# Meeting new friends

## Striving

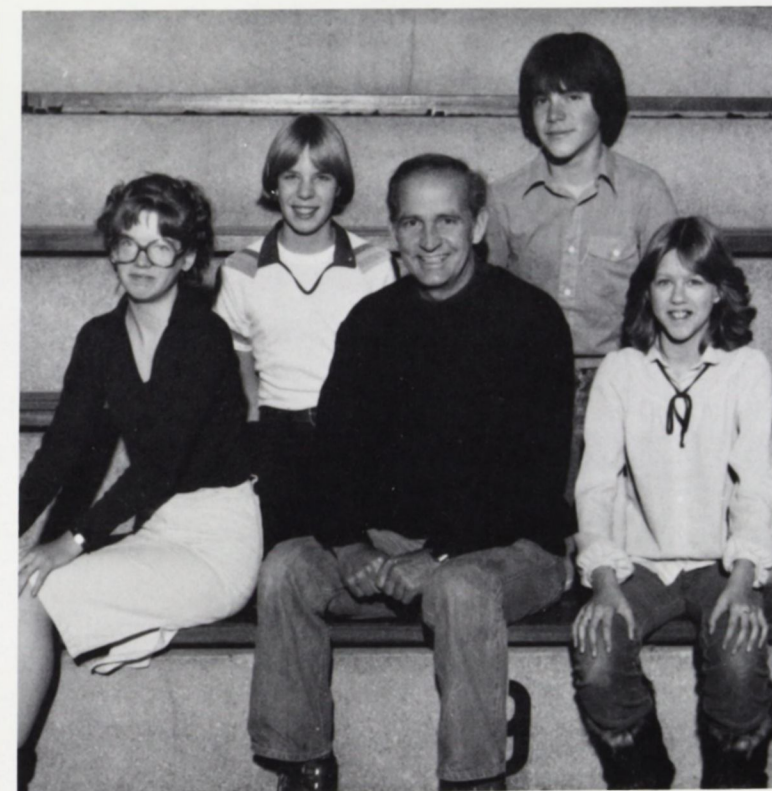

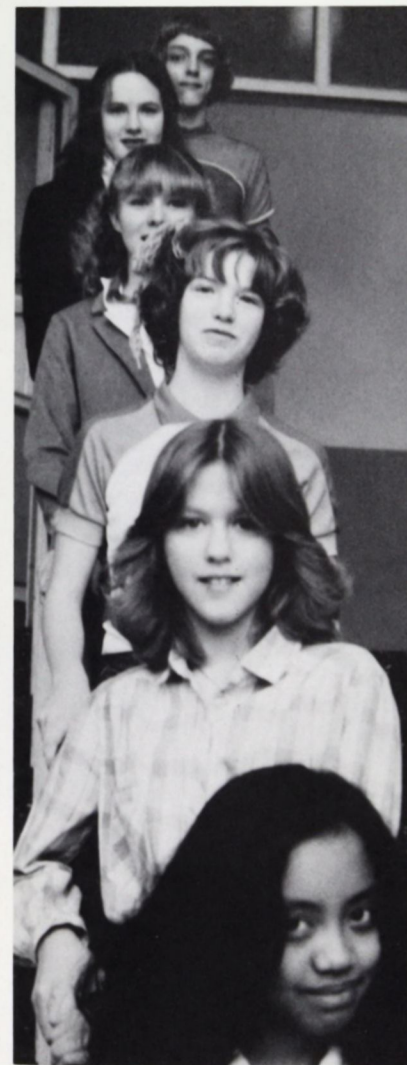

The Tennis Club, sponsored by Mr. Schweizer, met after school at the Vogelweh tennis courts.

The Track Team, sponsored by Mr. Hassey, had it's season in the spring. They competed against each other, and at the end of the season awards were presented to outstanding members.

Mrs. Dennis coached the members of the Gymnastics Club. They worked out at the base gym on the weekends.

## Informing

Mr. Brown and his staff worked hard to print a paper that was both informative and interesting.

The Yearbook Staff, guided by Mrs. O'Neill, worked many hours planning, identifying, and writing. They included Shawn Green, Chelli Harlan, Mark Holroyd, Susie Koenig, Tim McCauley, Frank McBride, Chris Richardson, Sandy Richardson, Richie Schell, Pat Thompson, and Beth White.

## Performing

Drama is something new to KAJHS this year. Under the supervision of Mrs. Stell, two plays and a talent show were put on. This is fine training for those who put acting as their goal, and also provides entertainment for the school.

The Invader Band performed many concerts this year. They gave a Christmas and Spring concert, played for the Student-Faculty basketball game, and performed at several elementary schools. Other music groups include the guitar classes and beginning band.

## Serving

All members of the National Junior Honor Society, sponsored by Mrs. Stell, must maintain a 3.5 grade average or above. New members were inducted in the spring, and a banquet was held at the end of the year. Officers were: Pres, Ellen Hynd; VP, Beth White; Sec, Michele Ginzauskas; Treas, Chelli Harlan.

The Student Council, advised by Mrs. Busby, organized dances and contests. One representative was chosen from each 4th hour class. Officers were: Pres, Shawna Keasley; VP, Jeanette Gorgas; Sec, Lynae Moquin, Treas, Diana Stewart.

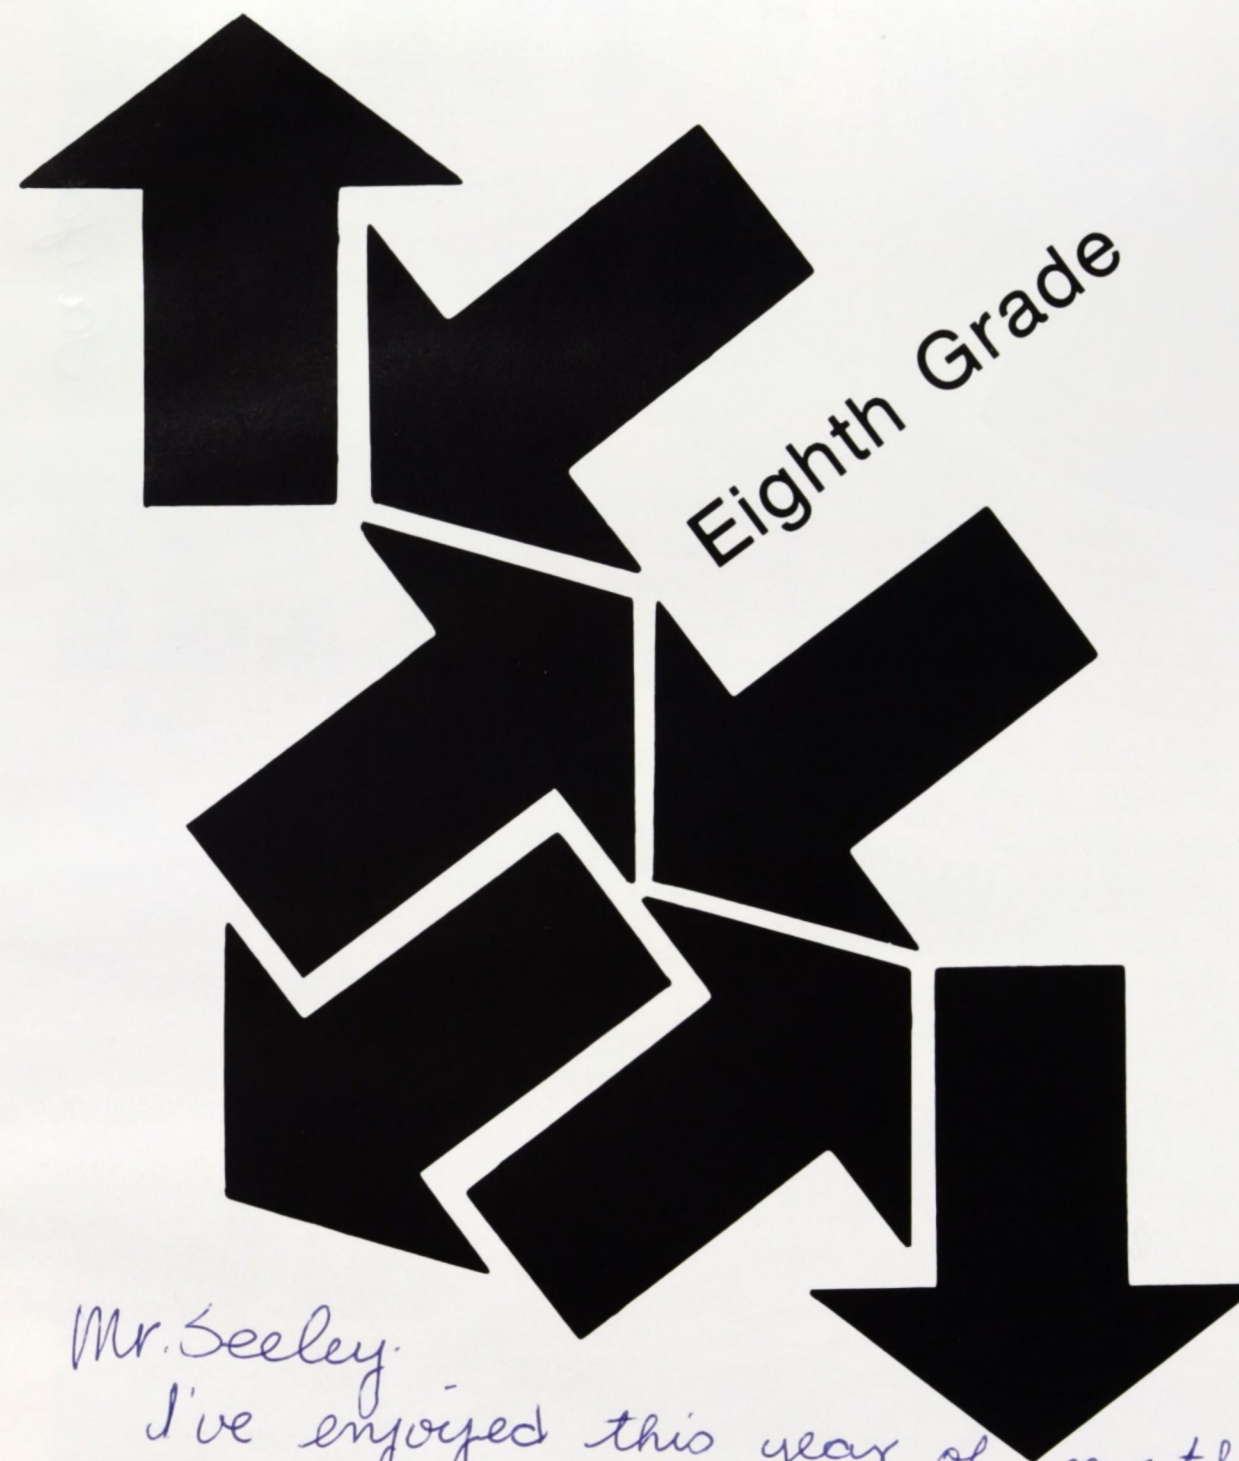

## Exploring

The Camera Club, organized by Mr. Seeley, taught it's members to use a camera, develop film, and print photographs. Many of their pictures appeared in the newspaper and yearbook.

The Computer Club, programmed by Mr. Schweizer, met during lunch and after school in the high school computer room.

The Office Aides performed important services for the school, such as issuing passes, showing new students the school, filing notes, and making good impressions to visitors.

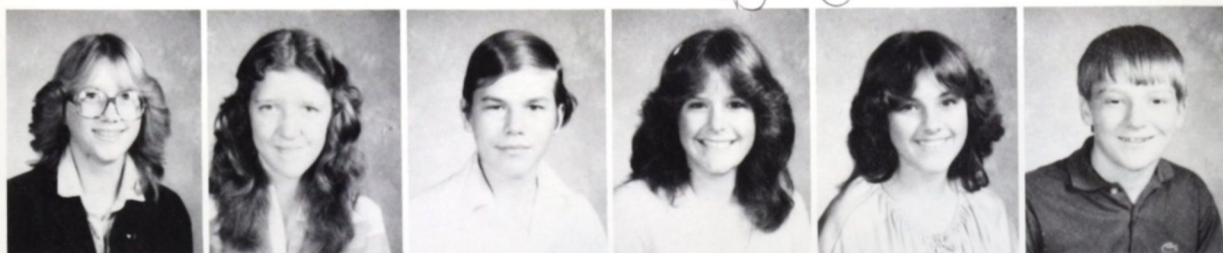

Mr. Seeley,  
 I've enjoyed this year of math. Thank  
 you for teaching me. Next year I will  
 come by sometimes to buy sodas.

## FACULTY and STAFF

Each member of the faculty and staff has his or her own unique personality and talents to give. Some are creative, others are dedicated. Some are witty and others just plain fun to be around. These are friendly, caring people who share both themselves and their knowledge with the students. They help to make Kaiserslautern American Junior High a worthwhile place in which to learn and grow.

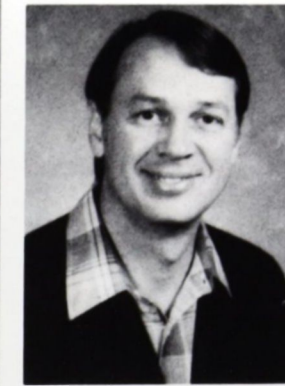

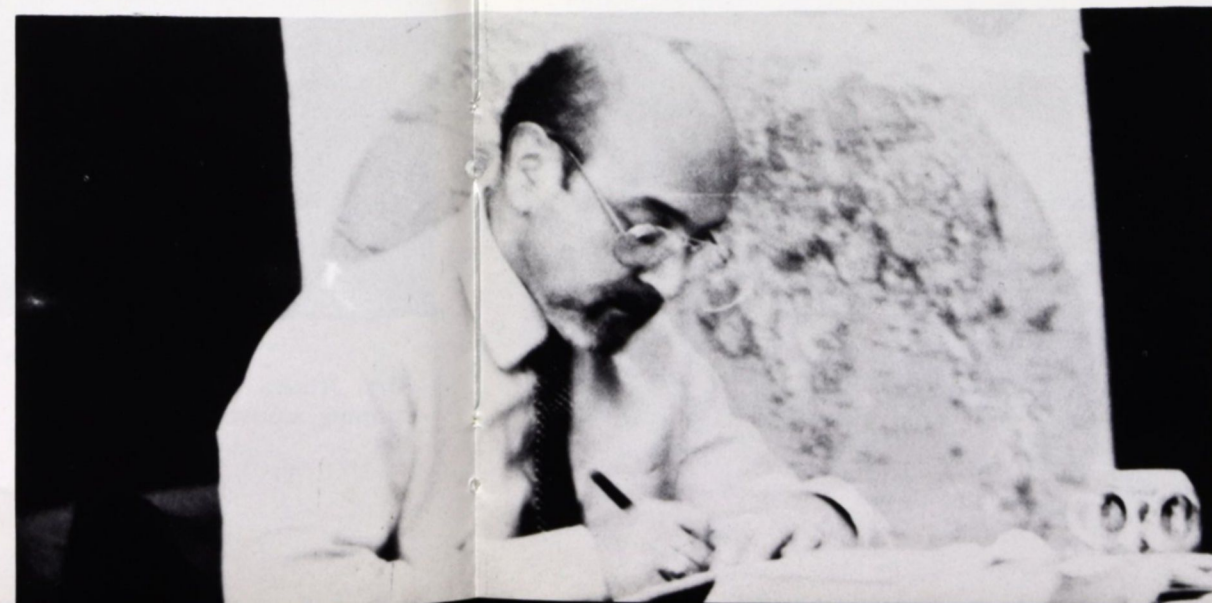

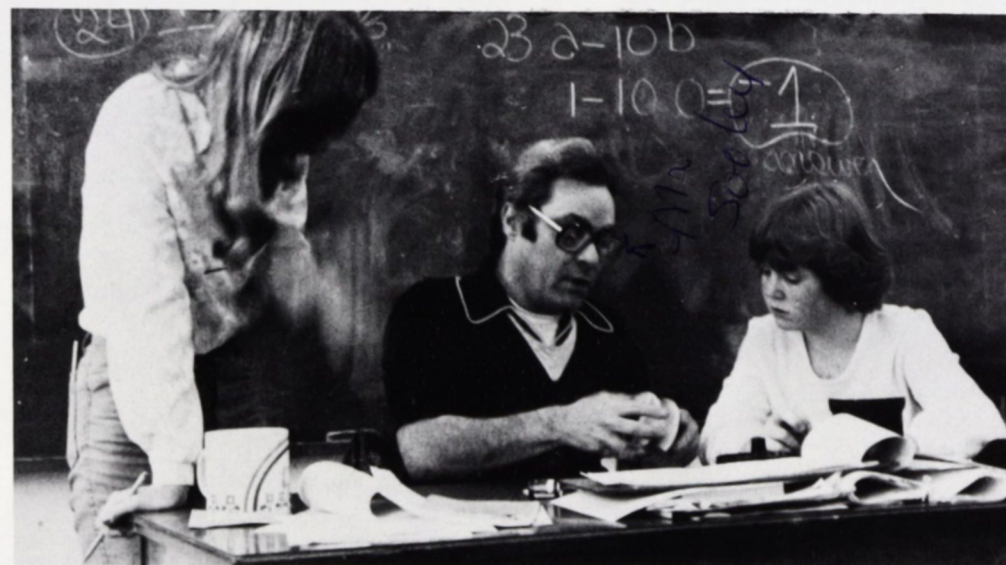

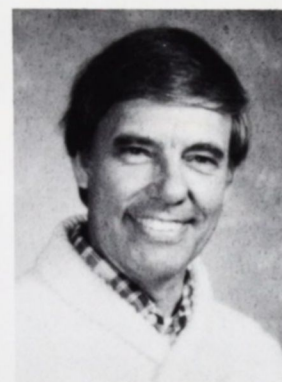

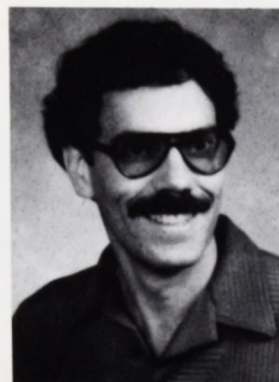

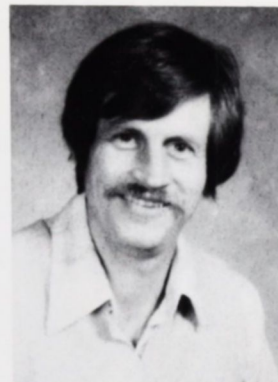

Mrs. Rivers, Mrs. Dennis and Stanley Rybak help keep the school running smoothly.
