All that we have done to create the Taurus 1966 has been done for you. We strove to create a looking glass through which you can, in the years to come, go traveling into the past. You will forget many of our faces as the years pass, but the spirit and the ideals of LHS can never be lost in your memory. It is of these we seek to remind you.

But we wanted to elicit more than reminiscence from you. We wanted to portray the goals which you set for yourselves, the goals you reached, and the goals you passed--a guide for seeking new goals.

To this end, we, the managing staff, give you the Taurus 1966.

TAURUS 1966 VOLUME VII

When you walk through a storm hold your head up high,
And don't be afraid of the dark.
At the end of the storm is a golden sky
And the sweet silver song of a lark.
Walk on through the wind,
Walk on through the rain,
Though your dreams be tossed and blown.
Walk on, walk on, with hope in your heart
And you'll never walk alone,
You'll never walk alone.

Mr. Link, this year's basketball coach, inspired the Varsity team into becoming an outstanding ball club. The team always played hard, and in desperate moments showed that they really knew how to play ball. This year's school spirit was one of the team's greatest assets. Enthusiastic cheering, combined with the team's hard playing, made for exciting games of which we were all proud.

George Kane always came through in the stretch!

Jump, Steve H., jump!

This year's J.V. team really had spark and spirit that a ball club needs. With a very fine group of boys, Mr. Campbell and the team showed the fans that the J.V. Falcons had the inner endurance that a team of this kind needs. The boys worked hard this year and they promise to be a strong back-bone for next year's ball team.

Heads Up!

The "Blue Giant" strikes again!!!

GIRLS BASKETBALL

"Zeke" Rhodes heads down court.

The Lajes High girls' basketball team under the direction of MSgt James Ollis completed a successful season against Comm wives and Teachers. The girls had a little trouble from Comm and then locked themselves in second place. This year's team was outstanding and next year's team will probably be still better.

We did unto others as they would have done unto us, and boy did we beat 'em.

Girls are all set for that rebound.

A BIG DAY AT LAJES!

Charles P. Brown and Tom Griffin, 8th graders, get the thrill of their life as they get to meet Vice President Hubert Humphrey. First grader Fernando Babbino also gets a close look at the great man.

It started out as a normal day at Lajes Field, Azores. Everyone had heard the rumors that the Vice President of the United States was going to land here for refueling, but no one really expected to see him.

There were a few people who had the drive and perseverance to go down to the flight line and perhaps get a glance of this important man. Much to everyone's delight Vice President Humphrey came out of his plane. A few lucky school students got the privilege. Charlie Brown and Tom Griffin got the thrill of meeting the Vice President in person.

This truly was a big day at Lajes!!
