### AT THE CROSSROADS

*You to the left and I to the right,  
For the ways of men must sever —  
And it well may be for a day and a night,  
And it well may be forever.*

*But whether we meet or whether we part*

*(For our ways are past our knowing),*

*A pledge from the heart to its  
fellow heart  
On the ways we all are going!*

*Here's luck!*

*For we know not where we are going.*

*Whether we win or whether we lose  
With the hands that life is dealing,  
It is not we nor the ways we choose  
But the fall of the cards that's  
sealing.*

*There's a fate in love and a fate  
in fight,  
And the best of us all go under —  
And whether we're wrong or whether  
we're right,  
We win, sometimes to our wonder.*

*Here's luck!  
That we may not yet go under!*

*By Richard Hovey*
