School Year 2007-2008

It is with great pride and respect that we dedicate our yearbook this year to our soldiers who bravely serve our country and to our retiring educators! We say farewell to Christa Rhau, Host Nation, Sandra Shorer, Guidance Counselor, and Isabella Speese, Compensatory Education (reading) Teacher. Together, they brought 90+ years of teaching to the children in our school. We wish them the very best as they move into another journey in life, retirement.

Please join me in a very special thank you and appreciation to our Parent Teacher Association (PTA) for sponsoring and preparing our yearbook. Ms. Sheppard and Ms. Capito, our teachers who cheerfully stepped up to work on the yearbook, poured over hundred of photos from our photo gallery to put together an outstanding publication that will serve as a grand reminder of our exemplary school programs, extra curricular activities, special events, friends and classmates, support staff, teachers, and most especially our students and their accomplishments. We hope you will be pleased and excited as you take a journey through this school year with our super students. Our yearbook team has captured our students' achievements, their engagement in learning, their participation in after school activities, and our dedicated staff and volunteers, at work and play.

Learning is our business, and high academic achievement is our number one goal. We believe that we can achieve this goal when home, school, and military community combine energies and talents. Our experienced educators, support professionals, parents, and service members dedicated their talents and energies to our children. Together, everyone's contributions have made a difference for our nation's most valuable resource, our students. It is with great joy and pride that we invite you to celebrate our students' learning as you take a peek at our year in review!

Wishing each of you continued success,

Sharon Overstreet

One Hundred Years from now
Author Unknown

RETIREEES

One Hundred Years from now
It will not matter
what kind of car I drove,
What kind of house I lived in,
how much money was in my bank account
nor what my clothes looked like.
But the world may be a better place because
I was important in the life of a child.
