Two of the latest developing trends this year are tattoos and body piercing. Students seem to have taken an interest in multiple earrings, tongue-rings, and belly-rings, etc. Some students have also been "tagging" themselves with everlasting art work. As wild, crazy, and in a few cases permanent as this growing trend may be, the students of Kadena High are definitely expressing themselves on a whole new level!

# Life On Okinawa!!!

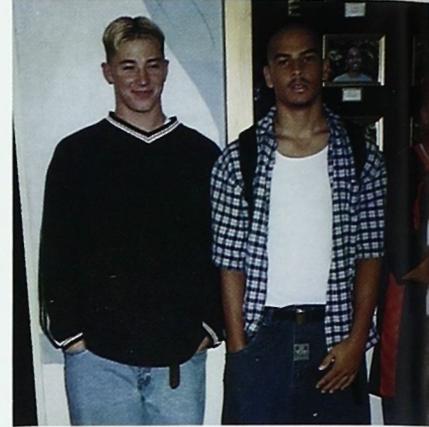

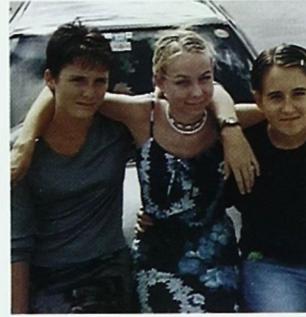

**Q** If you HAD to choose one, would you rather be deaf, dumb, or blind throughout life??

**A** "I'd rather be dumb because, I need to see and hear ... You heard me."

*"Take your time ... don't live too fast, troubles will come and they will pass ..."*

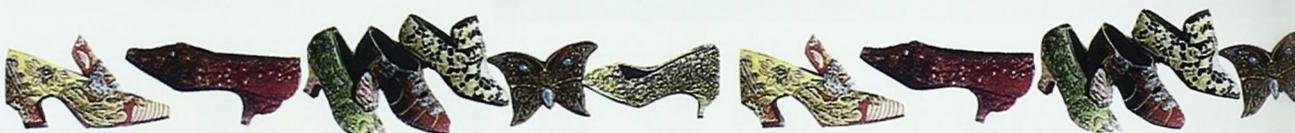

### Fashion Survey Results-

- ★ Scary Spice blows the rest of the Spice Girls away with her spicy taste for fashion.
- ★ A typical day at Kadena, students will be sporting Spaghetti straps, hip-huggers/bell-bottoms, Timberlands, platforms, baggy pants, (with one pant leg up), Oki Towels and piercing.
- ★ Majority of our student body can't leave the house without deodorant ...and make up.
- ★ We would rather be Shopping out on BC street, than our BX.
- ★ Worst Brand Names Out today: Fubu, Reebok, and Tommy Hilfiger.
- ★ Spandex is a big No-no!!

*You're a friend like all the rest  
 But why do I like you best?  
 Still I do not understand  
 Why of all the people around  
 It's you I want to be with  
 I guess it's because  
 with you, I'm me  
 And not somebody that  
 others want me to be  
 We have so much in common  
 That we find each other  
 Not just another person  
 But an image of our ownself.  
 Whatever reason is  
 Behind this friendship  
 Whatever binds us together,  
 I will be your friend

*It's hard to believe that you are graduating. I've waited so long for this day, and now that it's here, I'm not ready for you to go out on your own. I've gotten so used to having you with me, it's like a part of me will be missing. It seems like yesterday that I was holding you in my arms, putting you to bed and telling my friends that it was a long time before you'd be graduating. It is a sad and glad time of life when you must look ahead to new friends and say good-bye to old friends. There will be laughter and tears, not only from friends but from me as well. Graduation is a proud and wonderful time of life. It is an end and a beginning, and whatever you choose to do, I know you will do it well. There are so many things I want to say to you. Where do I begin? As I look back at your childhood, I try to recall what you did as a little girl that made me so happy. There are too many wonderful things to mention. You've always had such determination and you never give up. Watching you as you have grown and changed has been a true joy. Thank you for touching my life in countless, beautiful ways. You have been such an inspiration and so essential to have you in my life. Thank you for being my daughter. Regardless of the stress, pain, and frustration that you may encounter, you must continue to go on with your life, no matter how difficult. Learn not to sweat the small stuff, to only look at what is truly important. When you want the truth about something or have a problem always feel like you can call me. When you don't know what to do in a situation, ask my opinion and weigh it heavily with yours. When things are confused, as they will be, discuss them until they make sense. Always remember that you can do all things through God and that God is one and has to be part of everything you do. When you need someone to count on, someone to share your hopes and dreams, remember I'll always be there for you. No matter how much distance is between us, know you will always be right "here" in my heart...*

Another tough year in the Panther/Dragon series for our Kadena Greats. The Panthers made the games very close, only to lose 14-17 and 6-26. Seniors dominated this year's Panthers, which were led by Marcus Brown, Deonte Bynum, Joe Rodriguez, Nick Rabonza, and Mike Pearson. Standouts from the underclassmen were Nick Norris, Dustin Duke, Sean Marshall, and Mike Aparicio.

**Fact:** Football began to develop during the mid-1800's when a game similar to soccer was placed in the Eastern United States.

"I had the best time playing for the Bucs. I made a lot of new friends out there. The football team became like a family to me. It was Cool!"

**Coaches Comments**  
The Bucs finished second in the conference losing only two games to the league champions. The Bucs had an explosive wishbone attack led by Dustin Duke, Nate Norris, Joe Rodriguez, and Mike Aparicio. The Defense was seldom scored upon and had hard hitters in Richard Willingham, Chaz LeBlanc and Anthony King. The Bucs return a great nucleus for a possible championship next year.

The 1998 Kadena Islanders had a very successful season despite their 2-4 record. We had one of the best defenses in the league, lead by Senior Marcus Brown. The Islanders also had a top rated special team lead by Senior Mike Pearson. The Islanders placed six players in the Okinawa All-Island Team; Seniors Marcus Brown, Mike Pearson, Deonte Bynum, and Billy Cole, Junior Sean Marshall and Freshman Dan Emmons.

*Panther Pride  
Kadena Fields It's Most Ruthless  
Team Ever Since 1995.*

The Kadena High School Panther Football team was one of the hardest hitting teams that Kadena has ever had, it was one of the youngest as well. The team consisted of only 12 seniors, the rest were all underclassmen. Even though we lost both times to the rival Dragons, the Panthers never went down without a fight. The Varsity Defense was made up of a good combination of the Bucs and Islanders. The middle line-backers

weighed up to a quarter of a ton. The defense was small, but very quick and the offense was great. The defensive line weighed in at 200 pounds. The backs were the quickest on the Island and our quarterbacks were averaging more yards than the rival school's quarterback, Andy Smith. To sum it up the Varsity Panthers were scared of nothing. With the defense of the hit squad and the arms of Dustin Duke, the Panthers were Ruthless and Reckless. Who Rocks the Doghouse?

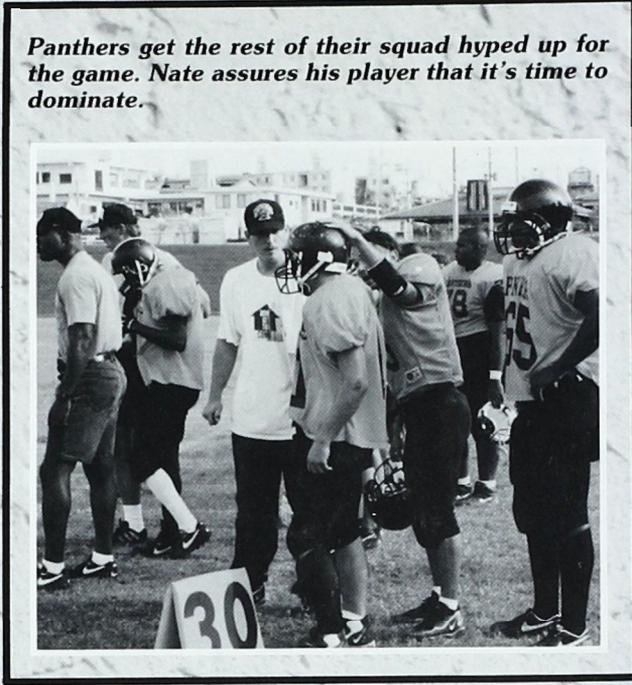

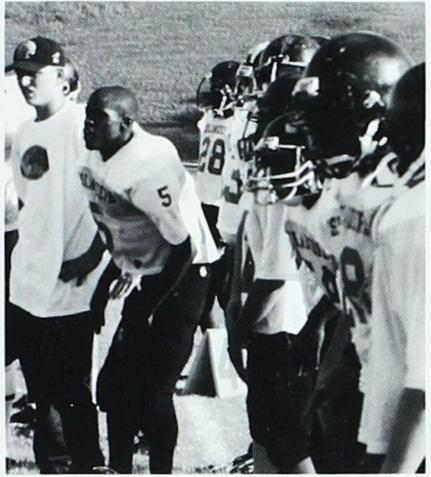

Deonte is worn out. What a game.

**Kadena High School hosted the 1999 Far East Boys' Basketball Tournament. The Panthers made their fans proud by playing with excellent skill, as they did all season. Their outstanding plays and teamwork enabled them to remain undefeated among high school teams. The Panthers ended the season with an impressive 29-6 record. In addition, they held true to Marcus Brown's promise to win the Far East Tournament. The starting line up had PJ Hughes and Nick Rabonza playing the guard positions, Rodney Whitaker and Josh Whitney playing forward and the big man, Marcus, at center. Coach Scott Davis was proud of his boys. The Panthers of 1999 are, without a doubt, one of the best teams that Kadena has ever had!**

This will help them in the Far East Tournament at Kinnick High School. They are great girls with a lot of desire and motivation. -Coach Wallace

The Lady Islanders have had an undefeated season. The quick action provided by Kim and Athena, the strong rebounding by Marquita and Carlie, the intense hustle of Florence and Crystal, and the solid bench have provided the team with all the necessary elements. The girls play well together and teamwork abounds. -Coach Fuller

## *Kadena High School Is The Less...*

*Marcine Wilson is a woman of islands. Throughout her many years of service in DoDDS, she spent her time on islands: Puerto Rico, Honshu, Okinawa. But unlike these isolated spots, Marcine Wilson connected. She connected with her friends, she connected with her colleagues, and, more importantly, she connected with her students. When she retired this year, that connection was broken and Kadena High School students were less for it. Thank you, Mrs. Wilson, for making that connection.*

*Kadena High School 1985-1998  
With grateful appreciation for all that she  
contributed to our school.*

*DEDICATION-This yearbook is dedi-  
cated to Mrs. Marcine Wilson.*

# MR. ABBOTT

Hi sir! The year is almost over!

I still remember the first time I met you at the office. You really gave me a good impression. You're such a responsible and well motivated person. I really like you to be KADHS's "Head Principal" in the future.

Thank you for everything, keep up the good work. Goodluck to your family and I wish to see this place again in the future. I just wish someday, students understand your way of disciplining us.

Take care!
