THE MINARET

1974

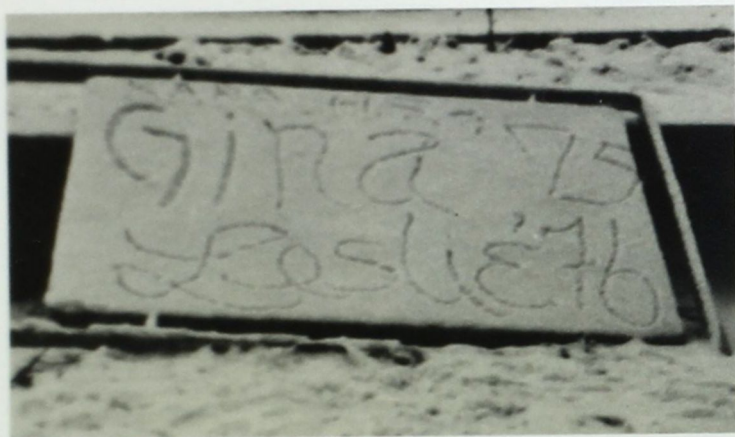

WE TEND TO THINK OF MAN AS A
COLLECTION OF INDIVIDUALS,
EACH COMPLETE IN HIMSELF,

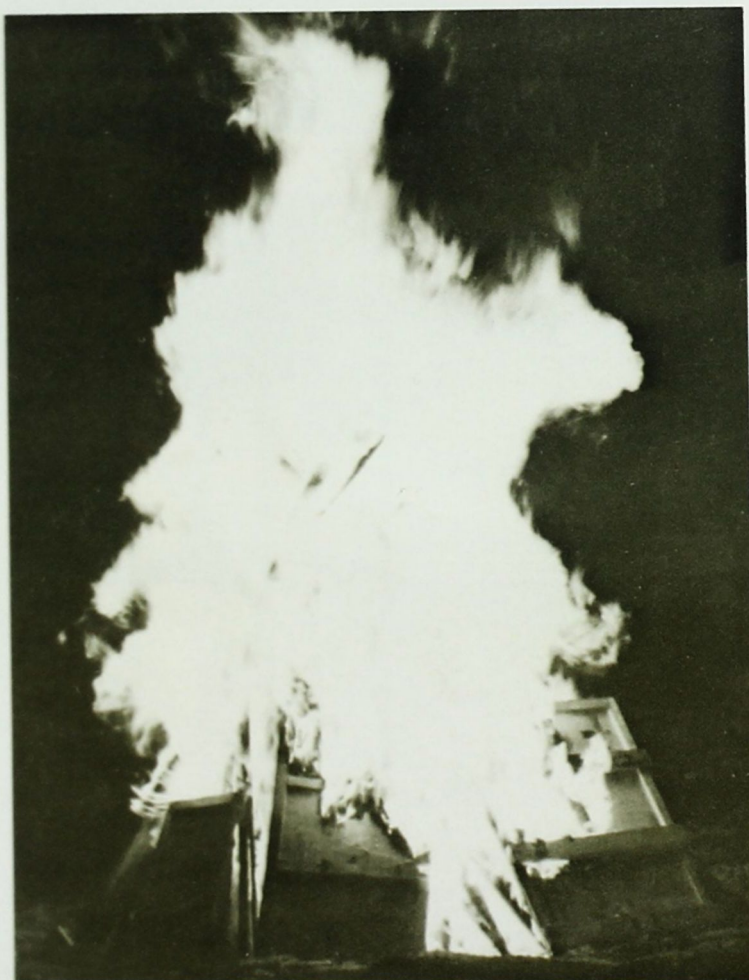

WHO JUST HAPPENED TO COME TOGETHER TO SATISFY CERTAIN
NEEDS . . .

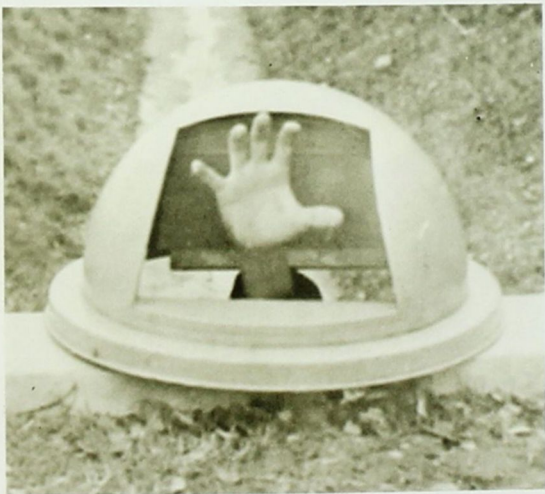

ACTUALLY HOWEVER,
THERE IS NOTHING
DISTINCTIVELY
HUMAN THAT CAN BE
EXHIBITED BY AN
INDIVIDUAL IN
ISOLATION . . .

MAN IS ESSENTIALLY A
COMMUNITY,

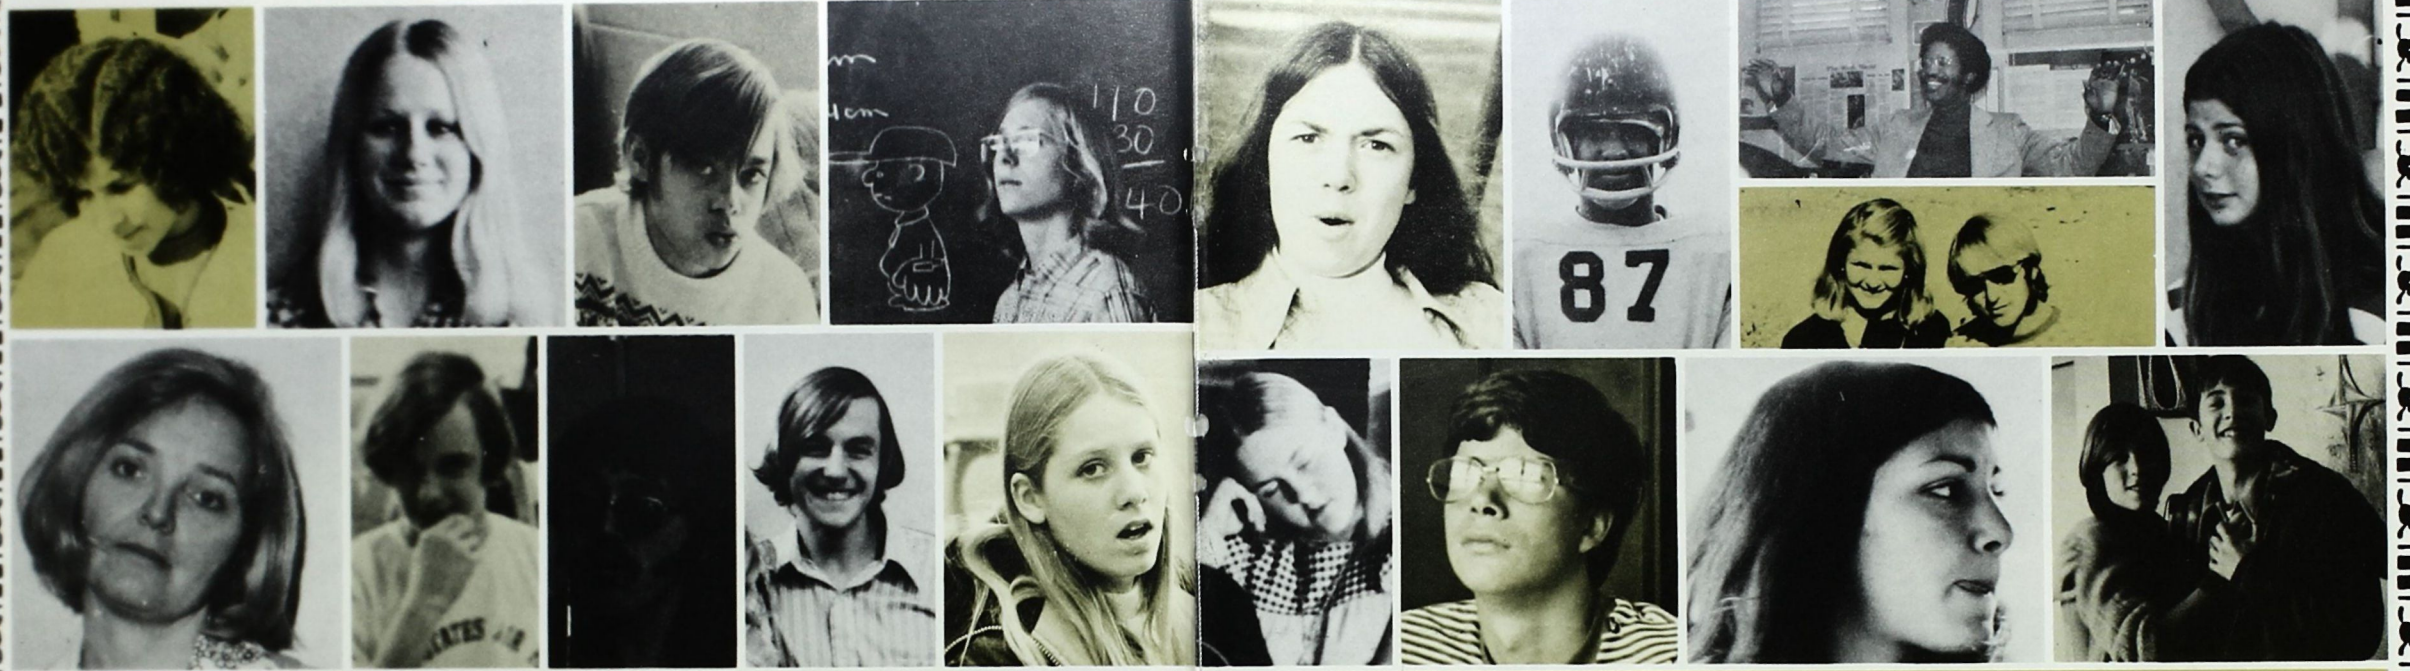

HIS LIFE IS A
COMMUNAL AFFAIR,
HE EXISTS ONLY
WHERE A PLURALITY
OF INDIVIDUALS IS IN
COMMUNICATION
WITH ONE ANOTHER,

AND SHARE A COMMON LIFE.

Kristy Jourdan, 1973 Homecoming Queen

Karamursel's 1973 Homecoming was the finest in the school's history. The day began with the Cross Country team scoring a spectacular victory over Ankara. Next the JV Football team demolished the Trojans 38-14. In our first night game ever, the Varsity team devastated Ankara 26-0. Adding to the excitement of the game was the excellent half-time show during which our school band provided a varied musical program. Included in the half-time activities was the introduction of the Homecoming Queen Kristy Jourdan and her court. Finally the dance at the Airman's Club concluded Homecoming '73.

Coach Dennis LaValley

The past season saw a complete change in the coaching staff and the fortunes of our Kougar team. Arriving fresh from Germany, super coaches Dennis LaValley and Blan Palmer brought a new offense and new spirit with them.

They introduced the wishbone offense which was used so successfully by top college football teams and it proved to be devastating to our opponents. Armed with this new potent weapon the Kougars roared to the championship with a perfect record of 4 wins and no losses.

In the 1st game the powerful Kougars mauled the defending champions at Ankara in a decisive 32-3 win. Spearheading the wishbone attack were John Dillon who gained 162 yds., and Wayne Vick who scored 4 TD's. The tenacious defense held Ankara to a mere 3 points, the only points scored against the Kougars all season.

In the 2nd game Wayne Vick led the team to a 30-0 victory over Izmir. Wayne Vick ran for 115 yards and 2 TD's.

Dillon scores as Turner celebrates.

The defense totally crushed the Sultans allowing them only 40 yds. gained and causing seven turnovers.

1973 Homecoming was made memorable by the Kougars' lopsided 26-0 win over the Trojans. The entire backfield of Phil Beach, John Dillon, Joe Motz, and Mark Lyon was unstoppable, running through and over the Ankara line. The defense led by Bubba Bennett's 2 interceptions was as impenetrable as ever.

Since the Kougars had already clinched the Turkey championship, the last game of the season could have been anticlimactic. However, coaches LaValley and Palmer did not disappoint the fans. Their newly devised razzle-dazzle plays bedazzled the Izmir Sultans. Using such innovative plays as the flea-flicker, and shotgun lateral-pass the Kougars demolished Izmir 30-0.

This year was truly a super season for the Kougars. Besides winning the championship and having an unblemished record, the Kougars' defense also achieved the best record in all of USDESEA, and the offense gained the fantastic sum of 1937 yards in our four regular season games.

TD

Like the varsity, the JV football squad had its most successful season in our school history. Under the capable supervision of coaches Roy Clawson and Joe Prasil, the team finished with 3-0-1 record and the JV championship.

The opening game with Ankara was the only disappointment of the season. Although the KHS squad outplayed the Trojans and doubled their total yardage they were victimized by their own aggressiveness and errors. Because of this, the game ended in a scoreless deadlock.

Determined to prove the superiority of their team, the coaches redoubled their efforts and held a series of grueling workouts. The effects of this strategy were obvious in the next game as KHS stomped the helpless Sultans 24-6. The following week saw the Kougars gain sweet revenge over Ankara by demolishing them 38-14. The Kougars completed their season by romping over Izmir 30-0.

The explosive offense was led by junior Bill White who set records for most points scored and most yards gained. Frank LickLiter's passing and Joe Edgett's running also contributed to the awesomeness of the Kougar attack.

Mike Strickler

The 1973 version of the Kougar Cross Country team was the best in our school's history. The success of the team was at least partially due to the increased participation, with nine men turning out for this year's squad.

Team captain Terry Churchill completely dominated every single regular season meet. Besides finishing first in each of these meets, Terry set course records here at Karamursel, at Ankara, and at Izmir.

Although injured at the start of the season, Jim Lindenmuth finished strongly, greatly contributing to the team's efforts. The other members of the team usually ran in this order: Dwayne Baker, Ed Tinney, Mike Pechacek, Charles Kujawa, David Councilll, and Mike Strickler.

Unfortunately, injuries to the two top runners, Churchill and Lindenmuth, kept them from peak performances in the Regionals and USDESEA finals in Germany.

The Kougars Basketball team continued the fantastic success of our sports program by completing an undefeated season which was climaxed by their winning the 1974 ASTL Tournament championship. Under the direction of Coach Blain Palmer the Kougars simply out-classed and outthusted their opponents. Coach Palmer's innovation, the 2-2-1 press, proved to be especially devastating causing consistent turnovers.

The Kougars breezed through the regular season, winning every game by more than twenty points. They were led by Joe Veseck and Mark Lyon, who were both among the top ten scorers in USDESEA, by the rebounding of Al Turner and Terry Pitts, and the leadership and ball control of Wayne Vick.

The Kougars opened the post-season tournament by defeating a surprisingly tough Turkish team, Cumhuriyet, 68-57 in their closest game of the season. The Kougars next defeated Beirut 71-42. In the championship game Karamursel was pitted against Teheran, the number one seeded team in the tournament. The Kougar press overwhelmed this well-disciplined and much taller team 60-44.

After the game against Teheran, Joe Vesek was awarded the MVP award and two other Kougars, Mark Lyon and Al Turner, were selected to the All Tournament team. In addition four Kougars made the All-Turkey team: Vick, Vesek, Lyon, and Turner.

J.V. BASKETBALL

Tom Wingo, Bart Childers, Rafael Gray, Mark Northern, John Johnson, Bob Carrier, Ples Kujawa, Gary Richardson, Bob Deal, Boom Fields, Coach Sam Alexander, and Manager Randy Quick (Missing: Frank Licklitter).

Ples Kujawa pops for two to lead the Kougar massacre over Izmir.

The Kougars Junior Varsity Basketball team maintained our school's championship ways by finishing in first place with a 7-1 record. Under the direction of coach Sam Alexander the JV team relied heavily on a tight defensive game with a full court press. This strategy obviously worked as the Kougars averaged 62 points per game while holding their opponents to a mere 39 points per game.

This year's team was sparked by Frank Licklitter and Rafael Gray, who averaged 13 and 11 points respectively. Wayne Abreu, who also played with the Varsity, assisted the team during the last half of the season by contributing 10 points per game. Other leading players for the team were Ples Kujawa, John Johnson, Gary Richardson and Tom Wingo.

Bouncey Glaisyer

Despite being plagued by injuries to key players and meeting the stiffest competition in recent years, the Kougars wrestling team nevertheless managed to win their 3rd straight Turkey League title and also to win the first ever USDESEA Small School Championship in Germany. Under the direction of head coach James Glaisyer and his two assistants, Dennis LaValley and Gary Flannery, the team began its season by winning the Jamboree. They then traveled to Izmir where they split two very close matches. The Kougars bounced back against

Ankara, defeating the Trojans by the unbelievable score of 56-0 and 54-0. In the second round against Izmir the Kougars managed to split their matches, winning the last match in dramatic fashion with Mike Pechacek clinching the victory in the final contest. The regular season ended with the Kougars once again demolishing Ankara 48-6 and 54-6.

Unfortunately, the Regional Tournament had to be cancelled, but six of our wrestlers were selected to go to Germany and compete in the USDESEA finals.

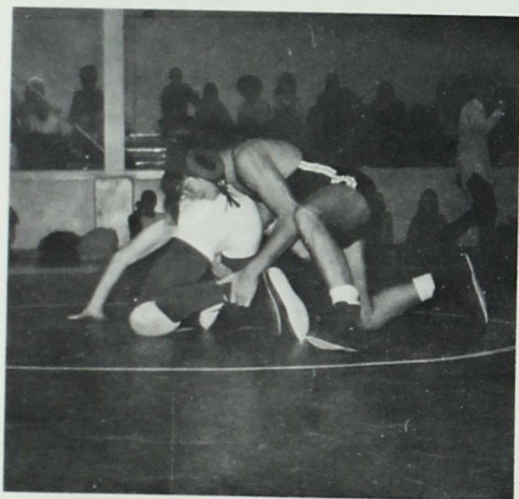

Jeff Spittle became the 1st wrestler from Turkey ever to win an All-European championship by winning the heavy-weight title spectacularly with three straight pins. His victory, combined with those of Terry Churchill, provided us with enough points to win the USDESEA Small School Championship.

KARAMURSEL TOP SIX GRAPPLERS

Rick Doritty in his 1st year of high school competition compiled a 6-2 record.

Randy Pruitt in his 3rd year of wrestling won all of his matches here in Turkey. Three of his pins came in unbelievable times of 17, 36, and 48 seconds.

Mike Pechacek in his 2nd season for the Kougars swept through the Turkey regionals with a 7-1 record.

Ralph Diza finished his 1st year of wrestling with an outstanding record of 6-1. Ralph was also elected team captain.

Terry Churchill earned his trip to Germany by compiling a 5-1 league record. His victory in Germany helped the team win the small school championship.

Jeff Spittle proved to be Karamursel's top wrestler by becoming the 1st grappler from Turkey ever to win a USDESEA championship.

TO REMIND YOU
OF THE DAYS
WE CHASED
THE RAYING SUN
FIELDING FLOWERS
AND AFTER
BREATHLESS
SMILING AT
OUR LEAPING
LOVING.
WE HAVE
LOVE
WHEN LOVING GOES.
I HOPE
YOU
REMEMBER.
