School Year 2005 - 2006

A year of reflection, a year of learning, and the last year of being an educator for four MES staff members.

We would like to dedicate this yearbook to:

Deb Blank – Guidance Counselor – 29 years as an educator

Judy Lenmark–Sure Start Teacher – 28 years as an educator

Laurel Martin – Reading Recovery/Language Arts Specialist – 30 years as an educator

Mike Mullins – First Grade Teacher - 30 years as an educator

Our community of learners has benefited from knowing and being taught by Mrs. Blank, Ms. Lenmark, Mrs. Martin and Mr. Mullins. We wish them the very best while living the “easy” life of retirement!

The “winds of change” continue to blow at Mannheim Elementary School. There were many new faces to include Mrs. Laura McGann and Mr. Brad Seadore, two additional administrators. We had many new staff members and because of PCS moves and deployments, many different para-professional aides worked with our students in a variety of classroom and one-on-one situations. The staff continued focusing on Goal #1 of the DoDEA Community Strategic Plan – highest student achievement, while insisting that students behave in a responsible manner and not disrupt the educational or learning process in their classrooms. We have made great gains in our quest to make MES “bully proof” and are proud of students’ successes and celebrate their accomplishments. Mannheim Elementary School is a safe place for students to learn and grow!

The teaching staff, para-professional educators, the PTA, SAC, parent and community volunteers, and the fabulous adopt-a-school battalion, the 44th Signal Brigade, join us in wishing our retirees the very best as they begin their new lives.

Have a restful and fun summer!

Unity Poem

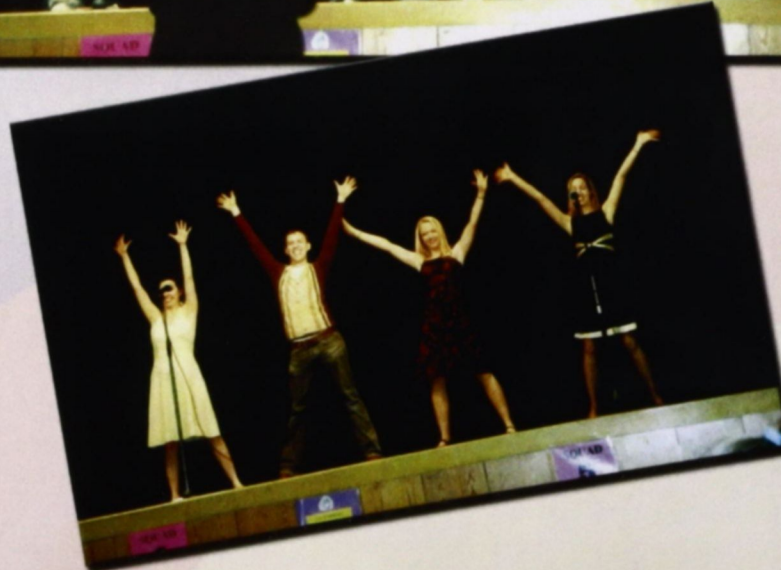

I dreamed I stood in a studio
And watched two sculptors there.
The clay they used was a young child's mind
And they fashioned it with care.
One was a teacher, the tools he used
Were books and music and art.
The other was a parent with guiding hand
And a gentle loving heart.
Day after day, the teacher toiled with touch
That was deft and sure.
While the parent labored by his side
And polished and smoothed it o'er.
And when at last their task was done,
They were proud of what they had wrought
For the things they had molded into the child
Could never be sold or bought.
And each agree they would have failed
If each had worked alone.
For behind the parent stood the school
And behind the teacher, the home.
