Where Things Happen

This was not just an ordinary school year. We started the year off with a new principal and four new teachers.

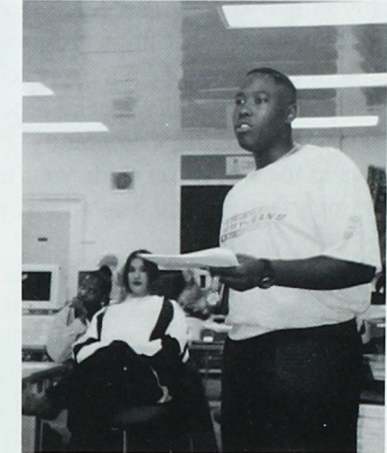

We hosted the All-Italy Band Fest AND Drama Fest. The Art Department displayed their creations at the Hotel Continental and our sports teams did well.

Everyone had a good time.

Steven Ford and Joseph Clark show the consequences of caffeine addiction

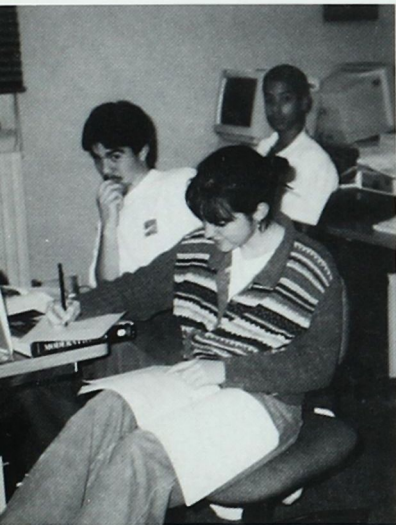

TSGT Shines receives his report card from Jeff Eichler at the fall parent conference.

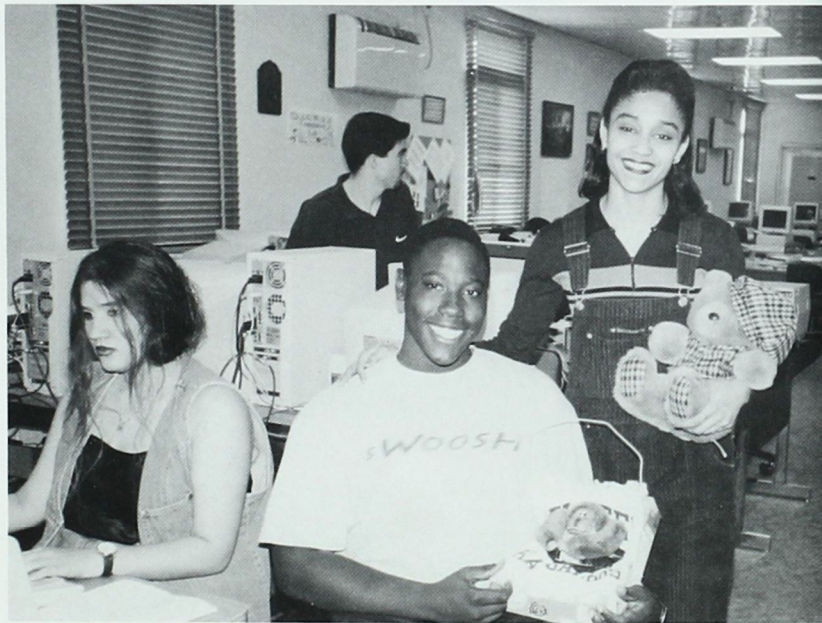

Being Defense Attorney suits Julius Pearson as he defends Cindy (Jennifer Paz).

Tamara Rinker prepares for her Drama Fest presentation with the help of Taiss Lewis and Greg McGowan

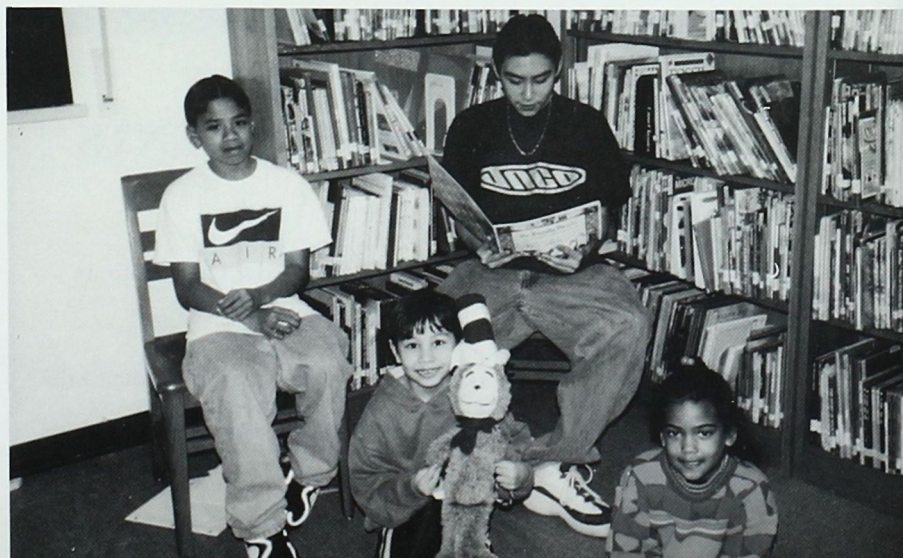

Daniela Gregory, Pat Wells, and James Portis take advantage of Sport Study Hall to complete their homework.

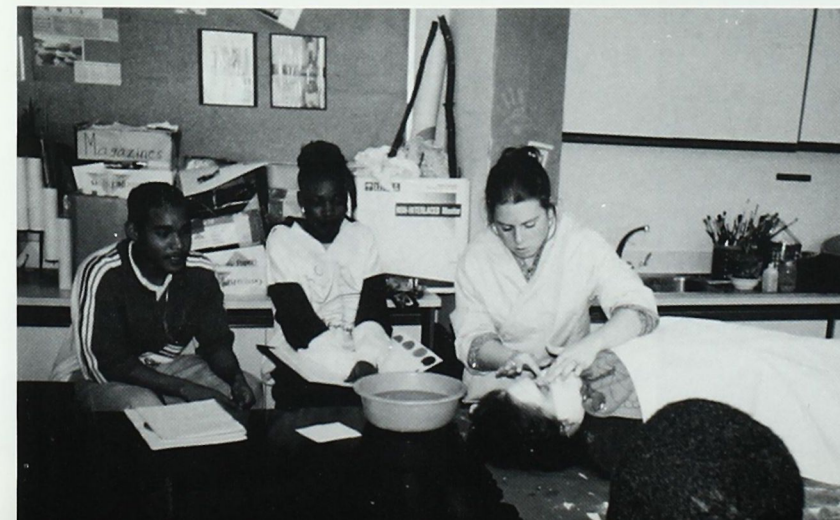

Morgan Moody, Lissette Fuentes, Sr. Ghezzi, and Tanya Potts converse in Italian..

Julius Pearson and Monique Gomez practice their parenting skills while Jennifer Paz works on her 'baby book'.

Reading to the elementary students is a favorite activity of Norman Cabiles and Anthony Sacher.

David Ingram and Gloria Addo watch as Jasmine Lewis prepares Mrs. DeLaughter's mask.

As I end my military career and my several years here at Camp Darby, I can reflect back on many wonderful and satisfying things. Among those things has been my association with the students and faculty of the Livorno Area High School. You are a special group of people, who have experienced together an equally special time here at Camp Darby. The small size of your school, the close knit nature of our Community, and its location in one of the most interesting and beautiful places in the world has made your time here unique. I truly believe that, despite our Community's imperfections and limitations, your time here will benefit you now and in later life.

You have had unequalled opportunities to get involved in a wide range of activities, to be an active and positive part of our town, and, most importantly, to bond together in a special way. I am always struck by your closeness and spirit, and especially your respect and caring for one another. You will have forged friendships that will last a lifetime. And you have learned things about yourselves and others that will benefit you for that same lifetime. If you sustain the commitment, energy, and respect and concern for others that I have observed in you at Camp Darby, your success in life is almost guaranteed, and we will remain as proud of you then as we are now.

As I said to some of you recently, every time I see or hear of the actions and activities of Livorno Area High School students, I am confident that our country will be in good hands in the years to come. As I get older, having that confidence is more important and reassuring than you might imagine.

So as I depart the Army and this wonderful Community, I wish you every blessing and opportunity in this life, confident that you will have deserved and will take good advantage of them. Moreover, I will miss you. You have been and will remain one reason I believe that this is a special place and group of people. I will look forward to hearing of your successes in the future. Best wishes and God speed.

Jasmine

My sister will soon go away
 Then at that time I will want her to stay
 I know I will cry
 Then I will let out a sigh
 But, I will have to deal with it anyway.
 Then I will know she'll be a thousand miles away
 I will try my best to write her every day.
 She will also be gone for awhile.
 I can see my letters in her room all stacked in a pile.
 I'm sure she will learn a lot of stuff
 But, hasn't she already learned enough.
 The both of us have the same color hair
 So people could tell we're related right then and there.
 I'm sure she will go to the best college
 And there she will gather a lot of knowledge.
 She was like a second mom to me
 I hope she will see
 I will miss her extremely
 Well, Jasmine, I wish you the best
 You are a sister
 I will truly miss

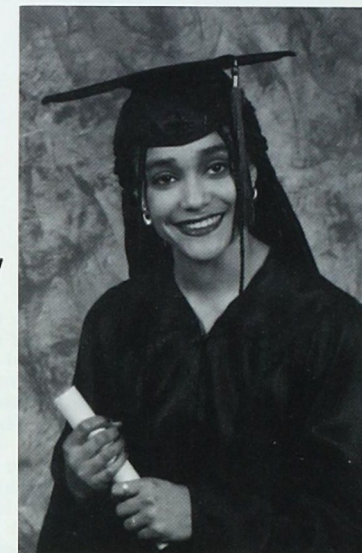

By: Didier Lewis (Little Brother)

God has blessed us with the

A Special Poem for a Special Girl Love Mom

She walks in beauty, like the night
Of cloudless climes and starry skies;
And all that's best of dark and bright
Meet in her aspect and her eyes;
Thus mellow'd to that tender light
Which heaven to gaudy day denies.

One shade the more, one ray the less,
Had half impair'd the nameless grace
Which waves in every raven tress,
Or softly lightens o'er her face;
Where thoughts serenely sweet express
How pure, how dear their dwelling place.

And on that cheek, and o'er that brow,
So soft, so calm, yet eloquent,
The smiles that win, the tints that glow,
But tell of days in goodness spent,
A mind at peace with all below,
A heart whose love is innocent!

The Livorno High School Students

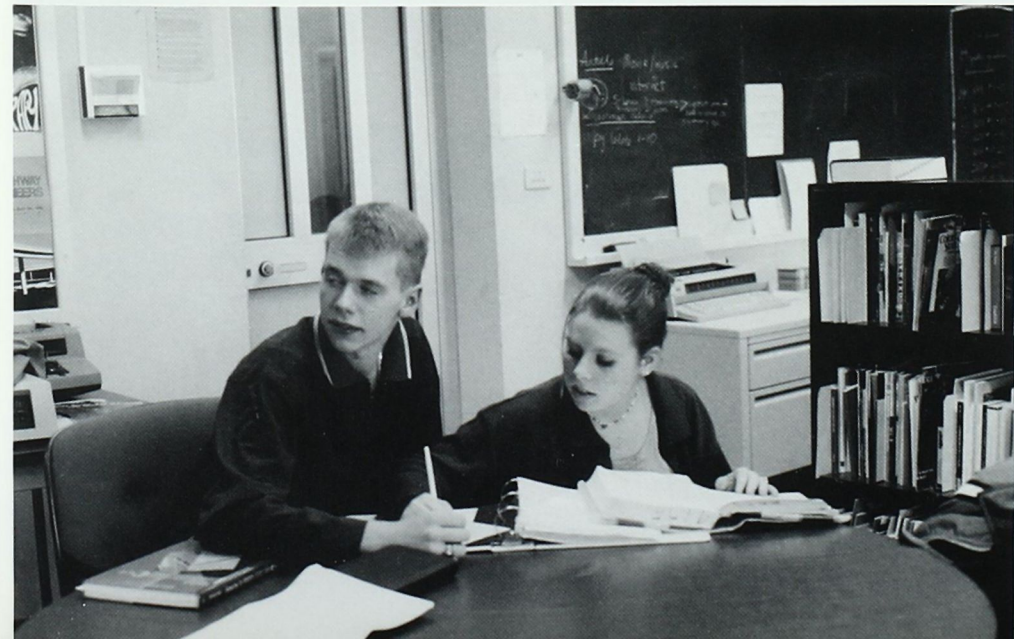

Livorno Unit School - A Full-Time Occupation

Students at Livorno Unit School can never say that life is dull. In addition to the usual English, Social Studies, and Math classes we also have band, chorus, and many other organizations which the students can enjoy.

Although Joseph Clark is usually behind the drums during band, today he has decided to play us a tune on the piano.

Nick Stephens and Jasmine Lewis work on STUCO schedules.

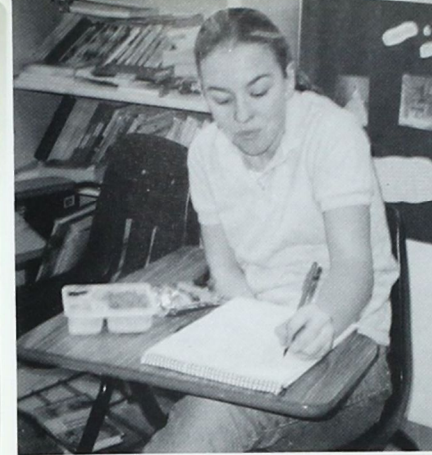

Student Council

If you want something to happen at school, the place to go is the Student Council. Each class has a representative on the council and they discuss issues, vote on the issues, then take them to the administration.

They also sponsor or co-sponsor the awards assemblies, dances, Spirit Week, Homecoming, and the other activities that make life at Livorno Unit School interesting and satisfying.

David Ingram presents an issue which he feels important.

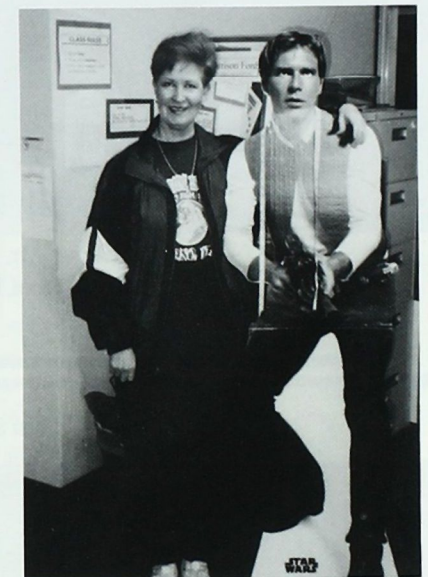

I didn't realize being secretary would interfere with my lunch, says Taiss Lewis.

Ryan Malinowski loves to count the money for Student Council.

Mrs. Hall and her friend Harrison sponsor the Livorno High School Student Council.

President Jasmine Lewis uses the flip chart to make her point to Nick.

Working lunches are a part of Student Council for Taiss, David and Jessica.

The Executive Board of Student Council hold monthly meetings.

NEW is The Name of The Game

This was the year of new things for Livorno Unit School. We got new students, new computers, and new desks.

We also got a new, WHITE, paint job on the building. We no longer have a 'pink' building.
