sports

some
participated. . .
some
watched. . . .

the mighty falcons

the 1973 falcons coached by roger youngman easily cut through this year's competition to finish 8-3 in 11 encounters.

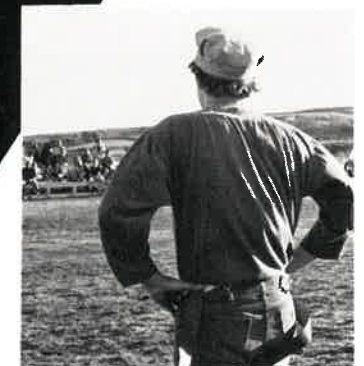

starting the season with a win over headquarters, the falcons showed the ability and determination needed to capture the championship title.

after defeating ces and nsqa in the post-season tournament, the falcons reached a peak by defeating army with an 18-6 victory, and with that the falcons clinched first place in the post-season tournament.

this year saw a lot of teamwork. the team was outstanding individually and collectively. yes, we are number one!

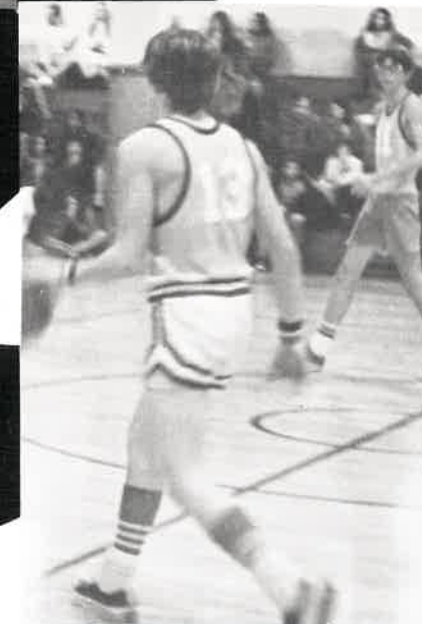

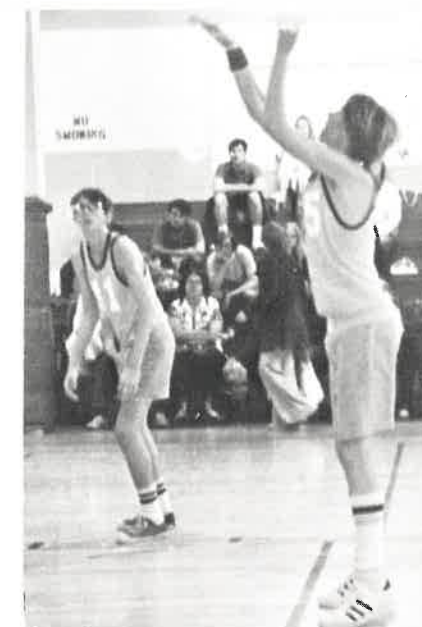

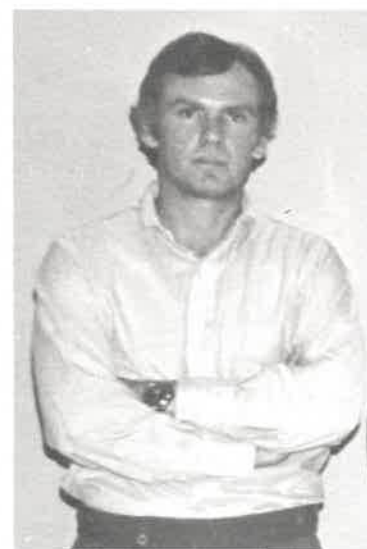

"...we are number one..."

varsity basketball

coach johnson's basketball players struggled valiantly through the entire season. the spirit, determination and teamwork these men showed, helped to instill spirit in the falcon fans. all who participated in this years basketball season; spectators, players, cheerleaders and coaches, surely felt this was a great season, despite the 5-13 record.

*we may
not be*

*number one. . .
but
we try harder!!*

girls' basketball

both teams, coached by miss rehm, put up a good fight throughout the entire season. proud of our girls this year, lhs can certainly say this wasn't a wasted season. victory after victory, loss after loss, game after game, the teams battled it out every time. lajes high thanks you for a good season, one of it's best!

varsity volleyball

after several weeks of practice and hard work, coach dale bell finally chose this year's volleyball players. there are two teams, blue and gold, each composed of fine young men, eager for a good season. time and ability will show and the annual staff wishes both teams the best of luck.

girls' volleyball

both girls' blue and gold volleyball teams were chosen quite carefully by miss rehm who had worked with these girls and chose only the best for the season. after watching them at work, it's obvious we have a great season to look forward to. we have complete confidence in all you girls and let's hope for the best season ever!

spirit week and sadie hawkins

spirit week and sadie hawkins, 1973, brought new excitement to lajes high. beginning with posters and ending with a beautiful queen, spirit week proved to be a huge success. sadie hawkins day, with the girls slaving over their guys and escorting them to the dance, was just as successful. these two activities made 1973 at lhs a great place to be!

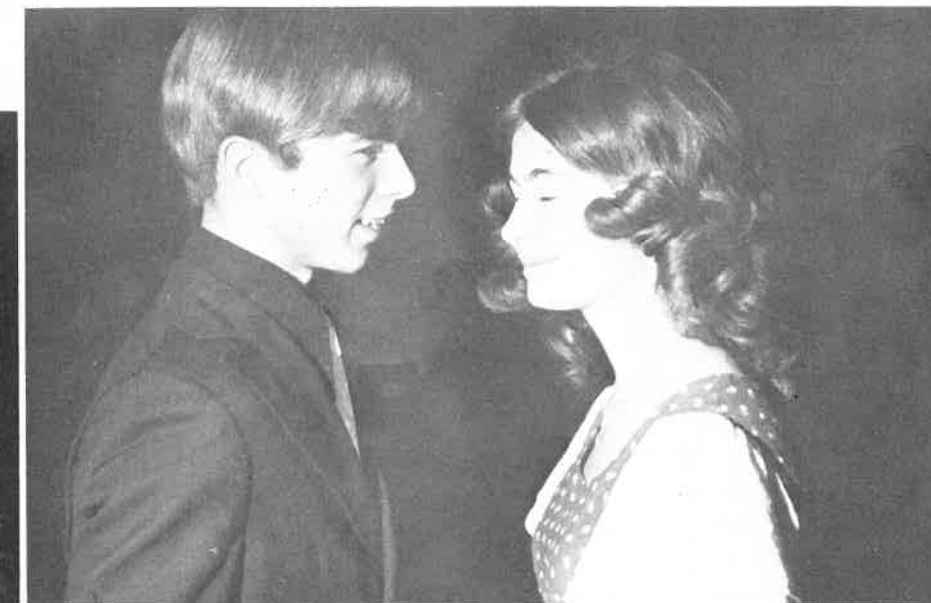

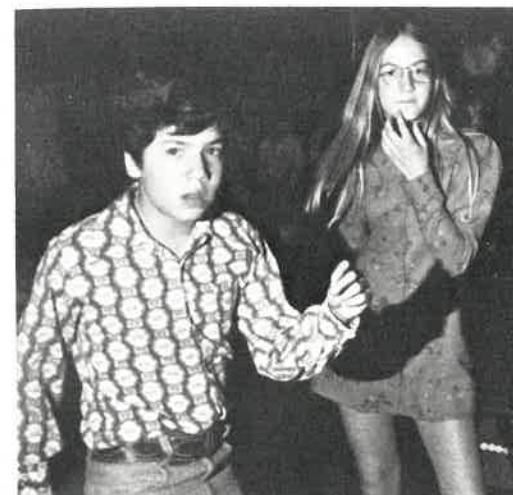

communications workshop

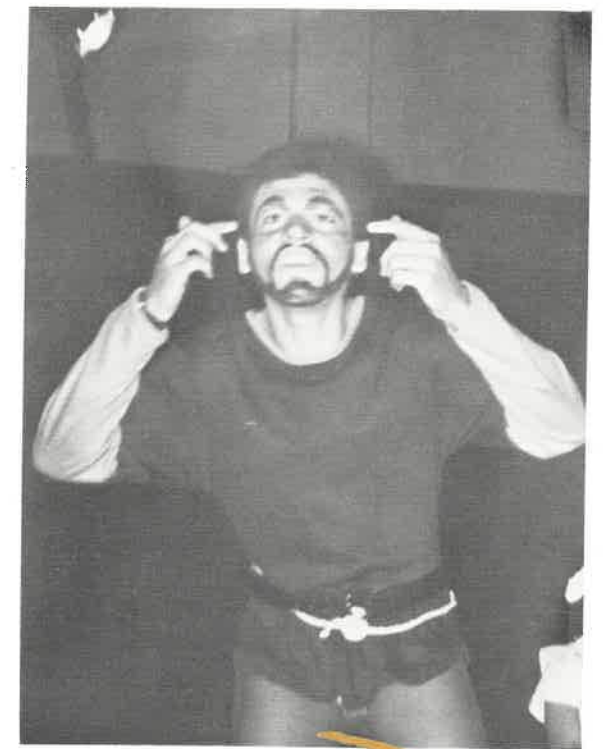

judy justad, mike turner, and joe lacy conducted a communications workshop at lajes high school, february 4-8. the purpose of the workshop was to learn more about ones' self and ones' relationships with others. the workshop, a complete success, came to a nostalgic close when, at the end of the week, our three counselors boarded the plane. the good feelings obtained by participants in the workshop spread quickly throughout the student body and helped to make 1974 the good year that it was.

sweetheart ball

an evening of one-acts

an evening of four one-act plays was presented to the la-
jes community on the evenings of december 14, 15 and
16. miss carole walker directed two of the plays, "sorry,
wrong number," a suspense drama starring debra
ptacek, kathy sargent, mike cunningham, ken haley, nan-
cy hallman, larry mcroy, ted mccallson and kathy goodin,
and "the case of the crushed petunias," a lyrical fantasy
starring kim davis, mike o'neal, ted mccallson and lydia
rodriguez. mr. ron taylor directed the other two plays;
"red carnations," a comedy starring tim gilger, guy wills
and su gannon, and "midsummer night's dream," a
shakespearian fantasy starring butch kinsey, geno smith,
tim gilger, debby wettlauffer, george simmons, keith
jarrett, cyndi simons, and debbie timblin.

but a play is not just actors and directors. there is a lot of
work involved that usually goes unnoticed; the work of the
production staff including publicity, scenery, lighting,
make-up and costumes, just to mention a few. without the
advertising crew, bill hall our stage manager, sabrina
packard our business manager, the sound technician
sheila rue, and even the usherettes, debbie damian, cindy
nelson and terry beck, "an evening of one-acts" could
never have been the success it was.

national honor society

guy, su, dennis, debby, sue, gerald and miss murphey conducted a drive early this year to collect items for a local orphanage, which was quite successful. just from this, we can see how the national honor society consists of people with more than just good grades.

drama club

after many headaches, several
breakdowns and quite a few fits, miss
walker has finally created a club of
talented young actors and actresses;
a goal even she doubted!

several plays and many successful
nights later, miss walker is now con-
vinced the year went quite well and is
happy it's over!

working together, helping each other and exchanging ideas is the general atmosphere found once a week after school in the art room as miss osborne and her young artists work on projects of all kinds.

the lajes high art club of today may be the future creators of tomorrow!
