Senior Life

Senior Advisor: Roger Youngman

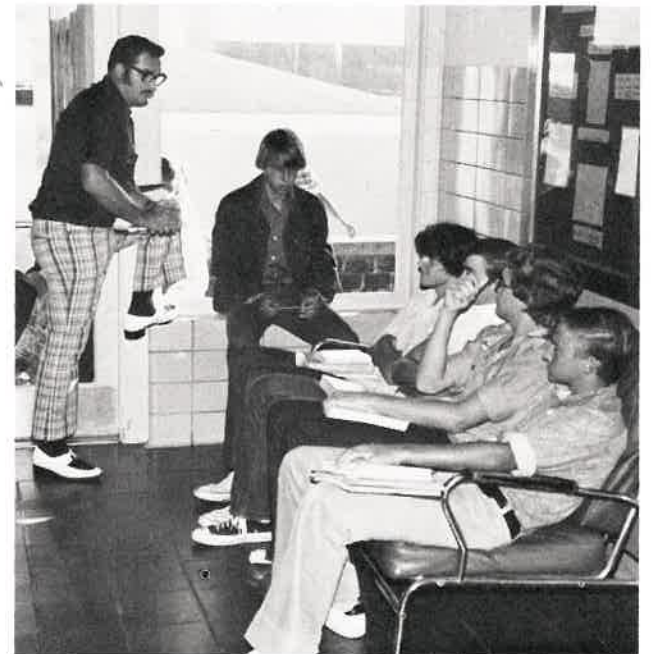

The Seniors worked diligently this year making money for their after-party in May. One thing the class is sure never to forget are those never-ending bake sales. The Senior Class strove to unite their group, and still mingled with underclassmen by honoring them with their presence at various school activities. At mid-year, with the departure of Mike Newfield, our Sec.-Treas., the duties of this office were bestowed upon Wendy Adolf. Seniors saw the arrival of two new members to their class, Ron Stockett and Terri Osteraa. As we go through life one can be sure that none of us will forget those unforgettable "Senior" days on the rock, here at LHS.

... These seniors, like these flowers, were once a seed; about to begin a new life. The time has come for them to blossom ...

The seniors of 75 have selected these seniors as OUTSTANDING classmen, for this year, through participation and leadership. Good-luck Geno, Kim, Ted, Mike, Janet, and Bob.

H.S. Wrap-up Those Unforgettable Days At LHS

Never will we at LHS forget those unforgettable days. The Freshmen winning the tug-o-war and pie-eating contest over the Seniors of 75, the construction of 2 new classrooms to expand our campus, spirit week, and much more.

Assemblies

Spirit reached its peak during pep assemblies, this last year at LHS. Precise and organized planning was the key to the successful assemblies produced during the year 74-75.

 "... School Was A Family Affair"

From Left to Right: Kim Davis (V-P), Geno Smith (Pres.), Janet Dial (Secretary), Paul Selva (Treas)

Student Council Officers offered much in the way of leadership and direction of school projects. The close knit executive council worked together to provide a more organized, active school year.

Spirit Week "74"

We at Lajes traditionally set aside one week which is considered spirit week. During this week each day has its own activity. This years schedule was October 21st blue and gold day, 22nd was 50's day, 23rd was door decoration day in which (8-1 won), 24th was shorts, socks and hat day, and the 25th was senior-freshman fun day. Spirit week 1974 had to be one of the best in LHS's history.

International Thespian Society

The Thespian Society, a group of the elite drama students, was chartered this year on the campus of LHS. The club, an international organization, is the first of its kind in Portugal. Membership into the club is based on a points system, by how involved you become in the theatrical arts here at LHS. Portugal's first Thespians are: Ted McCallson (President), Lydia Rodriguez (Vice-President), Debra Ptacek (Secretary), Kim Davis (Treasurer), Geno Smith, Bob Dysinger, Jim Benson, Kathy Goodin, Butch Kinsey and George Simmons. These members were inducted at a formal dinner held at the Angra Hotel on December 31, 1974. The club was planning many activities for the new year, including "induction ceremonies" for new members in the spring.

The pictures at right are of the crew and a few members of the cast of "David and Lisa" during a rehearsal.

Falconettes And Cheerleaders

“Spirit Movers”

The Falconettes and Cheerleaders worked to promote the most spirit seen at LHS in many years. These two groups consisting of some of the most talented girls at LHS, were responsible for making up all their routines and cheers. We, the student body, would like to thank you for all the spirit you generated through the year.

Skill And Honor Chess Club And Honor Society—"Work It Out!"

The Chess Club, under the leadership of President John Turner, held many tournaments during the year. Members strived to learn new moves of strategy in order to improve their games.

The National Honor Society, composed of only 4 members this year, paid monthly visits to the Maria Goretti Home to talk and play games with those living there. They will also have a book swap and induction ceremony during second semester.

Hiking Club

The Hiking Club, under the direction of Sarah McKinney-Ludd and Jesse Gonzales proved to be one of the most popular clubs on campus this year. The club's first hike took them to Seretta and a tour through the massive woods surrounding that area. Many activities similar to this followed throughout the year. The club's main objective was to change the name to the Hiking and Camping Club, which would allow them to also participate in camping activities. A new constitution was drawn up and presently is pending administrative approval.

"Don't Panic!!" 10 Years Of Radio Service To The Lajes Community

"Panic" is the name of the radio program that many "young" radio bugs listen to Monday through Friday from 4 to 5 P.M. The program is run by 5-6 high school students trained in the basics of broadcasting. Each day a different voice, as well as a different style of music, is heard on the program. The crew is also in charge of the Saturday dedication and request show, "Saturday in Sound." "Panic" is now in its 10th year of service to the Lajes community and has a very interesting history.

"In 1965," said CMsgt. John E. Bradley, "a group of high school students came to the station and complained about the type of music that was being aired on the radio. They said there needed to be a show just for the 'now' sound." So, CMsgt. Bradley told them, "If you want a show like that then do it yourself."

Well, they did. Many former "Panic" members have gone from the island and made a name for themselves in the broadcasting field. One ex-member is in the army and station manager at an AFRTS in Turkey, six have degrees in broadcasting, and one ex-member is in the professional broadcasting field. Four years ago the "Panic" crew of 1968 got together for a reunion in Colorado.

CMsgt. Bradley stated that the three points to the purpose of the "Panic" show are: (1) To play music of that particular age group, (2) To stimulate an interest in the broadcasting field, (3) To offer an outlet for extra-curricular activity.

This years crew was comprised of: Geno Smith (veteran panic member), Bob Gillespie, Bob Dysinger, John Thompson, Debra Ptacek, and Betsy Harmon.
