There's something special to you

Please, don't spare it
No, don't you dare it!
That gentle lover's care!

"ON THE INSIDE LOOKING OUT"

I'm not in a window looking outside,
I just took my feelings,
...and put them inside.
Deep in thought,
...I sigh outloud.
You see...I'm on the inside,
...looking out.

DANIELA COFER

Blowing buds brighten my day,
swimming and jumping around all day.
Friends are fun and that's what it's all about,
....on a spring day at MY HOUSE!

"A HEART OF GOLD"

Boy, did I like Mr. Micket.
He would never give us a ticket.
He was tall and sharp.
He wore his hair in a cute little part.
He was super bold
...and man, did he have a HEART OF GOLD.
Boy, do I miss him so!

CYNTHIA ORR

My mother would tell them ,

"MR. ROEHL"

They say he looks like a frail male,
 ...his face is kind of pale.
 But, he's the man,
 ...he's the one with the master plan.
 He's never ran a Middle School,
 ...but he's really cool.
 Some say he's nice,
 ...even better than Vanilla Ice.
 And if anyone says he's mean,
 ...it doesn't mean anything!

KEYILA THOMPSON

"MR. ROEHL"

Our principal is Mr. Roehl,

 He isn't very mean,

 He may turn green!
 He takes care of our school,

Saying goodbye to friends

Anxious to meet new people,

 Boy's, boy's, boy's for President.

"GOOD-BYE"

All the memories we've had together,

 How many tears for you I've shed,

 So many people I've left behind,

 But you, I'll remember forever,
 ...even though we're not together.
 I'll never let my kids go through this as I,
 ...it's just too hard to say.....
 GOOD-BYE!

Sara Meeusen

"ALONE"

Have you ever been in a dark room,

 Your friends don't know,

 A person masking the past,

 A river of tears go down,

 A dim light of memory haunts the mind,

 When will you forget?
 You don't,

SHAWN WILLIAMS

"I WANT TO SAY I LOVE YOU"

I want to say I love you,
But I'm so afraid you'll laugh.
...and if you did...
It would break my heart in half.

I want to do more things with you,
...because I love you so.
...and if I asked you to do these things,
...I would die if you said No.

I want you to love me,
as much as I love you.
And if you said you hated me,
...I wouldn't know what to do.

My love for you is like a stream,
That runs forever true.
My stream of love will never run dry,
...As long as I have you.

"HOW TO AVOID PARENT CONFERENCES"

Parent conferences are not good. In fact, they are very bad, but...there are many ways to avoid having them.

One way is the "don't talk method." In this system, you avoid conferences by not talking in class. The second method, walk into class, sit down in your seat, and only speak when the teacher speaks to you!

Another way is the "bring your materials to class method." There are just a few easy steps in this method. First walk into the classroom, sit down, and make sure materials are with you.

The most efficient way is to combine the two and do what the teacher says.

 It fills the air with joy.

 An action that hurts your pride,

"IN WITH A BANG"

Spring comes in with a ring,
Flowers are on the grass,
Which used to be bare as glass.
The sun is lighter,
The children are brighter,
...now that spring has come.

AMANDA HONAKER

"DON'T CRY"

Little girl don't cry,
Someone is there for you.
I know you're sad,
...maybe even blue.
Hold your head up high,
...Be proud.
Don't be shy
Speak outloud.
Don't sit alone forever,
Don't let that someone pass you by.
Look alive,
Strive and do your best,
...and remember,
PLEASE DON'T CRY!

LASHASTA CURRY

"SOMEDAY"

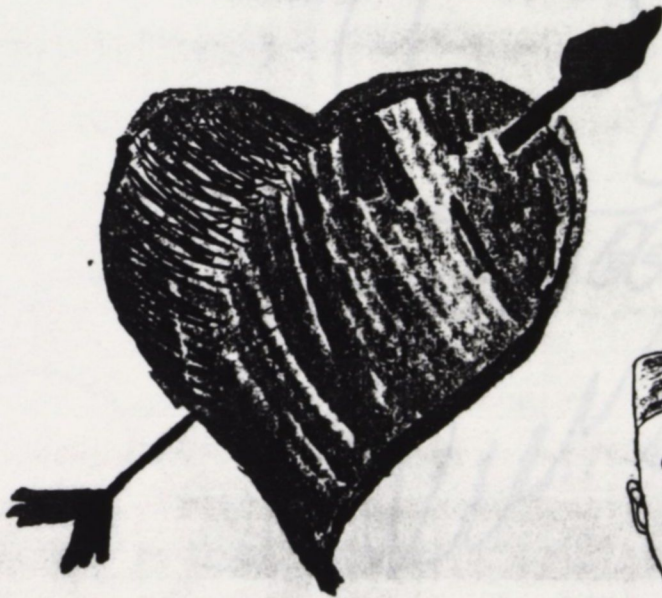

In my mind I can see,
You standing very close to me
I open my eyes ,
The image is gone.
I'll just have to wait,
Please don't make it long.
How much more can I take?
What can I do?
Tears fall down,
Someday I'll make it through,
Maybe...maybe someday,
...I'll belong to you.

LESLEE ROMERO

"FALSE-HEARTED LOVERS"

They say that they'll love you forever,
Until they find another lover!
Love isn't true,
Unless, it's me and you.
Please don't be a false hearted lover!

When they have grown out of toys,
When they grow up and fall in love,
To them the world is like a dove.
No more hurt,
No more fear,

AMANDA HONAKER

"ONE FOOT FORWARD"

One foot forward,
One foot back,
Don't go too fast,
You'll have a heart attack.
Step by step,
Beat by beat,
Come on people,
Move your feet.
When you go to parties,
Remember your steps.
You'll dance with people
You've never met.
So, grab your girl
Swing her around.
Don't swing too fast,
...or she'll hit the ground

SAROYA TURNER

"KITES"

Flowing gracefully through the sky
It would be so nice to fly.
Fly like the kites,
Up, down, and all around.
Soaring carelessly and endlessly,
Not caring.
Dozens of people gazing up,
All staring.
I wish I could fly,
...fly high in the sky.

"HE'S ALRIGHT!"

About our Mr. Roehl.

"MR. MICKET"

They say you were skinny,
They say you were tall.
Really easy to find in the halls.
They say you rhymed,
They say you clapped,
In some instances,

They say you laughed,
They say you danced,
...and with that,
their lives were enhanced.
They say you were nice,
They say you were cool.
They said you really,

DAWN LEGEL

"TARDINESS"

Tardy people come in everyday,
"My locker wouldn't open",
...or so they say.

Some teachers give detention.
"Ten minutes of lunch with me you'll spend."

Other teachers don't mind at all,
...because they're so busy doing roll call.

"Bad kids' are tardy most of the time,
...when they get in trouble, they start to
.....whine.

Smart kids aren't tardy at all,
They're always early for class.
Now...that's what teachers call a
...good lad or lass.

KERSINA MILLER

"A COOL SPRING BREEZE"

A cool spring breeze played on my back today,
It blew the chills of winter away.
It played on the trees,
It played on the grass,
It played on the blossoms,
...and sent the chills away.

Eileen Epps

The dominant color will be....
GREEN!

BEN TAYLOR

In spring there are lots of bees.

A shoulder to cry upon,
A waterfall of happy tears,

Could this thing be love?

A casual conversation,

Could this thing be love?

A hug, a kiss, a friendly hand,
A shoulder to cry upon,
A waterfall of happy tears,
YES...THIS THING IS LOVE!!

And slam their heads against door mats.
I like to throw them very far.

I like to set their tails on fire,

I like to put them in combat,
Now, there's nine ways to kill a cat!

Poor little child
 Who gets abused at night.
 Her parents hit her with all their might.
 She has no friends to play with outside.
 Sometimes she wishes she could lay down and die.
 At night she walks the streets alone,
 Hoping to find a world of her own.
 She cries and cries as she sits in the dark,
 As her parents give her ugly marks.
 They call her names like idiot and stupid,

 That you were the nicest person in Mannheim Middle School!
 I heard you were tall and skinny,
 Almost as thin as a penny.

 I'm so sorry that you had to retire,
 ...because you were really admired!
 But, now that you are gone,

 Here's to Mr. Micket,
