Tristian, as you leave Landstuhl Middle School and enter High School always remember:

Your parents are very proud of you and what you have accomplished these past eight years! You are a true blessing from God, never forget that! Your family loves you!

High school can be filled with a lot of ups and downs. There will be hard days and easier days. You will make some good friends along the way, and might loose some.

Strive to make the right choices in life, they are usually the more difficult ones to make. Always though remember how much you are loved, by your family, friends, and God! We are all proud of you!
