The post office is not only physically in the center of our school but also it is the center of many social aspects of school life as well. It is the tie between the past and our life in Izmir today. Just knowing how many football games your old high school won or who your best friend is going with nowadays gives us a felling of still being a part of life "over there".

How many times have you found yourself dreaming in class about what that special guy or gal might have written you? After a very short time here it becomes a habit to turn your thoughts toward getting mail, especially when break finally rolls around. Screams of delight or of sorrow are routine; no one ever questions the sanity of any individual. Sometimes it almost gets to the point that friends compete against each other to see who has the most letter-writing friends in the States or whose friend sent the largest package. Maybe we don't all have television here, but who can beat those novels read over lunch!

Activities

This year's yearbook is dedicated to our advisor and teacher, Mr. Stroman. With his advice and guidance, Mr. Stroman helped create the 1977-78 yearbook into a tremendous success.

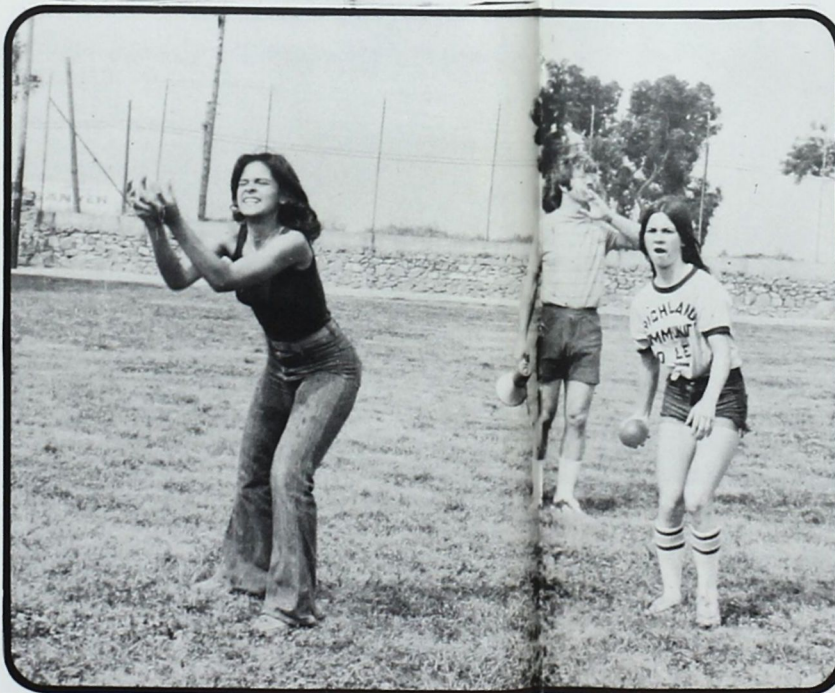

Taken from Al Capp's "Lil' Abner" the Sadie Hawkins dance has become a tradition at I.H.S. The wide variety of activities inspired participation as many people rushed for the marriage booth. But try as they would the crowds were unnoticed as Judy Rittenhouse took honors by having the most marriages. The jail, kept full by the sheriff, seemed to be a popular spot. The prize for the best costume was proudly awarded to Jill Smith. This sophomore sponsored dance was crowned a success.

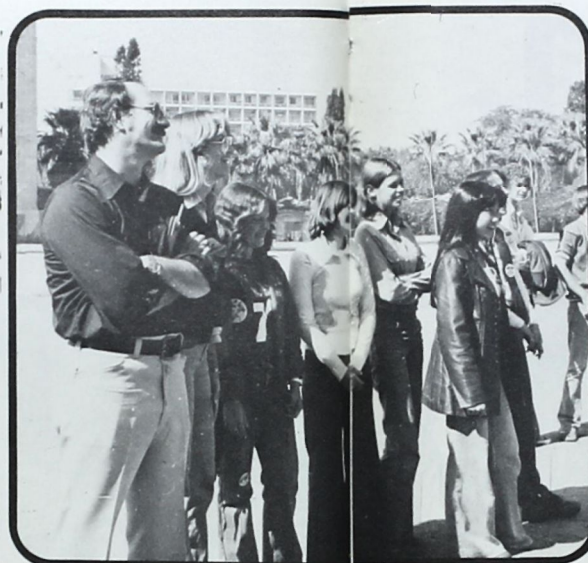

sports day 1976-1977

Sports Day consisted of many events in which most classes participated to get points. At the end of this activity all the points were added up and the class with the most points won. The winners of 1976-1977 Sports Day was the class of "80".

The first Pep Rally of the year was held on the elementary playground. The purpose of the rally was to introduce the teams to the school. The football, volleyball, and cross country teams were there to say a few words for their upcoming games.

Spirit Week

Competition filled the air as Spirit Week arrived. To prove their spirit, teachers fell into swing as Tuesday brought crazy dress up day for the teachers. The students dressed out in their best to contrast. The first contest of the week showed the freshmen to be the most eager by winning first place in hall decorations. Wednesday opened new opportunities for the classes with contests for buttons and locker decorations. The students, now dressed in crazy clothes, put the most buttons on a class member. The seniors took honors by placing first. Locker decorations were judged with first place also going to the seniors. "Red and white, you look so good tonight" were the cries heard from the playground as the classes gathered for the Pep Rally. The banners were presented to the judges for inspection. First place was presented to the class of '78. The cheerleaders led the classes in competitive cheering with sophomores having "the most spirited". The Spirit Stick was presented to the sophomore class for winning the most points in Spirit Week.

Although Women's Cross-Country and Volleyball suffered losses, the rousing victories of the Men's Cross-Country and Football teams made the daytime Homecoming activities a success. Halftime at the football game brought the marching band into formation as they played their way through their first exhibition. The court and their escorts paraded onto the field as princesses and nominees for queen were announced. The dance turned out to be a total success. The juniors supplied a relaxed and enjoyable atmosphere at the Kordon as couples danced to the sounds of the D. J. The evening peaked with the announcing of the Queen, her Maid-of-Honor, and Princesses.

Customary tradition was broken this year as the Senior Class held the Christmas Ball at the Anatolian Art Gallery. Dinner and music was provided. Also, a special bonus for those who attended was an early appearance by jolly St. Nick.

A new idea was introduced to Izmir American High School by Mr. John Taylor. The idea was to have an activity period consisting of 18 different activities. The activities were held once a week on a rotating basis for 50 minutes. The faculty played their part by supervising the different activities. The students accepted this new idea and it became a great success. The activity period was thoroughly enjoyed by the student body and staff of Izmir American High School. We all thank Mr. Taylor for making our school year more enjoyable.

Sports

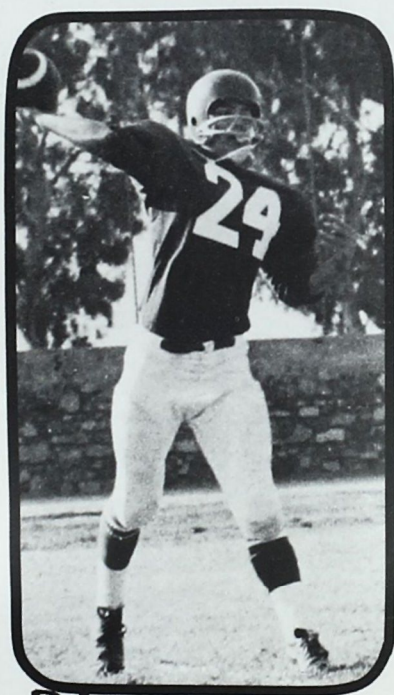

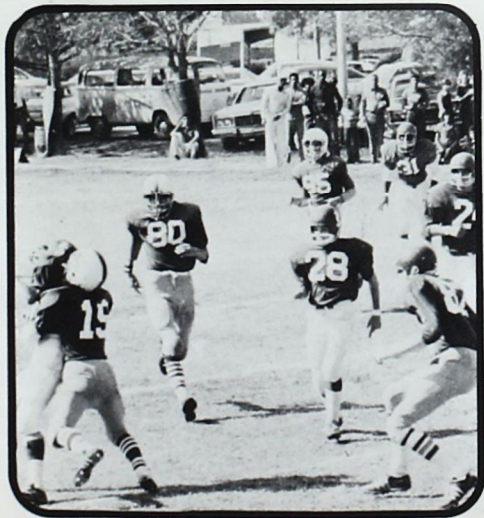

football

After getting off to a slow start, by losing to Karamursel, the Izmir Sultan football team began to roll. In the second game our team beat Ankara. The next game was against Incirlik, which our team lost after a very close game. At the homecoming game, Izmir beat Ankara after a thrilling last minute touchdown play. On the road again, our big red machine lost to Incirlik by another very close margin. The last game of the season was an outstanding shown by the team when they wiped Karamursel off the scoreboard with a shutout. In the final conference standings the team placed second.

volley

The Izmir Sultan's Volleyball team got off to an enthusiastic start by defeating the Karamursel Kougars 3 to 1. Unfortunately, they consistently lost against Ankara and Incirlik throughout the season. In the Regional Playoffs, Varsity placed fourth and Jr. Varsity proved themselves by placing second overall. Susie Grotshall was the representative from Izmir who placed on the first string All Conference Team.

cross country

The Cross Country Women's team, led by Trisha Smith, was very enthusiastic this year. They won two meets throughout the season. At the regional meet, our girls placed fourth, in a very outstanding effort. Trisha Smith was also selected to go to the European Conference to run.

The first scheduled meet of our men's Cross Country team ended up in a close tie with Ankara. At the next meet we ran a very fast course but only to lose by one point to Incirlik. At the homecoming meet with Ankara, our guys pulled a great win over the outsiders. On the road again the Sultans lost a hard meet to Incirlik. At the regional meet our guys came in second place. The outstanding runner for the team was Mike Smith who also was invited to run in the European conference. This was an excellent Award for him.

With a new coach, Gayle Ferguson, and a team with two returnees, Rinny Garcia and Jon Brooks, our guy's basketball team was basically starting over. The guy's had their "on" days and their "off" days. They finished the season with an 8-4 record, having lost twice to Ankara, and twice to Karamursel.

At the tournament in Ankara, 6'6" Jimmy Mullins and "hustler" Rinny Garcia were chosen for the all conference team. Jimmy was chosen for the all tournament team, with his ability to "stuff" his opponent. Cass Palmer received the Sportsmanship Award.

The Izmir Sultans Girls Basketball team had a winning season this year with an 11-1 record, losing one game to Ankara. Later on in the season Ankara hosted the annual ASTL Basketball Tournament at which Barb Maloney and Janet Benson made the all conference team, Barb also made the all tournament team, and Charlene Thomas won the Sportsmanship Award for Izmir.

This year's gymnastics teams competed on four different pieces of equipment, the floor, the beam, the vault, and the uneven parallel bars, and did very well on all of them. The Senior High took first in all three meets, and the Junior High took two seconds and a first.

Under the watchful eyes of Coach Phil Hunt, our wrestling team ended the season with a perfect record of 12-0.

Although the team was young, they soon demonstrated their power to win. This being the first year for most of our guys was an obstacle that was soon by-passed. The beginning wrestlers proved to have the strength and endurance to win, along with old timers John Lang and Kevin Maloney.

The wrestlers again were victorious in Karamursel at the tournament. John Lang, Larry Rowles, Bryan Kleese, and Kevin Maloney were named best in their weight classes. Kevin also won the title Best All Around Wrestler, and Bryan Kleese achieved the fastest pin. These winners were invited to attend the Europe Wide Wrestling Tournament held in the Netherlands. John, Bryan, and Kevin accepted the invitation.
