from the

Lajes Officer's Wives Club

Wishes You Success and Happiness.
Along with our best wishes,
we would like to share some thoughts written by college
freshmen.

"There is an appointed time to be born and die
but the time between the two is of great importance, use it
wisely."

"Good parents are like turtles—
hard on the outside and soft on the inside."

"It does not take much strength to do things,
but it does take great strength to know what to do."

"What you are is your folks fault.

But if you stay that way, it is your own fault."

"Little girls were created for boys to love.

I wonder what is holding the boys up?"

"Maturity consists of no longer being taken in by oneself."

The Lajes High School Student
Council would like to congratulate
and offer best wishes to the
graduating class of 1978.
