Editor's Page

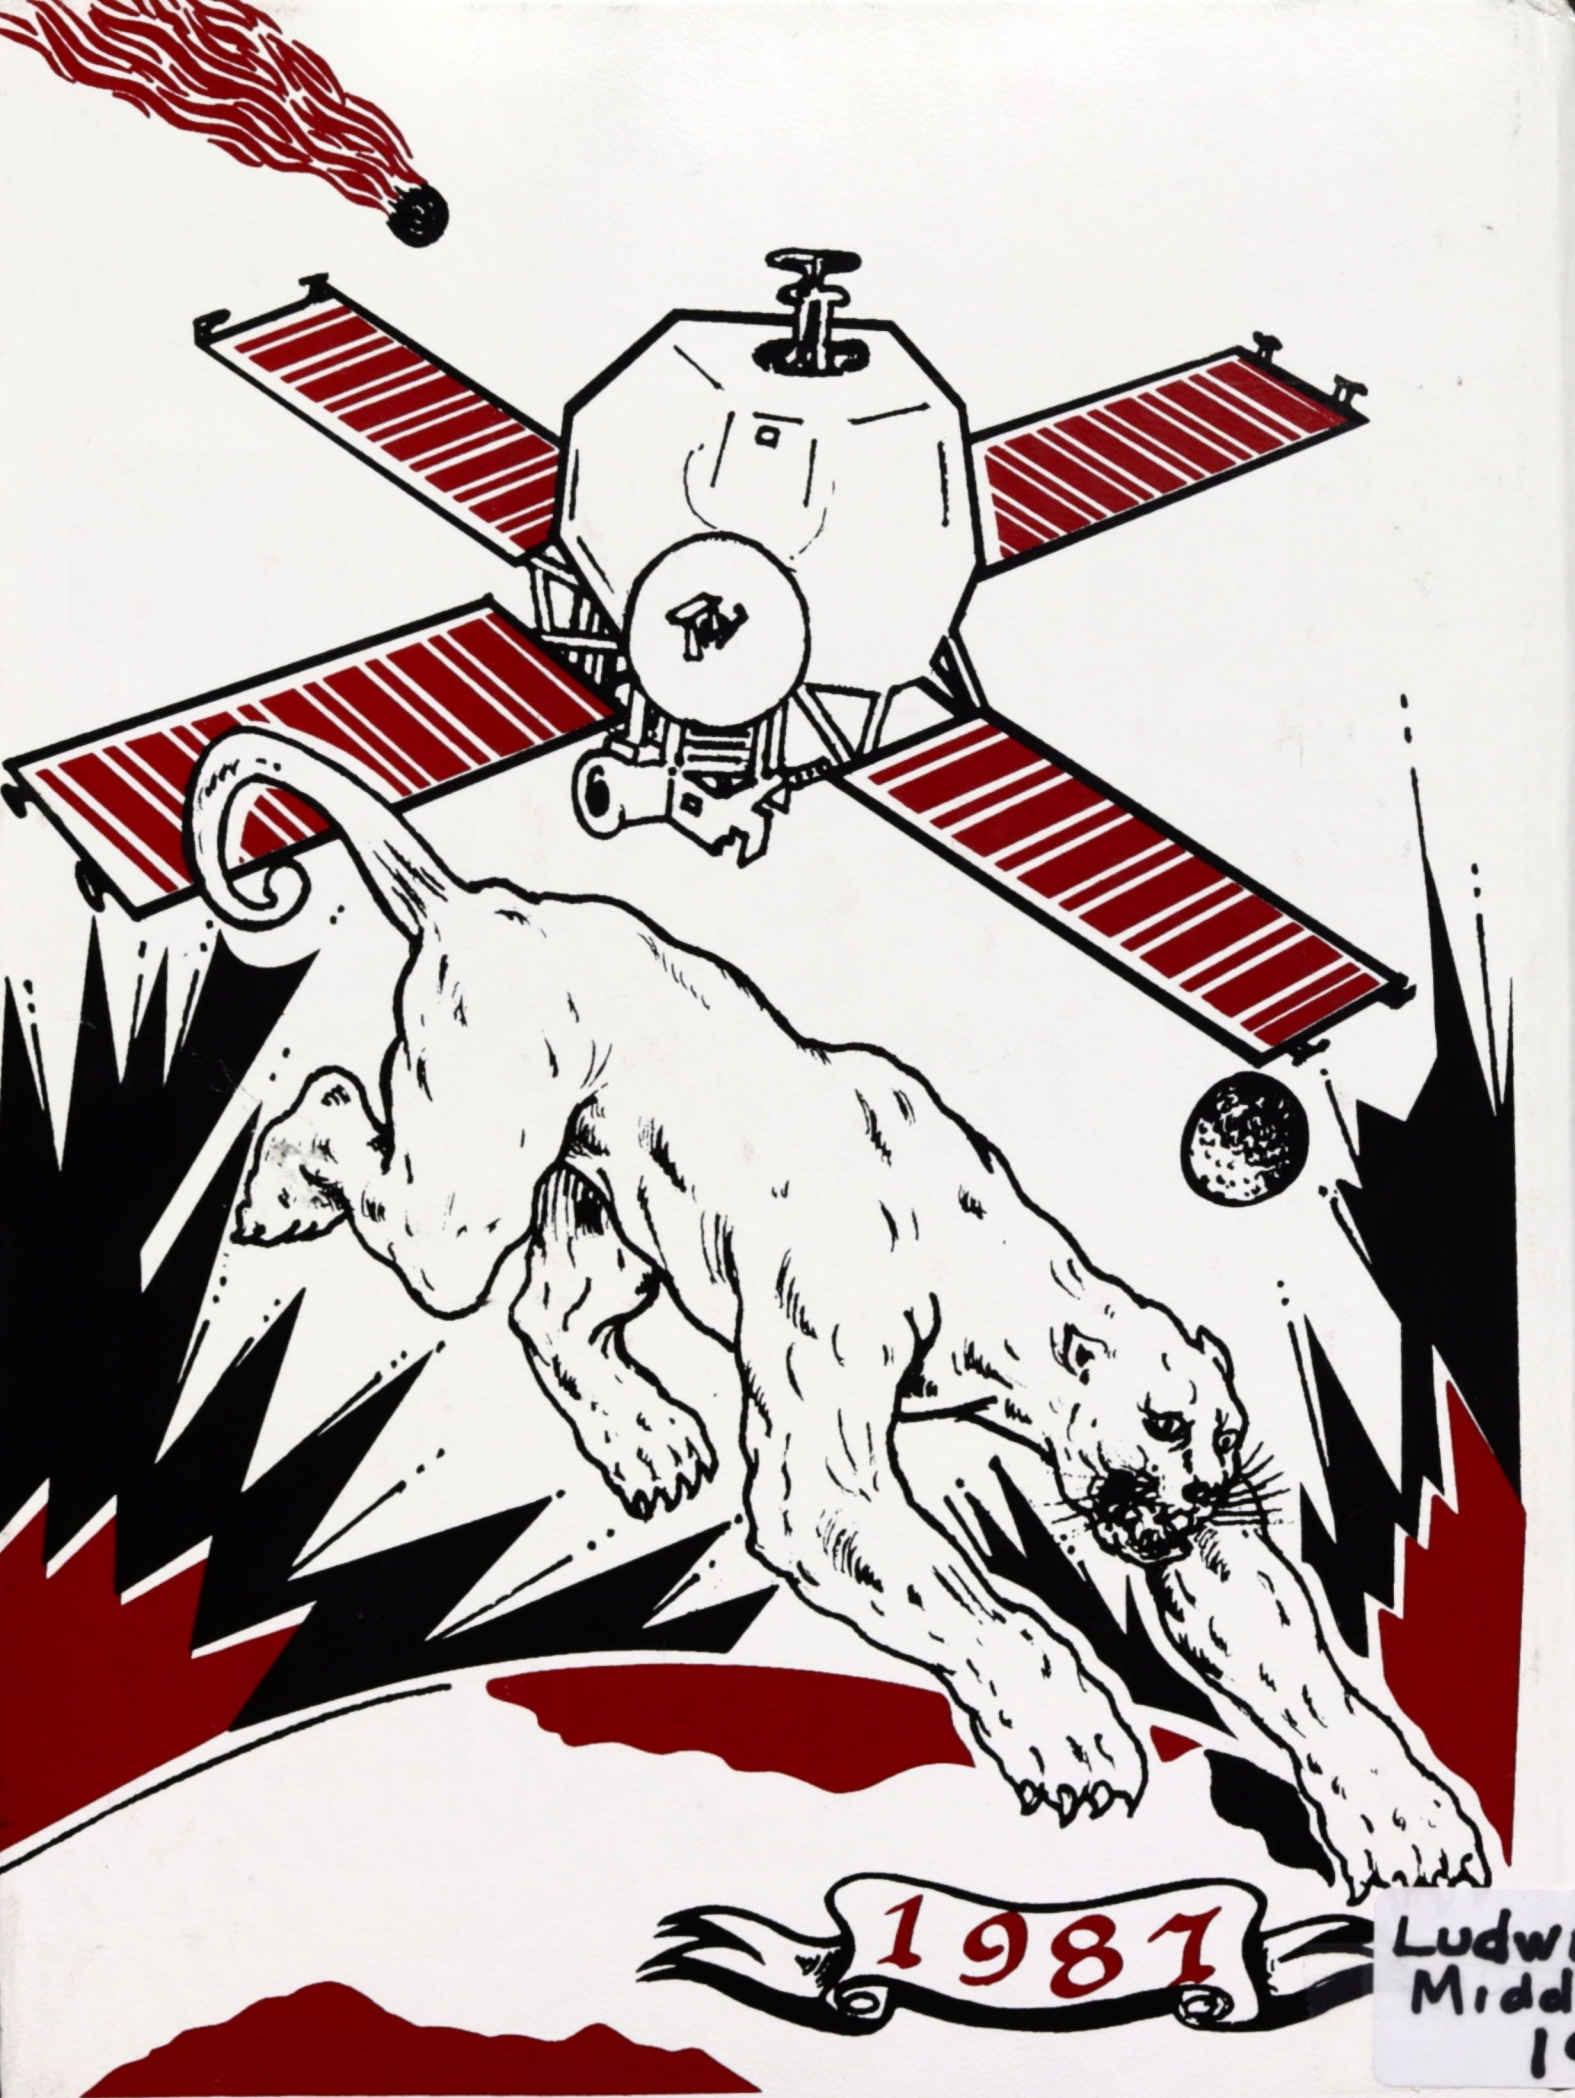

To All The LMS Graduates And Teachers.

Thanks for your support and cooperation to make this yearbook of '87 such a success. It's been a challenge and like an adventure. The yearbook staff and I have had our ups and downs working on this Zodiac yearbook. A lot of us got tired of all the confusion and wanted to give up. But, some of us pulled through. I've enjoyed being editor of this yearbook. I have learned a lot from being editor. Such as you can do anything, if you put your mind to it. Also, to never give up on your dreams and goals because you can make them come true. Good luck to the next editor of the next yearbook.

P.S. I would like to thank my Asst. Editors Angela Smith and Micheal Diagle for your help.
