American Dependents High School

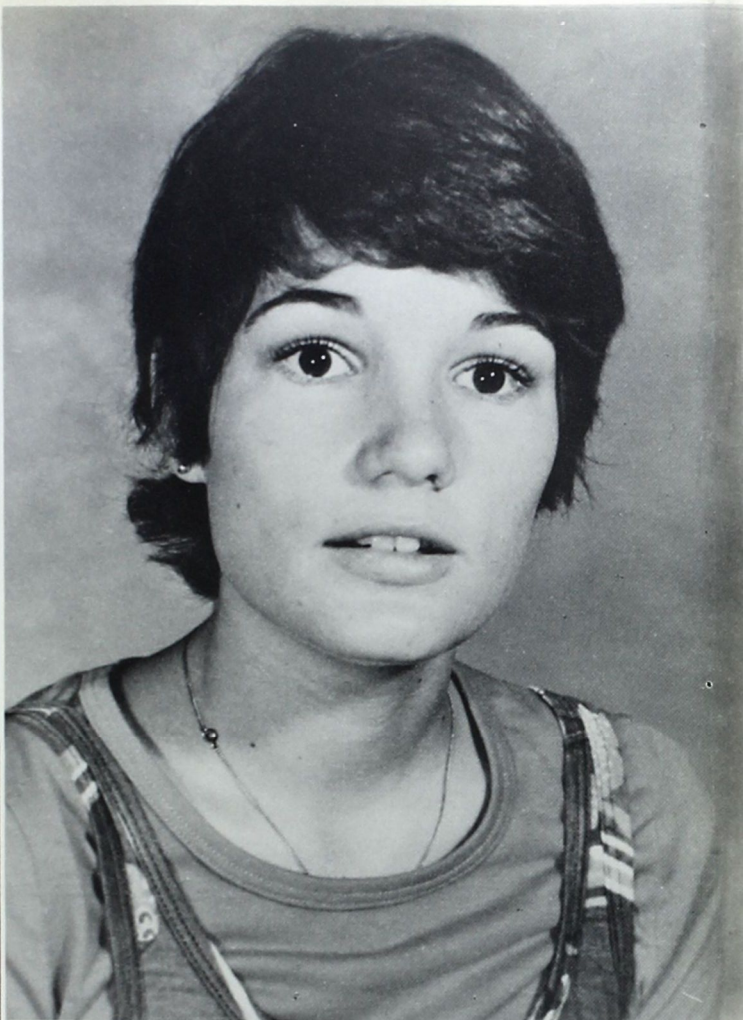

Izmir, Turkey

Cover by Donna Bateman

# DEDICATION

We, the Senior Class  
of 1973 dedicate the  
'73 SULTAN to the  
memory of our  
friend and classmate,  
Melanie Doerty.

## Sweetheart Dance

In February a gala Sweetheart Dance was held in the ballroom of the Kordon Hotel. Music was provided by Peace Unlimited. The reigning royalty was Queen Billye Gonzales and King Bobby Hodge. The dance was sponsored by the Junior Class. At right and above are scenes from the dance.

## YOUR 1972 SULTAN SUPPLEMENT

The Junior Class sponsored a Slave Day in April. Volunteer slaves were sold by auctioneer Dave Bohall to eager bidders & buyers.

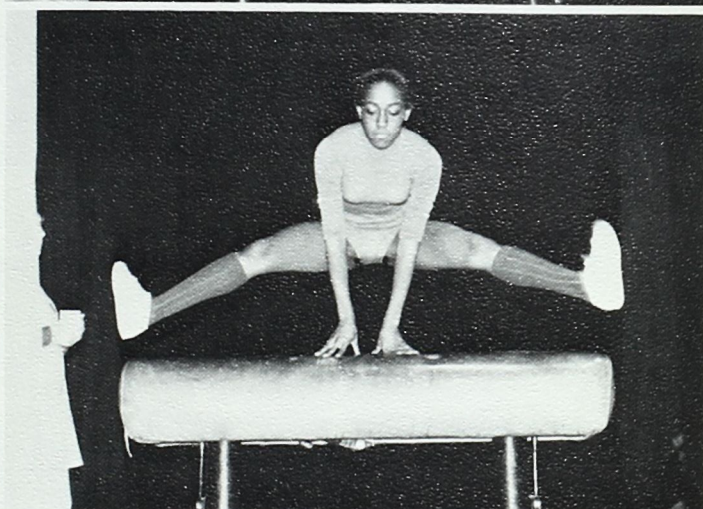

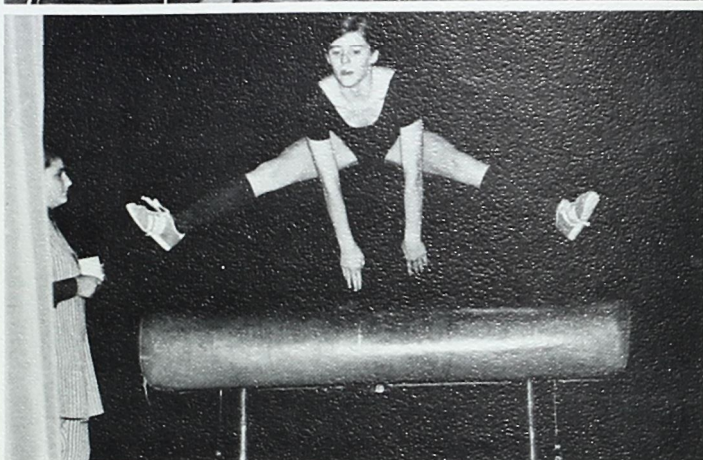

# Off To Munich

Early 1972 saw a frenzy of fund-raising activities in Izmir. There were band concerts, pancake breakfasts, raffles, talent shows and anything else that would raise money. The funds were to send a group of eight elite Izmir students to a speech and drama festival in March held in Munich. The efforts raised \$1500 to send Mr. Urness, Miss Rice and the group to Germany. Pictured this page are fund-raising activities.

## All-Girl Sports Day

The Izmir GAA was host to a large group of girls from other American schools in Turkey for an All-Girls Sports Day. The sports day was held at Bayrakli Park on a sunny Saturday early in May. Competition included softball, swimming, and track events.

Below, in organized games and fun events, the IHS students joyously salute the arrival of Spring. Each student enjoyed the day in his own way.

Another sunny day in May saw the entire student body of IHS bus-up and journey to Bayrakli for a Spring Sports Day. What started out to be a sports day turned into a much bigger event: a celebration of life; a day to enjoy the sun and friendship, a day to be especially glad to be alive.

## Spring Sports Day

## Soccer Team

At left is the mighty Ismir Sultan Soccer Team. The team competed in various matches with other American school teams and with local Turkish high school teams. Team members are (front row) Robert Hill, Paul Ferraro, Dave Lile, Bobby Hodge, Steve Alvarez, and Bob Fitzgerald; standing are Clay Borland, Mark Klar, Tim Russ, Carl Steinmetz, Bob Alvarez, Keith Mickelberg and Cliff Wiggers. Standing at left is the coach, Mr. Erol Guvenc.

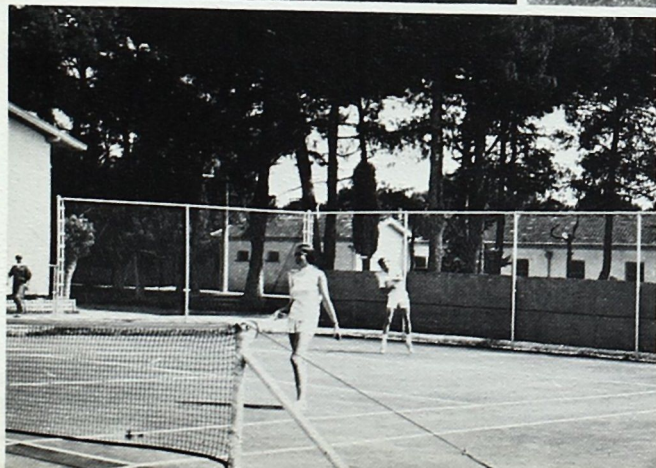

## SPRING SPORTS

## And Tennis, too . . .

We also had a Sultan Tennis Team, too. At left raising a racket (as usual) on the courts are Margo Williams and Gregg McGreevy. Other tennis teamsters not pictured are Tod Coleman, Germaine Ruddell, Muriel Hufstedler, Shirlee Winder & Bob Ferrand.

In an informal pose at left is the team of Track stars from IHS. They are, from left to right, Bob Teeppen, Jon Klar, Mike Rake, Larry Barton, Mike Sala, Bob Ferrand, Louis Stadler, and the manager, Perry Perrine and the coach, Mr. Bud Rumpf. IHS was privileged to send one of its' track stars, Larry Barton, to the USDESEA track finals in Germany as an entry in the high jumps.

## Track Action

IHS produced an outstanding group of track and field men this spring. They made an impressive showing in competition with other dependent high school teams and against local Turkish competitors. The Sultans were particularly able in that they managed to place several track men on the ASTL All-Star Track lineup.

The penthouse of the Grand Efes Hotel was the scene of the exciting and fun-filled 1972 Junior-Senior Prom on the evening of Friday, May 21. After a sumptuous meal, the prom-trotters enjoyed an evening of dancing and entertainment: a folk-singing duo, an Italian singer, and an oriental dancer. This was just a beginning of a busy weekend. Other events were special movies, a hayride, and an outing at the beach. The Prom was a result of hard work by the sponsoring Junior Class.

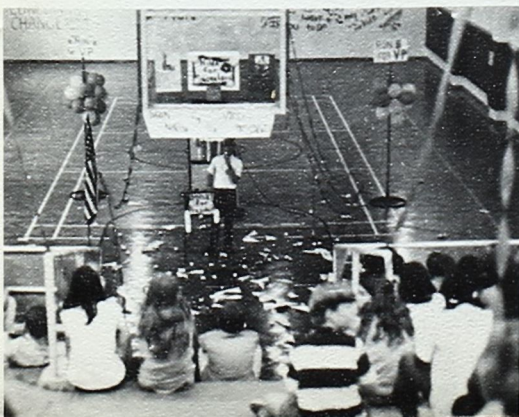

# Arabian Nights Prom

Pictured above and on the opposite pages are scenes from the 1972 "Arabian Nights" prom.

# SCA convention and election

The SCA sponsored a new event at IHS this year, an election convention for new SCA officers complete with campaign speeches and spontaneous demonstrations. The scene of this rousing sample of democracy in action was the new gym at Bayrakli. Elections were also held at the same time. Tod Coleman, outgoing SCA president, swears in the newly-elected officers at right.

# GRADUATION 1972

In a dignified ceremony on the evening of Monday, June 5, 1972 the Senior Class of Izmir High School was graduated. The ceremony was held in St. Johns Cathedral. The main addresses were given by Mr. David Urness and Miss Carol Kunz. There were also speeches by the valedictorian, Valeta Renoe, and the salutatorian, Carol Moore. At the close of the proceedings, the graduates were honored with a reception held in the Penthouse of the Kordon Hotel hosted by the American Wives Hospitality Group.

There is a time  
There was a time,  
The time is now  
Yet it was long ago.  
Oh, what a time.....

....it was a time  
spent in study  
and contemplation  
to prepare us for  
the years when  
we would be bound  
to bread and  
circumstances...

And it was a time  
of expression, a time  
of exploration and  
discovery of our  
talents....

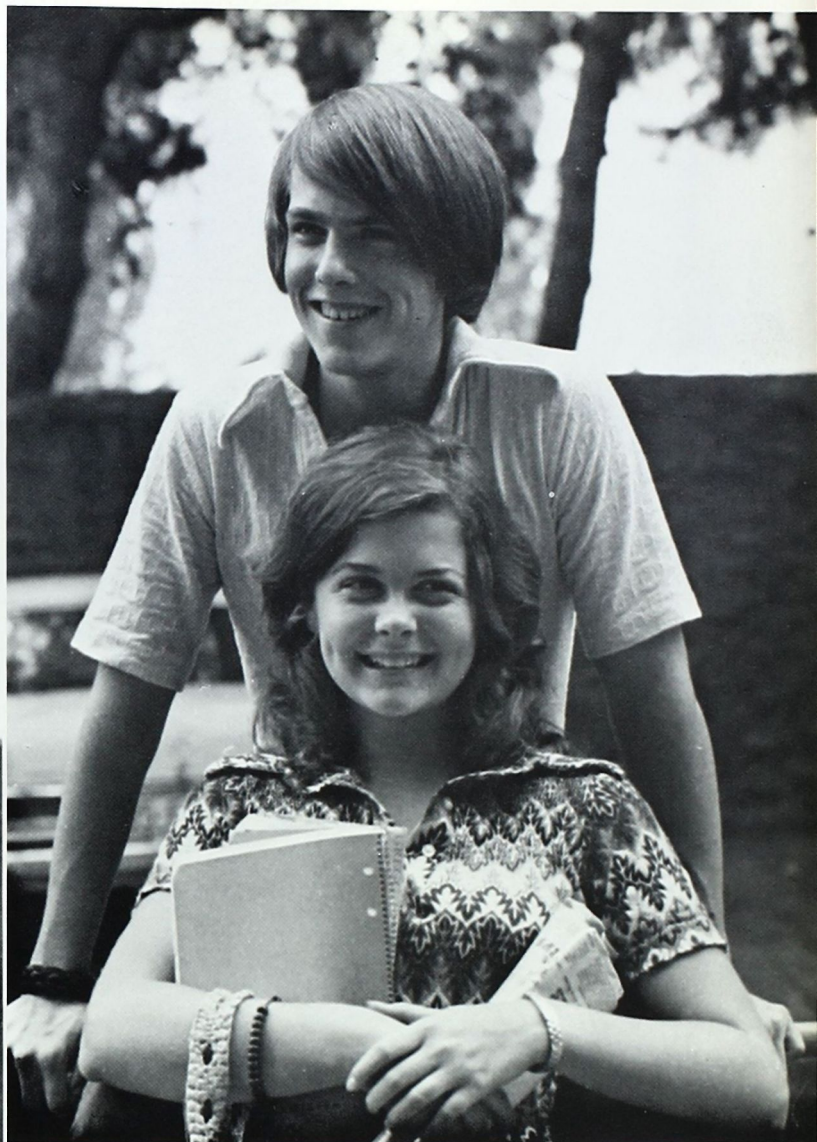

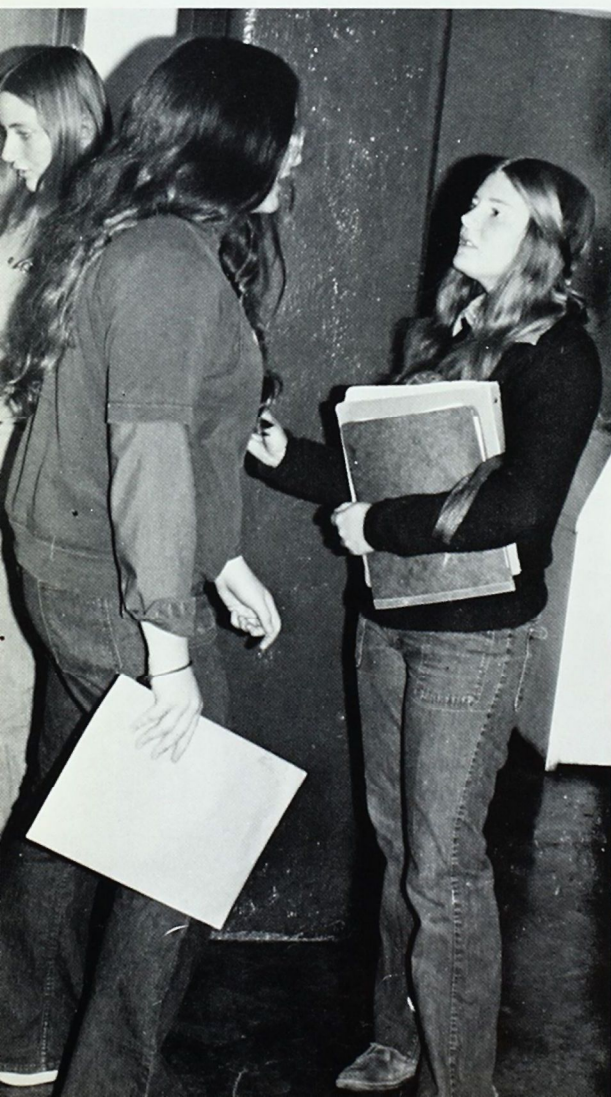

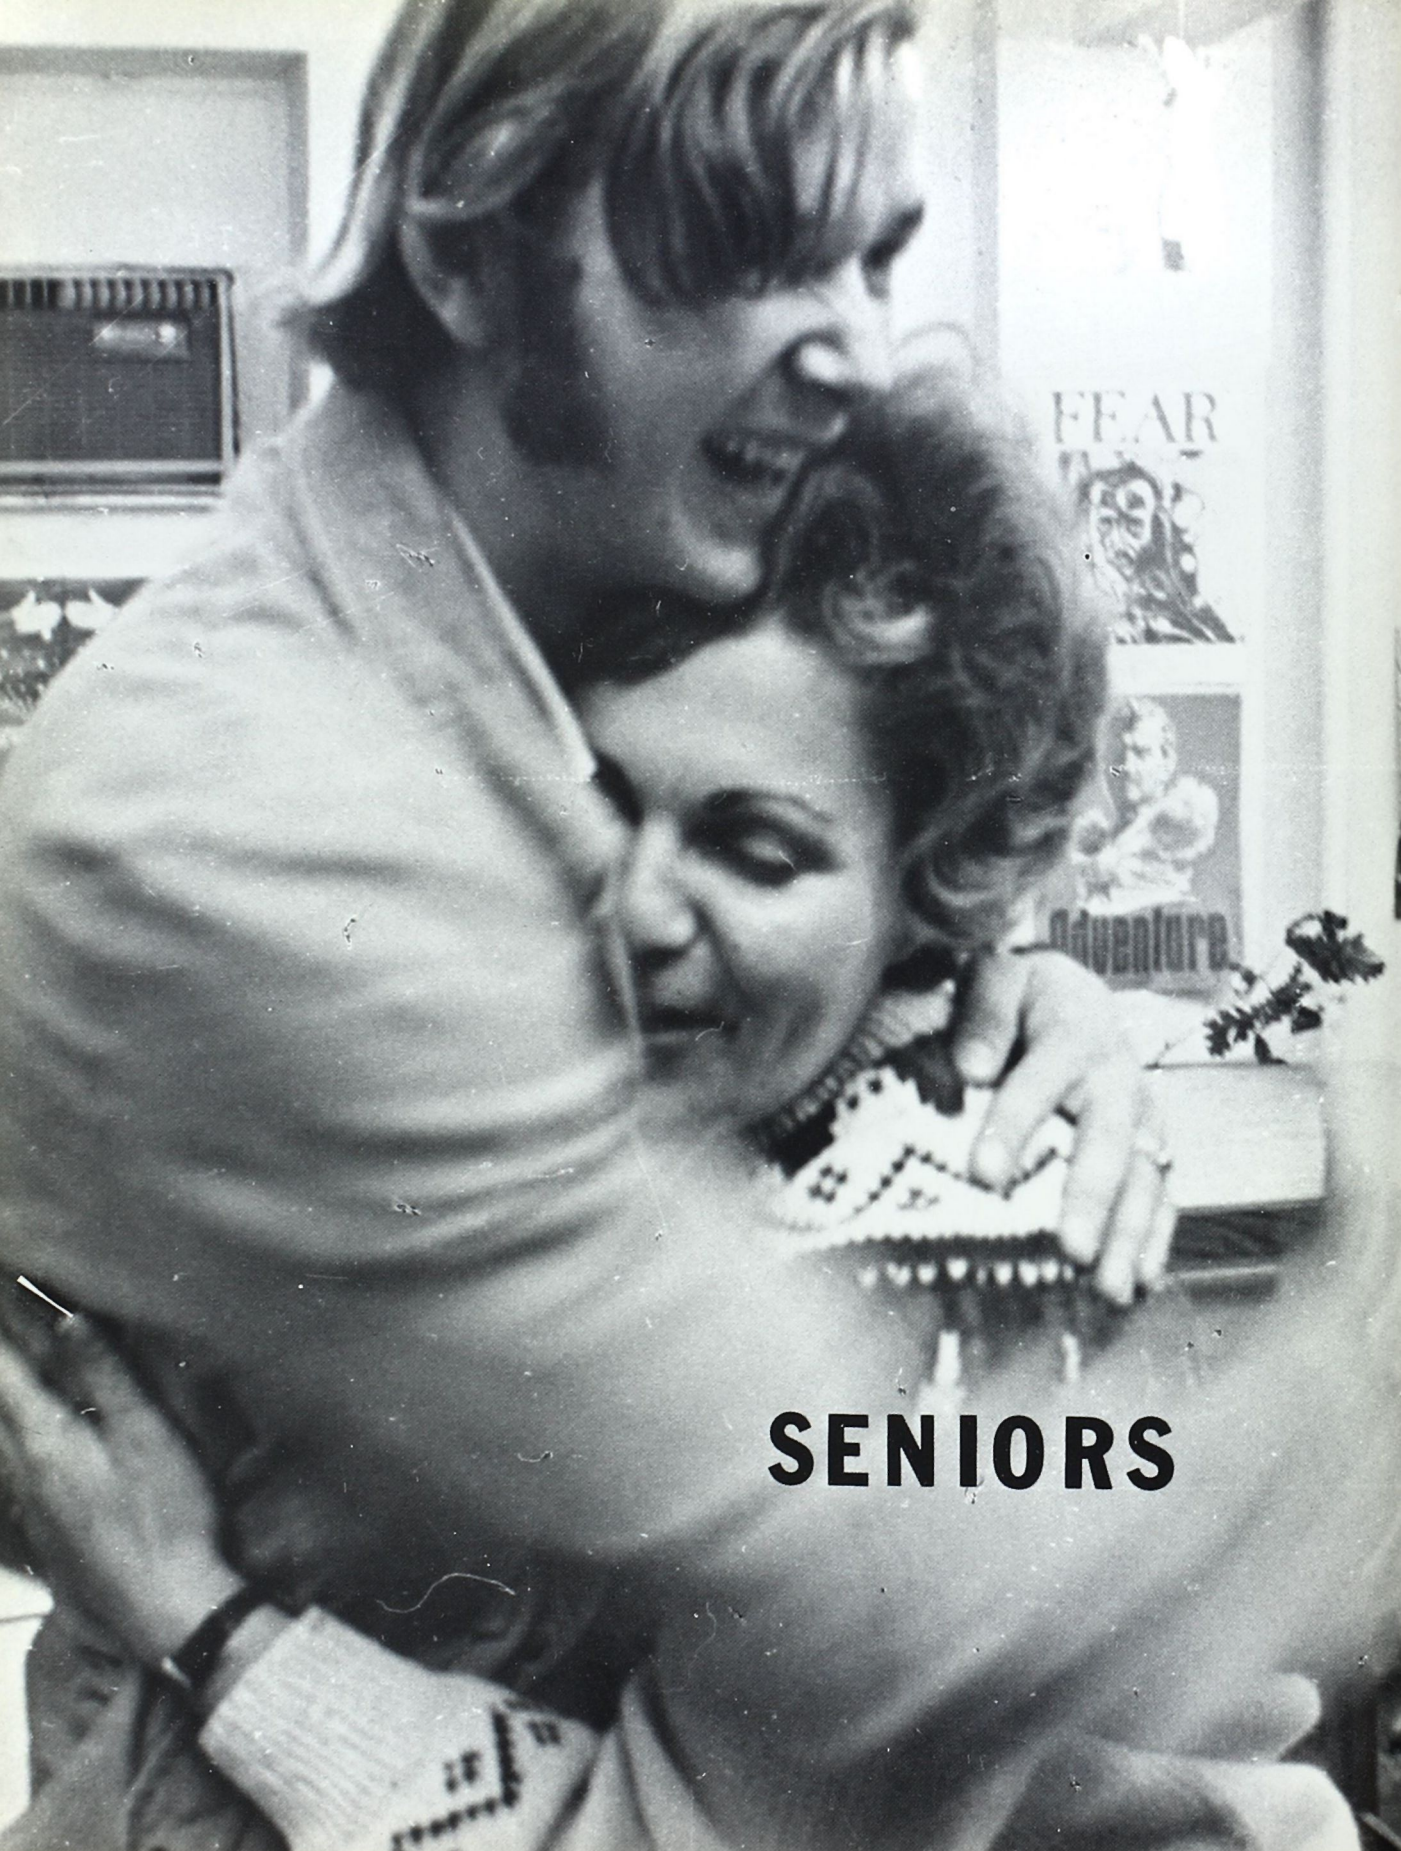

....it was a time of learning to  
cope with frustration and defeat....

But most of all  
it was a time to  
discover each other,  
to revel in shared  
confidences, and to  
find happiness and  
security simply in  
the company of friends.

In living with and experiencing other people remember that each has a tremendous worth and value in the eyes of God as a human being on this earth; that each is a unique individual like no other you will ever meet in your lifetime.

—Jan Perrine

....like no other  
you will ever meet....

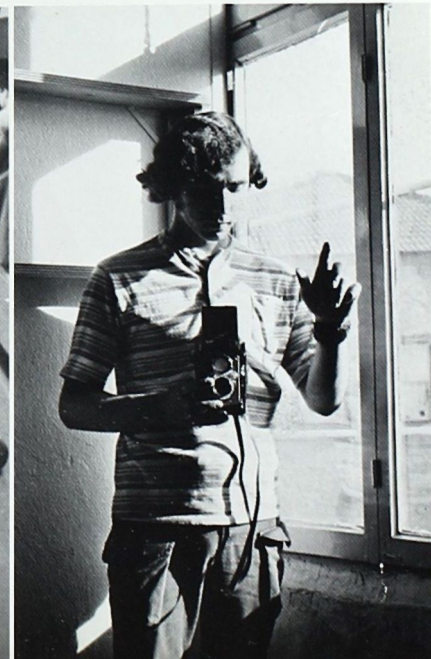

School is a bore but once you're out you won't know what to do.

—Steve Smith

No matter what evil lurks, love and understanding shall conquer all...

—Bob Alvarez

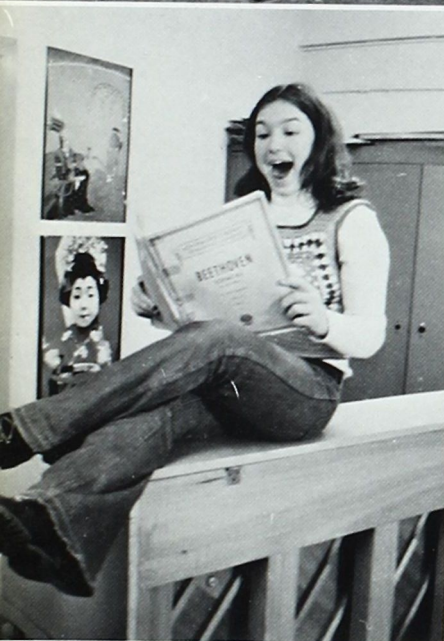

The swelling curves of twisted thought have most recently been caught. They're locked away and hidden deep. Without knowing, into my mind they creep.

—Ginger Coleman

We have crossed the river, now the ocean lies before us.

—D' Aun Womack

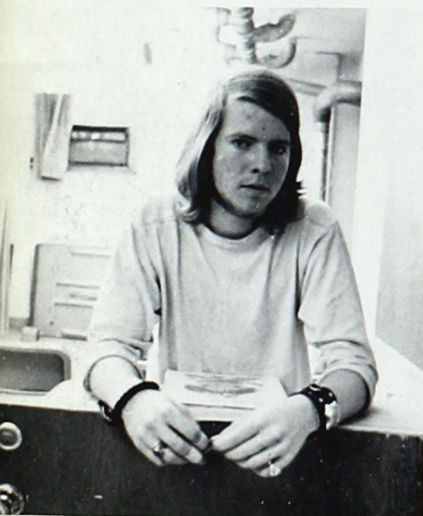

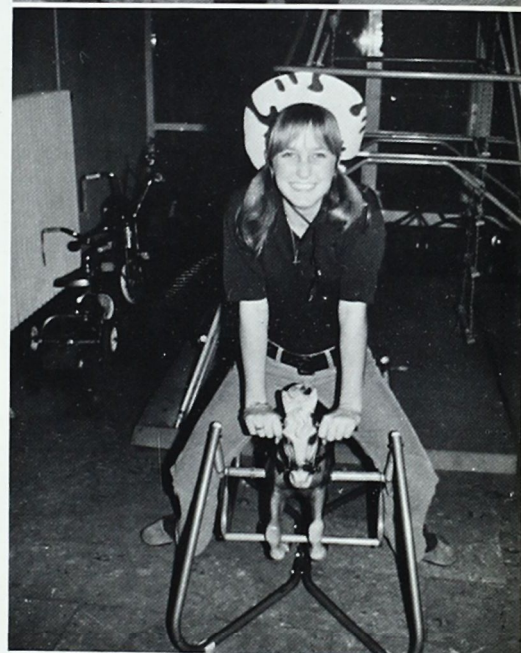

To enjoy and know life best, become a friend of the earth and seek its places of solitude.

—Reni Wicker

## COLOR ME ....GONE!!

The mind and heart are precious possessions through which one can share ones thoughts and love with others. . .reach out your hand and open your heart and mind to life!

—Paula Erich

This school has prepared me well for my college years. I would like to give special thanks to Mr. Urness for an outstanding job in preparing me for my future in music.

—Bob Ferrand

With my school years finished and with a lot of luck, as you read this I'll be on the road. Have fun and speak of me to those who choose to remember me! Color me gone!

—Skip Schneider

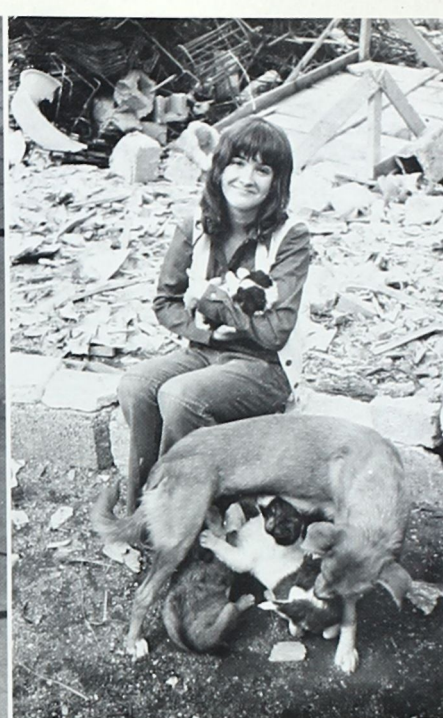

Once you realize what you want out of life, reach out for it. If you wait too long, it may disappear.

—Stephanie Marsh

Those in the following years who join GAA should remember to be good sports. You'll come out champs as we, "The Bishops of IHS", did.

—Desiree Canianes

For every man there is an opportunity; a time to start and a time to finish. If you remember me when I leave, remember also my friend, Mel.

—Tracy O'Connor

What the heart has owned, it shall never lose.

I am not sure of one person perfect enough to say what may be.

—Ken Bohall

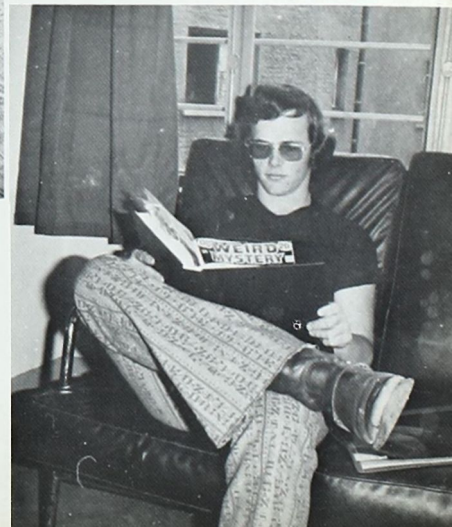

You get out of life what you put into it.

—Tom Dekle

What the heart has once owned, it shall never lose. We live in the memory of our friends.

—Susan Elmer

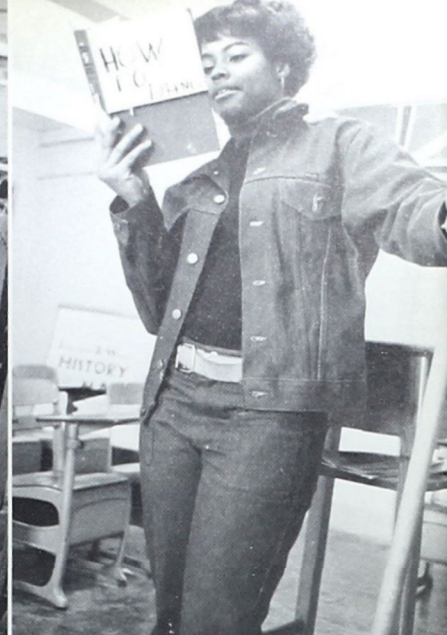

Happiness is a world of appreciative people.

-Shelly Simmons

Life and love takes so long to create, but so short to destroy.

-Kelly Lyons

If you ever need any help in volleyball, go to a BISHOP. "Keep up the good work BISHOPS!"

-Lorraine (Rainey) Robinson

## HAPPINESS IS A WORLD OF APPRECIATIVE PEOPLE.

Now that school is coming to an end, I sit and wonder about all the things I have done and missed. To love is one thing, to be loved is another; but to share love is the greatest thing of all. Peace be with you and enjoy life.

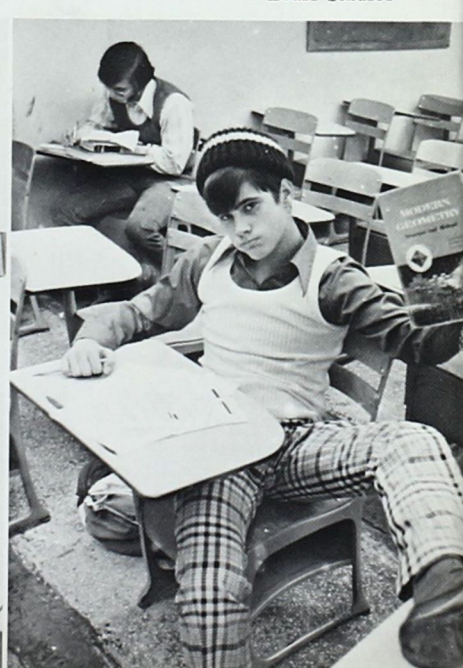

-Larry Barton

The biggest shock I received in my life was the day I opened my mind as well as my eyes. Nothing was too small to see, nor too large to imagine.

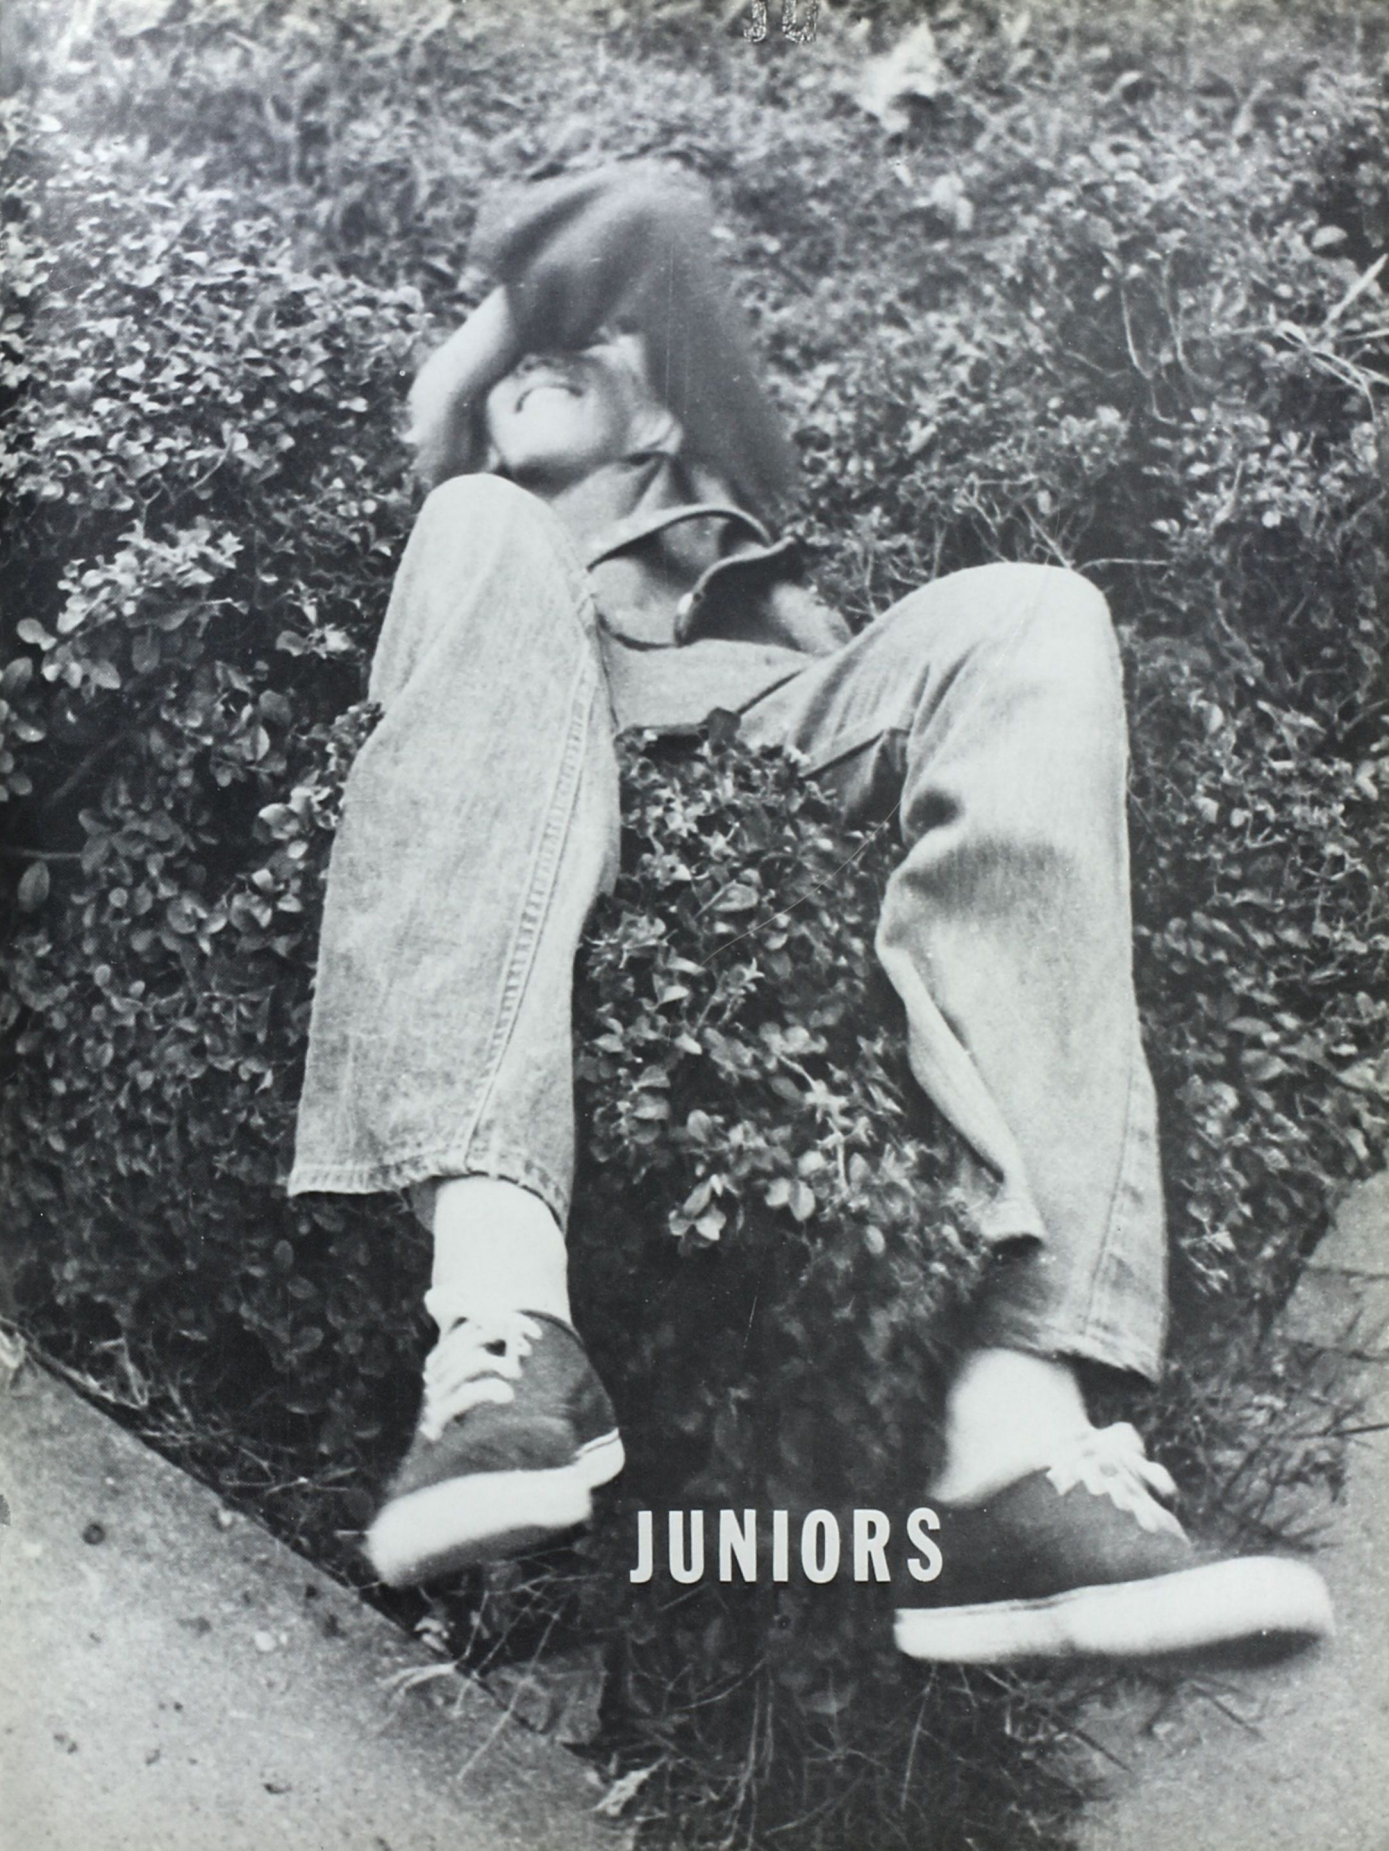

-David Allan Bohall

In all reality, man's strongest weapon is his brain!

At left and below are men who are behind the scene in football. At left are managers Steve O'Connor, Scott Petersen and Ken Bohall; the three aided varsity and JV. Below left is the coaching staff: (L to R) "Jungle" Johnson, Bud Rumpf, and "Big Jack" Jackson. Not pictured is manager Perry Perrine.

## I.H.S. MIGHTY SULTANS

**Sultans keep on truckin'  
in the face of great odds!**

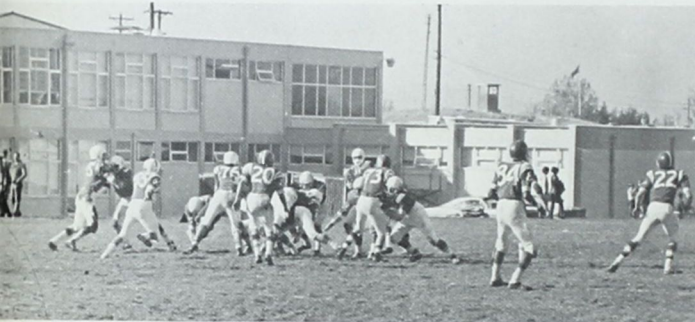

Hampered by a short four-game season, the Sultan Varsity football team only started to click during the third and fourth games. The Sultans had to settle for a so-so 2-2 season record. Carrying only four seniors and even two freshmen in the starting lineup, the Sultans fielded the smallest and youngest team in the ASTL this year. The games on every occasion this year proved to be real squeakers, and the many Sultan fans stayed in the stands until the very end of all games.

Teammen are (front row): Joe Chavera, Steve Barton, James Fischer, Al Walker, Ray Arnold, Dick Clark, Shawn Pendleton, Bill Tift and Keith Pierce; (standing) J.D. Turner, Steve Eggert, Mike Chura, Rick Perrine, Ron Pierce, Tad Francis, Mike Lyons, Brian McGreevy, Chris Michalski, Mark Klar and Dave Rickard. Not pictured is JV Alfred Canianes. The JVs are coached by Mr. Ron Van Laecken, pictured at the left.

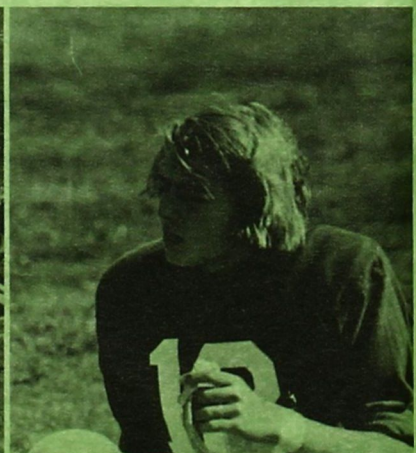

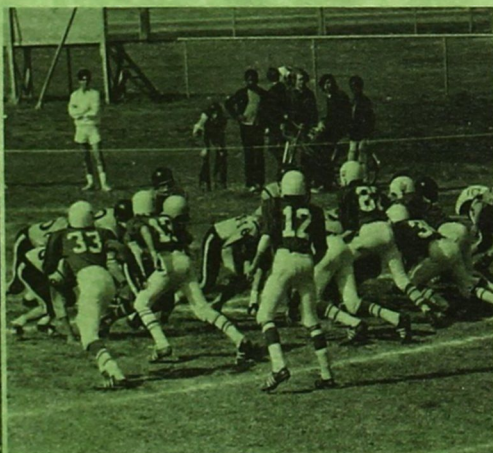

## J.V. SULTANS

### Spirit sparks JVs tough season

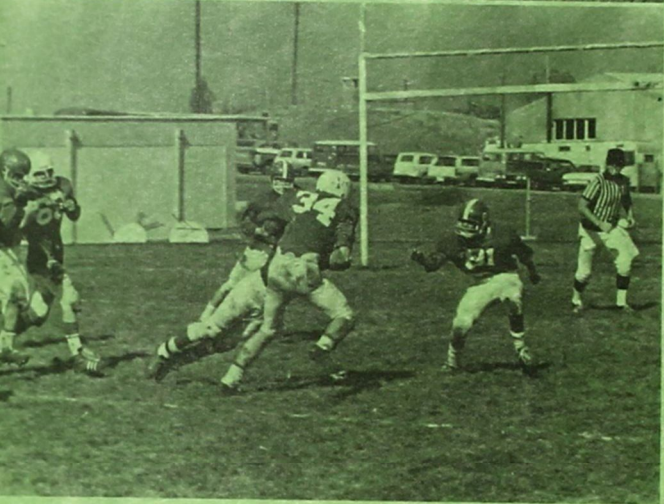

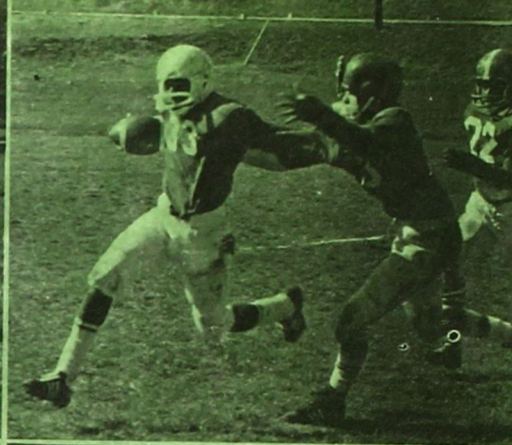

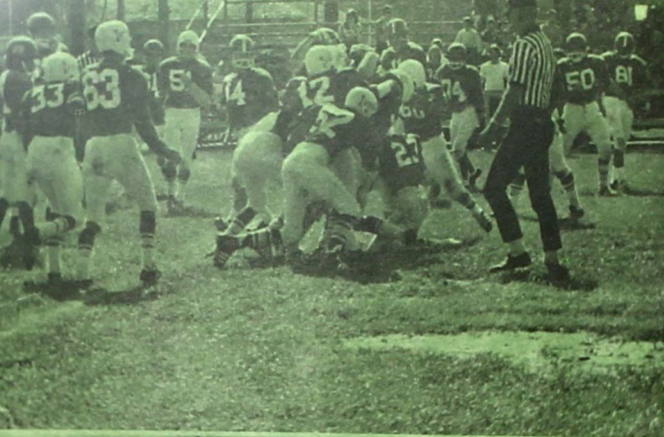

The Saturday sports early birds, the Sultan JV Football Team saw the same action and the same number of games as the varsity team, yet remained out of the main spotlight on Saturdays.

The JVs played just as long and got just as tired as the "Big Team", but did not enjoy the same crowds and

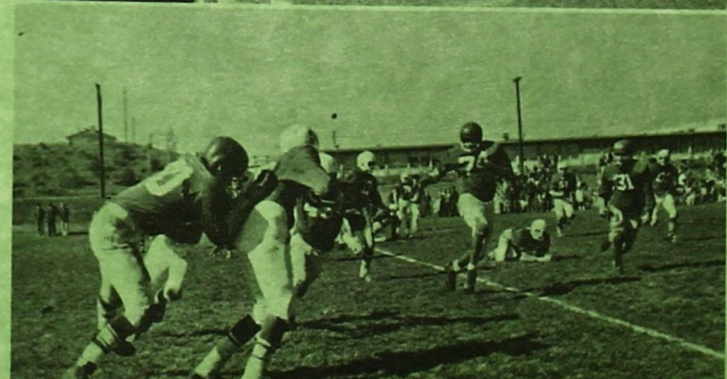

support. The Junior Varsity team had a somewhat disappointing season this year, but continued to plug away with effort and determination throughout the whole season. The JVs were real winners when it came to courage and sportsmanship. The season ended with JVs saying "wait! I next year!"

"GET TOUGH" JVs have active season.

Above and at the right are fleet-footed Sultan Crosscountry runners coming into the home stretch in an endurance race in Karamursel.

## CROSSCOUNTRY

Below is Izmir's gallant group of Crosscountrymen. At left is the group's coach, Mr. Bob Horn. Kneeling in front are Glen Hilton, Rick Stansell, Butch Bates, and Randy Stansell. Standing are Jon Klar, Mike Russ, James Fleming, Mike Hicks, Ron Lindhart, and Aaron Harvey. Short on stretch-out space at Bayrakli, the group practiced at the Bornova Golf Club in preparation for their ASTL races.

Above is the mighty Sultan Varsity Basketball Team. Kneeling in the front are Scott Marsh, Hector Rodriguez, Steve Alvarez, Dave Bohall, and Mark Klar. Standing in the rear is the Varsity coach, Mr. Ron Van Laecken, flanked by Jon Klar, Francis Noonan, Rick Perrine, Larry Barton, and Steve Eggert.

## THE BUCKETBURNERS!

Sultan varsity spends first season in new gym, pluck and practice make champs.

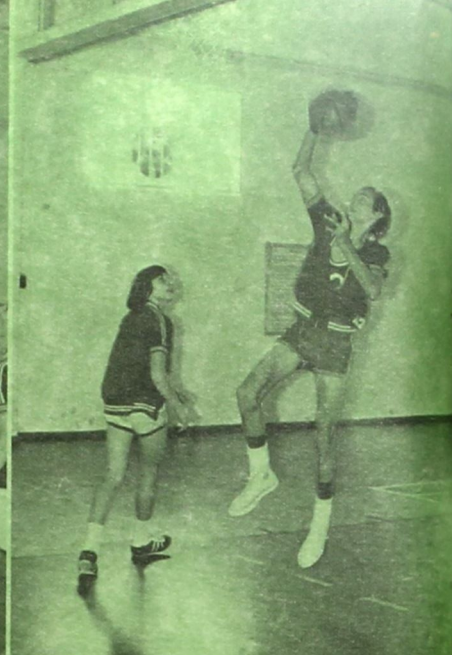

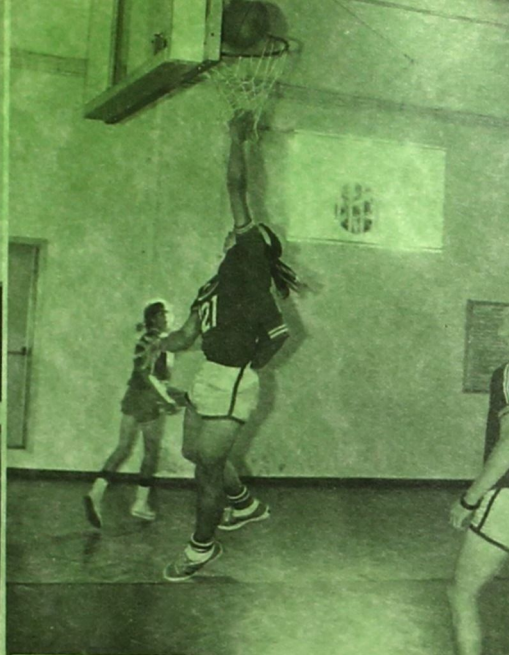

The Sultan Varsity Basketball Team started the season with four returning members and five new men. All the team started the season and carried through with great potential and spirit.

The varsity team, in contrast to former years, did not compete in the local military league, although they did play against some of the local military teams. Competition against local Turkish schools was also sought this year.

As the Sultan goes to press, the Sultan BB team nears the end of its season and is only one game from being top team in the ASTL.

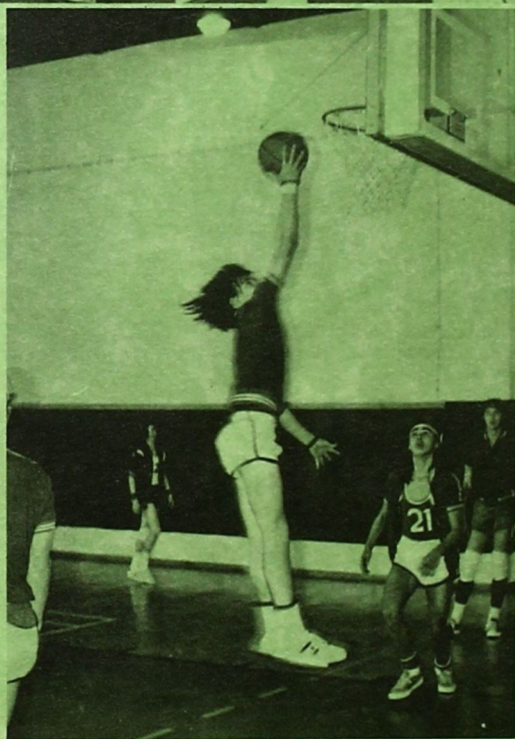

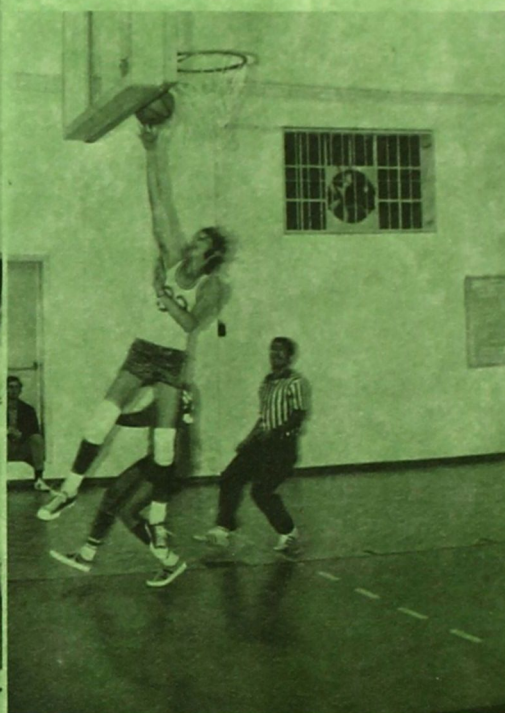

**A.S.T.L. VARSITY  
BASKETBALL CHAMPS**

SINK IT! SINK IT!

SCORE, SCORE...TWO MORE!

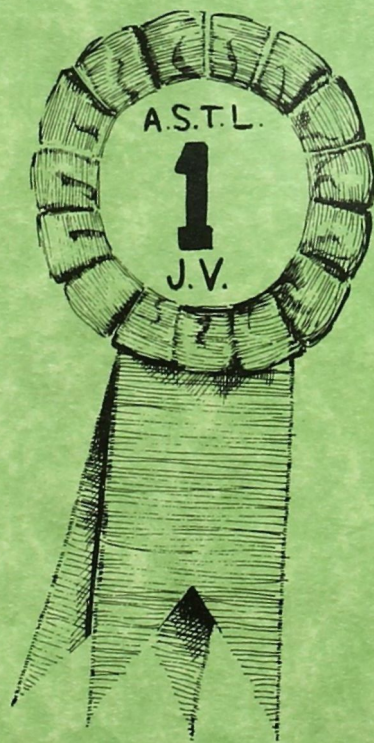

Pictured above is the ASTL Junior Varsity Champs, the Izmir Sultan J.V. Basketball squad. Kneeling in front are Mike Hicks, Danny Moore, Ron Pierce, Dave Rickard, John Norton; standing is the coach, Mr. Bud Rumpf, and Bob Teeppen, Des Stuart, Mark Klar, Steve Eggert, and Wayne Elmer. Not pictured is the manager, Rick Perrine.

## J.V. THE CHAMPS!

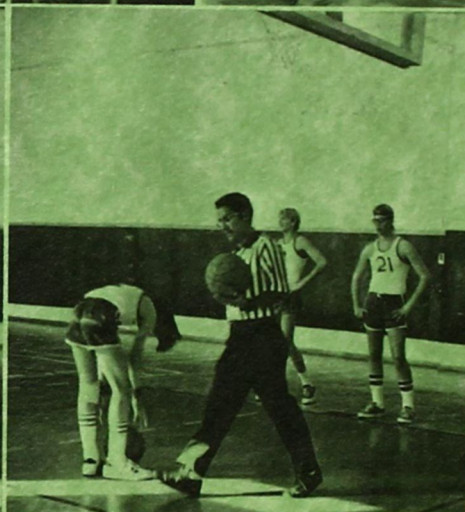

Thoroughly trouncing most of the opposition offered them, the Sultan JVs finished off their season with an impressive 7-1 record. The JVs usually outscored their opponents by more than 10 points in all games except the one loss. The highest score showed the Sultans with a 30-point victory margin.

Everyone will agree that this is the best JV team that Izmir High has ever put on the courts. A great deal of credit goes to Coach Rumpf, who inspired the team to try for an undefeated season by offering them a trip to Bursa for a ski weekend if they went 8 games without a loss. The trip went down the drain with their last game.

BEST TEAM ON COURT BY A LONG SHOT!!

Standing are Kathy Moore, Jan Perrine, Becky Simmons and Billy Gonzales. Patty Tucker is this year's cheerleader captain and Mrs. Gloria Veit is the cheerleader sponsor. The cheerleaders have as their mascot, Dede Tucker, who is pictured at left.

## CHEERLEADERS

Through rain and shine,  
from crosscountry through  
soccer, IHS's dauntless  
debs provide all screams  
for all reasons and seasons.

## SCREAM TEAM

# CLUBS & EVENTS

Above, the Sultan's Homecoming Court composed of Susan Elmer and Escort Bob Ferrand, Billy Gonzales with escort Rick Perrine, Becky Simmons escorted by Glyn Bolasky, and Revis Lewis with escort Kelly Lyons.

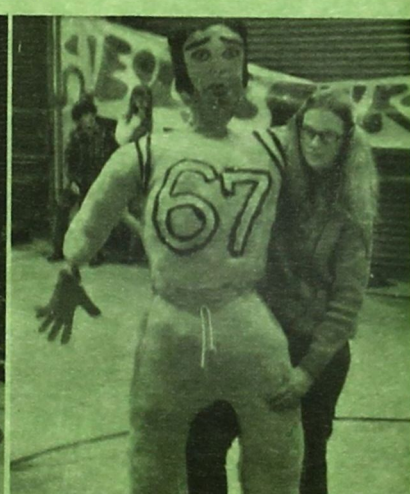

Homecoming royalty King Kelly Lyons and Queen Billy Gonzales were crowned by SCA president Dave Bohall at the HC dance on Saturday night following the big game with Karamursel. The Homecoming Court was also again presented at the HC victory dance.

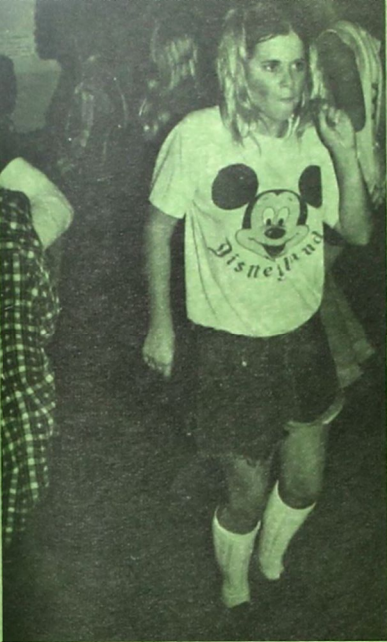

## HOMECOMING 1972-73

Homecoming activities included a fun-and-spirit filled Pep Rally at school on Friday preceding the game. Friday night saw a bonfire at Bayrakli.

The day of the big game arrived and Sultan fans trooped to Bayrakli to see the Sultans whip the Karamursel Kougars in a game that was a thriller.

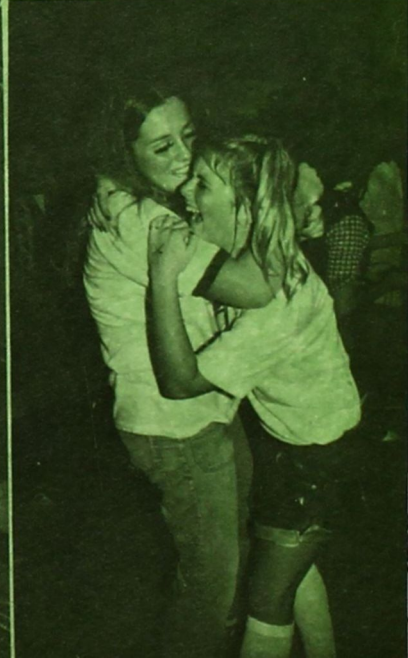

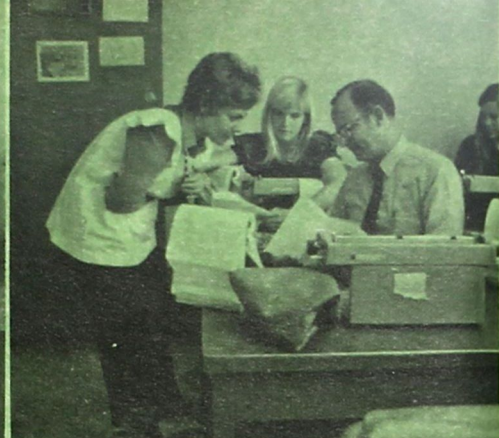

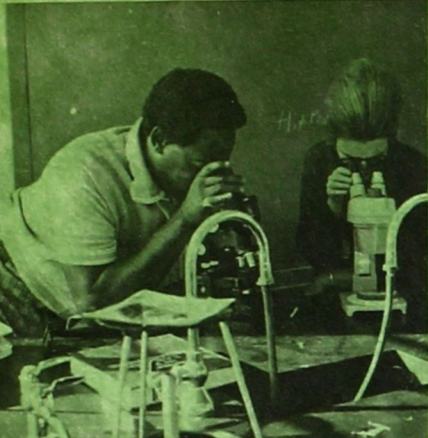

A November Saturday night saw a bunch of IHS gals drag their guys to a fun-filled Sadie Hawkins dance held in the AYA. High-lights of the dance were Marryin' Sam and the Dogpatch Jail which saw plenty of action. Country costumes and hick talk made this dance, sponsored by the Junior Class, one of the most successful dances of the school year.

### Parents become students

In November the teachers and the PTSA jointly sponsored a Back-To-School Day for the parents of IHS students. Students were allowed to remain at home for the day if a parent attended school in their place. Over 60 parents came; many exclaimed that school wasn't "what it used to be". Parents left with mixed emotions; wishing they could have another chance to learn exciting new things and at the same time, glad they didn't have to go through the grind again.

## TRIPPING AROUND

Students found that you don't find all the answers in books; it helps to get out and see things for yourself. Field trips to various points of interest were taken by several classes in the Fall and Spring. Mrs. Oguz's Turkish classes and Mr. Urness' Humanities class were on-the-go to Pammukale, Ephesus, Sardis & Pergamum.

## PEP CLUB

The Pep Club is the largest organized group at I.H.S. The club was front and center at all the pep rallies and home games. The Pep Club and cheerleaders made no official trips to games away, but some of them managed to get to Ankara and Karamursel on their own to cheer on the Sultans. Pep club officers are Shelly Simmons, president; Renee Ferrand, vice-president; Sherry Thomas, secretary, and Cathy Carter, treasurer. The sponsor of the group is Miss Elizabeth Davis.

## PEP RALLIES

Pep rallies during this year were a thing to remember, a change from the yell-and-leave type in previous years. This year, due to the extra effort and planning on the part of the cheerleaders, the rallies were entertaining as well as spirited. Skits and gag-contests were the order of the day at most pep rallies. The band also did its part by providing the oom-pah and boom-boom.

Early in the winter, the Drama Club put on a series of one-act plays. The major production planned for the Spring by the club is Thornton Wilder's *OUR TOWN*.
