THE SPIRIT OF KUBASAKI - 9

This is your book ... the Cadet and in it you will see your friends portray the true spirit of Kubasaki - 9. Certainly we all studied hard this past year, but there was a lot of fun too. Naturally, there were finals, lectures, reports and quizzes; but there were also dances, games and competitive spirit.

... Quonset huts filled with the chatter of students ... three o'clock ... the anticipation of finals a paper cup thrown into the wastebasket lost in the rush of lunchtime ... the excitement of a football game ... the trailing sound of buses leaving the school grounds ... These have all been part of our life at Kubasaki - 9.

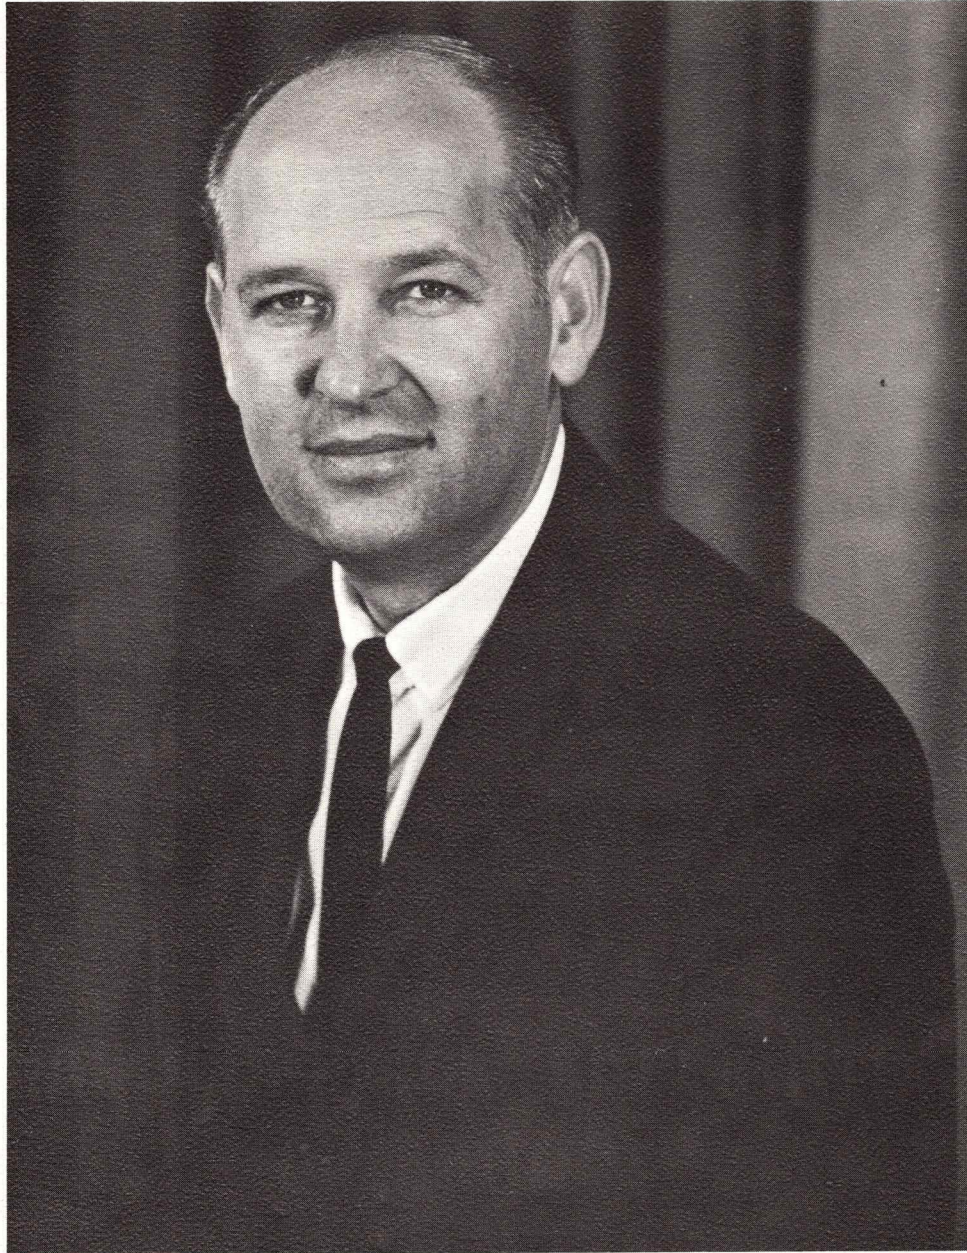

We, the ninth graders of 1970, sincerely hope that the future classes of Kubasaki - 9 will continue to have the visions and dreams that are our hope and future for tomorrow!

Actually the pictures you will see are merely an introduction, a preface - memories of - a complete story of K - 9. Consider them but a taste, then turn the pages to see the complete and faithful reproduction of the greatest class of K-9, the future class of '73.

MR. HAROLD PRICE, SUPERINTENDENT OF SCHOOLS

The Superintendent and his Staff extend best wishes to the students of Kubasaki Ninth Grade School for continued success. We also challenge you to continue to develop your individual potentialities and to utilize the common fund of knowledge, values, and skills you have so far gained for worthwhile purposes in the future.

MR. P.G. JAMES, PRINCIPAL

And so another year in your school is coming to a close! I am so pleased that we have had the experience of being a part of Kubasaki Nine this year - a part of a wonderful group of people brought together from all over the world. If there is one thing we have achieved this year, it has been to learn that there is no such thing as one kind of person but rather to see and experience that life is filled with many, many people, all different and all having something to offer which is a little different from that which we know. Put them all together and you get the kind of understanding, sharing, interesting people that make up Kubasaki Nine.

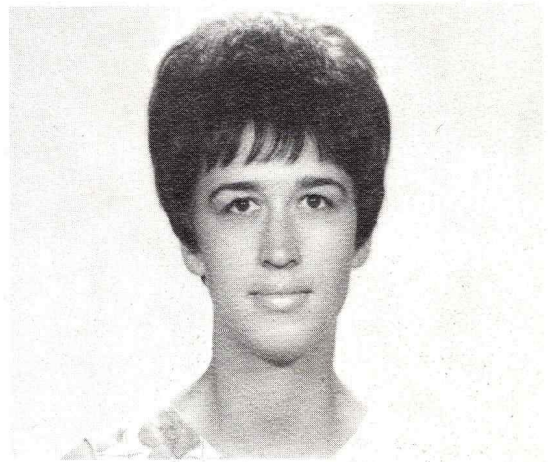

My wish is that you will take some little part of this year with you so that it can help you along the road. The friendships you have made here cherish them as I am sure there will be no better in your life.

My warmest best wishes are to you at this time.

Please, boys, one at a time

Look what I found!

Who turned off the water?

I use ultra' bright

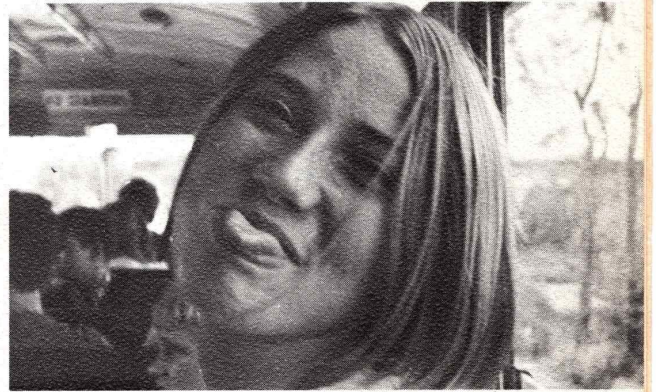

I'm learning to build a house!

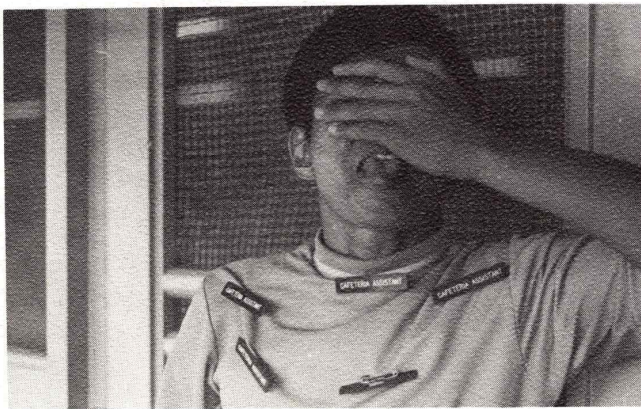

Alright, who spit on me?

Take my girl, will ya, I'll teach you!

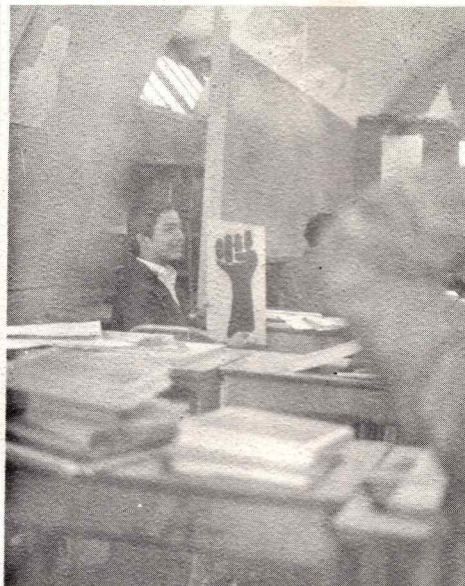

Nanny Nanny Boo Boo

What happened to all my helpers?

Really! When? Where? How?

I never can get his attention!

And please boys, stay out of the girl's dressing room.

No fighting in the ranks!

She gets her kicks out of this.

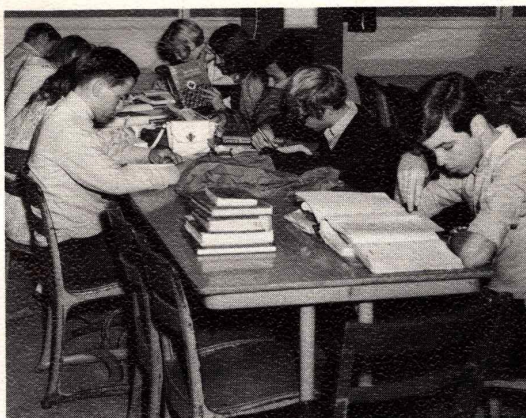

I've got SEX APPEAL, cause I use Ultra-brite!

Now, Mrs. Gelman

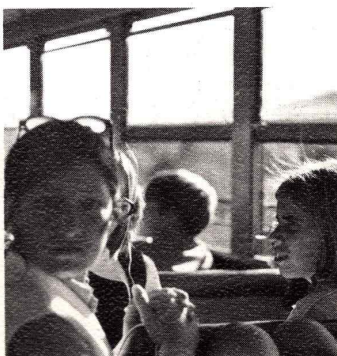

Oh, those study halls were great!

He gives me a pain in my neck!

The ball is somewhere on the floor!

How did I get here?

I know it's here somewhere.

This is just too much!!

Gee - bowling is fun.
