I'm sailing away
Set an open course for the Virgin Sea
For I've got to be free
Free to face the life that's ahead of me.

On board, I'm the Captain
So climb aboard
We'll search for tomorrow on every shore
And I'll try, oh Lord, I'll try to carry on

I look to the sea
Reflections in the waves spark my memory
Some happy, some sad
I think of childhood friends and the dreams we had.

We lived happily forever, so the story goes
But somehow we missed out
On the pot of gold, But we'll try
Best that we can to carry on.

A gathering of Angels appeared above our heads
They sang to us this song of hope and
This is what they said:

Come Sail Away,
Come Sail Away,
Come Sail Away With Me!!

I thought that they were Angels,
But to my surprise
We climbed aboard their starship
And headed for the skies

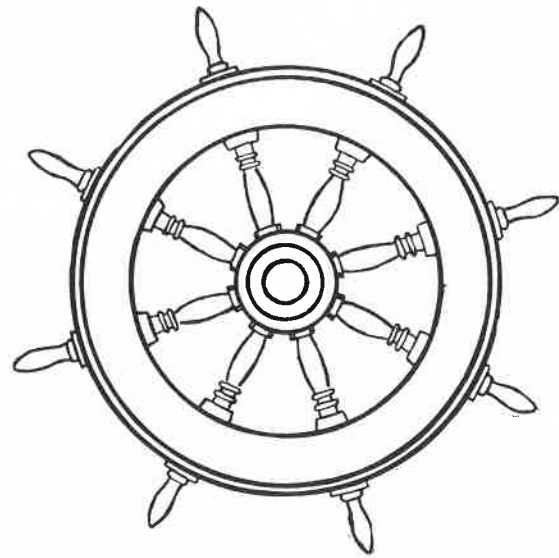

Words by Dennis DeYoung

Greg,
Been through some
hazy and unrealistic
conversations together
and I'd say we've
been to the cracks
and down into the
sum of preferential
treatment.

Greg-
Well, where can

some super times and
I've enjoyed being

Stay cool and be

1980 DEDICATION 1980

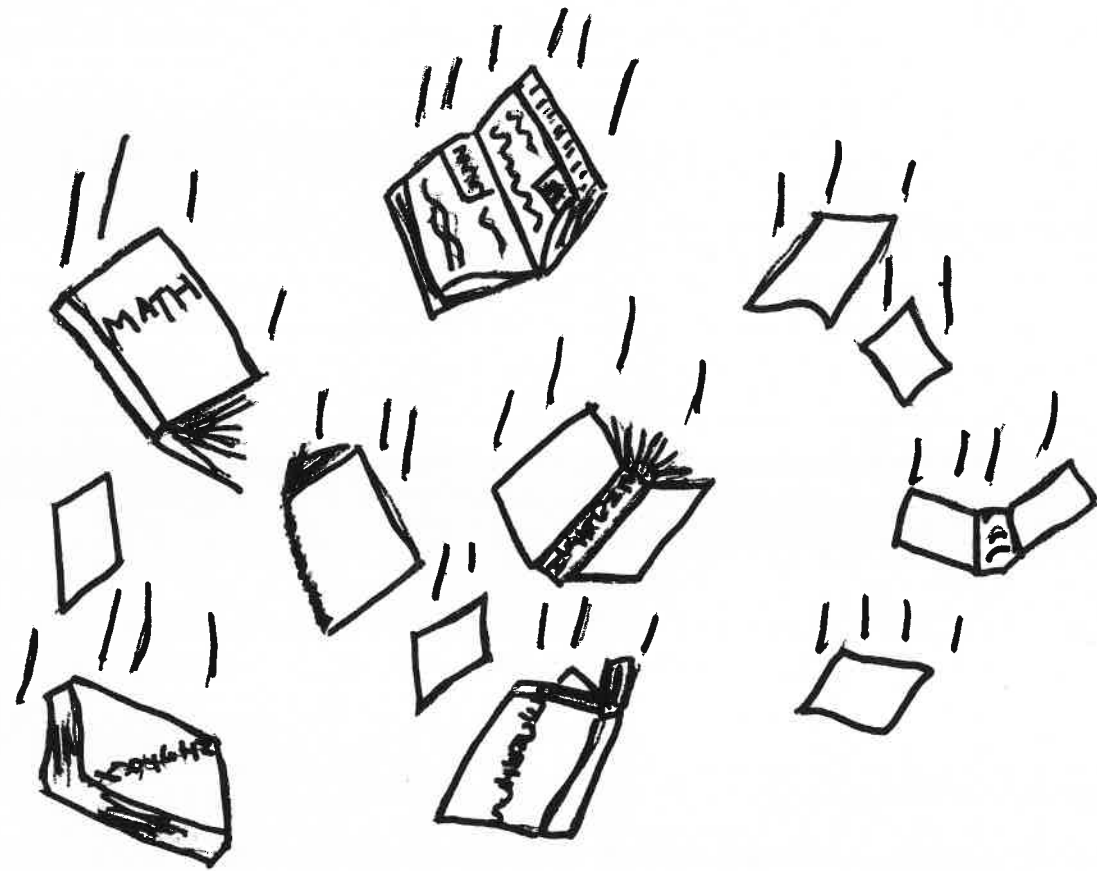

The Falcon Yearbook Staff, on behalf of the Lajes High School, wish to dedicate this volume to those who perished during the January 1st, 1980 earthquake. This book is also dedicated to the members of the Armed Forces and their dependents who volunteered their time and donated a wealth of items to aid victims of this tragedy. Pictures by Ken Bean, NAF

The people of Terceira suffered great loss but will never forget the kindness of those who helped them get to their feet again. A sense of unity was felt by those who were here. A feeling that so few countries have felt. Maybe someday the whole world will feel this joy. Let's hope that it doesn't follow disaster.

CLASSES

Melody Bradley '80

ENGLISH

Obviously, English must be quite an engrossing language. The students in Dr. Gonzalez's class are attentively listening to every word. But, of course, there are those who would much rather pose for the camera.

P O R T U G U E S E

Sampling the scrumptious delights of the Portuguese cuisine is an integral part of the Portuguese culture class. The only two members of the class, Ginny McElhaney and Lana Nelson, have ample time to explore all aspects of this fascinating nationality.

TYPING

Fingers busily moving, racing against the hands of time. Mistakes raise the flag. Perfection is yet to be mastered. The students try to keep mistakes down to a minimum and strive for perfection.

FRENCH

Bonjour! Ils parlent une langue étrangère. Although there is a small number of students in French I, II, and III (altogether exactly 7) they participate as if there were many more.

BAND

This year the band took one more step forward. As a part of their Christmas program, the L.H.S. Band performed for several orphanages, homes for the elderly, and elementary schools. They hope to improve their program by traveling to Sao Miguel, either during the Christmas holidays or spring of the next year.

Miss Schramm, the band's director, has given much of her time and efforts to the musicians involved. In fact, for the later part of the year Miss Schramm directed the band with a cast on each foot.

SCIENCE

On almost every student's schedule is at least one science course, and on some, more than one. Some students think of it as a very "exploding" course because of the many chemicals involved.

HOME ECONOMICS

Home Economics is at times a very successful and tasty class. However, one sometimes gets a burnt sensation while passing through the halls. Almost any wardrobe can be created by yourself, and at five times the effort needed to purchase it at the local mall.

ART

Art is another very creative class where students are graded on an individual basis. One can advance at his/her own pace.

DRAFTING

Those who plan on being an architect in the future would definitely benefit from taking the Drafting class. They would then have the chance to learn how various types of buildings are designed.

H E A L T H

C.P.R., personal health, and fitness are stressed in Health Class.

SHOP

The Shop class provides an opportunity for students to design and make their own projects using various types of materials.

P.E.

A wide range of subjects, including volleyball, weight lifting and archery are part of the P.E. class.

WORK STUDY

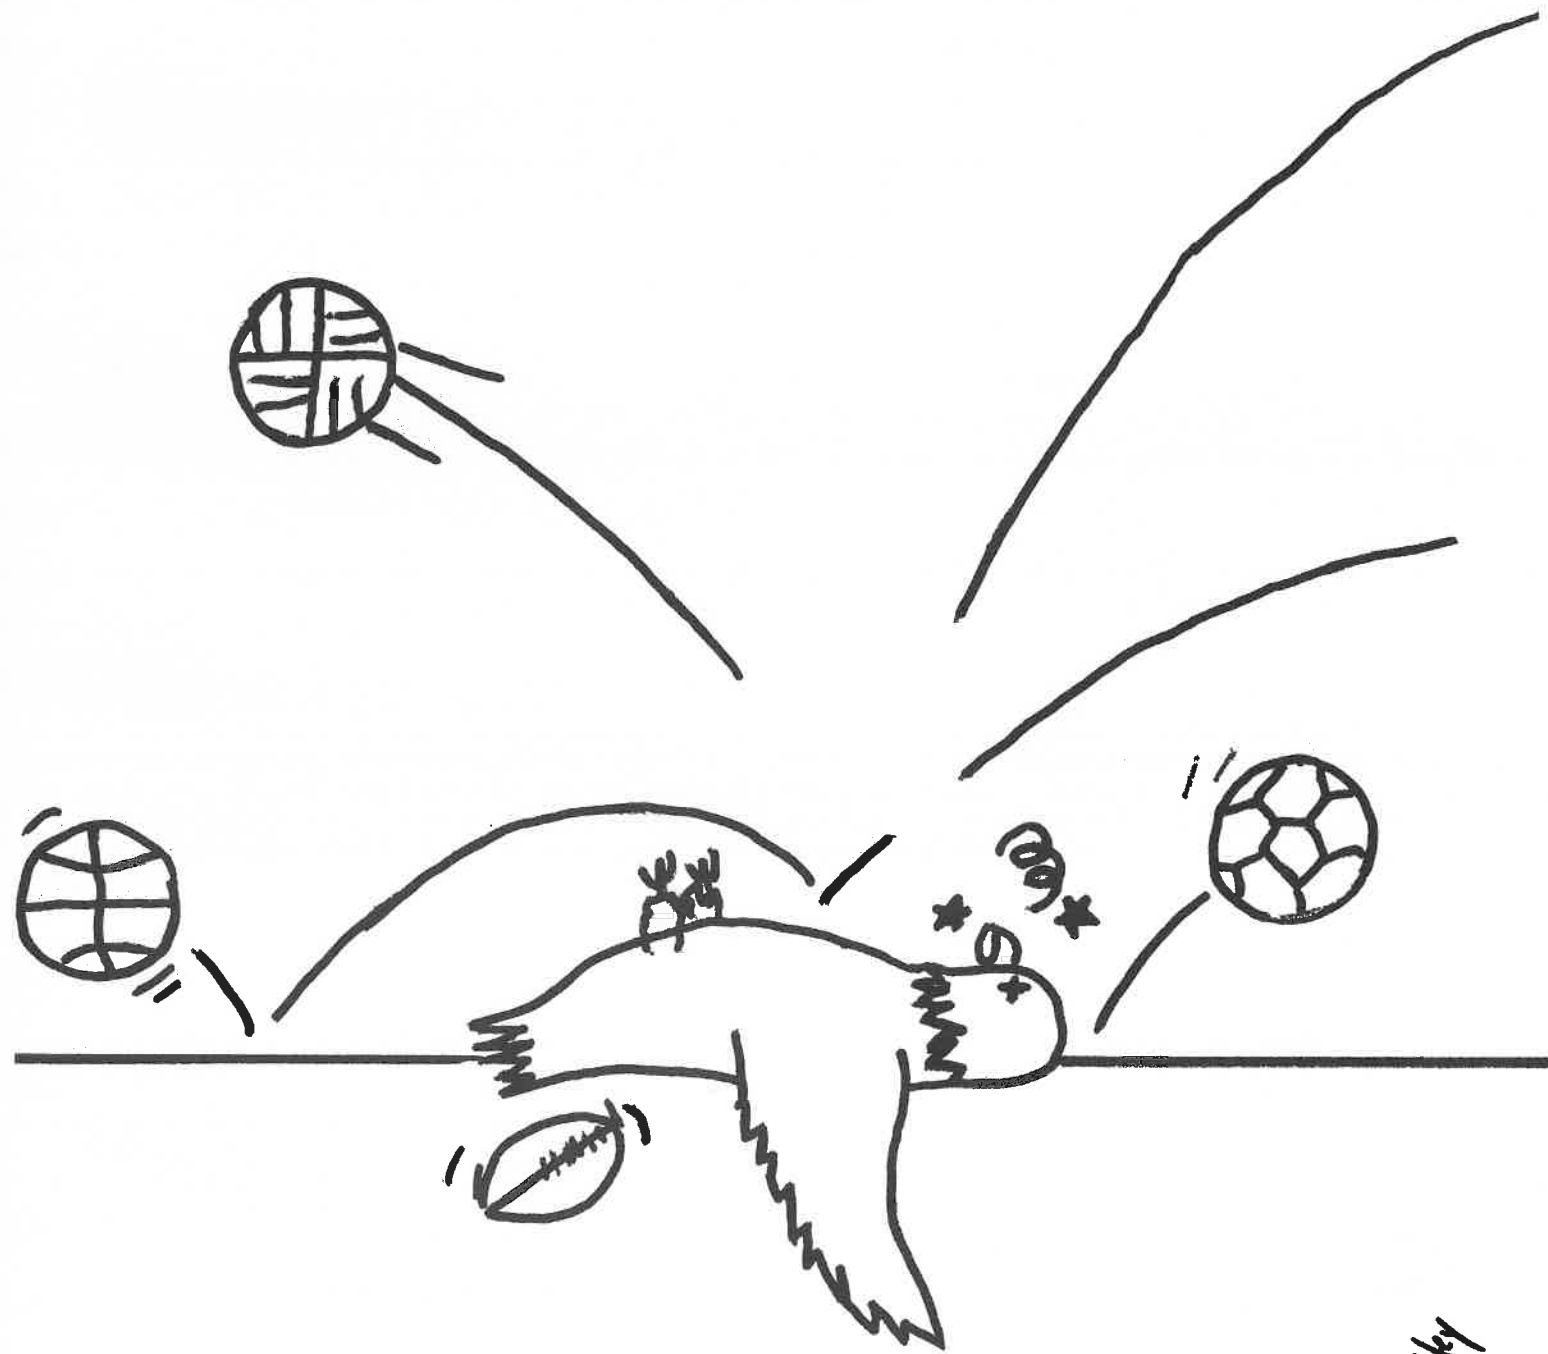

Lajes High School has a very strong Work Study Program. This program can help a student prepare for his/her career plans.

SPIRIT WEEK

Patty Wade and Cindy Davis show their spirit by expressing their idea of togetherness. Although Patty and Cindy were late for class, the very stylish Mr. Davis (pictured in the dead center of this spread) joined in the fun.

Because of Larry Harwood's hard work and great legs, he was voted MR. PRETTY LEGS.

FAITHFUL TO OUR CALLING

IS THIS YEAR'S THEME FOR OUR
AIR FORCE CHAPLAINCY

GOD'S CALL IMPARTS LIFE, PURPOSE, DIRECTION, POWER AND RESPONSIBILITY.
TO RESPOND TO THAT CALL IS TO BECOME AWARE OF OUR TRUE BEING AND TO LIVE ACCORDINGLY.
IT INCLUDES THE CALL:

TO BECOME - WHO WE ARE

TO KNOW - MEANING AND PURPOSE

TO FULFILL - OUR RELATIONSHIPS

TO DO - LIFE'S TASKS RESPONSIBLY

TO DEVELOP - MATURE HUMANHOOD

TO SHARE - WITNESS AND SERVICE

TO LIVE - ABUNDANTLY

"...I WILL WALK AMONG YOU, AND WILL BE YOUR GOD, AND YOU SHALL BE MY PEOPLE."

LEVITICUS 26:12

TO BE FAITHFUL TO OUR CALLING IS INDEED OUR LIFE'S WORK, BUT IT IS MORE THAN THAT-
IT IS LIFE ITSELF.

CONGRATULATIONS ON YOUR GOING FORTH,
