

Welcome to the Red Carpett

What a great year Raiders! I am so proud of each one of our students, your accomplishments, your determination, and your kindness. You have made my first year as a high school principal one of remembrance, and for all the right reasons. This has been my favorite place to ever be a teacher, a leader, and a principal. As you lead into your next phase in life; whether it's here at KHS, another high school, to college, the military, or to the work force please know...Once a Raider, Always a Raider!

Raider Proud, Raider Strong, K-Town...Ibelong!

Jason James, Principal

This year, during these challenging times, it is very evident that current Raiders and future Raiders will always have hope and will persevere to make each day better than the last with their actions. Raiders will always lead the way!

Quiet

AS we set the stage for the new year, we are faced with more difficult and new challenges. But we take these challenges head on, improvising and adapting as challenges come our way. We are making the most out of our situation, having fun along the way and making memories that last a lifetime. Life has been on pause for too long, and now we press play on the film, continuing the movie life.

Day of the Dead!

To celebrate the Day of the Dead, Stan Kyle, a KHS Spanish teacher, had his class create alters for a dead loved one. Jaylene Garcia (9) decides to honor her uncle's girlfriend, who has died in a car crash. She decorated the box with marigolds or Cempasuchil. This is a traditional flower for the Day of the Dead and it helps attract souls to the alter. You can also see the food which represents her favorite dishes and treats. The two sugar skulls represent the departed soul of the individual, which typically are designed with bright colors to give them happiness. Jaylene spoke of their closeness and fond memories of girl's nights and gifts of make-up.

Marching for Awareness

Cadets participated in a Veteran's Awareness March in an effort to draw awareness to the sad fact that 22 veterans commit suicide daily. Using the theme of 22, cadets walked the equivalent of 22 days (5 1/2 miles) and sought donations for their efforts. In the end, cadets raised over \$11k or the event and donated \$2020 to the local VFW to help our veterans.

"This fundraiser was something I felt strongly about. I was able to get several sponsors who paid the \$22. JROTC did this because we wanted to give back to our community, with profits going to the veteran charities to help veterans who are in need. It was a great way to get cadets moving and to help the veterans."

F-12 SCHOOL

Ms. Powdar has been an administrator at Kaiserslautern High School for four years. Her favorite memories include watching her own children graduate from KHS and going to all the sporting events and cheering on Kaiserslautern.

Ms. Powdar is following her spouse to Brussels, Belgium, where she will be one of the administrators at a K-12 DODEA school. She wanted to leave behind a message to the future graduates of KHS. "I think this idea of legacy is something that's just so obvious at Kaiserslautern High School. You guys have a responsibility to make a positive contribution towards that legacy."

I am in many different activities, some of which are included in AFJROTC. My favorite is unarmed drill. Doing unarmed is a lot of stress and hard work. We have to come in during the mornings to practice our drills. We perform movements in formations with precision. I started when I was in AFJROTC LDR (Leadership Development Requirements) and I have been doing unarmed for about a year. Some of the best parts are getting to practice the forms, as well as getting to know work, and communicate with my peers. Since I started doing unarmed drill, I have gained confidence and learned how to handle myself in stressful situations.

Sophomore Malaya Jordan Canite

decided I wanted to join to learn about future careers and leadership skills. In AFJROTC, I have learned valuable skills, such as leadership and organization, that can help me in my life. My favorite parts of AFJROTC are the LDR, especially drill team. The part I find most challenging is learning discipline and taking orders from someone in a much higher position than you are in. Even with all the challenges, being in AFJROTC has helped me become more confident in myself and what I am doing.

William Alsing

Convinced by his parents' constant nagging, William Alsing started his tennis career at the young age of twelve, and has been in love with the sport ever since. William has been playing for the KHS tennis team for three years as a varsity player. As this year's team captain and MVP for the boy's team, William has showcased his excellent leadership and motivational skills.

William remarks, "Even though many of our events were canceled, including Euros, this season was still a great success."

As a senior, William plans on going to the University of South Carolina next year, where he hopes to continue his tennis career. Alsing will miss playing for KHS, but he is grateful for the three years he got to spend with the team and will never forget the

memories he made.

Let the Games Begin

European Athletic Games: Due to COVID, Kaiserslautern students, as well as other DODEA schools, now participate in an octathlon, where they test their skills, strength, and endurance, in eight unique events. The events include push-ups, sit-ups, kneeling basketball throw, 200m sprint, pro-agility, standing broad jump, 3200m team run, and the wall sit. Every Friday, the schools across DODEA Europe tested their students in the eight events and submitted the scores to determine which of the schools had the best scores, and those scores won.

Fire Burning...

Kaiserslautern High School's Fall 2020 Cheer Team is definitely one to remember. Many of the people who joined were new to cheer and underclassmen, but this was one of the most close-knit teams this school has seen. From conditioning to obtaining Raider spirit, this team performed with nothing but hard work and perseverance throughout the season. The very first virtual cheer competition was held this year, and the team danced to the song "Fire Burning" by Sean Kingston. The team was able to pull through with a tie for fourth place to end the season. Many of the members, including Malaika Hallo (9) and Isabella Burns (9), stated, "This season makes us want to continue cheer."

The Dream Team

Shealee Moneymaker-Donachie is an excited new member of this year's Raider Travel Golf Team. This is an amazing feat, since she is new to the sport at KHS. Aside from this positive experience, Shealee is equally excited that golf has connected her with some awesome people. In fact, Shealee commented, "The happiness golf has brought me and the people I have met brings me so much joy." Reign Pezel also joined this year's travel golf team. Both ladies are astounded at how well the team pulled together. "We had an amazing team this year!"

On Top of the World

For the world of the Raider Travel Golf Team, four talented KHS golfers faced the Euro Championships with an eagerness to place big. Reigen Pezel and Kinsey Merta placed 3rd and 4th overall for the girls. Keluhv White placed 10th for the boys. When asked what is the most rewarding aspect of being a coach, Grogan stated, "I enjoy teaching players about a sport that they can enjoy for a lifetime. Playing golf is not bound by an age requirement and can be accommodated for all athletic abilities." Lastly, Coach Grogran commented that there is nothing that parallels hitting a great shot; "It makes you feel like you can conquer the world." What a rewarding sport!

Shealee Moneymaker-Donachie, excited for her first high school golf match. Three points were made by Shealee before hole #12, earning her a spot on varsity and on the travel team. Two thumbs up!!

Keluhv White and Anissa Arredondo-Alday take a break at the Ramstein golf range and remark that their hands are "so cold and numb" after hitting 30 to 40 golf balls before their first day of competition.

Kaiserslauten Golf Captain Keluhv White Q&A: Q: "As a captain, how did you motivate your players and friends to do well?" A: "I just kept showing high energy and enthusiasm to help lighten a up a situation with my team." A lot of amazing memories made from this golf team this year.

That's A Wrap:

To the Last Second

The KHS Cross Country team had a season like no other, adapting to many new changes as time went on. But still, this didn't stop our Raiders! This season, there were ten varsity runners who broke their personal records. We have always seen and expected great things to come from our cross country team, and we know this year won't be the end of that.

In the Zone

The KHS golf team had an excellent season this year. At Euros, the girls took third and fourth place and one of our boys placed 10 out of 35.

On Top

The KHS European Athletic Games team won first place in the European Championship for the 200 meter sprint, 3200 meter medley, pro-agility, and first overall.

In the first ever DODEA Europe Virtual Cheerleading Competition, the KHS cheer team tied for fourth place after having only a few weeks to plan and choreograph an entire two minute routine. This is the most success our Raider cheer team has had at competition in years. Thanks to leadership from captains, Susanna Cox and Emma Cayce, the team was able to once again establish themselves as real competition to our rival schools.

You Got Served!

Both the girls and boys varsity tennis teams had a successful season this school year. During their first match at Ramstein, both teams secured victory against the Spangdahlem Sentinels and the Ramstein Royals. Our Raiders made us proud by the girls winning two matches and the boys winning one match against Ramstein. Even with the cancellation of Euros, the tennis team was still able to show off their hard work throughout the regular season. We can't wait to see what else they will accomplish in seasons to come.

Can You Guess the Decade?

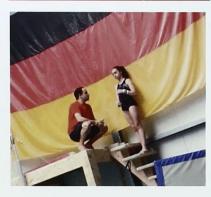

Since I'm unable to do cheer this year due to the pandemic, I decided to coach gymnastics, which I've been training in since I was 7 years old. We do conditioning as well as developmental skills. My favorite part is being involved and getting paid, along with being able to work with the kids. I began teaching over the summer in June and since then it's changed me by aiving me work experience. The hardest part of it is that the pandemic doesn't allow me to always have a consistent schedule

Junior Katrina Bailey

If have been playing the tenor sax for 4 years. I started in 7th grade. I like that you never know what you are going to get when you join band. Sometimes I play the bass line and sometimes I play the melody. It all depends on the piece of music that I am handed and that it is really exciting. I also like how nobody expects me to say tenor sax when I say what instrument I play. People typically do not think girls play something like a tenor sax, so I feel like I am breaking the gender stereotype of playing a light instrument, like the flute, with every note.

In The Spotlights

Band and Strings students expressing their love for music.

Sophomore Lauren Gerber

I've been playing viola for three and a half years and enjoy the reward of playing a piece well, after hours of practice. Playing an instrument means you can play almost anything; knowing that there is an infinite reservoir of things you can play keeps me motivated to keep playing and improving. It's also a good way to relieve stress since you can find an easy piece and just listen to your own playing. It's really nice and super rewarding if you stick with it.

P.I.P. KHS Winter Sports 2020-2021

Due to the Pandemic, hundreds of Raiders were unable to participate in the sports that they love at our school. When the case numbers started to go down in the Fall, there was hope that K-Townwould be able to have a Winter Sports Season- well, a modified one at least. Instead of the standard DoDEA Winter Sports, (Girls & Boys Basketball, Winter Cheerleading, Wrestling, and Marksmanship), there would instead be modified "Covid- friendly" Winter Sports, those included Girls & Boys Volleyball, Co-ed Powerlifting, and Marksmanship. Sadly, the German cautionary measures increased, and we had to say goodbye to the KHS Winter Sports Season of 2020-2021.

Swim Captain Giulia Sanchez (12), was looking forward to reaching her goals for long distance races and being the captain again. Her advice to anyone struggling with motivation is that, "It's going to be really hard but one day you'll look back and see how far you've come, and every early morning practice and everything else you sacrificed will be more than worth it."

Even with the Covid pandemic as well as the restrictions, the girls soccer team is able to practice. There can only be 20 girls on the field at a time, and even then they have to be separated into two groups, because of the restrictions. The girls soccer team makes the most out of what circumstances they have and they are all just happy that they get to have a season, even if it means no games. Track&Field

Throughout the year, for obvious reasons, many sports have been canceled. However, minimal contact sports such as Track and Field found a way to give athletes as close to a normal sports season as possible. Although presented with many ultimatums, the students and coaches are conditioning and participating in everything with great enthusiasm. Lots of accommodations have been made to prepare for this season. For example, instead of meeting as a full team Monday through Friday as they have in past years, teams attend practice on alternating days as to minimize the amount of people conjugating on the field. Along with that, there has been much debate on whether or not the athletes will be competing against other schools in meets or not. Spring Ports coaches are ready for their close-up and 15 minutes of fame! In this exclusive, they discuss and share with us their love of coaching at KHS.

If have been coaching for 17 years now. As a coach, you can still be competitive. I'm wired as a competitive person, so it fits naturally. Football, girls' basketball, and softball are the 3 sports that I coach. This is my first time coaching here at K-Town, so I have no memories yet-however I am excited to get the chance to coach here! Teaching student-athletes better techniques, camaraderie, and how to be a great person and impacting them in a positive manner is my favorite part of coaching. \(\infty \)

CONTRACTOR OF THE PARTY OF THE

MI have been Coaching for 20 years, the last four at KHS. Along with having coached football, baseball and golf in the past. I coach tennis, basketball and track & field at KHS. My favorite memories of coaching at KHS so far are watching Aiva Schmits win the Dodea European girls Championship and Coaching the 2018-2019 KHS Boys Track and Field team to the first Dodea Division I Championship in over 10 years. My favorite part of coaching is the opportunity to have a positive experience in the lives of student athletes. It is also an honor to coach track with Coach Amy Mathews-Soto and Coach Stan Kyle.

- Coach Horton

I was here some years ago back when we were in the old high school. I loved the spirit in the school. Everybody was really good about helping each other. Coaching is fun because I get to meet new athletes and work with them on their skills. I've coached at all levels from little pee'wees to the seasoned athletes from high school. Overall I've been coaching for 9 years bouncing around from school to school.

- Coach Campbell, Girls Soccer

My favorite part of coaching is its a passion. My favorite memory was when we won our first championship in 2017. I've been coaching at K-Townfor 9 years now. Overall I've been coaching for 27 years . Overall I've been coaching for 27 years .

Student Body Officers

"We Run This Show"

who made up this year's student body officers did their best to voice and act on the opinions and requests of the entire student body. Organizing and overseeing school wide events and fundraisers were only one part of the role they played this year. They were also at School Advisory Council (SAC) meetings giving their opinions on pending policies for the next academic year. They have worked especially hard to improve morale and make this year seem as normal as possible. SkillsUSA's mission is to empower its members to become world-class workers, leaders and responsible American citizens. 2021 SkillsUSA European Regional Event is the premier CTE competition. This year, six DoDEA high schools competed in nine virtual CTE Events. Each contest was designed by industry professionals with real-world application in mind. Of the 185 students competing, 85 talented Raiders put their skills to the test. Results are to be announced in the spring.

Ty Quinto- "What I liked most about SkillsUSA is it isn't just the competition. The advisors help and guide you. They also give helpful information that would informs the competitor about other things surrounding the topic. Last year I did win a prize for first place in the rocket car competition, and I got a PS4 Pro. If you're considering participating in SkillsUSA, do it! Its really fun and it'll help you in the future."

<u>Favorite</u> <u>Memories</u>

As a tuba player and a traditional band teacher, I like teaching something out of my comfort zone. Teaching strings has opened my mind up to a different style of teaching as well as putting me back in a student setting. Since we have started the KHS string program, I have had a number of extremely talented string students come through my class and I have learned just as much from them as they have learned from me. Also the more variety of teaching strategies also help my teaching in my other classes, like band and guitar. The students also tend to be fun to work with and tend to take music seriously. I have been extremely happy with the kinds of music we have been able to experiment with.

I would have to say, Gustav Holst "Jupiter" has been a highlight. It is accessible for most students but last year we had all the string students together (beginning /advanced) and it was definitely a highlight to have over 30 students on stage since this program started with 4 students in seminar five years ago. It marked the growth of the program.

"The best part of orchestra is being able to jam with my best buddies and absolutely nailing a hard section of a song after practicing all night. I like seeing the look of fear on my stand partner's face right before our whole section wrecks the song."

- Julia Nilsson (12)

KHS Choir

With the cancellation of all musical performances, the choir has received limited opportunities to show their talent. However, this has not stopped them from practicing as if they were going to perform in front of an audience. Ms. Bruening has done an excellent job making a single unit out of so many individuals, while highlighting all of their strengths.

What has changed for you in choir this year?

"I was a soprano last year, so changing from having the melody to having harmony is much more difficult, but it has been an interesting challenge. Also, much more is done virtually!"

- Leila Redman (10)

What has KHS choir taught you as a musician?

"KHS choir has taught me the value of breath control and how to change my voice keys quickly!"

- Isabella Burns (9)

"What I enjoy most about choir is the chill environment and the fact we are all willing to put ourselves out there in order to create something we are proud of."

Ambassadors

As DoDEA kids, it's more than likely you've been the "New Kid" at least once in a new school. We've all been there! The KHS Ambassadors, however, are here to help new students adjust to life at KHS, give tours of the school, and let new students know that they are not alone

Upstanders

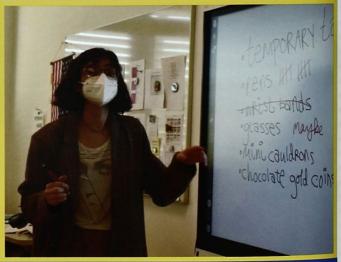

Need a friend? The KHS Upstanders are a group of students training in emotional first aid, and plan to go into careers surrounding social work or counseling. These students work very closely with the school counselors, and strive to create a strong sense of community at KHS.

Thespian Society

The Thespian Society honors excellence in educational theater. To be inducted into the society, students must earn points by participating in theater activities. The Thespian Society conducts fundraisers for money to pay new members induction fees, certificates, pins, and trophies. Ms. Wild-Sievers says, "Prior to Covid, we also raise funds for London study trips. We hope to do local theater field trips when Covid restrictions are lifted."

AFJROTC Activities

The JROTC program at KHS offers many different fun clubs and activities for cadets to participate in. These are known as Leadership Development Requirements (LDR). These promote ideas of leadership and team building for cadets while joining in on fun activities with people from all different backgrounds. There is an LDR for everyone whether it be music, fitness, academics, and more!

The JROTC Choir starts every rehearsal with a question intended for team bonding. Then they practice their songs and talk about what tips they could use to improve their sound. "It's an instant family within the corps, it's fairly easy, and it's a lot of fun!" - Payton Silver (10)

Kitty Hawk is the JROTC equivalent of a National Honors Society. It is an academic-based club where they discuss matters about leadership elections, service opportunities, and other LDRs. JLAB is the JROTC Leadership & Academic Bowl. It is a nationally recognized competition which teaches cadets values of good academic competition.

"Kitty Hawk is a great way to collaborate with other members and work together to accomplish our goals."

- Malaya Canite (10)

"I like JLAB because it challenges me to do my best while I can also work and learn from others." - Malaika Hallo (9)

Fitness Club

The fitness club meets 2-3 times a week to workout together. There is always a good amount of competition to help encourage and motivate each other to work harder.

KHS AFJROTC Drill Commanders

I enjoy drill because of the commitment, discipline, and camaraderie we have in the eam. Even with all the world problems we have faced, our roughest and toughest GR-081st drill team stayed resilient and led the way to victory, and proud to be a part of a highly motivated and truly dedicated drill team."

C/1Lt Micah San Pedro Unarmed Commander:

"I enjoy drill because of the family I've found on the team and the attention to detail and discipline that no sport could teach. I've found most of my friends on the team, and I wouldn't change it for the world."

- C/Lt Col Daniel Stone
Armed Commander:

"Drill is the epitome of all we teach in Air Force JROTC", says Lt Col William Conley, the Senior Aerospace Science Instructor at KHS. Drill teaches teamwork, leadership, followership, communication, pride, professionalism, attention to detail, and much more. Although COVID has cancelled many things, it hasn't stopped the KHS Drill Team. By season end, the team will have competed in four or five tournaments. Thus far, they captured overall first place honors for the European Drill Invitationals and the K-Town Drill Invitationals.

ENTERTAINMENT

COVID-19 DISRUPTS STAGE & SCREEN

The entertainment industry is hit hard by the pandemic. Studios are forced to shut down or delay production of TV shows and films in many countries. Movies already slated for release are stymied by closed theaters and ordinances against crowds. The only saving graces are streaming services who add millions of subscribers. But even they can't sustain an industry that relies on an audience.

No Time to Die

The highly anticipated 25th installment of the James Bond franchise, "No Time To Die", is the first major studio movie release to be delayed due to COVID-19. The film's release date is initially pushed from April 2020 to November 2020, then April 2021 with speculation that it could fall victim to further delays.

Binging Just Got Better

New services join the streaming scene just as the need for in-home content spikes while people remain on lockdown. HBO Max and Peacock make their debut, but short-form video service Quibi only lasts a few months. It turns out we have plenty of time to binge-watch more than just 10-minute episodes.

Live from the Living Room

Musicians, comedians and entertainers lean on social media livestreams as a way to connect with fans as most live events and gatherings are still prohibited throughout the country.

MAR

Box Office Busted

Delayed release dates coupled with fear of infection choke out the movie industry. With neither movies nor moviegoers coming to theaters, the industry falls into sharp decline, forcing cinemas to close doors and studios to release new titles direct-to-streaming.

Broadway, anything that can draw a crowd is shut down. Festivals like SXSW and Coachella, theme parks like Disney, Universal and Six Flags, and expos like TED Talks. Comic Con and BlizzCon are all no-go's.

Trolls World Tour "Trolls" bail on their April theatrical

release date and go straight to video, with surprising success.

Live TV Shows Go Home

Talk shows begin broadcasting from wherever the hosts and guests are sheltering in place. "Saturday Night Live" records the final three episodes of their 45th season with cast members submitting footage from their homes, complete with DIY props, wigs and costumes.

Stay Home and Be a Hero

More and more people are consuming content from their couches for entertainment. Netflix adds over 25 million new subscribers by the end of the summer.

Show Business Expenses

Stringent new health and safety guidelines are implemented and cost studios millions of dollars as film and television productions resume. Under new guidelines, a positive COVID-19 test result could delay production by at least two weeks.

Best In Class

For those of us doing distance learning, watching the new crew at Bayside High in the reimagined "Saved by the Bell" series on Peacock is the closest we'll get to seeing our friends between classes.

Tenet Takes a Tumble

Christopher Nolan's "Tenet" has everything a movie needs to be a huge summer blockbuster, except for theaters in which to open and an audience to fill those theaters. After multiple release date delays, the costly production manages to lose \$100 million yet still be the 5th highest-grossing movie of 2020.

Star of Wonder, Star of Fight
On Christmas day, "Wonder Woman
1984" simultaneously opens in
theaters and on HBO Max.

As president of NHS, I have a lot of responsibilities which have been difficult to fulfill during this pandemic, but I do my best for our group. The NHS board has helped set up many tutoring opportunities, both virtual and in person, to help all students as much as possible.

Before the school year, I also came in during the summer to help set up the school to follow COVID guidelines. I really enjoy the leadership role and being able to help our school out this year.

Madison Ilic (12), and Micah San Pedro (11).

In The Spotlight

NHS students show their involvement in the community through volunteering.

NHS is a great program to be a part of. There is prestige and scholarships in it for joining. NHS has a lot of great opportunities to give back to the community like we tutor fellow students and do many other activities out of school to help others. One thing I do is volunteer at the thrift shop on Ramstein. When we went virtual, NHS hosted a Google Meet for other students to get tutored in subjects that they were struggling in. NHS also helped donate many food cans to the school. I was also able to get service hours by helping out teachers after school by cleaning Chromebooks and calculators.

Above on the left, Logan, along with his twin brother Aiden Malcom, are assisting and volunteering in the thrift store on Ramstein. Logan is not only getting service hours for NHS, but is helping our military community through his service as well. Logan shows the many benefits that volunteering for the community brings.

Jason James, Principal

Mr. James, our new principal, is leading our school onward through the 2020-2021 school year and the challenges presented by Covid-19. He is working tirelessly to implement and execute the new requirements for protecting students from the pandemic. His focus is on providing the highest quality of education possible to our students during these unprecedented times. Mr. James is leading the school forward into the future and demonstrating to us that the Raider ideals are the beacon for all our students.

Now of course, this wouldn't have been possible without all of the great administrators that have also helped form this school's foundation, and lead students through this school year.

KAISERSLAUTERN HIGH SCHOOL CLASS OF 2021

Senior Class Officerss

Giulia: "Don't pull two all-nighters in a row - you'll start falling over a lot." (Act 1, Scene 3, Line 29)

Lashay: "Act your age, not your shoe size." (Act 3, Scene 10, Line 11)

Chinara: "My main goal is to blow up and act like I don't know anybody." (Act 5, Scene 3, Line 23)

AJ: "Never bother to argue with someone; carry a butter sock" (Act 2, Scene 9, Line 20)

>>>>>>>>>

The Class of 2021 has seen a lot of challenges throughout their years in high school. Regardless, they have overcome every obstacle they have faced, and will be moving on to new things after this June. This year's senior class officers have worked tirelessly to ensure the class of 2021 would still have an unforgettable senior year, despite there being a global pandemic. The officers made it their mission to create as many new senior traditions as they could in one year, such as an acceptance letter wall, a last lap video collage, and cap decorating. These are unprecedented times, yet the senior class has shown resiliency in every way shape, and form. This year's graduating class is certainly one worth celebrating.

Now Showing: Their Next Stage in Life

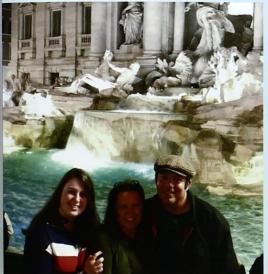

Caitlin Marie Alger

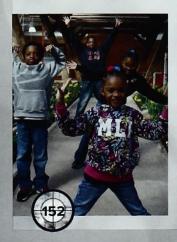

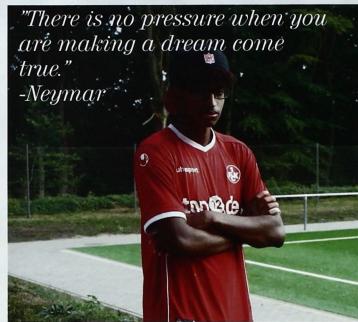

Jahiem Allen

Jahiem, We wish that we could stop time! It is cliché but it feels like just yesterday you were doing all the things:

- Sneaking your little sister candy in her crib.
- Writing little J's all over the house, because you wanted us to know your alphabet game was official.
- Running circles around and destroying the other kids at your first Soccer Camp.

None of this has changed! You have never stopped being the best big brother to your siblings. Your art as well as your game are truly beautiful! You are a joy to watch. Funny thing is that stuff is such a small piece of what makes you Jahiem! Continue to embrace your passions but realize you have so many gifts and you have barely scratched the surface of how exceptional you will be! And don't forget - 2 Dollars! Love Mom, Dad and the Entire Dynasty

ANISSA ARREDONDO

congratulations

Anissa, When you were in preschool your Nani loved taking you and volunteering in your classroom. You moved when you were six and it broke all our \(\psi'\)s. Luckily, we were never far apart and our love for you only grew. Now you're coming back to us...how sweet that is.

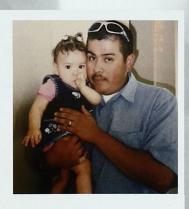

You're the best thing that ever happened to us! We love you all the way to the) and back. More, Dad. Lordai, Trage, (Kristina, Ana & Ale

KAYLEE BRAVO

Our Daughter Kaylee,

From the very moment we brought our baby girl home, you have made us proud parents. We have cherished every moment from your first word, to your first steps and your first day of school. We are excited to see how bright your future is and we want you to know we will always love you and support you. Follow your dreams and believe in yourself.

Love, Dad & Mom

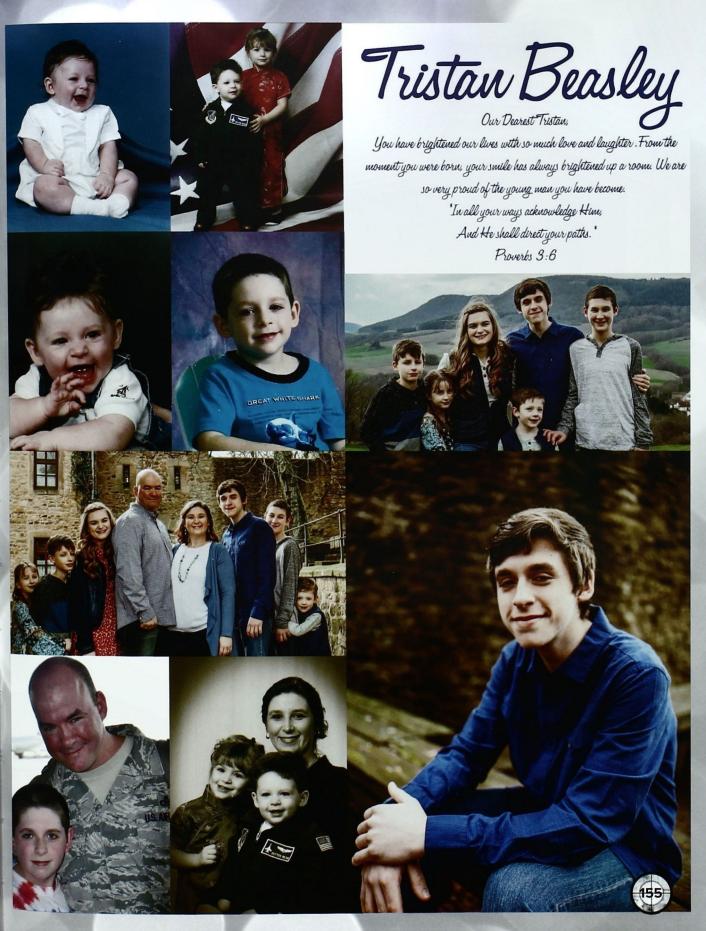

To our beautiful, talented, smart, and kind daughter! You did it! Hope you're as proud of yourself as we are of you.

Always believe in yourself, continue to do your best and you will go

far in life. Now it's time to open a new chapter.

Much love<3 Mama, Papa, Marianna, Giancarlo

Lashay Biggins-Capule

"Binabati kita, anak! Pupunta ka sa mga magagandang lugar sa buhay." Tandaan na panatilihing malapit ang mga taong sumusuporta sa iyo! Mahal na mahal kita!"

-Tita Pamela, Tito Jaymar, & Lola Tina

"To my lovely daughter,

I am so proud of how smart and mature you have become. I am not shocked by any of this, but very proud. I wish I had half of the determination and focus you have when it comes to achieving goals. Even though you're leaving me for college next year, you will always be my little princess.

love you.

-Dad

Elijah Daniels

Elijah, as you finish your high school years and take new steps in your life, never forget your achievements. We want you to be proud of everything you accomplished and stay on the path that allows you to make a difference, no matter how small it may seem. Remember, stay in good trouble and never forget, you make us proud. Always and forever, -Mom, Dad & Jaymel.

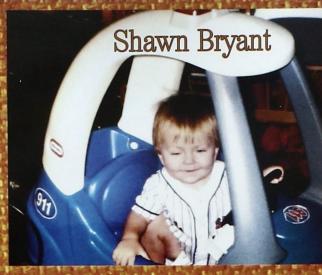

Bro,

Watching you grow up has been one of my life's greatest pleasures. Von't forget, you will always be my guy.

Love Dad

P.S. 1st of the month rent is due. If you ain't got nothing on the table, you know the rest.

Son you did it! I'm so proud of you. Thank you for being such a blessing in our lives for the last 18 years. I look forward to seeing what you do in the next 18. Love Mom

Susanna Cox

We wish you infinite blessings on this new chapter of your life. Hold true to who you are and always stand up for what you believe. Find your passions, use your voice, and make this world a better place! You have made us all so proud!

It has truly been an honor watching you grow into the beautiful and intelligent young woman that you are. You are an amazing person and an inspiration to us all. We are so proud of you and wish you all the success and happiness your heart can stand. - Mom

Whenever you find yourself doubting how far you can go, just remember how far you have come. -Dad

WE LOVE YOU SO MUCH, MONKEY!!!

From: Your family (Dad, Mom and LJ)

Savannah Dohn

Our Dearest Savannah. You will always be our little girl, even as you grow into an amazing, beautiful, and strong woman. Stay sweet, stay fierce, and above all, stay you!!

Love you, Mommy and Daddy!!

Lydianna DeJesus

Lydianna, you are such a blessing. You have a huge loving and caring heart. I am proud of the young lady you have grown into. You can do anything you set your mind to with hard work. Keep your love for God always and stay prayed up. Well wishes and lots of love always from your family.

IN THE

SPOTLIGHT

Kyle Donnelly

Congratulations on your achievement.

Now follow your dreams, let nothing stand in your way and make them a reality!

Love, Mom and Dad

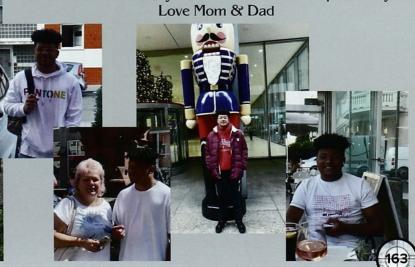

Shaun Edwards

Our Son,

We wish you the strength to face challenges with confidence along with the wisdom to choose your battles carefully. We wish you adventure on your journey, and may you always stop to help someone along. Listen to your heart and take risks carefully. Remember how much you are loved. We are so proud of you!

Gabriel Elya

Gabriel,

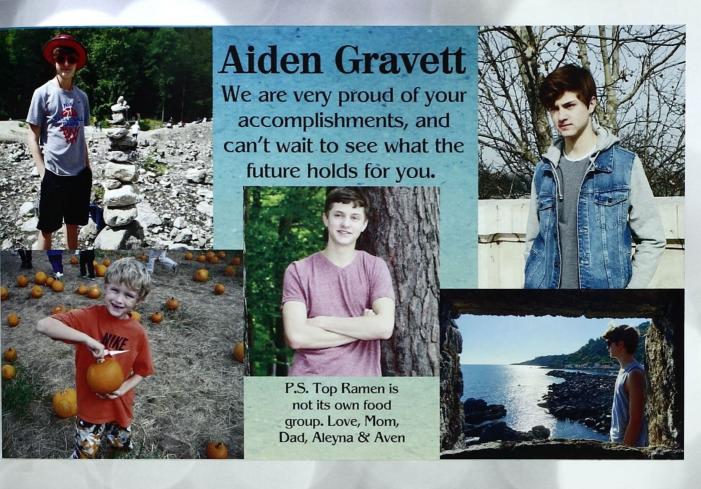

You cannot imagine just how proud we are of you & all that you have accomplished!!
We've had the distinct honor and privilege to be able to watch you grow into a strong, kind hearted, independent man and we know that great things await you!
A little advice...

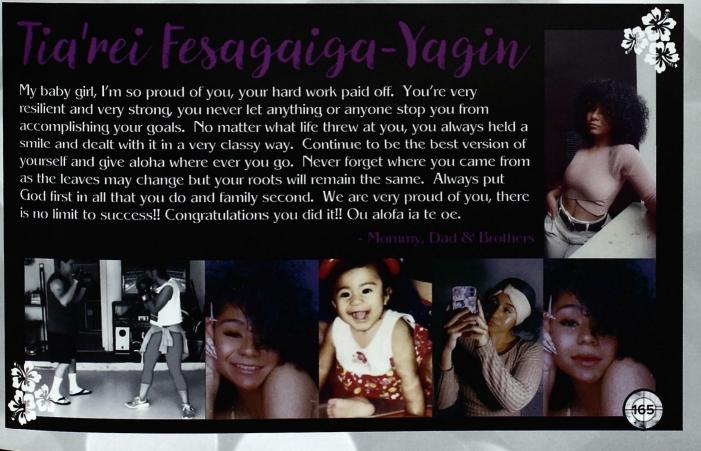

Always be yourself, smile & laugh as often as possible, travel the world and take chances. Most importantly always remember that no matter what life throws at you, you will always have us cheering you on.

We love you,
Dad, Terresa & Madison

Emmaleigh Raye Fox

Congratulations Emm!
We love you and are so proud of you.
Keep God in your heart and always
follow your dreams.

F. SCOTT FITZGERALD

For what it's worth... it's never too late, or in my case too early, to be whoever you want to be. There's no time limit. Start whenever you want. You can change or stay the same. There are no rules to this thing. We can make the best or the worst of it. I hope you make the best of it. I hope you see things that startle you. I hope you feel things you've never felt before. I hope you meet people who have a different point of view. I hope you live a life you're proud of, and if you're not, I hope you have the courage to start over again.

Madison Gerber

Our sweet Madi, Your smile lights up any room! Your big heart and sassy attitude will take you far! We can't wait to see what you accomplish in your lifetime! We hope you are as proud of yourself as we are of you!

Love you bunches!

-Michelle Irwin

-Love Mom and family

Ahryana Soniq, a unique one of a kind gem and princess of the family. Your love for love and passion to help others is a rare beauty that shines awesomely bright. God has truly blessed you with intelligence, compassion, and strength, which you have cultivated into leadership, determination, and appreciation! Always keep your smile, no matter the weather. You are always and forevermore an abundance of beautiful.

We Love You, Mom & Dad

Our beautiful niece, you are an achiever and you have made us all so very proud. Happy High School Graduation! We will always think of you as our little "Nani" even as you grow into this fierce, passionate and determined woman right before our eyes. Greatest kid, EVER. We are proud of you for graduating high school, but even more proud of you for growing up to be such an amazing human-being. We are watching with great anticipation to see all that you become. Please continue to be the change that you wish to see in this world.

We Love You, Aunt Whitney & Uncle Jak

Bryce Lampert

Son, time sure has flown by, it seems like only yesterday that we were dropping you off for your first day of kindergarten, and now here you are GRADUATING and getting ready to go to college!

When we look back at everything you have accomplished it is with a sense of pride; from making honor rolls, earning your Eagle Scout, playing varsity football and soccer, receiving academic scholarship offers to several universities and an offer to play football in college you have proved that hard work and effort are rewarded.

Now, as you start the next journey in your life remember all of the things you have learned and continue to work hard and make right choices and you will continue to be successful in life.

- Love you always, Mom and Pops

Gavin Morse

If we knew you'd move out after school, we'd have encouraged you to drop out years ago.

We're so proud of your accomplishments and excited to guide you in your future pursuits. No matter where life takes you, we'll ALWAYS be here to support you and provide a safe place to land.

-Mom & Karl

beautiful, wise, and amazingly talented young woman that you are today. Your integrity, solid values,

strengths, talents, and golden heart are gifts that will continue to define and guide you in your future.

Dream, work hard, stay focused, and in the wise words of Nana, "minimize your risks" and "persevere."

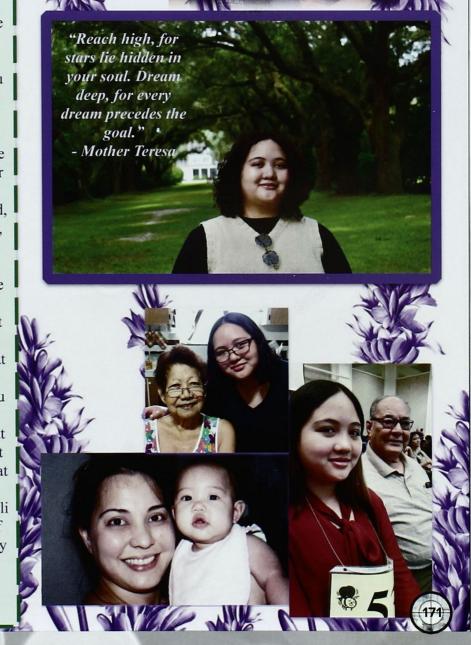

We have the utmost confidence in your abilities and talents to hurdle over what life throws at you.

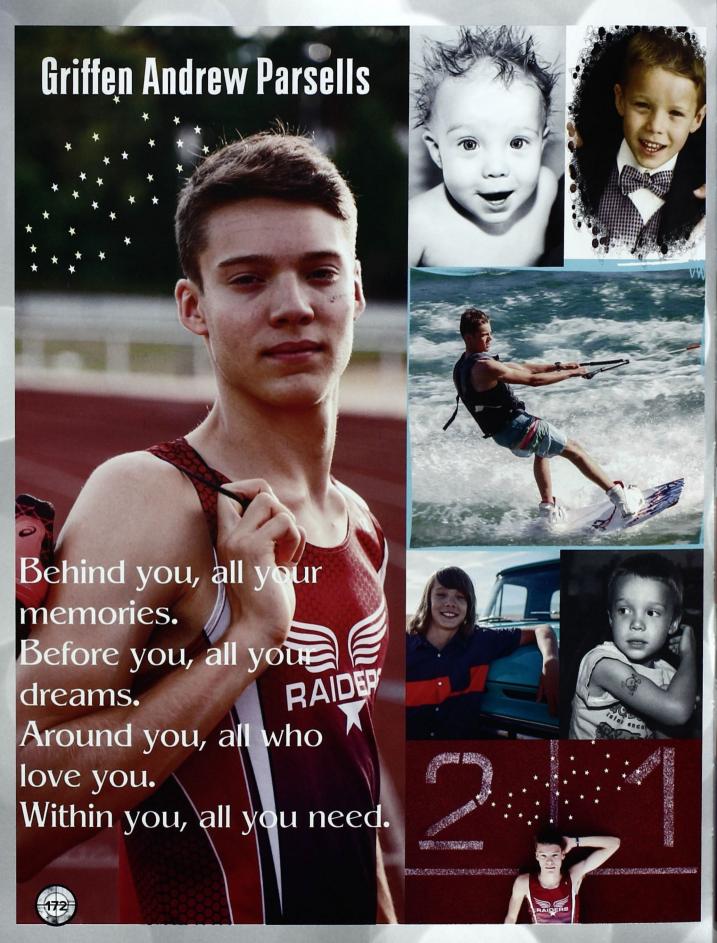

What you get out of life is what you put into it. Words cannot express how much we love you and are so

proud of you. You will do great things in your life because that is simply the kind of person that you are.

The world is in your hands, Hali Kai! Congratulations on all of your accomplishments and may God be with

you in your journey of endeavors! *All is full of love*.

Michael Angelo Punto

Our Dear Michael Angelo, congratulations on your graduation. We are extremely proud of you; may your every wish and desire come true. Today we are so grateful and proud of all the best things you have done. Love you a lot and we pray to God to give our son the ability to do more great things in life. Remember this day is just the beginning of your journey to your bright and successful future. Also, remember that the sky is not always bright along the way, be ready and be strong.

Congratulations, Marcel Quevedo-Lewis...YOU Did It?

Congratulations!
We are so proud of the amazing young woman you have become. We can not wait to see all the things you will accomplish.

Avery Standiford

Avery enjoys playing tennis and plays on the school team. She likes to read... just about anything. Her music taste has no genre, her playlists are almost infinite. She likes kickboxing and would have loved be apart of a weight training team. She is president of Model United Nations and was a chair for THIMUN last year as well as this one. Our first student officer for Kaiserslautern High School, she started going to MUN conferences with her mother

erences with her mother when she was only in 4th grade.

Avery's mother happens to be a teacher at KHS. Ms. Standiford has the upmost belief that Avery would make a great lawyer once she is older.

Alissa A. Quintana

Congratulations, baby girl! We are so incredibly proud of you. Watching you grow up into the woman you are today has been our greatest joy and privilege. You have grown up to be a woman of strong moral character with a kind heart, and infectious laugh. We pray that God continues to bless and guide you as you begin this new chapter in your life. Way to go class of 2021!

Love, Mom, Dad, & Sophia

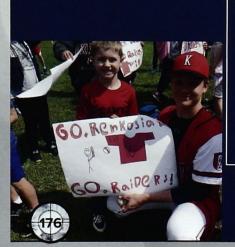

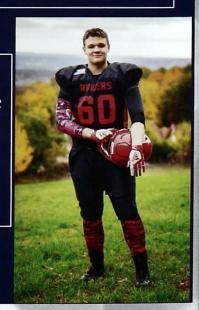

Bear, Congratulations! From the football field to the classroom to JROTC, you have proven to the world that personal success will always follow hard work and dedication. You are prepared for the next chapter of your life and will undoubtedly knock it out of the park. We love you so much and are always here for you. -Mom and Dad

JOHN R. GREEN IV

To our Dearest John, we are so proud of you for accomplishing one of many mountains you will climb in life. Congratulations to our Graduate! Now, take on the world as you continue on to the next stage in your life. With love and many blessings to come, Mommy, Daddy, and Jaiden!

ALEX THOMPSON

11 Schools, 9 Houses, 5 States, and 3 Countries! We can't wait to see what's in store for you next! We are so proud of the young man you have become. Always remember you are braver than you believe, stronger than you seem, and smarter than you think!

Arianna Thoman

My Amazing Arianna,

You are so much like your Mum! To know you is a privilege. We love the confident, strong willed, and beautiful person that you have become. Although growing up you did make me "get my brush" a few times, I have enjoyed every minute of it. You have proven many times, you are capable of accomplishing anything you set your mind to. You are someone I truly enjoy spending time with because you make me smile and laugh more than anyone else can. We are so excited to watch you build your future and see all your dreams come true. We will always be there to cheer you on and we love you so much.

Love, Mom and Steven

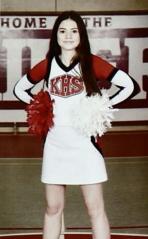

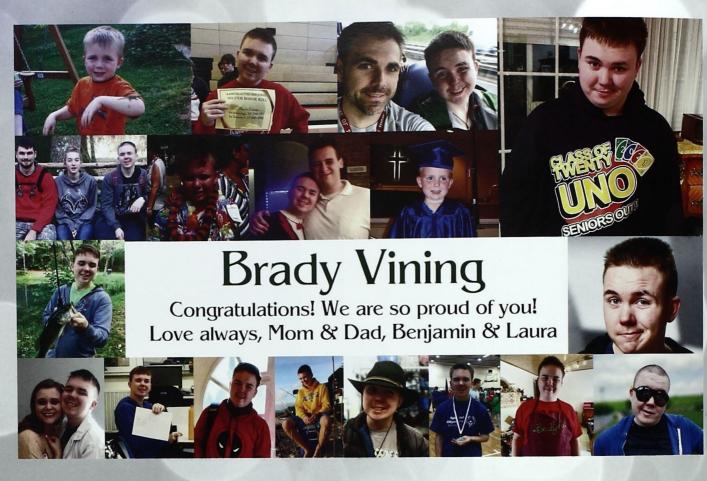

Dylan Thoman

My Dearest Dylan,

18 years went by so fast!. We have watched you grow from a boy into a man and we are so excited to watch you build your future. We admire that you are confident in your convictions and in the things you do. You are making your own path into adulthood and we respect that. There are so many memories through the years of Dylanisms, Wild Dill, D-Train, Dill Bill, and Dilly Bar, from Ocala to Richmond Hill to Kaiserslautern. Son, we will always be your biggest supporters. We love you so much.

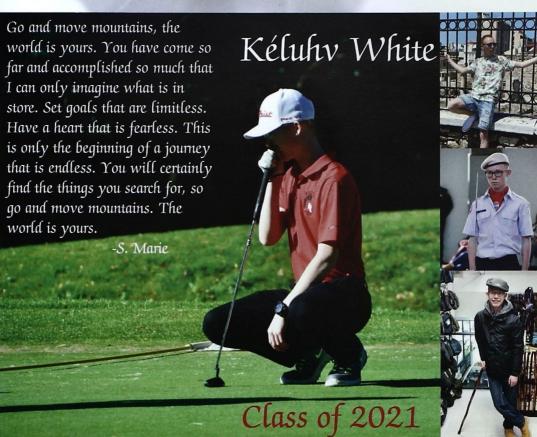

Love, Mom and Steven

Congratulations Mina!!

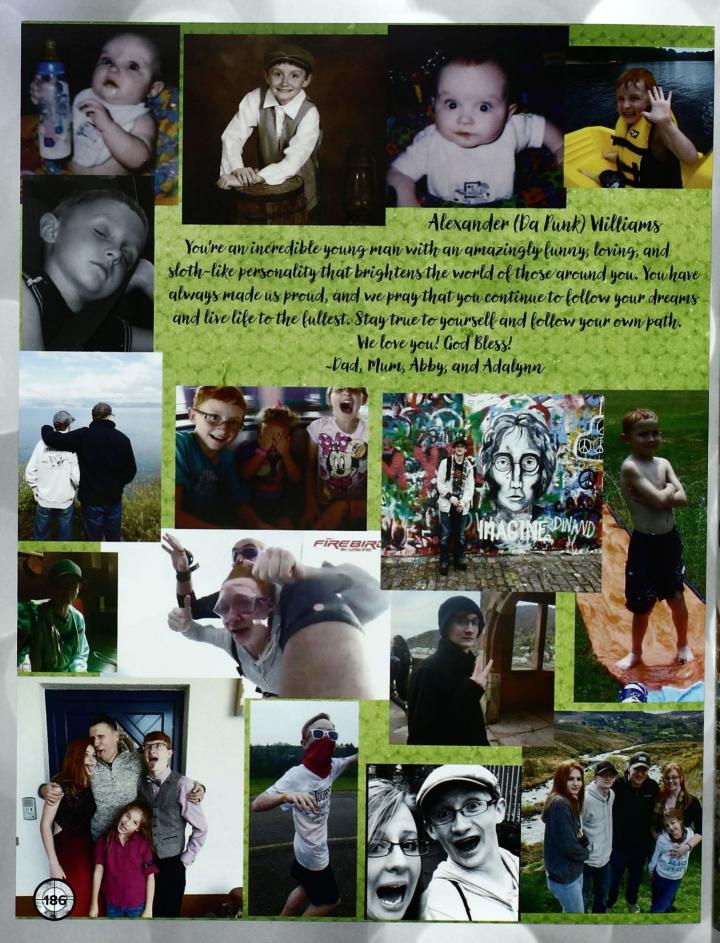

It's hard to believe it is our turn to create this page. We can't wait (I mean, are excited) for you to start your next adventure. It has been so incredible watching you grow into the intelligent, kind, funny, and beautiful young woman you have become. Our hearts swell with love and pride. We love you!!

social distancing

Generally, social distancing involves measures to restrict when and where people can gather. The goal is to stop or slow the spread of infectious diseases. Measures can include limiting the number of people who can gather, staying six feet away from others, closing schools, asking people to work at home, canceling events, limiting or shutting down public transportation, etc.

coronavirus

Coronaviruses, named for crownlike spikes on their surfaces, are a family of viruses that can cause disease in people and animals. Although there are several coronaviruses, it became widely understood that "coronavirus" referenced the COVID-19 virus impacting the world.

As COVID-19 cases grew, schools and businesses across the globe closed to curb infection rates.

LEARN THE

CANCELED

An often repeated word as classes, games and events were canceled. Note, American style uses one L in cancel, canceled and canceling, but two in cancellation.

hand-washing

Hand-washing became a national routine as health experts and the media reminded people to regularly wash their hands with soap and water for 20 seconds.

self-isolation

According to the CDC, isolation is separating sick people from healthy people to prevent spread of disease. Many people believed to have been exposed to the virus were asked to practice self-isolation at home.

abundance of caution

Another catch phrase used as schools, businesses and city governments began taking precautions to stop the spread of the coronavirus.

shelter in place

DVID-19

Stands for coronavirus disease 2019. Symptoms of COVID-19 can include fever, cough and breathing trouble.

A measure taken by local and state governments, requesting Americans to stay at home to reduce coronavirus spread.

QUARANTINE

PANDEMIC

An epidemic is the rapid spreading of disease in a certain population or region. A pandemic is an epidemic that has spread worldwide.

Separates and restricts the movement of people who were exposed to a contagious disease to see if they become sick.

COVID-19 disease introduces the world to a new lexicon

UNPRECED

As the coronavirus spread across the globe, "unprecedented" became the go-to phrase used to describe the unexpected chain of events, cancellations and closures.

flatten the curve

A phrase referring to a COVID-19 graphic showing a steep incline in cases. Social distancing and shelterin-place measures were implemented to "flatten the curve," spreading out cases over a longer period of time and putting less stress on the health care industry.

remote learning

Also known as distance learning, virtual teaching, virtual instruction and online education. Schools across the country canceled in-person instruction, with many moving to remote learning in late spring.

Mina Willingham (12)

"Being on the yearbook staff is a good excuse to get involved with all the different activities that go on at school. You will end up learning so many new things about the people and clubs at your school."

Ahryana Johnson (12)

"Being a Co-Editor, this year has taught me how to handle an immense amount of responsibility. Being involved this way helped me be able to see many more things that go on in the school that most people tend to overlook."

Closing the Book 2020-2021 Yearbook Editors

Lashay Biggins (12)

"Getting to be editor this year was a great opportunity because I got to oversee the production of the yearbook for my senior year; which was very important to me, because our class didn't get to do a lot this year and having good coverage in the yearbook served as an accolade."

As The Curtain Closes...

The 2020-2021 Kaiserslautern High School Yearbook Staff took on the task of producing of a high quality book filled with the memories of a school year full of change and uncertainity. They learned the need for flexibility and the importance of meeting deadlines. As a group, the staff developed a plan for creating a product that would stand as a reminder of a unique time in history. These students worked together as a cohesive unit, supporting one another and stepping up to help when needed.

The Der Kämpfer is a student-made publication of Kaiserslautern High School. The publication is produced entirely by students under the supervision of a Staff Adviser in a class learning environment. Pictures, interviews, quotes, and statistical data were gathered by the Staff and submitted by the KHS community over the course of the 2020-2021 school year before, during and after school hours. Content gathered by Staff was done while adhering to the health and safety guidelines outlined by both KHS and DODEA. Although everyone is encouraged to follow health and safety guidelines, some images may contain individuals without masks or less than recommended social distancing. Every effort is made to ensure that Der Kämpfer is accurate. Although the publication is thoroughly proofread and edited, we sincerely apologize for any omissions, misspellings, misattributes or other mistakes that occurred during this educational editorial process.

This publication is an authorized, unofficial student produced work. Contents of Der Kämpfer 2021 are not necessarily the official view of Kaiserslautern High School, DoDEA Europe or the U.S. Department of Defense.
