

NUERNBERG ELEMENTARY

NUGGETS
We're as good as Gold
1984-1985
Yearbook

Nuernberg American Elementary School students and staff are delighted that this, our first yearbook, has turned out so well. We appreciate all of the staff assistance especially our yearbook comittee. I am very proud of our excellent staff and students. We shall all enjoy this book with fond memories of the 1984-1985 school year for many years to come.

Terrific Fifth Graders

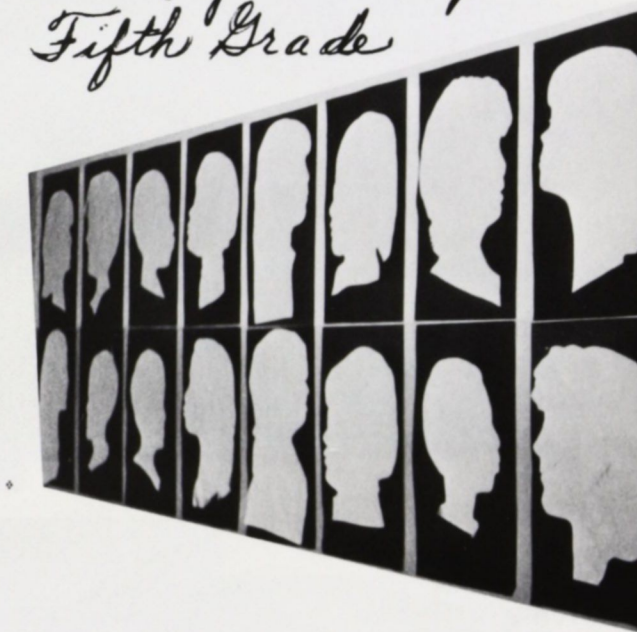

We are terrific fifth graders
Who like to work hard.
We're in a class with lots of traders
Who trade mini cars.

Somtimes we have parties.
We get together and break dance.
Some kids act like "smarties"
And those who can't break take a chance.

Fifth graders are very smart.
They have very big hearts.
Fifth graders the best in the land,
Would even make a terrific marching band.
Fifth graders-

GREAT, TERRIFIC, SMART and COOL
Fifth graders-
the best part of our school!
