ADVERTISEMENTS

Attendance at an overseas dependents' school is a unique experience, and it can be a truly rewarding experience. The personal acquaintances we make here are of shorter duration, but the sharing of this unique interlude can be a rich experience. You will never forget the "Rock" and Lajes Dependent's School. I wish all of you "Godspeed".

Ernest J. England,
Superintendent of Schools

This book is part of the past, but it also has a place in the future. It represents our days spent here, and each picture flashes a significant memory, either joyous or sad, upon our ineradicable screen of treasured memories.

To me, it is the finished product of which I have strived so hard to present to you for your acceptance.

As your 1967 TAURUS editor, it has been a wonderful responsibility editing your yearbook and being associated with such a fine staff. May the TAURUS be true to its meaning as it stands guard always as the memory refresher of glorious L.H.S. days.

SONG OF THE OPEN ROAD

Afoot and light-hearted, I take to the open road,
 Healthy, free, the world before me,
 The long brown path before me, leading wherever
 I choose.

Henceforth I ask not good fortune—I myself am
 good fortune;
 Henceforth I whimper no more, postpone no more,
 need nothing,
 Strong and content, I travel the open road.

I can repeat over to men and women, You have done
 such good to me, I would do the same to you . . .

TAURUS '67 GOES TO PRESS

Months of meetings, weeks of gathering ads, days of taking pictures, last minute changes, then, suddenly it's all over. The material is completed and delivered to the printer. Everyone waits nervously.

For at last the 1967 TAURUS staff can rest. The typewriter keys are silent, and the flashing of bulbs has stopped. But the memories will remain.

The 1967 staff has worked solely to produce for our school an annual which will be cherished both now and in future years.
