Door of Knowledge

20th CENTURY

... On a mid-Atlantic island, in the Portuguese Azorean string, we sit. We live through high winds, rains, sunshine, and life itself. On the eastern end of Terceira Island, we, the students of Lajes High School, strive to meet the goals of our fellow American students stateside.

Commencing this year and between these covers you'll find many fond memories.

We, the annual staff, proudly present

TAURUS '63

Dedication

To Miss Gladys Zabilka, who has given untiringly of her time and musical ability to the people of Terciera, Azores, Portugal. She alone can receive credit for reorganizing the parades which the Portuguese enjoy so much.

In the four years that Miss Zabilka has been a music teacher at Lajes, she has been the inspiration for many musical performances.

...Aside from her obvious musical talent, Miss Zabilka also has literary talent; she has written two books, the most recent of which is about the Azores.

We, the Taurus staff of '63, wish to extend our sincerest thanks and congratulations to you, Miss Zabilka, for the wonderful job you have done.

The varsity basketball team had a fine season this year, led by Coach Carmen. Many times the team was hard-pressed-to-win, but they usually managed to come out on top. The varsity "rookies" worked hard and should be commended.

Because of unfortunate circumstances only the scores from the first seven games could be entered.

Golf Team

In the third year of competition the team did very well. The team won the first six matches. We lost half of our boys due to rotation. This was the first time a girl has played for the school, however her scores were good enough to keep her even with all the other boys. We hope to see another great team this year.

Softball

Lajes has always been proud of its varsity softball team. In the past season, the team lost many close games. Our potential for the next season looks good. Near perfect softball must be played to compete against the powerful squadron teams. A ball thrown just a few inches off can mean the loss of a game.
