Do you have any children?
If so, how many?

Do you have any personal electronics?

Did you have any special saying in middle school?

What's your favorite movie and why?

What are your top 5 favorite songs?

What is your favorite board game?

I LOVE SUCH A VARIETY OF MUSIC (ECLECTIC). I CHANGE MY MIND ABOUT WHAT MY FAVORITES ARE WEEKLY.

IF I HAVE TIME I'VE BEEN KNOWN TO PLAY ONLINE SCRABBLE.

THAT I GET TO WORK WITH SO MANY ASPECTS OF STUDENT LEARNING. BUT MAINLY BECAUSE LEMS ROCKS AS THE SCHOOL ON TOP!

MY WONDERFUL IPOD. I SPEND A GREAT DEAL OF TIME DOWNLOADING SONGS, MUSIC & VIDEOS

5 WONDERFUL CHILDREN -
1 SON, 2 STEP-SONS,
2 STEP-DAUGHTERS

TGIF - THANK
GOODNESS IT'S FRIDAY

A BEAUTIFUL MIND ~
A GREAT GLIMPSE INTO
THE MYSTERIES OF HOW
OUR BRAIN WORKS OR
DOES NOT WORK!

TEACHING MS
MATH

WHEN I'M ALONE, I
REALLY PREFER LISTENING
AND FROM TIME TO
TIME SING OR HUM A
WIDE VARIETY.

We used to
say "sweet"
with a lot
of emphasis:
Sahweeeeet.

I have two
boys:
Matt and Levi

A game that's
called Rail Baron.
It's kind of like
Risk, but with
railroads.

When nobody's
listening? Any
Broadway
musical tune

They mostly
revolve around sports.
One thing we did was play
football every day at
lunch recess.

How about artists?
U2, Beatles, Israel
Kamakawiwo'ole,
Nanci Griffith,
& Van Morrison

I enjoy having a lot
of variety. Every day
is different here at
LEMS. I like being in
a learning environ-
ment where I can
help people and
watch them grow.

I used to have a
portable cassette
recorder and an
Atari. Now I've
upgraded to an
ipod and a Wii.

Life is Beautiful.
I like it because
it has a wonderful
message about hope
even in the midst
of tragedy

What song do
you sing in
the car?

What is your
favorite middle
school memory?

RADER

Thomas,

To our poet, author, comedian and all
around great young man!
It's unbelievable that you're
already entering high school.
Your maturity and intelligence
have always exceeded your
age as well as our expectations.
You continue to make us proud.

Keep working hard and be yourself
in high school. Your personality
will create success in all you do.
Just remember "don't let success
go to your head and don't let
failure go to your heart." - anonymous

We love you and wish you the
best in high school, college and
life... no matter what path you
choose for yourself.

To Michael Catarroja

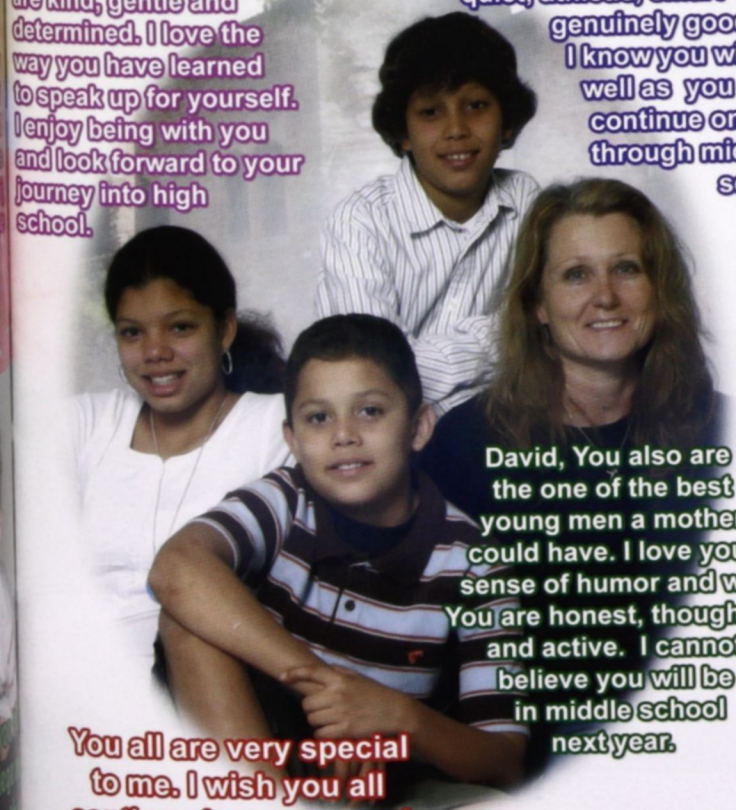

Good academic efforts this year. We are proud of you. We wish you the best in 7th grade. You are precious in God's eyes. You are precious in our eyes.

Love, Mom & Dad

Kandy, I have watched you grow into a young beautiful woman. You are kind, gentle and determined. I love the way you have learned to speak up for yourself. I enjoy being with you and look forward to your journey into high school.

Danny, You are the one of two best young men a mother could have. You are quiet, athletic, smart and a genuinely good kid. I know you will do well as you continue on through middle school.

David, You also are the one of the best young men a mother could have. I love your sense of humor and wit. You are honest, thoughtful and active. I cannot believe you will be in middle school next year.

You all are very special to me. I wish you all continued success and I love you very much. Mom

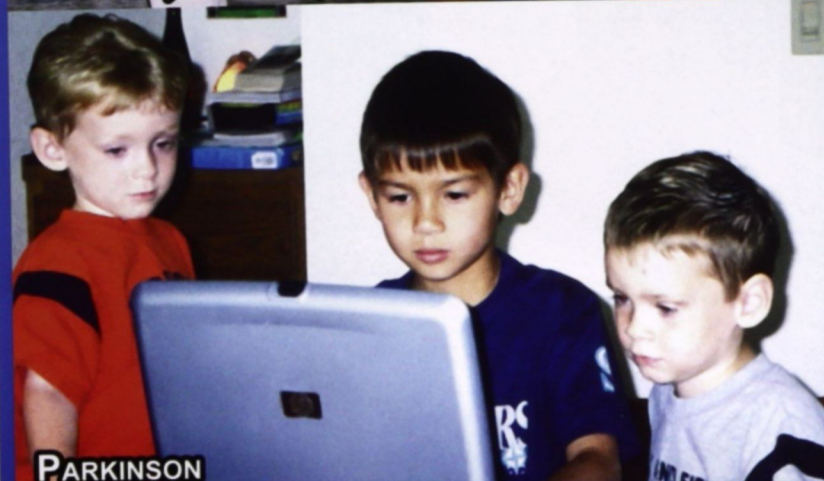

Ryan,

Congratulations on this most recent accomplishment. You did it with style! We love you and are proud of you. Stay focused and finish the race strong.

Love, Dad, Mom & Corinne

Congratulations Class of 2013!

**Every student can learn, just not on
the same day, or the same way.**

-- George Evans

**There is a brilliant child
locked inside every student.**

-- Marva Collins

Education is what remains when we have forgotten all that we have been taught.

-- George Savile, Marquis of Halifax (1633-1695) English statesman and author.

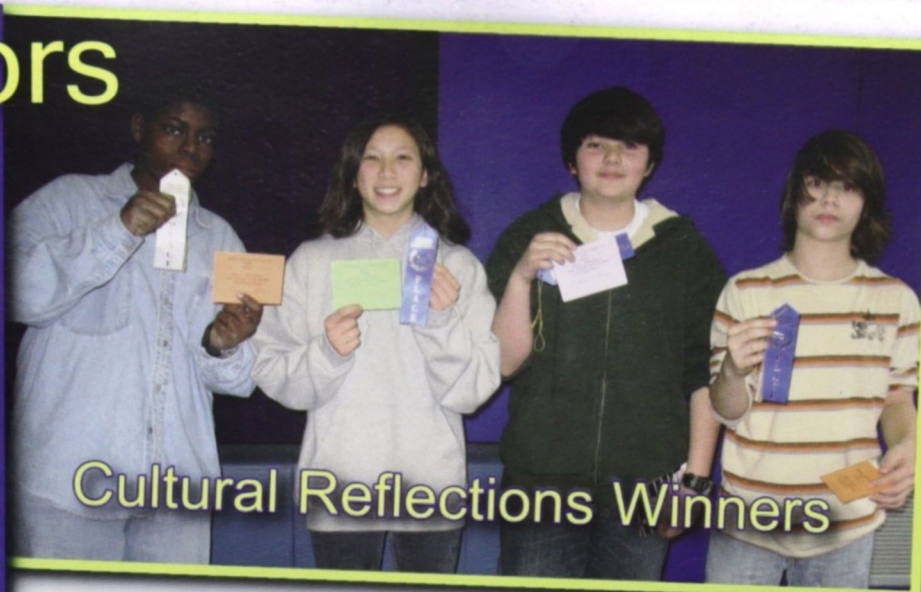

**They may forget what you said but they
will never forget how you made them
feel.**
