Mrs. Nancy Huppert Schools' Secretary

Mr. Quentin E. Wright, Superintendent of Schools.

You are a privileged student body, for you have an opportunity to demonstrate the meaning of democracy.

This opportunity is also an obligation. You will have it as long as you are meeting people from other countries. There is no neutral ground. You are either an influence for good or for ill in every contact that you make.

It is my earnest hope that, along with the knowledge you have acquired, you have developed attitudes towards others that make you ambassadors of freedom, democracy, and world friendship.
