Stearley Heights School Song

(sung to "This Land is Your Land")

Refrain:

Welcome to Stearley.
We are the Dolphins.
From Kadena Air Base
In Okinawa.
We have come here
From many places.
This school was made
for you and me.

Verse 1:

Stearley has a mission.
We have great parents.
We have great teachers,
Preparing great kids
For success in life.
Stearley was made
for you and me.

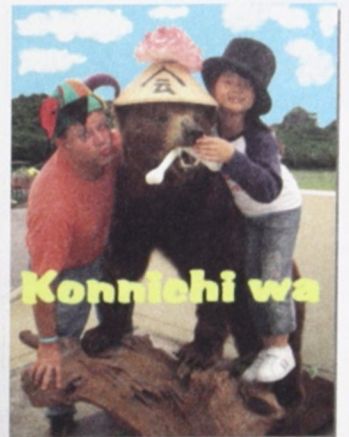

Refrain sung again:

Verse 2:
We do math problem-solving
And science experiments.
We use computers
And read for Reading Counts.
We are serious learners
To prepare for the future.
Stearley was made

Refrain sung final time

SCHOOL YEAR 2006-2007
STEARLEY HEIGHTS E S

" We have come here from many places... "

This yearbook is dedicated to our parents who are stationed in the Middle East. They are fighting for our freedom. We think of them every day. Thank you Moms and Dads for representing our country. Come home soon.

Love,

Stearley Dolphins

Dolphin Administration

Principal
Mrs. Mona Morgan

Assistant Principal
Mr. Bill Mierzejewski

Looking back over this past year, I am very proud of everything we have accomplished as a school and a community. It has been an exciting year watching our students grow academically and socially. The war in Iraq has been a constant reminder of our need to support each other and to create a family-like environment within the school setting.

Many of our students will be leaving the island at the end of this year. It is my desire that they take with them the memories of wonderful and caring teachers, new skills and knowledge for the upcoming year and beyond, Fun Fridays, Spaghetti & Bingo Nights, Stearley Idols...

Looking forward to 2007-2008 at SHES, I am expecting another productive school year with many opportunities to offer a rigorous and quality education to all of our students and to increase parent involvement. Best wishes for a good summer.

Mrs. Mona Morgan Principal of SHES

Hello Dolphins,

I am not new to DoDDs, but it is fun to be here at Stearley as your Assistant Principal. My 23 year career has taken me from Korea, the Phillipines, and to Kadena Middle School before I landed here with you. I am married to Melene Tippetts and we have 5 children.

I love to visit your classrooms and see you happy Dolphins at work and play. I look forward to trout fishing in Wyoming and playing golf when I am on vacation.

Sincerely,
Mr. M
