Live.Dream.Love.Laugh. Repeat.

It is my first day at Kaiserslautern High School. People smile and people frown. The thought of my best friend comes to mind and a tear rolls down my face. Another school and another year of new people, downfalls, and in side jokes. The thing about high school is with the happiness comes the stressful life of balancing school work and a social life (trying to fit in, having the best clothes, making sure nobody has the same sweater or as you, trying to get along with almost everyone, praying nobody will gossip about you, finding yourself and a [highschool Iove] fairy tale).But truly when high school ends it does not matter if you are the most person or the nerdiest.

A new begininning starts.

## Rainbow Club

The Erik Lynch Memorial decked out in Rainbow Club gear.

The Drama Club enjoys their new fundraising venture. Thank you Rainbow Club!

This year the Rainbow Multi-Cultural Club officially closed its doors as a club at Kaiserslautern High School. For many years, this club was a vibrant club with very active members who engaged in a range of activities that included celebrating the various cultures represented at our school and other school spirit activities. In 1995, Ms. Molina noticed that there were absolutely no spirit items or clothing available for KHS students and staff. The club designed T-shirts and sweatshirts, ordered them and took over selling them in the school and at games. In addition, they created a special teacher uniform of red polo shirts with the KHS logo and later on, long sleeved red T-shirts with the KHS logo that most teachers still wear today on Fridays. Eventually, they added zippered sweatshirts, sweatpants, scarves, hats, spirit hands and lanyard key chains to the inventory.

Throughout the years, Rainbow Club donated over $\$ 2000.00$ to the Red Cross for victims of earthquakes and other disasters, supported students in family crises or who simply needed extra funds to participate in special programs. In addition, after the accidental death of one of our own students, Rainbow Club designed, purchased plants, created and maintained the Erik Lynch Memorial Garden in the
courtyard so that all students could appreciate life in the form of a beautiful and peaceful garden oasis. Andrew Thomas, added the border as part of his Eagle Scout project. Club has generously donated numerous items to the Booster Club to offer as prizes for students and alumni, and other needy projects in the school and community.

Another year, Rainbow Club organized Latin ballroom dancing classes and had many students meeting weekly to learn the steps to salsa, merengue and other fun dances. That year at the Prom, there were quite a few students out there strutting their stuff on the dance floor much to the amazement of their peers. Throughout the year, Rainbow Club students met every Friday in Ms. Molinas room to share lunch, ideas and to just have fun. We went to shows together, played paintball together and sometimes just hung out. Everybody always begged me to change the name of the club
since there seemed to be a certain stigma attached to the word Rainbow but no matter how many times we attempted to change it, somehow or other the name Rainbow always ended up being used!

The students who participated in Rainbow Club were as varied as the rainbow itself and always made my job as sponsor a position that I shall treasure forever. All of the students who passed through my door and into the Rainbow Club world have truly made a difference at KAHS and will always be a part of this school. I truly thank all of them for all that they have given and for the wonderful memories. In the spirit of promoting school activities, Rainbow Club inventory
and funds have been passed on to the Drama Dept so that their
program will be enhanced.
Sincerely,
Mrs. Barbara Molina

Son, when you were born, we were truly blessed with a gift from God. We have watched you grow into a fine young man and the best son a parent could ever hope for. As with any journey you take in life, remember to put God first and all else will follow.

We are proud of you and love you dearly! Love Mom, Dad, Taylor, and Amber

## Congratulations, Emik!!

Never look down to test the ground before taking your next step; only she who keeps her eye fixed on the far horizon will find the right road.

## To Our Son - Jerry

## Congratulations on your Graduation Day!

Be proud of yourself and your accomplishments - WE sure are.
Remember what we have always told you - There is only one person that can take away your dreams; and that is you.

Walt Disney once said that the secret to making dreams come true is "curiousity, confidence, courage, and constancy, and the greatest of all is confidence. When you believe in a thing, believe in it all the way, implicitly and unquestionable."

Believe in yourself
