## A Message from Our Principal

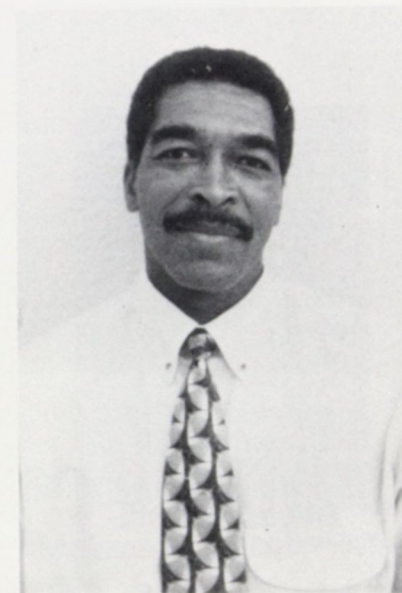

Although this has been a very busy year, I would like to take this opportunity to thank all the parents, students, faculty members and the military community for their assistance in making the school year 1999-2000 a very successful year for everyone. Wishing all a very nice and restful summer. For those leaving us, I am hoping that you will have a safe and successful trip to your new school. For those returning, I will look forward to seeing you in August for the new school year.

Mr. Van Dale Furusho

## A Note from Our Vice Principal

This past year has been very memorable, meeting new students, families, and friends. I have had the opportunity to spend time with many of you and it has been a pleasure working with everyone. Everyone should be proud of themselves and I want to thank you all for all the support that you have contributed to SHES. I wish you all a safe and fun summer.

Mr. Joe Masters

## A word of thanks from the PTA

We dedicate this yearbook to the many volunteers who have selflessly given of their time and talents to ensure that school year 1999/2000 was a success at Stearley Heights Elementary School. Volunteer efforts have enabled programs, such as, the Fall Carnival, the Volksmarch, and the International Matsuri, to surpass great expectations. These programs have helped bond our community volunteers with our school and students.

Volunteerism is thriving at SHES. Volunteers have served graciously as mentors for our students throughout the year. Volunteers serve in the classrooms, on the playground, on committees in the school and community, and from their homes. For all those who have given their assistance to our school this year, we gratefully dedicate this yearbook to your efforts and enthusiasm.

## In memory of:

### Bliss N. Scott

When I think of Bliss, I will always remember her ready smile and the mischievous sparkle and the beautiful blue eyes. Bliss had an enthusiasm for everything she did and entered into new experiences with a real zest.

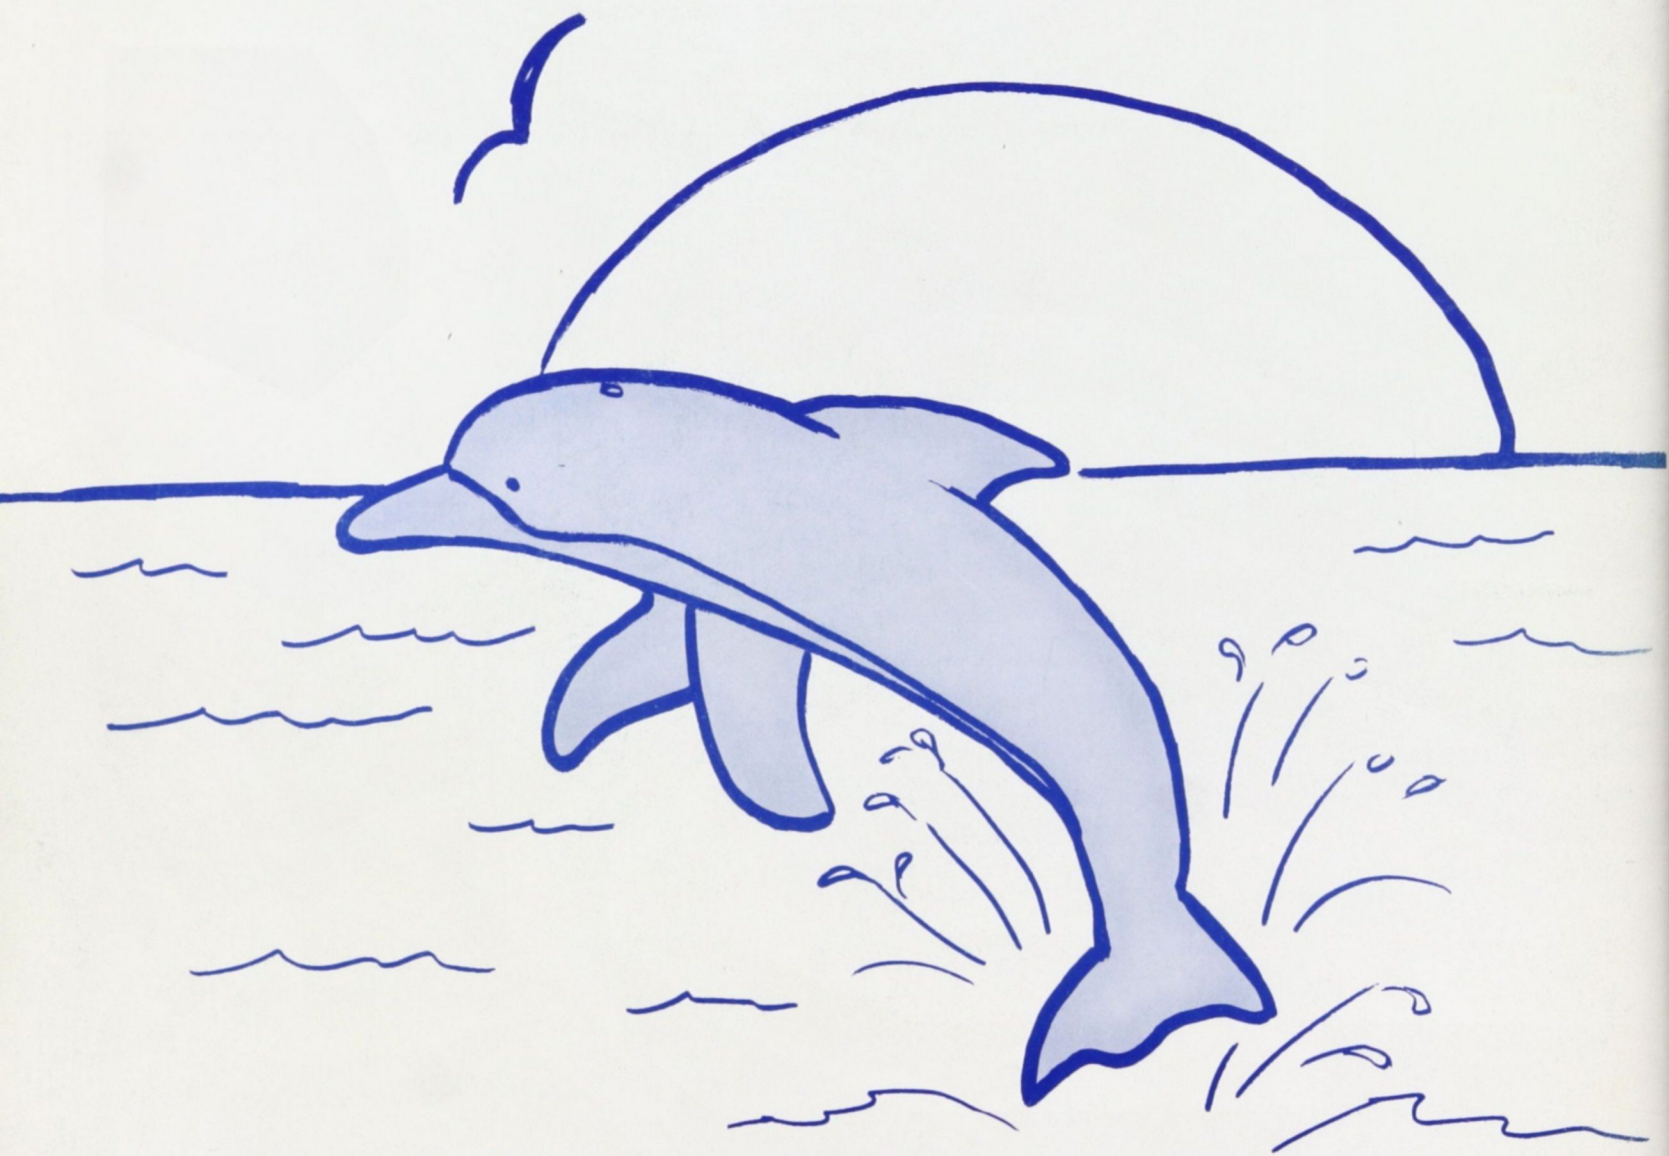

She had a healthy imagination that was always thinking up novel and inventive ways to have fun. I think of the joy I had in teaching her to read and seeing her love for books. I'll always remember her parents who were so supportive of Bliss and of all our first grade field trips and special projects. They did all they could to make life good for Bliss. I'll never forget the special joy Bliss had in sharing the Easter eggs. Bliss and her mother had prepared Easter eggs for the class. When our class won our tug-of-war on field day, she was so excited.

Another special memory was her enthusiasm for sharing with me the stories she had written in her journal. Having Bliss taken from us at such a young age is something none of us will be able to understand. The words that give me comfort as I contemplate this, are the words from Jesus when he said, "Let the little children come unto me, for such is the kingdom of God". Knowing how much God loves children and what a perfect place He has prepared for us makes it easier to release Bliss into his loving care.
