## CHILDREN LEARN WHAT THEY LIVE

If a child lives with criticism,  
He learns to condemn.

If a child lives with hostility,  
He learns to fight.

If a child lives with ridicule,  
He learns to be shy.

If a child lives with shame,  
He learns to feel guilty.

If a child lives with tolerance,  
He learns to be patient.

If a child lives with encouragement,  
He learns confidence.

If a child lives with praise,  
He learns to appreciate.

If a child lives with fairness,  
He learns justice.

If a child lives with security,  
He learns to have faith.

If a child lives with approval,  
He learns to like himself.

If a child lives with acceptance and friendship,  
He learns to find love in the world.

Dorothy Law Nolte

Dr. Mossinger's favorite poem conveys well his philosophy of education.
