School Year 2008-2009

It is with great pride and respect that we dedicate our yearbook this year to our soldiers who bravely serve our country and to our retiring educators! We say farewell to Vivianne Bunzendahl, speech and language teacher, and our Cliff Young, school psychologist. Together, they brought 60+ years of teaching to the children in our school. We wish them the very best as they move into another journey in life, retirement.

Please join me in a very special thank you and appreciation to our Parent Teacher Association (PTA) for sponsoring and preparing our yearbook. Ms. Sheppard and Ms. Capito, our teachers who lead our Yearbook Club members as they poured over hundred of photos from our photo gallery to put together an outstanding publication that will serve as a grand reminder of our exemplary school programs, extra curricular activities, special events, friends and classmates, support staff, teachers, and most especially our students and their accomplishments. We hope you will be pleased and excited as you take a journey through this school year with our super students. Our Yearbook Club has captured our students' achievements, their engagement in learning, their participation in after school activities, and our dedicated staff and volunteers, at work and play.

Learning is our business, and high academic achievement is our number one goal. We believe that we can achieve this goal when home, school, and military community combine energies and talents. Our experienced educators, support professionals, parents, and service members dedicated their talents and energies to our children. Together, everyone's contributions have made a difference for our nation's most valuable resource, our students. It is with great joy and pride that we invite you to celebrate our students' learning as you take a peek at our year in review!

Wishing each of you continued success,

Sharon Overstreet

Although you are retiring from education you will never retire
out of the hearts and lives of the children whose lives you
have changed over the years!

Best Wishes as you open another chapter in your life!

Love, Mom & Dad

Mrs. Sheppard & Mrs. Capito's
Classes,

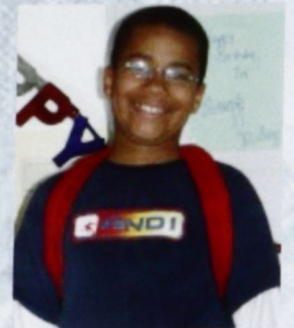

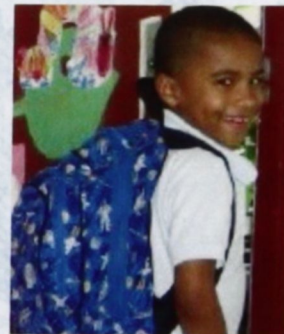

We have enjoyed getting to know each other through all of the fun learning activities we have done; reading, writing a book, and community building!
Have a great summer and come see us next year!

Sugar Dot,

You are our Nala, Shortstack, Beauty Bar, Face, and Sawed-off; you are our Love. Somehow GOD thought enough of our family to give us a beautiful baby girl who is way, way smart and super, super sweet. H.S. Musical, Webkinz, President Obama "Yes We Can" 1,000 piece puzzle, Girl Scouts, and even though you get in the bed every morning to warm your feet while cooling Daddy's body (I Love It!), you make all of us feel that we are your favorite. You are a winner!!

P.S. "I'm trying to holler at a Playa"
(your favorite Bison cheer)

Tre,

We are so proud of your fabulous grades and your efforts to be a respectful, caring and responsible citizen and family member. You set a great example for your sister and the other members of the community. You made it through the first part of your education with flying colors and we know you are capable and prepared to make it through the next step! Congratulations on a job well done, son!! Remember, "Yes I Can!!"
We love all that you are and look forward to what you will become,
Mom, Dad, Trinity & the rest of your family and friends

HoneyBird,

You are growing up right before our eyes-it is such a bitter/sweet! You continue to be very smart and are getting more beautiful every single day. Respectful, straight A's, 5th grader, Girl Scout, Cup Stacker Supreme, H.S. Musical watcher, and Daddy's Girl!! Mommy and Daddy are so proud of you and thank GOD for their HoneyBird!

P.S. Congrats on getting your I.D. Card!

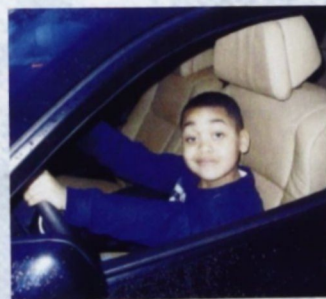

Emily,

We are so proud of you.
We all love you very much. Keep up the good work.

Love,
Dad, Mom, Tara, Froni,
and Blitzen

Sean, Wow! You are finishing 5th grade this year! You have grown so much in the last year. You aren't our "little" boy anymore. We both love you and are very proud to be your parents! Continue to grow and follow your dreams - you'll do great things in the future! Good luck in Middle School!
Love, Mommy

Ronald,

You are an awesome son and a fine student! Any teacher will appreciate and enjoy you. You were born with the talent to bloom with vibrant colors. Always give your best and you will be successful. Always believe in yourself and success will come to you. Always work hard to achieve great things in life because nothing is impossible. Always remember that we are so proud of you!

Love Always, Mom & Dad

Adriana,
 Congratulations on a great 5th
 grade year! We are very proud of
 your straight A honor roll
 achievements. You have shown
 great horsemanship in your riding.
 You are a true equestrian!
 Love,
 Mom, Dad, Fancy and Snowball

Preston,
 You give us so many
 reasons to be proud, just
 by being who you are.
 We love you!
 Mom & Dad

Alexander,
 I am so proud to be
 your sister. Great job
 in school! - Kaitlynn

We love you!
 Mom and Dad

Mama and Papa

Ms. Ester Williams' Class:
 The child's greatest asset in the process of learning is his ability to play. It is through play that he or she manages to come to terms with the world and make it something he can understand and control. The child who does not play has no really effective means of developing.
