

SHES MEMORIES

Stearley Heights Elementary School

Tucked away in a corner of Kadena Air Force Base in Okinawa, Japan, sits Stearley Heights Elementary School. As the only true neighborhood school in Okinawa, SHES has the reputation as the best around. This book chronicles the people who shared school year 2000-2001 with you there.

As you leaf through the pages of this yearbook, you will remember the good times and the friendly folks who make SHES the wonderful place that it is.

Stearley Heights Principal ~ Mr. Van Furusho

Stearley Heights Elementary School is a GREAT school! The North Central Association Commission on Accreditation and School Improvement evaluation committee members validated that SHES is made up of "Great Students," "Great Parents," and "Great Teachers" during their three-day visit this past April. Although this has been a very busy year, I would like to take this opportunity to thank all the parents, students, faculty members and the military community for their assistance in making the school year 2000-2001 a very memorable and successful year for everyone. I wish and hope that all of you will have a safe and restful summer. For those leaving us, I am hoping that all of you will have a safe and successful trip to your new school. For those returning, I will look forward to seeing you in August for the new school year!

Stearley Heights Vice Principal ~ Mr. Al Barney

It has been an enriching and rewarding year at SHES. I have thoroughly enjoyed working with the staff, students, parents, and, of course, Mr. Furusho. Spending time with the students, learning so many names in such a short time was a challenge. I look forward to school year 2001-2002. I know that it, too, will be equally rewarding and exciting. Let us all continue to plant a seed of kindness daily.

In Memory of Jo Madden

Stearley Heights Elementary School mourns the loss of our dear friend, teacher, and colleague, Ms. Jo Madden. Ms. Madden died on April 22 from complications following minor surgery.

She came to Stearley Heights for the 1998-99 school year and began her time here teaching fifth grade. She has taught kindergarten for the past two years.

Ms. Madden is survived by her three children in her home state of New Jersey, as well as hundreds of former students from her many years of teaching. Her presence at SHES was instrumental in helping create a nurturing environment, and we will miss her dearly.
