School Year 2004 - 2005

After a year of reflection, a year of learning, it is the last year of working at MES for five staff members. We would like to dedicate this yearbook to:

Frau Edith Anderson – Office Clerk and Receptionist – 38 years at MES
Diane Barr – Teacher of the Learning Impaired - 40 years as an educator
Jane Black – TAG and Enrichment Teacher - 34 years as an educator
Sharron Doss – Music Teacher - 36 years as an educator
Jo Hiromoto - 35 years as an educator

Our community of learners has benefited from knowing and being taught by Ms. Barr, Ms. Black, Ms. Doss and Mrs. Hiromoto. These four dedicated, hardworking, and diverse individuals will leave Germany to resume a “stateside” standard of living, taking with them many fond memories of their time spent working at MES. Frau Anderson will remain in the area, enjoying her life of leisure and not having to make those early morning calls for substitutes when teachers and staff are absent!

This year the “winds of change” blew at Mannheim Elementary School. A new principal arrived from the Pacific and a new assistant principal moved in from Heidelberg. There were significant changes at MES to include: lunch recess for students each day (weather permitting), focusing on Goal #1 of the DoDEA Community Strategic Plan – highest student achievement, and renewed dedication by staff - insisting that students behave in a responsible manner and not disrupt the educational or learning process in their classrooms. It has been a very good year!

The teaching staff, para-professional educators, the PTA, SAC, parent and community volunteers, and the fabulous adopt-a-school battalion, the 44th Signal Battalion, join us in wishing our retirees the very best as they begin their new lives.

Have a restful and fun summer!
