

The background of the page is an abstract, textured composition of wavy, organic shapes. The color palette is dominated by various shades of green, from light lime to dark forest green, interspersed with vibrant blues and deep purples. The overall effect is reminiscent of a microscopic view of a mineral or a close-up of a biological cell, with a sense of depth and movement. The lighting is uneven, with some areas appearing brighter and more saturated than others, creating a dynamic and visually rich environment.

# ADMINISTRATION

**Dr. Davenport**  
**Principal**

I hope your time with Izmir School has been pleasant, and you will remember this Izmir Turkey school when you think about your life in this ancient land. Looking back at places we have been and friends we have known becomes more important as the number of friends increase. Best of luck.
