EXTRA!! EXTRA!!

EXCLUSIVE INTERVIEW WITH DR. DUNHAM

Q: What is your hometown? And what do you love best about it?

A: Onowa, Iowa. I loved growing up there because it was safe.

Q: What did you want to be when you were little?

A: I wanted to be a teacher from the start. I knew it in Kindergarten.

Q: What college did you go to?

A: I got my Master's Degree from Seattle Pacific, then a Doctorate Degree from Cambridge Institute of Education in Cambridge, England.

Q: Do you have any nicknames? If so, why do they call you this?

A: Lizard is one of my nicknames. They call me this because my first name is Liz.

Dr. Liz Dunham

Q: Were you in any clubs? If so, what were they?

A: I was in drama, NJHS and student council.

Q: Did you play any sports in school?

A: Softball and track.

Q: What is your favorite memory of middle school?

A: Playing on the basketball team. We won every game but one.

Q: How long have you been a principal?

A: I've been a principal for eight years.

Q: What was the first school you ever worked at? And what did you work as?

A: My first school was Anson Middle School in Marshall Town, Iowa as a 7th grade English teacher.

Q: Tell us something you don't like about yourself.

A: I don't like that I have a hard time focusing on one project at a time. I always end up starting another project before I finish one.

Q: Tell us something we would be surprised to hear.

A: The students of Landstuhl will be surprised to hear I hold the intermural football throwing record at the University of Iowa.

EXTRA!! EXTRA!!

ONE ON ONE WITH MR. AUSTIN

Mr. Steve Austin

Q: Did you play any instruments in school?

A: I played first chair trumpet, but now I play the guitar.

Q: What was your favorite subject and why?

A: Science, because of all the fun experiments and hands on activities.

Q: What did you want to be when you were younger?

A: I wanted to be a dump truck driver (LOL), but I was young.

Q: Who was your favorite teacher and why?

A: Mr. Planz because he made learning fun and made a lot of personal sacrifices for the class. He became a really good friend.

Q: Were you nervous when you found out that you got the job to become our new Assistant Principal?

A: Absolutely!

Q: How long have you been in Germany and what do you like most about it?

A: I have been in Germany since December 16, 2007. I love it because of the area. It is in a great place and you can travel easily to a lot of places.

Q: What was your major in college? Do you have more than one degree?

A: I have a degree in Business Management, a Masters Degree in Finance and a Masters Degree in Education.

Q: Which school did you work at before you came here and what was your job?

A: Sasebo, Japan. I taught 5-6 multiage.

Q: If you had to do one thing over what would it be?

A: I think I have made a lot of mistakes but I have learned from most of them. I don't think I would do anything over. I have learned from my mistakes but do not regret them.

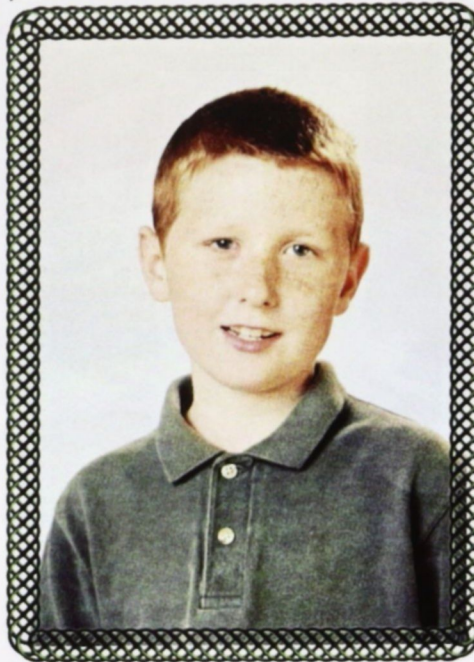

Q: What is your favorite place in the world and why?

A: Palau, in the Pacific Ocean. I love it because I love the beaches. I could live there forever.

Q: What is your favorite book? Why this one?

A: I love epic novels. My favorite one is "Les Miserable." I think it shows a good example of how someone can change after making mistakes.

In Loving Memory

Daddy's Little Angel

TOO-RA-LOO-RA-LOO-RAE
(That's an Irish Lullaby)

Over in Killarney, many years ago,
Me mither sang a song to me
In tones so sweet and low,
Just a simple little ditty,
In her good old Irish way,
And I'd give the world
If she could sing that song to me this day.
Too-ra-loo-ra-loo, too-ra-loo-ra-loo,
Too-ra-loo-ra-loo, hush now don't you cry!
Too-ra-loo-ra-loo, too-ra-loo-ra-loo,
Too-ra-loo-ra-loo, That's an Irish lullaby.
Too-ra-loo-ra-loo, That's an Irish lullaby.

Oh, in dreams, I wander to that cot again,
I feel her arms a huggin' me as she held me then,
And I hear her voice a hummin' to me
As in days of yore
When she used to rock me fast asleep
Outside the cabin door.
Too-ra-loo-ra-loo, too-ra-loo-ra-loo,
Too-ra-loo-ra-loo, hush now don't you cry!
Too-ra-loo-ra-loo, too-ra-loo-ra-loo,
Too-ra-loo-ra-loo, That's an Irish lullaby.
Too-ra-loo-ra-loo, That's an Irish lullaby.

8th grade is great!!

Lunch buddies

friends forever

Gotta Have It Girls!

You know those things you just got to have?
Well here's a list of a few things that Landstuhl
8th grade girls & guys just had to have in the
year 2007-2008...

Don't you just love great memories? Well a digital camera will help you capture those memories and keep them forever.

Latest fashions - cool jeans and hot tops. Want to be a trend setter? Then pair all your favorite clothing lines up to make a stunning outfit.

Music, photos, calender, planners, movies and music videos! Tired of having to carry all these things around seperately? Get an ipod! This cool little gadget holds everything and is just the right size to fit in your pocket.

All that glitters is gold!
Complete any look
with the right touch of
lipgloss to give your
lips just a little sparkle.

Shoes, shoes, and more shoes.
They are the icing on the cake.
Just the thing you need to make
any outfit complete.

Tired of having to struggle to carry
all your books to your classes?
What you need is a cute tote to
make life easier.

Gotta Have It Guys!

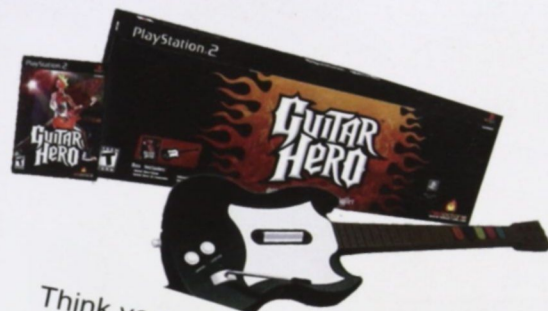

iPod - rock out to your favorite tunes with this pocket size ipod.

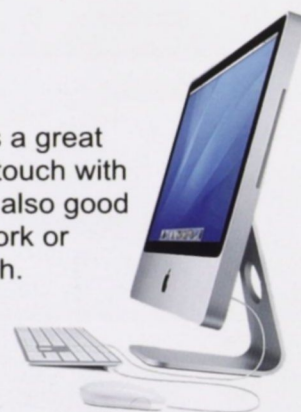

Are you bored after you finish your homework? Then you need a PS3 to play all types of games to fit your mood.

Want to be stylish and warm at the same time? Then you need a hoodie from your favorite clothing line. You got to be ready for the snow right?

Think you can really rock the house with your smooth tunes? Then you need guitar hero...and remember practice makes perfect.

A computer is a great way to keep in touch with old friends. It's also good for homework or research.

Sports Jersey-support your favorite team by wearing their team jersey. Every team has a number one fan. Could that be you?

itunes gift card- what makes a better gift than the gift of music this itunes gift card makes it easy to make quick and simple itunes purchases.

High school will get hard, but I know that you'll do what's right and not give in to peer pressure. I also know you'll do great in your classes! I'll always be there for you even if it's not right beside you.

I wish I could be there beside you the whole way, but I can't.

I graduate a year before you, but I hope to see you walk across the stage the year after I do.

You'll find out who your real friends are, and keep them close to you. Your taste in music & clothes might change, but your real friends will stick with you through it all.

I'm in it with you through it all, you're my partner in crime!

AND YOU ARE THE GUY
WHO'LL DECIDE WHERE TO GO!

The desire to succeed,
The urge to reach
Your full potential...
These are the keys that will
Unlock the door to personal
Excellence.*
