# SHES Principal Mrs. Mona Morgan

A special message from Mrs. Morgan:

I would like to express my appreciation to the teachers, students, parents and military partners for another successful year at Stearley Heights Elementary School. You have made many contributions that have resulted in countless positive experiences for our students.

*To SHES' Teachers:* You are to be commended for your dedication and willingness to give of your time and expertise to provide research based instructional best practices that have resulted in improved learning.

*To SHES' Students:* Many of you will be returning to the United States this summer, and I can only hope that you will take the memories and experiences that will help you to grow to become independent life-long learners. If you are returning to SHES next year, I look forward to another exciting year of learning and growing.

*To SHES' Parents and Community:* On behalf of the SHES' faculty and staff, I would like to express my appreciation for your support during this school year. The success of our children hinges not only on the teachers and the adopted DoDEA curriculum, but also on you—our students' parents. As we close out this year, I want to thank you for this extraordinary opportunity to work with your children. I wish you and your family a healthy and restful summer.

*To the SHES' Military Partners:* As we near the end of another successful school year, a great deal of progress has been made thanks to you, our military partners. We are so fortunate to live and work in a community where our partners take a vested interest in our students.

*"Who dare to teach, must never cease to learn" John Cotton Dana*

Have a great summer!

Mrs. Morgan

## Assistant Principal

Mr. David Cantrell

Dear Students,

This has been an exciting and fast-paced school year! It is hard to believe that school year 2005-2006 has passed. As the Assistant Principal at SHES, I always looked forward to seeing each of you during the school day, in the cafeteria, playground, or in the evenings at one of the many School Home Partnership Events.

This year I hope provided you with many memorable events of our time together. From the evening Bingo and Spaghetti Night, to the Story Book Character Parade, to the first annual Stearley Idol... we each shared in many fun times.

If you are returning to SHES in the fall of 2006, I look forward to seeing you once again. For those of you moving on to the seventh grade, I wish you success and hope that you enjoy your new school as much as I know you've enjoyed the time spent here at SHES.

*David Cantrell*
