A Moment of Your Life, Frozen in Time

In years to come, you will look back at this yearbook and be transported back in time, remembering who you were, who your friends were, fashion trends, and what was important that year. The KMS Yearbook staff decided to honor this year's special moments by the decade that has made its way back into our lives..... The 80's.

The decade defined by retro music and fashion leaves its mark on all of us. Trends of the 80's can be seen in the halls of Kaiserslautern Middle School. Saturated neon colors, stretch leggings, leg warmers, stylish gloves, Converse, off the shoulder shirts, shutter shades, crop tops, and skinny jeans have been the latest fashion trend with KMS students. The KMS Yearbook staff hopes that this yearbook provides warm memories and smiles; not only now, but forever.

Tristan Yanez

Tristan, you are my calm, laid back child. You have such a big heart and truly care about people's feelings. You are a clown; always finding ways to make me laugh and make everyone around you happy. Tristan, you have grown up so much and I want you to know that I'm proud of you. As you move on to the last levels of your school years, I want you to stay focused and remember, you can be and do anything so never give up!
