

Lajes Elementary School Yearbook

School Year
2008-2009

*This is the Lajes, Açores,
Elementary School*

Lajes ES

Principal's Message

Lajes is a unique experience for our student body and staff. We share the common experience of living on a tiny island in the middle of the Atlantic Ocean and being members of a unit school.

As principal of Lajes Elementary High School I truly enjoy being here. I believe we have a fantastic group of students that I enjoy seeing in class, in the hallways, and after school. We have an excellent staff, dedicated to educational excellence and high expectations. We are proud to partner with your parents to promote good citizenship among our school community and habits that will become life skills. The eight habits include responsibility, dependability, hope, courage, friendship, brotherhood, nurturing attitude, and high expectations. During your time here I hope you have experienced the benefits of a small school filled with opportunities for academic growth as well as activities that enrich your life. Please know that we take every measure possible to ensure that our students enjoy a meaningful and successful experience while enrolled here.

Our goal at Lajes Elementary High School is to provide an environment rich with a variety of experiences to help students prepare for the challenges of tomorrow. As you move forward in your life, the staff and I hope we have met the goal. Hopefully, our Yearbook will be a reminder of friendships you have and teachers who knew each and every one of you and who had a sincere interest in helping you succeed. I hope you have enjoyed participating in the extra-curricular events such as student council, academically based organizations, special interest clubs, and team sports. We want this to be a memento to a successful year filled with numerous student accomplishments and many lasting memories!

To all of you who are leaving us, I wish you success at your new school. For those of you returning, I look forward to working with you again.
