# SHARING

There isn't much that I can do,  
But I can share my bread with you,  
And I can share my joy with you,  
And sometimes share a sorrow, too . . .  
As on our way we go.

There isn't much that I can do,  
But I can sit an hour with you,  
And I can share a joke with you,  
And sometimes share reverses, too . . .  
As on our way we go.

There isn't much that I can do,  
But I can share my flowers with you,  
And I can share my books with you,  
And sometimes share your burdens, too . . .  
As on our way we go.

There isn't much that I can do,  
But I can share my songs with you,  
And I can share my mirth with you,  
And sometimes come and laugh with you . . .  
As on our way we go.

There isn't much that I can do,  
But I can share my hopes with you,  
And I can share my fears with you,  
And sometimes shed some tears with you . . .  
As on our way we go.

There isn't much that I can do,  
But I can share my friends with you,  
And I can share my life with you,  
And oftentimes share a prayer with you . . .  
As on our way we go.

The theme of the  
1978-79 yearbook is  
dedicated to the  
graduating Seniors of

# SENIOR ACTIVITIES

## CLASS OF 1979

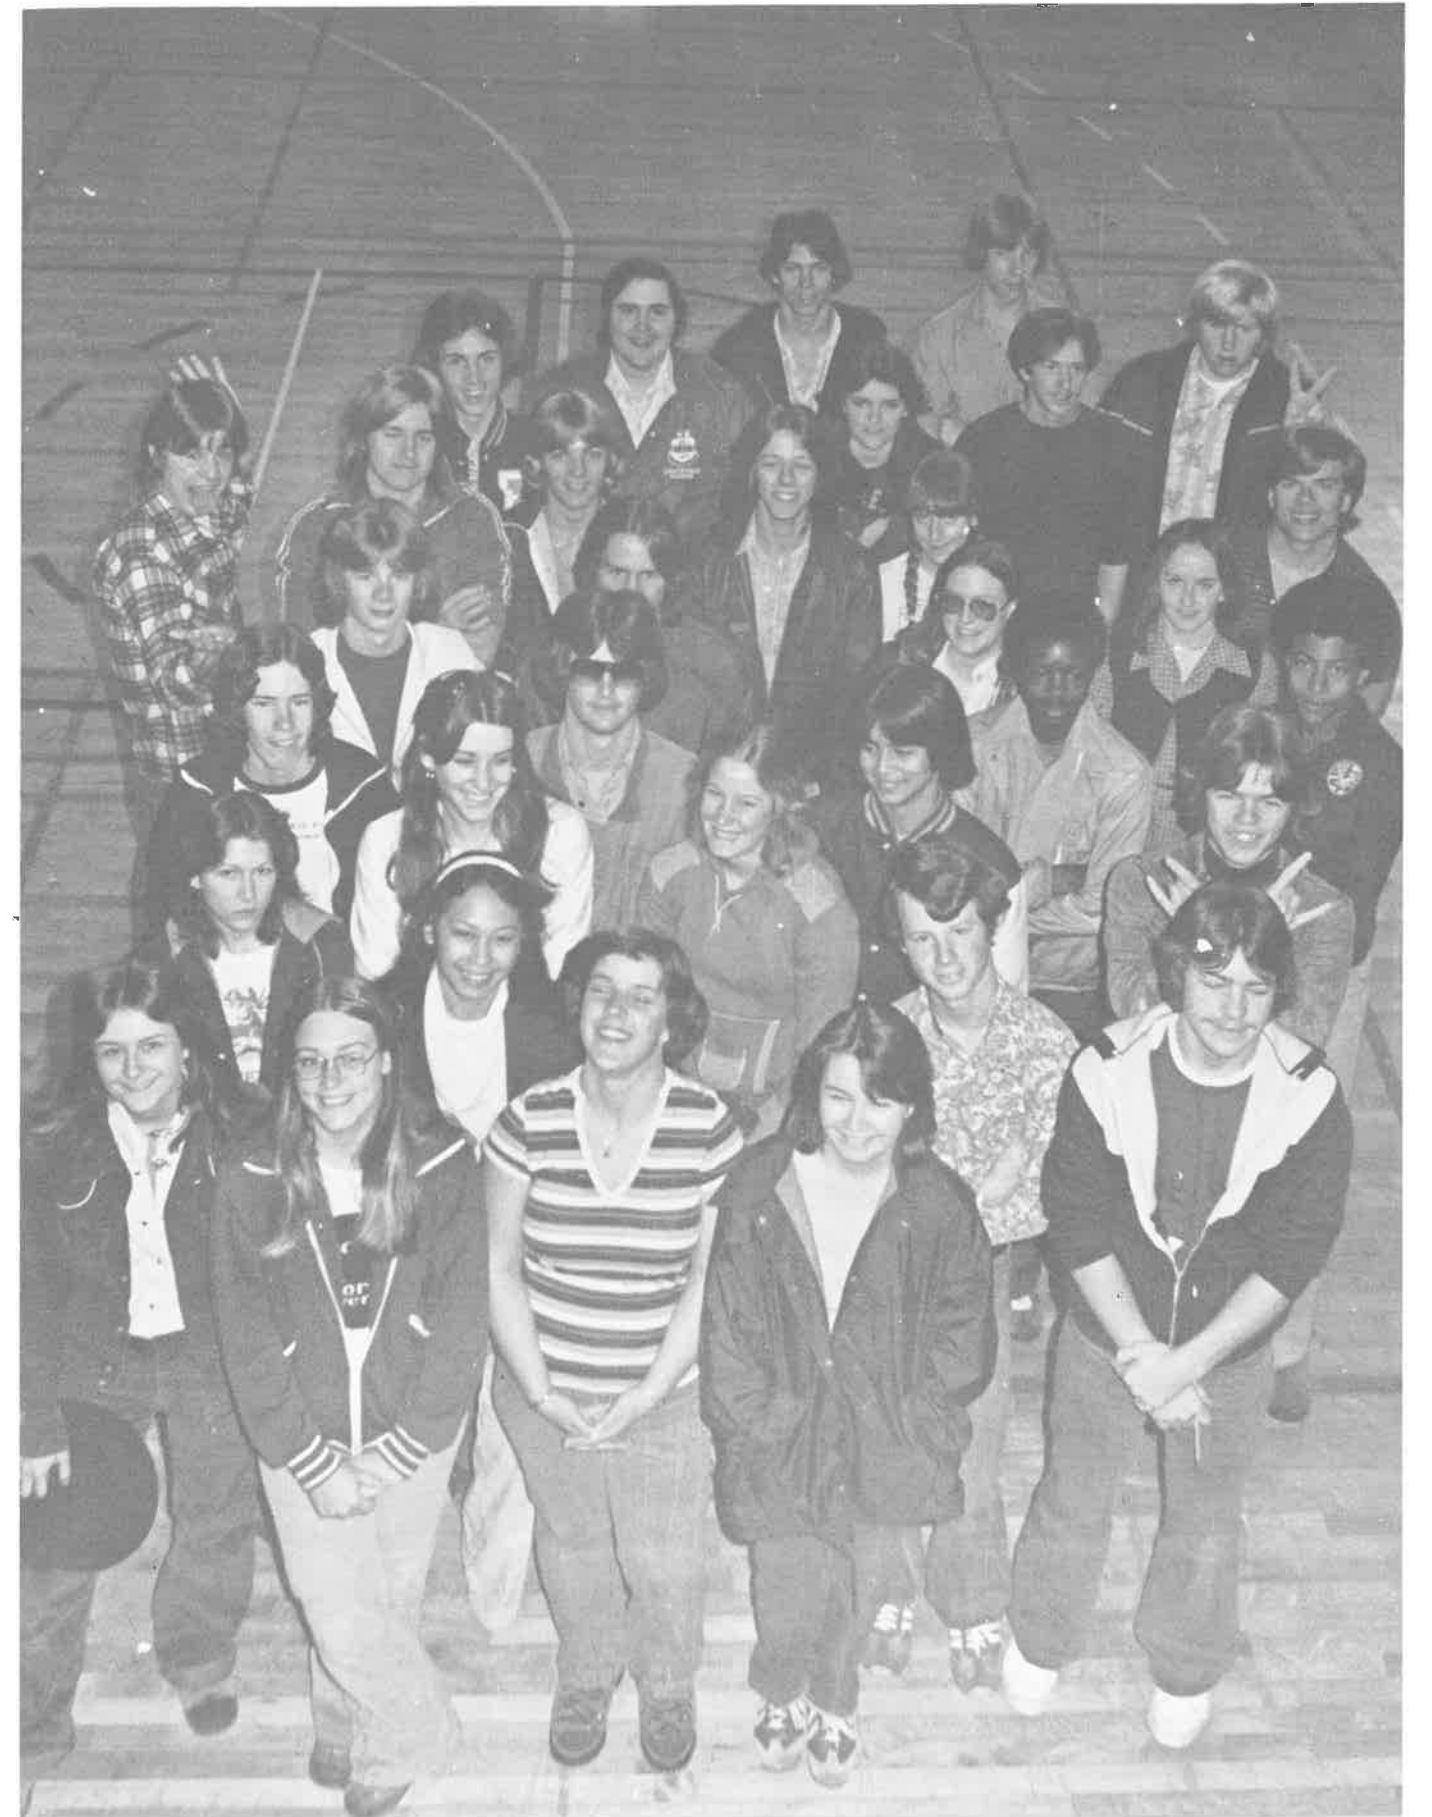

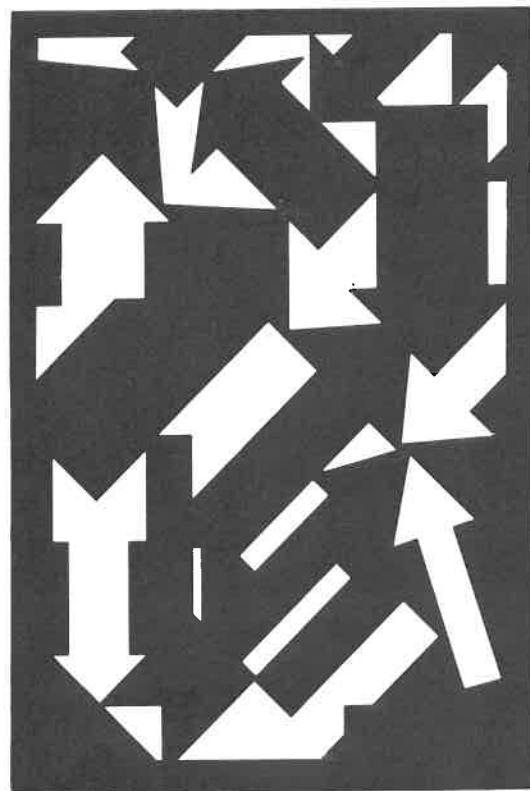

The Senior Class has worked very hard this year to raise money for their trip to the Canary Islands. They have had such fund raising events as dances and bake sales. They had the movie Star Wars brought to Lajes High School and in February, the Seniors sold "Singing" Valentines. Other events planned are a carwash and getting the profits from one night at Bingo, in the NCO Club. At present the Seniors plan to leave to Madeira April 2nd and spend one night there and then fly on to the Canary's where they will spend 4 nights and then back to Madeira for 2 more nights and then return to home. This has been a busy year for the Senior Class of 79!

I am forever walking upon these shores,  
Betwixt the sand and the foam.  
The high tide will erase my footprints,  
And the wind will blow away the foam.  
But the sea and the shore will remain  
forever.

# BEGINNING BAND

# ADVANCED BAND

This year the Beginning and Advanced Band made a trip to perform in Angra da Herismo, and Praia da Vitoria. They have held bake sales to raise money for a trip to San Miguel. The bands also perform at Lajes High School assemblies.

# JAZZ BAND

This year during mid-term, the Jazz Band was developed. The group plays various kinds of music and plans to perform for the students of Lajes High School. They deserve much credit for their expressive talents.

# WORK STUDY

The Work Study Program provides many students with an "on the job" environment that helps the student grow in both the sense of responsibility, and the field in which they are working. Most of the students enjoy their work and usually run into some interesting and worthwhile experiences. Some of the students also give of their time after school, such as the PANIC Show at 4:00. All students take pride in their work.

The Falconettes of 1978-79 were outstanding. All of their routines were performed with grace and precision. The girls practiced many hours and when performance time came they were beautiful. Their sponsor, Truly Schramm, was an excellent help to the squad whom without they never would have performed so well. The Falconettes were commended for their school spirit and attendance at all games.

The 1978 Football season was anything but dull for the team and fans alike. Experience and size was in short supply, but desire and spirit was in abundance. Good luck was an unfamiliar teammate that eluded the Falcons on numerous occasions. Hard hitting aggressive play and good sportsmanship were Falcon trade marks that allowed them to be called, "Real Winners."

Coach and Greg talk strategy.

Ooh Alan, I bet that hurt!

Junior, you can't catch the ball sittin' down.

Apologize or I'll break your face.

Are you on my team?

Phil, Jeff, Harry, Gerald hold the line.

Let's put the ball there on time Butch.

"Peek-a-boo, I see you".

"Mr. Avery, If it itches, Scratch it!!"

"Ride 'em cowboy!"

"Bottoms up!"

"What are they doing out there?"

"What do you mean make like a bird and fly?!!"

"Stand back, it's a bomb!"

The L.H.S. Men's Varsity Team have had a successful season winning over half of their games. The men put in a lot of time and effort to use the best of their skill against other teams. The team showed a lot of spirit at the games whether they won or lost without the help of everyone on the team they never would have had a good season.

The decor was made up of rainbows and pots of gold. Everyone showed up in full dress for the first formal affair of the year sponsored by Student Council. Everyone together worked hard to make it a rememberable night.

## STAR WARS

This year Lajes High School students had a big surprise. The famous science fiction movie, Star Wars, was brought to the school by the Senior Class. The Senior Class sponsor, Keith Ballentine, worked very hard in the film. The film was rented from a theatre in Angra. There were two showings of the film and there were very large turnouts for both. The Seniors made a profit of about \$500. This money went toward their Senior trip. Everyone enjoyed and benefited from the "Star Wars" treat.

Star Wars was a fantasy space movie about life in the future. Princess Leia, a leader of the rebellion against the evil Galactic Empire, was captured and was taken aboard the empire's mobile Command Station, the impregnable Death Star. Darth Vader, had been questioning Princess Leia about some stolen plans of the Death Star but Princess Leia entrusted them to her little robot Artoo Detoo in hopes they would reach Obi-wan Kanobi of tatooine. Artoo Detoo and his robot friend See Three-pio had been picked up by Luke Skywalker. The three of them meet up with Obi-wan Kanobi and Han Solo. Together they attempt to save Princess Leia and deliver the Secret Plans to rebel headquarters. Will they make it?

# SADIE HAWKINS DANCE

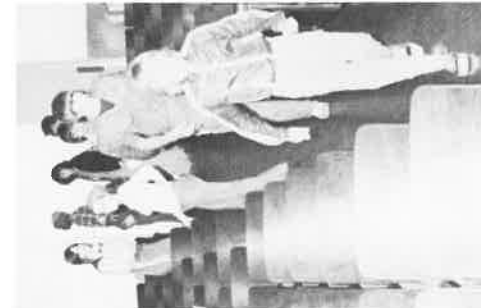

November 17, 1979

Sadie Hawkins was originated from Lil Abner and Daisy Mae. It's when the girl gets her chance to ask the guy out on a date. That evening at the Sadie Hawkins dance, after all the girls had chosen their guys, the party started. There was a marrin' booth for all the girls to get hitched to their guys. (They even got certificates to make things legal!!!) The floor was covered with country sawdust so everyone could enjoy some soft barefoot dancin'! Everyone was dressed up in their country duds. All in all, everyone had a foot-stompin' good time.

# SWEETHEART BALL

February 18, 1979

The Sweetheart Ball was a very festive evening brought to the Students by Student Council. It was held at the NCO Club. The meal, a choice of roast beef, chicken and turkey, was served at 7:00. The dancing began at 8:00 ending at 11:30. The whole room was decorated in an array of red hearts, cupids and streamers. The D.J.'s, David Cathings and Bill Merideth, brought out some very nice sounds and all who went must agree it was a very enjoyable evening.

# OUR TOWN

By  
Thornton Wilder  
Directed by  
Charles Cummins  
and  
Gina Allison

"Just whistle to me George, and I'll give you some hints."

OUR TOWN was presented the 25, 26, and 27 of Jan. in the Recreation Center. OUR TOWN is the story of the people in a small town in New Hampshire. The play was a success. The actors and actresses very skillfully, and with individual discipline, portrayed their characters well and seemed to remain in character during the whole production.

"But I don't have a sound for that!"

The staff of the Morale, Welfare and Recreation Division wishes the Lajes Field graduating class of 1979 the best of luck in your future endeavors.
