School is cool!

We learn readin',

ritin',

and rithmetic,

but recess best!

Right on!

Now remember,
we never talk with
our mouth full.

Gee, that fish looks
just like me!

Now stand still
While I kill you!

Gosh, having to live in a new country, learn a new language, and grow up all at the same time—fortunately that's not tough for us kids!!!

Hey, this here Chinchon looks like a pretty important place.

Who ever said that enrollment's down?

Trash can...
What's that?

Surprise, wait until you see their room!

Boy I can see what the kid meant!

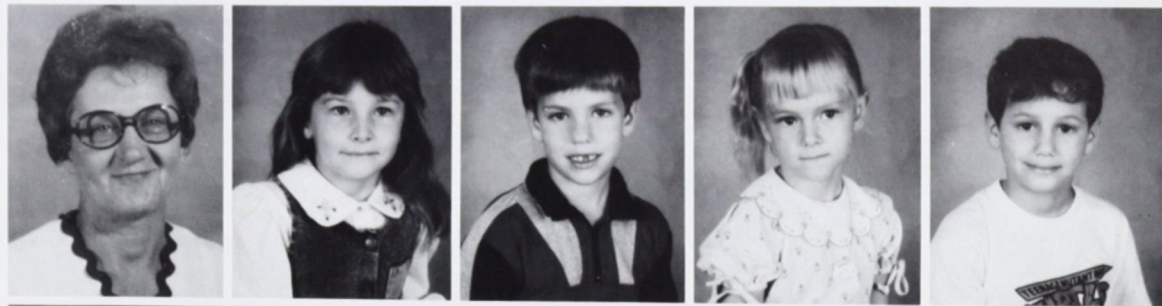

This way our sneakers don't get all muddy.

Hey, you guys jumped the gun!

Do pink panthers and blue lions get married?

No, we're not kissin' cousins.

I 'wonder what it would be like to be a firewoman—or is it fireperson?

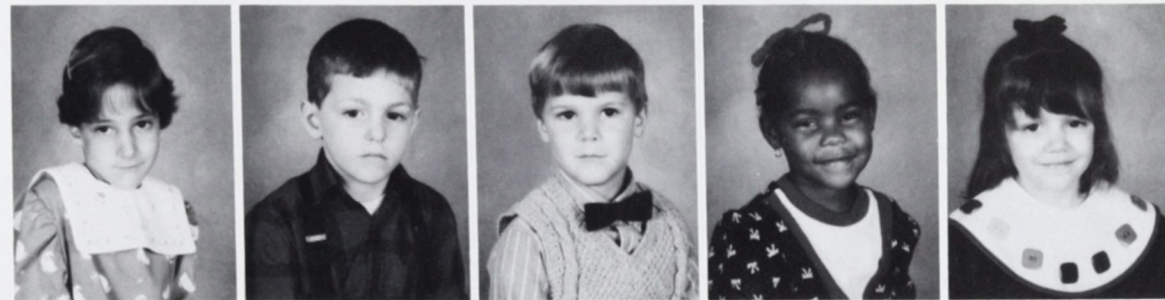

What's wrong with him? I only charged him eleventeen cents.
