Lajes Dependents' School

Foreword

A school is more than just a building or a locale. Lajes High School with her outstanding administrators and faculty and her friendly student body is no exception.

Although a young school in years, Lajes High is already rich in tradition. The excitement of Prom Weekend . . . the annual carnival . . . cheering at basketball games . . . the activities of a busy and functioning student council. This year has introduced new teachers and rules of procedure, but the Lajes High traditions remain.

Lajes High School is enriched, too, by an unmistakable spirit. This spirit is people, over 250 of them, cheering at pep assemblies, voting in school elections, joining and organizing school clubs, and singing the Alma Mater. It is pride in a winning team. It is pride of scholarship at the National Honor Society initiation. It is friendliness and fellowship and unity.

In this way, the 1965 TAURUS presents Lajes High School, combining the best of the past with the promise of the future.

Dedication

Because of your unity of purpose in giving generously of your time and talents . . . because of your efficiency in your individual fields . . . because of your dedication to service . . .

The Taurus staff, with respect and admiration, dedicates the 1965 Taurus to you . . . the FACULTY of Lajes High School.

Students:

The teachers, staff members and I will take the TAURUS from our bookshelves many times during the coming years. As we leaf through the pages, we will fondly recall one of the most pleasant years of our educational careers, a year filled with memories of club activities, special events and scholastic achievement. Above all, however, we will remember our friendly and co-operative students striving to better themselves individually and as a unit.

We hope that you, the other readers of this excellent annual, will have similar happy recollections.

Taurus Staff

The staff of the 1965 TAURUS has worked diligently to capture forever the spirit that is LHS.

Under the direction of Dee McCoy, Editor, and Miss Snyder, Miss Paynter, and Miss Talian, the staff chose this year's theme, organized materials, and assumed the necessary financial responsibilities involved in compiling the best yearbook possible.

The TAURUS staff kept uppermost in their minds the purpose of this book - to serve as a lasting reminder of life at LHS.
