans who came to see them saw some real squeakers--victory was pulled out of the air in the closing seconds of more than one ballgame.

Pictured below are the Sultan Basketball Team members. By number they are: 11 Gary White, 8 Wendell Randle, 9 Mark Holleran, 2 Woody Woodfin, 1 Dave Miller, 0 Bob Belleville, 22 Rod Zich, 12 Bill Shelton, 21 Mike Scott, and 32 Oscar Blazio. In the center is Sultan coach Doug Lane.

## Sultans End Season

The end of the basketball season found the Sultans with a string of well-played games to their credit and new suits for the tournament. The new suits, white tops and bottoms with red and blue stripes, arrived too late to use in any of the regular season games.

Overflow crowds and overtime games were the rule at the Aegean Basketball Tournament.

We're with you Sultans, all the way!

## Izmir Hosts Tournament

In the last week of February, Izmir hosted the Aegean Area Basketball Tournament, an invitational tournament to which American Dependent Schools, Turkish Schools and International schools had been invited. Those who accepted the invitation and took part in the tournament were: I.H.S., Athens Academy, Athens College, Ankara Dep. High School, Adana Dep. School, Karamursel Dep. School, Ataturk Lisesi of Ankara, Izmir Ozel Turk Koleji, Izmir Koleji and Beirut Community School.

The games were played in the Sirinyer Gymnasium. Many of the teams were so closely matched that overtimes and double overtimes were necessary in order to determine the winner. The end of the championship game on Friday, February 27, found Ankara's Ataturk Lisesi in the No. 1 position, followed by Beirut, Ankara Dependent High School and Izmir Turk Ozel Koleji. The Sultans won the consolation position.

## Away With Fumbling Fingers and Garbled Sound:

### The Projectionists

The function of the Projectionist Club is to provide well-trained operators for all the audio-visual machines in use in the school. To do away with fumbling fingers and garbled sounds, every operator of A-V equipment must have a valid Projectionists License. A license is obtained by completing a course offered by the IMC director Miss Iris Wiese. Briefings are held at regular intervals to acquaint the members with new techniques and equipment used in the IMC.

At left, Miss Wiese keeping a sharp eye on the IMC equipment.

The hub of instructional materials at IHS is the IMC. The IMC houses not only the Library, but the Audio Visual Center as well.

The Library Assistants provides help for students by locating and issuing books. This year a new check-out system was devised to discourage a scourge of overdue books; books could be kept out for an entire nine-weeks period. The Library Assistants are volunteers who work during their study hall periods. They are under the direction of Miss Wiese, the IMC director.

## *N.H.S. Taps Twelve*

A very small nucleus of four National Honor Society students carried out an impressive induction ceremony in February to recruit new members to carry on the Society's goals of high scholarship, character, leadership and service. Twelve students met the first requirement of superior scholarship, then received the faculty's nod on the other three requirements. Each new inductee was tapped by an old member in a candlelight ceremony held in the Cathedral.

Below, Dale Owens taps Earl Harcrow; Marion Watson precedes Kevyn Kilpatrick up the aisle after tapping.

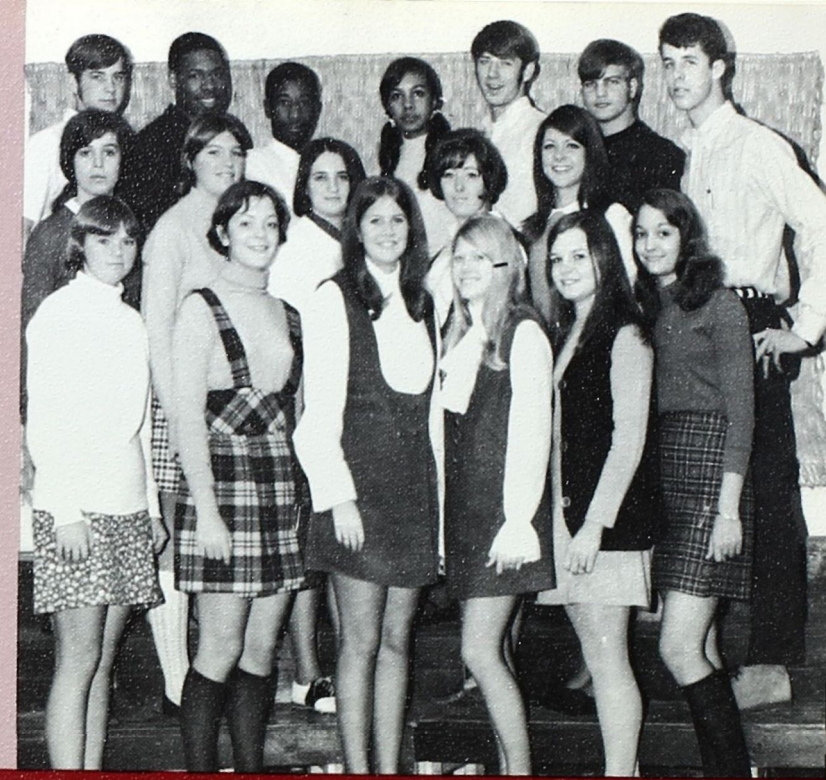

Susan Plack still seems surprised about it all as she attends a reception given following the induction.

## *Maxi-Skirts and Vests for Chorus: High Notes In Fashion*

The IHS Chorus hit new notes in fashion this year; they adopted black maxi-skirts and red velvet vests as their performing dress. The chorus gave concerts before a variety of Turkish and American audiences. The Chorus is under the direction of Miss Rebecca Gaiser. The members below are; top row: Carol Daniels, Sheryl Scott, Rhonda Richardson, Donna Blazio, Rusty Hendricks, Lisa Matthews, Therese Henes, Donna Harrel; 2nd row: Collete Standen, Shirley Story, Brenda McMillen, Donna Mainz, Phyllis Johnson, Lisa Brant, Melissa Oldham; bottom: Mary Sando, Lisa Rider, Lori Wilcox, Charlene Sumrall, Barbara Walters, Gail Young, Miss Gaiser and accompanist Kathy Shay.

The pride of IHS, the Sultan Band, represented our school well this year. In their sharp red blazers they performed for local Turkish schools and colleges and for various American clubs and other organizations. The band is planning a short playing tour in the Spring to nearby Turkish towns. The band is under the direction of Mr. David Hausman.

There is also a large beginner band at IHS. The band is composed largely of junior high school students. The band is pictured at left during their Christmas concert at TAA.

The SULTAN Staff makes headlines

## Sultan Staff

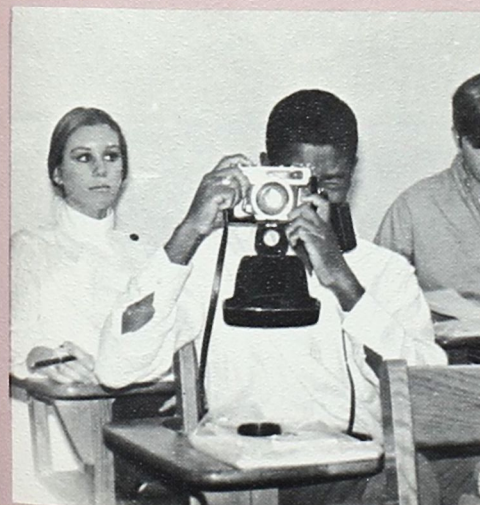

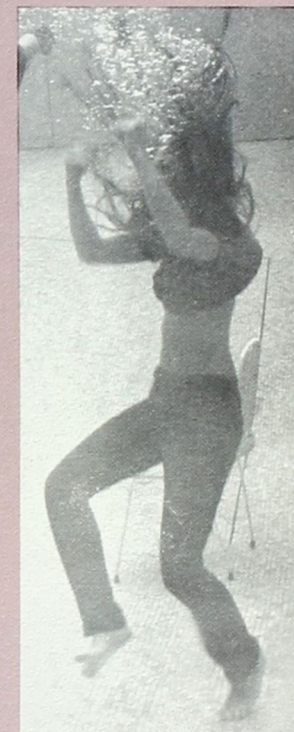

Out of chaos and confusion comes our happening...the 1970 SULTAN. We put in a lot of time, hard work and sacrifice, but we gained a great deal of useful experience and a sense of personal creativity. Yes, it was fun! As the deadline drew near, we may have leaned abit heavily on the panic switch. A page was missing, a picture misplaced, or an editor lost. But there was always our sponsor, Mrs. Algar, to back us up. Her patience was monumental. This yearbook represents the cooperative effort of both sponsor and staff to preserve the pictorial spirit of Izmir High School for your enjoyment in the many years to come.

Front: Donna Sumouske, Andrea Fascetti, Craig Martinez. Back: Billy Manuel, Paul LeFew, Brian Kirby, Linda McDonald, Dana Komarek.

Pictured Above is the Junior High branch of the SULTAN staff. Their main objective this year was to sell books to the Junior High members of our school. They did their job and did it well.

With the idea of Aquarius as the theme the members of our staff set out to get under water shots (right). The pictures were taken on a cold November afternoon at the Efes pool with amazed Hotel guests observing. The Turkish newspaper was called in and we found ourselves on the front page of the next day's paper (bottom of opposite page).

Pictured above from left to right are; 1st row: Lisa Matthews, Kathy Shay, Maria Saiz, Shirlee Winder, Marion Watson, Carol Moore, Sheryl Scott, Rhonda Richardson, Lynn Moore. 2nd row: Diana Rippberger, Lisa Rider, Beth Garheart, Barb Ross, Betty Walters, Kathy Betts, Julie Rippberger, Kitty English, Sharee Orrick, Linda Carson, Marcia Blazio, Denise Caviness, 3rd row: Marcia Dacosta, Lisa Brant, Jan Moore, Melissa Oldham, Cathie Cox, Linda Caviness, Lynnette Godwin, Brenda McMillian, Darla Miller. 4th row: Rusty Hendricks, Barbra Siebman, Tina Livernash, Kevin Johnston, Jerry Bohall, Renard Turner, Nancy Norton, Debbie Bell.

## *Pep Club Boosts School Spirit*

The Pep Club, sponsored by Miss Gaiser, has a uniform of white sweaters and red culottes for the girls and black pants, white shirts and red vests for the guys. The Pep Club's main job is to help the cheerleaders provide spirited encouragement at athletic events. The leaders of this boisterous group are Rusty Hendricks, President; Jan Moore, Vice-President; Diana Rippberger, Secretary and Julie Rippberger, Treasurer.

Members of the Pep Club go to Ankara.

## *GAA Is for Athletic Girls*

Girls Athletic Association is for the benefit of girls interested in participating in the active sports. The girls meet two days a week under the sponsorship of Mrs. Lambert. The President of the group is Lisa Mainz, Vice-President Marcia DaCosta, Secretary Sharon White, Treasurer Mary Beth Smutko.

## Sadie Hawkins

December 6th was the night of the fun-filled Sadie Hawkins Dance. Amid the bay and swinging music, the students of IHS romped and rocked the enjoyable evening away. The evening was complimented by country clothes and hillbilly Marryin' Sam to hitch anybody that wanted to get hitched. The Junior Class sponsored this big dance.

## Sweetheart Dance

The industrious Junior Class was responsible for all the biggest and most enjoyable dances this year. They began with the Sadie Hawkins Dance in December, continued with the Sweetheart Dance in February and wound up the year with the big dance, the Junior-Senior Prom, in May. Aside from fun, the purpose of the first two dances was to make money to help finance the Prom.

The Sweetheart Dance was held on lucky Friday the 13th of February. At right, the highlight of the dance was the crowning of the Sweetheart Queen, Kathy Shay, by Junior Class president Dan Hudson. Queen Kathy's proud escort Kennon Johnston looks on.

## Warehouse Word

The Journalism Class has the responsibility of getting to press the WAREHOUSE WORD, Izmir High's school newspaper. In spite of technical problems and lack of experience, the staff managed to get out some spicy editions. Earlier in the year the Staff spent the day on location with Tony Curtis on the set of "The Dubious Patriots" filmed near Foca. The Staff also visited the offices and printing plant of YENI ASIR (New Century), the local Turkish daily newspaper.

## E.S.I.

The E.S.I., a busy service organization, helps the administration and faculty whenever and wherever possible. A group of four students formed this club in November to meet a school need when last year's service club failed to continue into this school year. Now ten service members welcome all incoming students and help them to adjust to the Izmir community and class schedules. They also carry out money-making projects to assist worth school goals.

Each E.S.I. member is expected to show leadership, initiative, enthusiasm and a positive attitude in supporting Izmir High School; their respective class groups and any Izmir Adult or School organization that calls upon them.

*After twelve years of struggling through school, hopefully you finally have something to show for it! You may not plan to continue your education, but at least now you have some knowledge of your world and its people.*

*You may be a part of today's movement by young people to criticize the establishment. This can be a good sign. However, too often this criticism is in a violent form as is easily seen by picking up almost any paper and reading about campus protests.*

*What is not read is that many young people today can and do criticize and improve without violence. We sincerely hope that you as an individual can become a constructive part of this movement.*

## *Student Council Association: The Students' Voice*

Izmir's Student Council Association, hampered by a lack of forceful internal leadership and uncertain sponsorship, accomplished very little during the first half of the school year. The earlier meetings were marked by tardiness and absenteeism on part of both representatives and officers.

Then came the SCA Conference in February. Out of necessity the wheels began to grind. The SCA was responsible for finding lodging and planning a program of activities for the visiting delegates.

Later in the Spring, apparently sparked by a new feeling of confidence and responsibility gained from the conference, the SCA undertook to change the SCA constitution and establish an up-dated dress code. From the new enthusiasm exhibited by the group at the time the SULTAN went to press, let us hope that they let their functioning be felt.

## *Conference Convenes*

Izmir found itself a host to the Mediterranean Area Student Council Conference during the last week of February. Student Council representatives and sponsors were on hand from I.H.S., Athens Academy, Ankara Dep. High School, Teheran American School, Madrid Dep. High School, Beirut American School, Adana Dep. High School and Karamursel Dep. School.

After registration on Tuesday, February 24, the group met at the Teen Club and were welcomed by short speeches by Mr. Lyons and Mr. Blunt. The group then proceeded to get about their business of conferring on such diverse subjects as Student Courts and Conflict within the School.

Since the Conference met at the same time the Aegean Area Basketball Tournament was being held in Izmir, there was much to do during the little free time. The

delegates spent one morning on a tour of the ancient city of Ephesus.

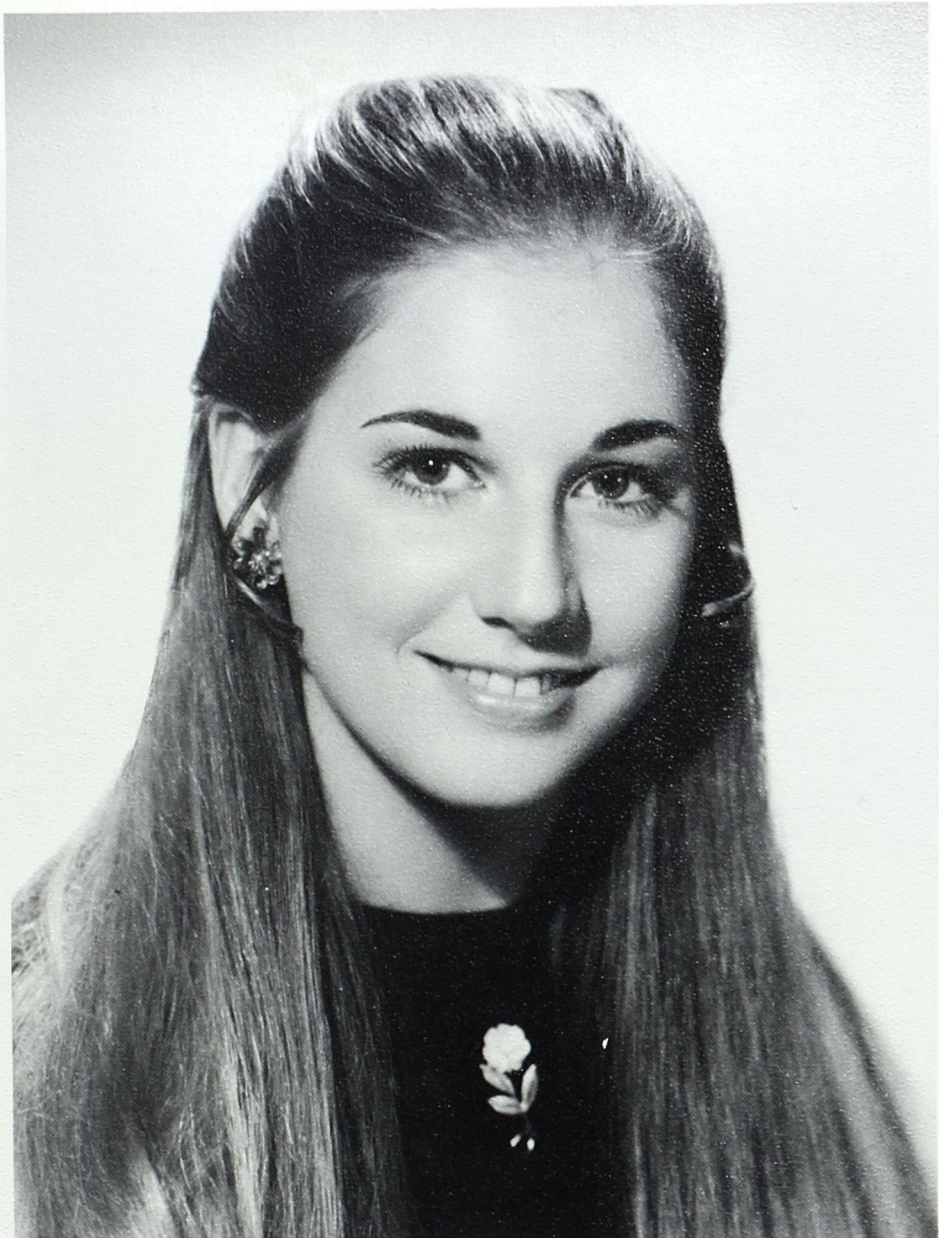

At the end of the 3-day meet, a gala banquet was held at the Kordon. Each participant in the conference left with a new understanding and appreciation for the work of student councils.

Below and at right conference delegates discuss and confer on varied subjects and at varied places; in the Teen Club and "off duty" in the Snack Bar.

## Pokin' Fun

With the idea that nothing is so serious or sacred that you can't poke a little fun at it, we planned these two pages for your enjoyment.

Stash it! Here comes the fuzz.

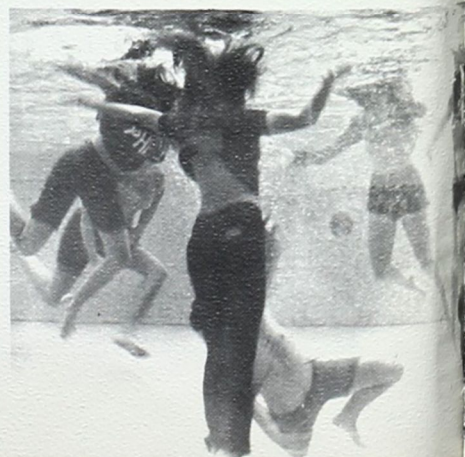

Hurry, just give me the cash.

Heh, heh, heh! And she thinks we're only making papier mache.

The OSI wants to see ME?

This is what I call a real trip!

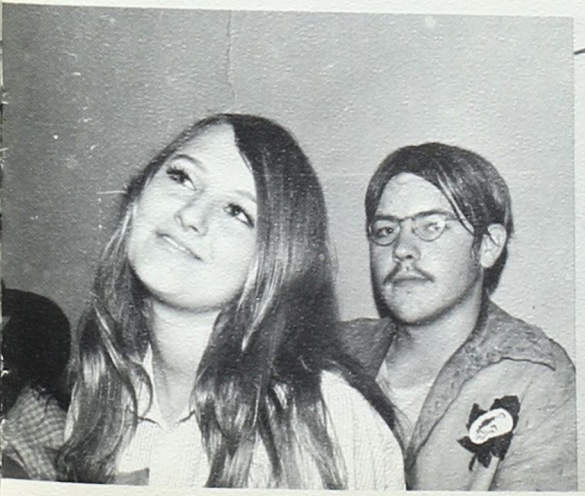

## At U-No-Wot!

It's all in fun, no serious implications nor embarrassment was intended for anyone pictured on these two pages.

Get your own stuff and quit bummin' offa me!

Wayne, do you have another one of those brownies?

You were absent because you were on what kind of trip?

Now, just what kind of acid did you have in mind?

Say, there's still some funny tobacco left in this warehouse!

## SPRING SPORTS SPECTRUM

The Spring sports spectrum at I.H.S. saw the girls as busy as the boys in sports for a change.

The most important sports activities that carried on throughout the Spring were wrestling and girl's volleyball. The wrestling team and the girl's volleyball team traveled to Karamursel for a return bout. Later in the season a golf team and a tennis team played Karamursel's court and green buffs. The girl's volleyball team also took on the "mighty" V-8 Faculty Women's team for a rock'em-sock'em series of volleyball games.

The boys fielded a strong softball team under the tutelage of Coach Doug Lane. Throughout the Spring, the boys traded hits with the local military teams as their competition.

## *The Night of Aquarius*

Aquarius was on the ascendant the night of May 15 when the Juniors, led by class president Dan Hudson, and Sponsor Miss Wyatt, presented a star-filled Prom in the Grand Efes Hotel's Meyhane Night Club.

The planetary ruler of the night was Lequeta Polly, the Aquarian Queen, escorted by Bill Shelton. Her accompanying star was Aquarian Princess Cynthia Faison, whose escort was Bill Norton. Attendants were Kathy Shay, Maria Saiz, and Kathy McDonald.

A stellar evening of dancing was capped with a late movie, followed by breakfast at the Kordon Hotel. The revelry continued next day with a rousing picnic at Old NATO Beach.

The astrological signs were all in harmony on these two wonderful days creating many moments to remember at the close of the school year, 1969-70.

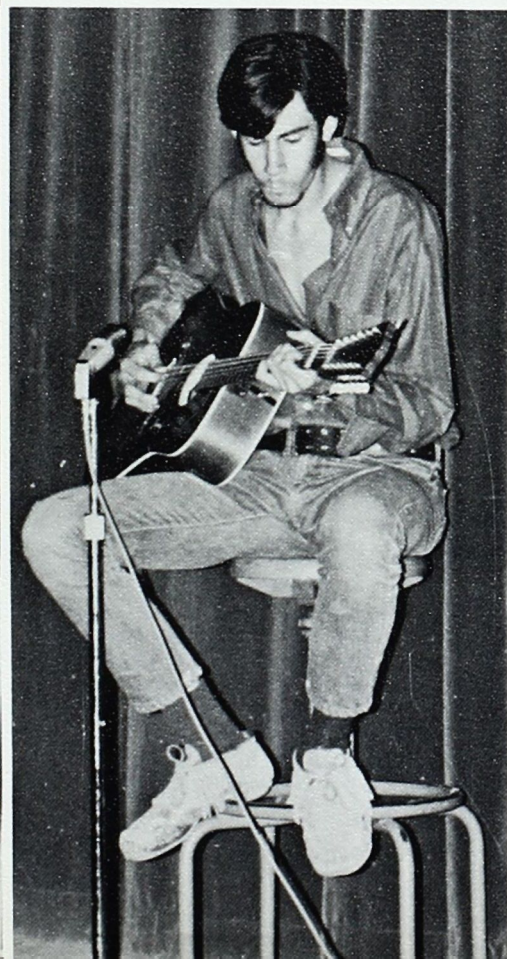

# Arts Festival

Another first for IHS. . . Festival of the Arts, a four-day presentation of the performing and visual arts, was held at the TTA auditorium from May 25 through May 28.

The purpose of the Festival was to bring together as many types of the performing and visual arts as possible: the folk arts, the "pop" arts and the fine arts. IHS's Art Department had an excellent display of art representing the entire art spectrum in all mediums and techniques.

Four nights of entertainment with a different program presented nightly, were filled with a concert by the High School Band, a choral concert by the Chorus, a presentation by the Jazz Band, the exciting sounds of two rock bands complete with a light show, a dance revue, poetry readings of original poetry by students; and ventures into the field of Drama in the form of the "Spoon River Anthology" and a short play entitled "Suppressed Desires."

The Arts Festival played to full houses all four nights, with many people standing on the last night. Mrs. Shirley Algar was the coordinator of the Arts Festival.

## Senior Skip Day

On Monday, May 11, the Seniors awarded themselves a day for mutual congratulations as befitted their fine accomplishments during the year. They boarded a Turkish bus with their beach baskets and brown bags and headed for Çeşme Beach for sun and fun.

Mr. and Mrs. Washetko and Mr. Miletich rode shotgun on the outing. They restricted artificial respiration to the most needy cases, and were called upon to restrain one party-crashing non-senior, a salacious octopus with an eye for blondes. At the end of a riotous day, the sorely sunburned seniors proclaimed Skip Day a success!

## Gourmet Finale

Seniors and their guests were entertained at a lavish banquet on June 5 held in the ballroom of the Kordon Hotel. Sentiment was the keynote as many students gathered signatures and best wishes in their newly published yearbooks. Ken Lipsey was feted as "most congenial senior" in an announcement made by Dwayne Kinne. Phyllis Johnson, class president, created the impetus for this romantic evening in honor of the outgoing Class of '70.

Seniors' last formal fling before donning caps and gowns.

## Hair Hysteria

A big flap was felt in Izmir in June when higher-ups in the military decided that it would be mandatory for all male civilians and dependents to wear close-cropped military-type haircuts or be denied access to local American facilities.

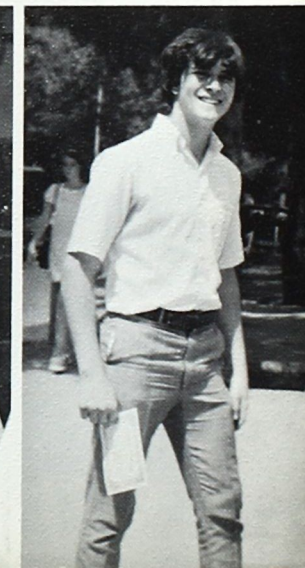

On June 10, "Guillotine Day," many of our local Samsons got their locks shorn--a traumatic experience. Some wily ones managed to evade the authorities for one day until the order was rescinded. It was a long day of outraged frustration for the forces of youth.

Earl ducked the issue. . .

They debated it. . .

Pedro challenged. . .

June 10, Smiles!

Armida Rodriguez receives the first award for perfect attendance.

# Rain of Rewards

Recognition came for more than 150 Izmir High students for service and outstanding achievement in many areas of endeavor during the Awards Day Assembly held on June 11 in the Cathedral. The largest number of awards went to Band members and Audio Visual helpers. For all students it was a day of well-deserved reward, and for many it was a day of pleasant surprise.

Wayne English receives an award for IMC projectionist.

Jim Roemer - Master of Ceremonies.

Mr. Hausman awarding Junior High Band members.

Tamara admires Patti Bivin's trophy for outstanding girl athlete.

Mrs. Smith gives Jack Kyle an award for Journalism.

Mr. Blunt announces next year's SCA Officers: Jim Roemer, President; Kitty English, Vice President; Sue Hanes, Treasurer; Julie Rippberger, Secretary.
