The following students worked the entire thirty (30) hours, and sacrificed their sleep in order to make the 1988 Dance-AThon a success for the class of 1989 and 1988. A special thanks to you!

Dave Avant Mike Stewart Andrew Walker

An naturally a special thanks to Ms. Rasch, who was the person to plan, sponsor, and organize the Dance-A-Thon. Ms. Rasch, Izmir High School thanks you for a successful activity.

What do you mean "The food's no good?"

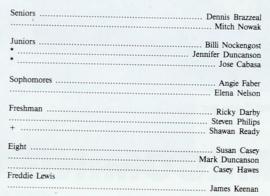

Once again, the Junior class and our sponsor, Mrs. Rasch, would like to thank everyone who had helped in every way with our Dance-A-Thon, which was held on the 8th of January, 1988 at the Elementary School gym.

After spending weeks of effort and time, the dance was a great success and everything went as planned. The Juniors expect to collect \$1,089.66 from pledges. A total of \$38.00 was collected from the sales of food and tickets. As has been the tradition at Izmir, the profit will be spent on the 1988 Junior and Senior Prom.

A special thank you to:

Incirlik debates

When the scores came out, the Junior Team had been defeated but not beaten, coming in close behind Incirlik. The Senior Team did even better, wiping our both Ankara and Incirlik by almost 100 points! All through the game, The NHS and NJHS members cheered on their players.

Brain Bowl '87 was a match of wits and knowledge. It was held in the Izmir Community Center at 7:00 p.m. on the 16th of October, 1987. The teams from Izmirwere Junior Team: Joe Reich Stefanie Kline, and Rich Lingenfelter.

The Incirlik team thinks hard, or is it, hardly thinks???

# Principals' Message

**Dr. Getz**Dear Class of 1988:

It is my sincere wish that each of you carry the Izmir American School experience with you for the remainder of your lives. At IHS, the staff and administration endeavored to prepare you, both academically and socially, for an extremely complex world. Because of those complexities, there will be many times when it will be difficult to do the right thing. By having the courage to do so, you will bring honor to your former classmates and teachers, your families -but most importantly- yourselves.

With warmest regards, Dr. Harvey P.Getz Principal

#### Success

We at Izmir American School wish for all graudating seniors much success a they strive to realize their dreams. But what is success, and how is it measured? In my memory I hold certain words of wisdom which serve to get me going when the going gets tough. I would like to leave with the reader one simple paragraphI by Ralph Waldo Emerson whose definition of success is on to which I often refer. Perhaps it will be a passage of strength to a student who treasures memories of Izmir American School as much as I treasure the opportunity to work with our young adults at IAS.

Dr. Gevena P. Ritchie

Dr. Gevena P. Hitchie Deputy Principal Izmir American School

Dr. Ritchie

To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the apprecation of honest critics and endure the betrayal of false friends; to appreciate beauty, to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemend social condition; to know even one life has breathed easier because you have lived. This is to have succeeded.

# **Editor's Message**

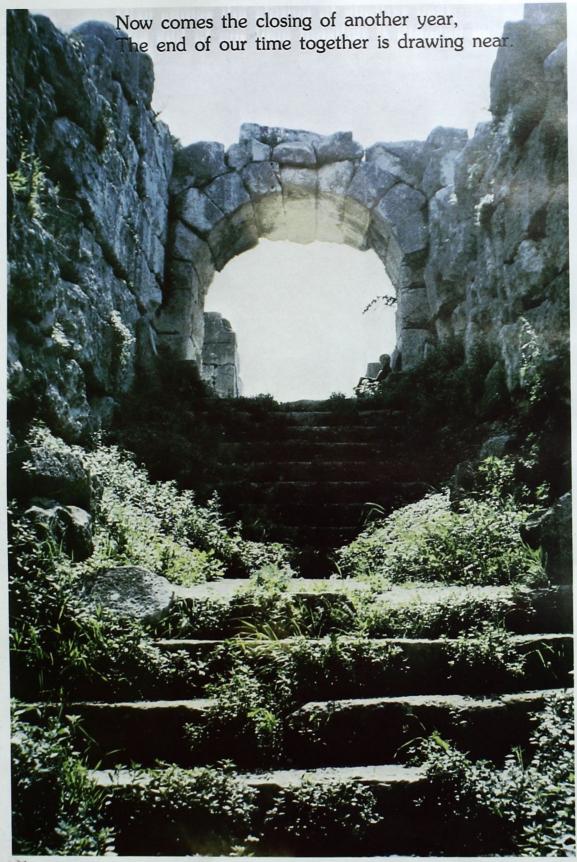

Lisa Dawn Staub

As one poet once said, "Love is a series of memories." Looking back on this school year of 1987-88, there have been some beautiful memories for all of us here at Izmir American High School. We, the yearbook Staff, have tried to capture those memories on the pages of The Sultan 1987-88. We hope that in the years to come that each of you will look back upon this unique school year in Asia with many fond memories. This school year has been a unique one in all senses of the word. Never again will this same group of individuals, both students and staff, be assembled together again. Never again will the student body be attending a school from a tobacco warehouse in Asia. We hope to capture in this yearbook-all the laughter, tears, triumphs and defeats which have made this school year unique among school years.

I hope that in five, ten or fifteen years from now, one will turn to this yearbook for a recap of their fondest memories and friends. After all, like Alfred Tennyson once said, "I am a part of all whom I have met."

Sincerely,

Lisa Dawn Staub Yearbook Editor

#### IHS FACULTY THE TEACHERS OF IHS

What is an IHS teacher? It could be said that a teacher is a jack-of-all-trades and the master of many. Include in this description: an attendance taker, a test-giver, a leader and lecturer, a planner and problem-solver, a friend and sometimes a confidant. We all know there have been many times when it has been easier to turn to a teacher with our troubles than to our friends. Is that because teacher have on objective approach to the woes of students? It could be. Is it because they have seen students just like us who were "just like us"? Maybe. Is it because they pick up our self-esteem and sense of self-worth with simple words of praise, like, "Good work, much better, nice job?" Maybe. The key is that they have a vested interest in us. They care about our success. They coach, sponsor, and teach us. They write recommendations for us. And they worry about us, and our future. They make us meet our potential, push ourselves... They make us learn. They make us give our best.

# VOLLEYBALL

The 1986-87 volleyball team season got under way May 1st. The Lady Sultans traveled to Incirlik to compete against the Incirlik Hodjas and the Ankara Trojans.

Despite the fact that the Varsity lost all of their games, the J.V. Team won against Incirlik with outstanding performances from Lisa Westfall, Camille Pena, Christy Lokey, and Bonita Blanding.

The Lady Sultans are beginning to work more efficiently and smoothly together. Coach Braun has stated that for a team with many new players, theLady Sultans are doing well especially when one considers that there is no gym for practice. The Bayrakli Park gym is closed due to refinishing of the floor.

Student Council Association 1987-88 was headed by an executive council composed of two seniors and two sophomores.

The year got off to a late start due to SCA elections. As the ruling body of our school, the SCA sponsored the first dance of the year, the Halloween Dance. The success was overwhelming. Due to the funds raised by the dance, SCA continued to sponsor a little Filipino girl. HOMECOMING, during basketball season, was the next and biggest success. Now, SCA looks forward to the closing activities of the year, AWARDS ASSEMBLY and FIELD DAY.

A special note that this year's SCA has set a precedent in sponsoring a STUDENT-OF-THE-

We would like to thank our sponsor, Bill Wood, for all his hard work and dedication to this special program.

Knowledge is the gateway to the future. Education is the key. Our youth protect the world's destiny. They provide for our dreams and fantasies. We look into their faces and see the world of tomorrow. So encourage the mind and its many powers, the minds of our youth, and you're saying yes to our future.

#### TALENTED AND GIFTED

The High School T.A.G program has done much independent work this year. They have sponsored a store and offered the services to the students of the Izmir community. Not only have they offered their services to the High School, but they have also given the services to the Elementary teachers as well.

The merchandise the store has offered includes pencils, paper, erasers, and different services. The services include: typing, candid pictures, and tutoring. They have sold their services and merchandise during lunchtime and other breaks in which students have the opportunity to buy.

The High School T.A.G. students hope to raise enough money so they can go on a trip at the end of the year. Mrs. Çobanli is sponsoring the T.A.G program this year. She has been very supportive of her T.A.G students and was the person who suggested the trip. It seems to be a very productive year for the T.A.G students.

T.A.G Officers from left to right: Joe Reich, Lasagne Cliatt, Casundra Cliatt, and Sara Taugas.

### **YEARBOOK**

- SULTAN '88 STAFF: Becky Cochran, Rich Lingenfelter, Naz Randolph, Chad Cooper, Lisa Staub, Kym Allard, Shannon Nadeau, Lasagne Cliatt, Stefanie Klein, April Woodman, Julie Anderson, Matt Brechwald, Shawn Ready and Casundra Cliatt. Members not pictured: Lisa Westfall, Mitch Nowak and Dennis Brazzeal.

Many factors make this year's 1988 Sultan yearbook more special than those done in previous years. For one, the yearbook is under new management by its new Editor, Lisa Staub and Sponsor, Mr. Wood. Unlike past yearbooks, this year's yearbook was printed by a local publisher. Also, this year's yearbook staff had only fifteen minute study halls and Special Saturday meetings to put together this year's yearbook.

With the time alloted to them, the yearbook staff has put together this year's Sultan yearbook. And although the time was short, in the end, the Sultan yearbook staff of 1988 put together the best yearbook ever.

The Sultan Times has had many good issues this year. Since there was no allotted class, the newspaper staff had to do most of their work out of school. Deadlines were set and met because of a "good" group of students working together for a common purpose--to produce the best newspaper possible.

The 12mir High School newspaper did their best to provide a newspaper that pleased the student body as well as to provide news about the student body. We did our best to cover the events: Sports, social, academic as well as look at student life in general. We highlighted student achievers, student leaders, and displayed student talent.

As you are looking back on life at I.A.H.S., take time out to remember The Sultans Times staff who worked so hard to produce a newspaper for you, the student body.

### THE UNWANTED TURKEY

A long time ago, when the Mayflower sailed, there was a turkey. Not a regular turkey, but an unwanted turkey. Of course he was fat and went, "Gobble, gobble," like all turkeys should, but this turkey was unwanted. I can't tell you why, cause I don't know the answer, but I can tell you part of the story. A little turkey called 'Chap' lived in a hollow tree root. He was always being tracked down by hunters, but-to his luck they looked at him and left. But that didn't boother him! It was the other turkeys... they just ignored him. But one day, as Chap thuought he would die of lonelyness, there was a knock at the door. When he opened the door, there was another unwanted turkey called "Bud", and at last he had a friend.

"What was that?" waking from a pleasant daydream, Deniu Rodreguez asks.

### "Castle"

I went to the beach to take a jog, And there was a boy with a dog.

He built a castle in the sand, It took up half the land. The castle was six feet high, Believe me I do not lie. When I stepped inside, I began to slide. I slid on the floor, And fell through a door. I woke with a scream, Mom said it's just a dream.

"Why do we have to go to school anyway?"

THE GIFT

I was to buy my baby sister a shirt, but it was covered with dirt. I was to buy my baby sister a clock, but it wouldn't tick-tock. I was going to buy my baby a dress, but it was a mess. So I bought her a light, because it was just right.

### ANIMALS by Bobby Knapp

I wish animals would wash After they squish, squash In the mud!

> People have heart attacks. Do camels have lump attacks?

My mom hates rats! They look furry, I don't care how they feel.

> I'd hate to be an anteater Because I'd hate to munch An ant for lunch! I wonder if they crunch. Monkeys go OO OO AH AH I think that means "Hello, how are you doing?"

There's alotamus Of the hippopotamus!

> A giraffe's neck is long. I would't like to wash it every day. I like mine better.

Does a beaver Ever have A high fever?

> Cats have sharp teeth. I know because I got bit by one!

I used to have a dog Who was an overly friendly pet. Sometimes he ran me around the block!

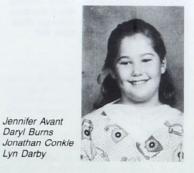

> I like snakes. But I wouldn't want One that rattles!

"So this is what school is like."

#### IMPRESSIONS OF TURKEY

I am in Turkey no, I am not a turkey. Some people think it's lurkey to be here in Turkey.

I think it's exciting in this historical Country, and I will have memories of the beautiful place; It lies in my heart forever

In America, you have fast food restaurants, In Turkey you have Lokantas', In America, the food is hamburgers, In Turkey the food is doner.

In America, children study George Washington In Turkey, children study Ataturk. In America, people just do not know about this wonderful country...

But I do! And I think it's great!!!
