group picture.

ALISHA and SHELLY working out

MARITTA, NECIE, and DONNA perfect their
routine.

Form is important.

ANGELA and NIATYASHA watch KELLY on the beam.

KIM, TAMMY and KELLEY jumping high.

MARGARET, MARITTA and NECIE work out together.

Foreign Language

German

HERR BOHM and class converse
in GERMAN.

On October 6, 1683, the first German settlers to come to America as a group arrived in Philadelphia, Pennsylvania, from Krefeld in Germany. In the ensuing centuries they were followed by seven million other Germans, who, as farmers, craftsmen, artists, technicians, military men, politicians and scientists, played a part in the evolution of the New World.

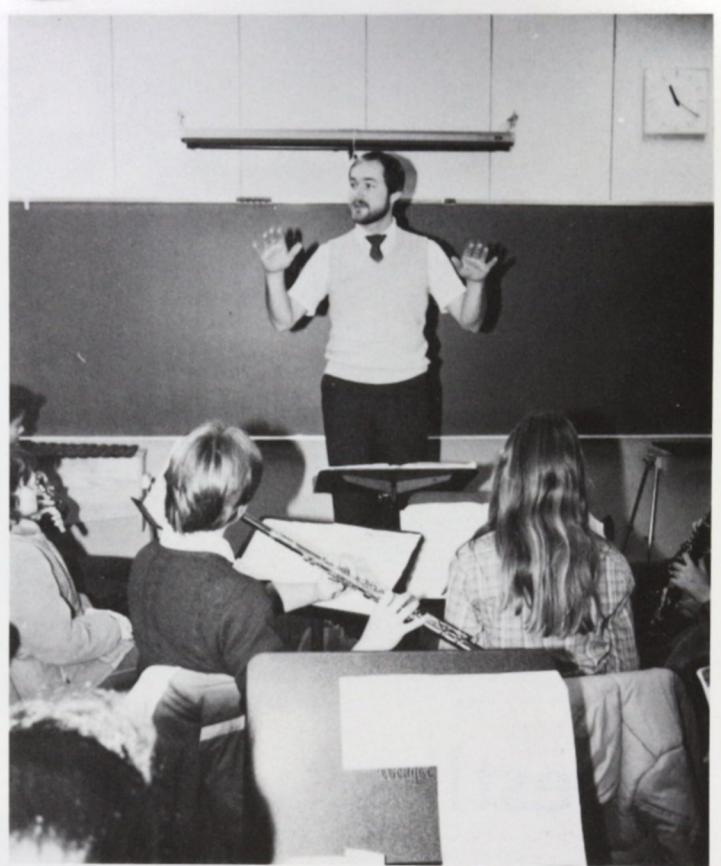

Time for the class to
ask questions.

Junior High Band

And on the drums- Corey and Anthony.

MR. STEENSON- Leader of the band.

MR. STEENSON AND THE BAND-
Preparing for the concert

DR. RHEA, PRINCIPAL

Administration 1983/1984

We are committed to educating individuals to be creative, imaginative, and flexible in order to cope with problems not yet fully recognized nor understood. Central to effective problem solving is the mastery of basic skills in language arts, mathematics, the natural and social sciences. Finally, we seek to develop responsible citizens..... Citizens who value peace, love and the brotherhood of mankind.

DONATED BY THE OWC.

GERMAN / AMERICAN EXCHANGE PROGRAM

This year the students of Kitzingen American School participated in an Exchange Program with a local German School. Selected students spent a week living with and going to school with their German host. This rare opportunity gave American students a taste of German hospitality and a healthy understanding of German Culture.

ALL the EXCHANGE STUDENTS pose for a group photo-
The smiles indicate the fun that was enjoyed by all.

HERR BOHM gives last minute instructions to the students before the end of the week.

RONNYE and PATRICK share a moment with their German Host, while watching the Basketball Game.

The two teams pose after a hard fought but friendly contest.

The coaches talk over the team strategy

The spectators and teams watch intently as each team attempts to score.

ANTHONY drives in for an under the leg lay-up.

BRITT scores again as he finds an opening in the tight defense.

ANTHONY, DWAYNE and BENNETT perform

The STUDENT COUNCIL was there to collect the money.

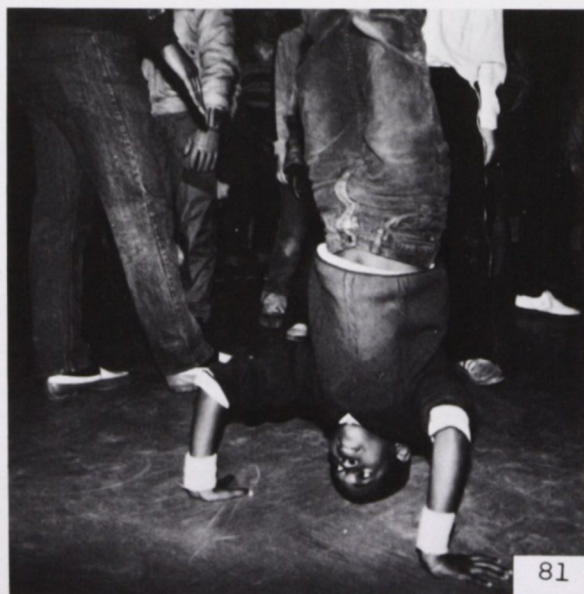

Valentine Dance

A BREAK DANCE
EXTRAVAGANZA

Many of the spectators watching soon were BREAK DANCING too!

EARTHQUAKE

The Yearbook Staff all pitch in to help sort.

April asks, "Where do the shoes go?"

SARAH and CHERI dig in.

When a Turkish Earthquake struck and left many families homeless, the students of Kitzingen American School went into action. The Yearbook Staff began a relief drive to collect clothing and food to give to the homeless families. The Relief Drive was a huge success and all that was collected was boxed and sent to Frankfurt for shipment to Turkey. The 10th Engineer Bn. assisted and many other community organizations contributed. It is a credit to the families of the Kitzingen Community that this drive was the success it was. The feeling of helping others is the best feeling of all.

The first pallet is quickly filled.

The forklift takes the first pallet away

DEON and JENNIFER help sort

HOWARD and JON look on as the truck is unloaded.

A special thanks to several individuals at the Air Freight Office, who gave up their lunch time to assist us in unloading.

SCHOOL ASSEMBLIES

During the school year the students of Kitzingen American School assemble for various activities. During these activities the students in the BAND have an opportunity to display their talents while playing for the school. This year the BAND played several times and had the pleasure of playing during the CHRISTMAS PROGRAM which showed the talents of many classes as well as individual students. This entertainment was enjoyed by all. In addition to students, many other performances were given by various performers and resource persons from the community.

Students sing at the CHRISTMAS PROGRAM.

BAND students perform for the school.

Students polish up their acting ability while performing for the school

The ADVANCED BAND has become better with the practice and students have learned that practice does make perfect.

A typical work session

THANKS

As the Yearbook Advisor I wish to extend my appreciation to all students who chose to become involved in producing this Yearbook. I have not seen a more dedicated group of young people before who were willing to see a project through to the end. I was most impressed with Ms. Shannon Bean, who as Editor was responsible for more than just written materials but the total operation. I was impressed by her attention to detail and the way she tasked others to complete their jobs. Shannon showed a maturity that is rarely found in students this age but which she seems to have developed into a useful tool when interacting with adults and peer group. I am thankful that I had the opportunity to work with these students and teach them about the making of a Yearbook. The important job of Layout Editor required attention to detail and Howard Bratcher proved he could handle the job. When it came to money Treasurer Mark Bentley saw that it required dedication and he proved he could handle it. As for the Sales Managers who went out and sold the Yearbooks door to door and proved that they too could get the job done I thank you. All these students proved that it takes dedication and pride in the job at hand and now that it is completed they have a lasting memory of what they could accomplish on their own.

Mr. Kowalski, Advisor

We wish to extend our appreciation to Dr. Bates for the unlimited use of his camera which enabled us to take the excellent photos in this Yearbook.

On behalf of the Yearbook Staff we wish to thank the following Organizations for their more than generous contributions. Our desire to involve these Organizations in this project thru direct sponsorship of various sections of this yearbook has truly made this a Community effort, we are thankful for your support and proud to have you as contributing members of our Yearbook Staff.

PTSA

Officers' Wives Club

NCO Wives Club

A special thank you to Mrs. Kowalski who helped us throughout this project in so many ways. When we needed last minute typing to meet a deadline you were there. You helped establish communications with various organizations and provided the follow-up information to the Staff so that we might complete the task at hand. We were fortunate to have your organizational know-how and attention to detail, thank you.

We wish to extend our appreciation to Ms. Eaton for your coverage of the relief drive sponsored by the Yearbook Staff. Your coverage provided positive Community exposure and gave credit to the many students who assisted. Also we wish to take this opportunity to commend you for the excellent rapport you have fostered these past few years with the school.

Thank you Faculty for your understanding and assistance during the collecting process and the identification of students. Your help has contributed to the overall success of this Yearbook.

Thank you Herr Hermann Reuter for your assistance and support throughout this project. Your willingness to help enabled us to meet our deadlines and deliver the yearbook on time.

We have saved our last Thank You for Mr. Kowalski, who as advisor did more than just teach us our job. He gave us confidence in ourselves and what we could accomplish if we put our minds to it. He pointed us in the right direction and then let us test our wings. Sure, we made mistakes, but we knew he was there if we needed him, always guiding and giving us the confidence to go on. He helped us grow and learn to understand one another thru working together to complete this project. It wasn't easy. There were times we wanted to give up or take the easy way out and do an inferior job but he wouldn't let us. Thru his example we learned that if it's worth doing it's worth doing well. We are glad he was there because now, we have something that we have done ourselves and we're proud of it! Thank You Mr. Kowalski for being there when we needed you and for giving us the chance to prove ourselves.

Ms. Shannon Bean, Editor

Memories

A view along the central park on a brisk Fall afternoon.

A view of the beautifully decorated park next to the LEOPOLD BAD.

We here at Kitzingen American School are fortunate to have the dedicated services of Frau Lenz and her team. The men and women are responsible for ensuring that the school facilities are in a clean condition for student use. This task is difficult during the winter months when more mud is tracked in with the hundreds of students that use the facilities. Other routine chores include salting the entrance ways, helping sick students and being there when you need them. In short we are very fortunate to have these dedicated professionals and thanks for the job well done.
